Tyler County Project On DETCOG Priority List

Deep East Texas Council of Governments and local governmental units in the area it serves will need more than 1.5 million dollars in state and federal money to carry out 37 criminal justice projects during 1973, according to the new regional plan including two involving Tyler County.

The proposed projects are outlined in DETCOG's "Criminal Justice Plan, 1973-1975" just approved by Governor Preston Smith's Criminal Justice Council.

Polk County will be asked for the project of primary emphasis, the continuation of probation services for Polk, Hardin, Tyler, Jasper, Trinity and Walker counties. A need for $99,844 in CJC funds is seen for the project.

Bulk of the funding is planned for Polk County with four projects, running more than $203,120.

Six projects with expected need of $139,734 in funding assistance are planned for DETCOG as a whole the year. Nacogdoches and Nacogdoches county plan six for $207,047; Shelby County and Center, three for $14,015; Angelina County two, Lufkin and Diboll one each, a total of $19,613; Hardin County, three for $99,835; Jasper County, three for $90,357; Houston County, one for $35,000; Tyler County, one for $70,000; Sabine County, one for $10,500; San Jacinto County, one for $40,000; Newton County, one for $30,000; and Stephen F. Austin University, three for $50,211.

The $70,000 awarded for Tyler County is fourth in priority and is for construction of a law enforcement building.

CJC expects to receive a block action grant of $29,101,000 from the Law Enforcement Assistance Administration, Department of Justice, for fiscal 1973.

In addition, it will have some three million dollars from the state's criminal justice planning fund, which comes from a court and jury, in criminal cases imposed by the 67th Legislature.

These funds must be approved among local governments in all the state's 24 planning regions. The amount to be available for the region served by Central Texas COG depends on the urgency and validity of applications.

Spurger Homecoming To Be On November 4

The annual homecoming at Spurger High School will be held on Saturday, November 4, with a parade beginning at 1 p.m. leading off the festivities.

The school will be open from 9:30 to 3:00 p.m. for registration and visitation for all ex-students. A general meeting will be held from 3:00 to 4:30 p.m.

A supper, sponsored by the FHA girls will be in the high school cafeteria between 5:00 and 8:00 p.m.

The homecoming basketball game will follow the coronation of the homecoming queen which will begin at 9:00 p.m. The game will have the Spurger Pirates meeting the Zavalla Eagles.

Candidates for homecoming queen and their escorts are Lacy Crosby and Richard Cossey, Barbara Drake and Jamie Morris, Brenda Rason and Tommy Paul, Cindy Garlacks and Roy Johnson, Charlotte Hancock and Thad McCullum, Lucy Hicks and Gary Fredlen, Terry Nowlin and Tommy Jordan, Carolyn Ratcliff and Rusty Mott, and Katie Warren and Neil Jeansonne.

County Farm Bureau To Hold First Annual Meeting

Lloyd Fortenberry, president of the Tyler County Farm Bureau, said this week that all Tyler County Farm Bureau families are urged to be present at the First Annual Tyler County Convention on October 17 at 7:00 p.m. at the Lions Den in Woodville.

The farm bureau families should bring a basket lunch to eat buffet style.

The program committee headed by J. C. Clarke, Jr. has an outstanding program planned for the first convention.

Fortenberry will preside at the meeting. The Rev. R. C. Tillery will give the invocation and benediction and J. C. Clark, Jr. will welcome members and guests. Fortenberry will introduce guests and the county Farm Bureau officers and directors.

Of special interest will be talks by three students who attended the recent citizenship seminar. They are Kathy Golay, Pamela Glasscock and Myra Trauth.

Kathy will speak on "The Association Free Enterprise System." Pamela's subject will be "Effect of Socialism and Communism On a Country," while Myra will speak on "The Advantages of a Person Living in the United States of America."

Henry Burton, District 9 director of the Texas Farm Bureau, will be the principal speaker. He will be introduced by Pat Kelley.

Tom D. Mann, chairman of the membership committee, will report.

Gold Star Boy and Girl To Be Honored

LAURA WORTHY

MARK CURRIE

Two local 4-H club members will be honored at the District 4-H Gold Star Awards Banquet November 14 at Stephen F. Austin State University in Nacogdoches.

Laura Worthy of Warren and Mark Currie of Woodville were selected as Gold Star Award winners for Tyler County. They along with one boy and one girl from each of the other 21 counties in Extension District 9 will be honored for receiving the highest county 4-H Club achievement award.

The fields of the Gold Star Award must have demonstrated outstanding leadership development. Additionally, they must have successfully completed a project related to agriculture, home management or personal development, according to Marilyn Mooney and Clinton Curlee, county agents.

Laura's accomplishments included projects in clothing, child care, home management and horse.

Laura is 16 years old and the daughter of Mr. and Mrs. Ron Worthy, Warren. She is a tenth grade student in Warren High School and an honor student.

School activities include her membership in FHA, school choir, and the Warren basketball team.

She is a member of the First Baptist Church.

Laura is president of the Warren Community 4-H Club, secretary-treasurer of Tyler County 4-H Club, and has served as club representative to county council. She is serving as a junior leader in Warren club. She attended District Junior Leadership Lab in Trinidad in 1972. She won County Dress Revue in Junior division and represented Tyler County in district contest.

Laura was elected Tyler County Youth Riders sweetheart in 1970. She represented this organization in Jasper Union Rodeo and was third runner up.

Laura is modeling a suit in the South East Texas State Fair 4-H Dress Revue on October 14.

Mark Currie, 16, son of Mr. and Mrs. Clinton E. Currie of Woodville, merits this award in 4-H for the outstanding work he has done. He has been in 4-H work for seven years and has served as game leader, secretary, reporter, vice president, and president of the Woodville 4-H club and a member of the county 4-H council. He attended District 9 Junior Leadership Lab in 1971. He has served as a junior 4-H leader for three years.

The demonstrations Mark has conducted are poultry, horse, beef, dairy, entomology, lawn beautification, wildlife and small engine. He has been in 4-H judging teams seven years in livestock, dairy, horse and entomology. He attended the State 4-H Roundup two years. He has won twenty-two 10" plaques and twenty ribbons in his 4-H activities.

Mark has shown heifers in the South Texas State Fair and the Houston Livestock Show. He entered the Houston Livestock Show Dairy Calf scramble in 1971 and caught a calf. He purchased a registered brown Swiss heifer from Jack Ogden of Colmesneil. Mark showed his heifer in the South Texas State Fair in October of 1971 and Houston Livestock Show in March, 1973 and won a blue ribbon with his heifer. He plans to show her in the same shows again this year.

Mark is active in school activities. He is a member of the Kirby High football team, and a member of the Woodville FFA chapter. He is a member of the United Methodist Church of Woodville.

School Bonds Lose Again

Voters in the Woodville Independent School District turned out in record numbers Saturday in the bond election with the issue again being defeated by a 41 vote margin in the property owners box.

Property owners voted 396 to 339 against the bonds while in the non-property owners box the vote was 26 for and 17 against.

Students Repair Courthouse Clock

The courthouse clock is running again thanks to two enterprising Kirby High School students who are in the industrial arts class of instructor Norman Turner.

They are Jim Tittle, 16, a sophomore, and Billy Dereuen, also 16, a junior. Both live at Pam II.

The clock on the courthouse tower had not been operating for several months and bids to repair it were all higher than the county could afford, County Judge Tom Mann said.

Jim and Billy volunteered to repair the clock. They made one new hand and holes were tapped out in gears in the clock which were slipping. Then they synchronized all four hands on the face of the clock and fitted the bell to strike on the hour.

Cost to the county for the job was only about $20, Judge Mann said, adding that he appreciated the fine work the boys did on the clock.

Jim and Billy said they are available to work on anything anyone may have which needs repairing.

Judge Mann said that he feels they can repair just about anything, too.

W. H. Daily, Jr., has been fishing with E. M. Pitts for several years and says that during that time he has never caught the largest fish on any of their trips -- until Saturday.

Daily is shown with a six pound, eight ounce bass which he caught Saturday while Pitts holds the next largest (weight unknown but much smaller).

The men were fishing on the upper part of Dam B Reservoir.

Committee For Tower Is Named

Ten persons in the county have been named by Q. Henry Moore to the Tyler County Steering Committee for Leslie Ann Tower, 12 year old injured this week by blunt trauma.

Named were Mr. and Mrs. Albert Clark of Warren, Mr. and Mrs. Milton Hutchins of Woodville, Mr. and Mrs. Harold Walker of Woodville, Mr. and Mrs. Ronald Walker of Woodville and Mr. and Mrs. W. L. Walker of Woodville.

Arts & Crafts Fair Applications Now Being Mailed

Over twenty-five hundred Texas artists and craftsmen have post-received application forms for participation in the second annual Texas State Arts & Crafts Fair.

Sponsored by the Texas Craft Development Agency, the Texas fair will be held on the campus of Sciences Institute, Kerrville, on May 25-28.

Jack Fish, Director, Phil Davis, estimates that at least 1000 applications will be submitted. The selection committee will have a difficult task in picking only 200 exhibitors from so many applicants. Contrary to some notions to beat from any Texas artist or craftsman who might think he or she should be chosen, all are not yet have the opportunity of participating in the show. We are continually seeking new talent for the Texas Arts and Crafts Fair, in addition to the Texas Craft Festival and Exposition, which is a year-round operation. Texas fine artists and craftsmen will perform in the auditorium stage throughout the fair, and will get to have the opportunity of meeting the public. Craft demonstrations will be offered in silversmithing, leather, weaving, ceramics, woodcarving, and other crafts.

Individuals who feel they qualify may be obtained by contacting the Texas Craft Development Agency, Box 1268, Capitol Station, Austin 78711.

It was so good to be able to be in the Lord's House Sunday. By no means was I sure of it, you see, except the Spirit of God was in it. It was to the hospital during the absence of the Editor's from being in the paper.

Well I love Sunday Mornings and the date when I feel sick. It reminds this reporter to say, that I think that was the most inspirational sermon that could be spoken. Yes, the third Sunday in each month is Homecoming Day at Ebenezer. We had a wonderful blessing.

Mrs. Ethel Williams and Mrs. Ethel Williams, Jr. of Houston were with us. Mrs. Williams, Jr. sang a solo, "Jesus Is Coming Soon" and it was so inspirational. Mrs. Williams, Sr. is improving after a long period of illness. Mrs. Williams, Jr. is the wife of Rev. Ed Williams, Pastor of Mt. Olive Church in Houston.

Liquor Costs More Than It Pays!

THIS LETTER is written in response to an inquiry by the "ladies" paid for by Mr. Robert Sanders. The major portion of that ad was pictures with captions underneath them. The pictures themselves defeated the purpose which was to promote the idea that revenue from liquor sales pays for a number of worthwhile things, therefore, we in Tyler County need to legalize the sale of liquor.

The intention of this letter is not to present a "better-than-thou" attitude but is written to express an opinion of a citizen and voter of this county.

The idea that sickness or most is to think that a portion of my teacher's retirement, my children's education and my husband's job which is with the Texas Highway Department, is financed by the sale of liquor! One of my main teaching fields is health education and one of the most important topics concerning health is the use of liquor. I was taught in college by experts and read many authoritative books and public health pamphlets concerning alcohol. They all say the same thing and that is that alcohol in the body can produce dangerous and lasting effects on both the mind and the body. But I am sure, Mr. Sanders, that you also with a number of other people supporting the legalization of the sale of alcohol have heard this before.

I not only speak from what I was taught, but what I have learned as personal experience and observation. Mr. Sanders, have you ever had a friend who was an alcoholic for a period of years? Well, I have and I can remember the embarrassing times when my friends were called upon to pick up his relatives, the sickening effects the alcohol had on him, and the hardships and insults thrown on his family, not realizing what he was doing or saying at the time. Thanks to "Alcoholics Anonymous", he was cured and if you know anything at all about this cure you know that it may not be lasting.

There would be a number of improved family relationships if it were not for alcohol. Mr. Sanders, do not present the statistics of broken homes caused from alcoholism, the number of blind persons blinded due to their own or someone else's drinking, the needy we support because the breadwinner of the family drinks up his or her wages, the crippled and permanently disabled persons who are the result of someone's drinking, the deaths on these farm roads as well as other roads due to drinking, and last but certainly not least the number of people in our state hospitals as a direct or an indirect result of drinking.

Mr. Sanders, I am teaching speech in one of our local high schools. In giving speeches concerning their own opinions on various subjects two students chose legalizing the sale of liquor. In our contest one for it the other against it. The one for it was in earnest. In this what you said to prohibit the that is everyone, youth as well as adults, that this is what we need in Tyler County?

Our class ended the two differing views with a debate but I was concerned that some of our youth want this proposal to pass. There is no way you can leave the youth out of this because they want active members of society and many of them are indirectly concerned because their parents want this to pass.

Mr. Sanders, I am not making this a personal fight I am simply taking advantage of some of the "ideas" you opened for my views and thoughts.

In closing it seems that we could live a better means of supporting our public schools, the needy and blind, farm roads and age pensions, teacher's retirement, and state hospitals. Aren't we defeating our purpose if we condemn the sale of alcoholic beverages when alcoholism is one of the main causes of death, grief, and destruction in our nation? With your help we can change the situation - the first step is to vote NO to the proposal of legalizing the sale of liquor in our county. Remember for every $1 that liquor brings to our county we have to spend $4 for law enforcement resulting from this sale.

Paid for by Mrs. Martha Kimbrough, Rt. 1, Box 5-F, Woodville.

Beech Creek HD Club Meet Held

The Beech Creek Home Demonstration Club met September 27 in the home of Mrs. H. W. Wilson. There were 17 members, ten visitors and Mrs. Maurine Mosher, county extension agent, present.

The devotional, taken from Psalm 37:5, was given by the hostess, Mrs. Martin Reeves.

The program was brought by Mrs. Mosher on how to cut your grocery bill and still be well fed. Some points she stressed were impulse buying, shopping with children in the band, choosing store to and from your friends, and leftovers, to use the less expensive cuts of meat.

A covered dish luncheon was enjoyed by all, according to Mrs. Maryie Reeves, reporter.

B & PW Club Meets Tonight

The Woodville Business and Professional Women's Club will meet at 7:30 p.m. tonight in the Home Economics Building in Woodville Jr. High.

Mrs. Sylvia Watts, president, will preside over the meeting and welcome Mrs. Ruth Wilson, of the Jasper Business and Professional Women's Club, District 14, to speak on the program for the state title of Young Career Woman of Texas. Miss Watts is expected to be named District 14 Young Career Woman of Texas. Miss Watts is the current Woman of the Year for the Woodville B & PW Club and was named first runner up Miss Woodville Woman of Texas. She was sponsored by Beaumont Kelly Club. Miss Watts is a graduate of Woodville High School, graduated from Sam Houston State University, and is a teacher at Woodville Junior High School. She is the daughter of Mr. and Mrs. Joe Watts, Woodville.

Preceding the business meeting, a bake sale will be held in the Home Economics Building. Cookies will be given by each of the club members.

The Woodville Women's Club and the Heritage Civic Club have for many years participated in projects for the betterment of the community and the educational youth.

Mrs. Mosher,

HOMEMAKING HINTS

By Maurine Mooney, County Agent

Here ... eggs ... to cook eggs and help you avoid an egg disaster like Napoleon's "Waterloo Omelet."

WHEN YOU COOK EGGS ... the first and fundamental rule ... whether you're cooking eggs in water, frying in pan, or oven ... to cook them with a low, moderate ... heat. Unlike other protein foods, eggs cooked at too high a heat get tough and ... hot fat or oil and brown. Serves 3 to 6.

If your family's tastes are closer to home, whip up a Coffee Egg Salad Casserole. 6 hard-cooked eggs, chopped, 1 cup diced celery, 1/4 pound soda crackers, finely crushed (about 37 2" x 2" x 2" crackers), 1/4 to 1/2 teaspoon salt, 2 tablespoons melted butter or margarine, 2 tablespoons diced pimiento, 1 tablespoon salad dressing, 1/4 cup milk, 1/4 teaspoon ground pepper.

Blend chopped eggs, celery, salt, pepper, 1/3 cup of the crackers, pimiento, margarine or salad dressing, milk and seasonings. Spread in greased 1-quart shallow baking dish. Top with remaining crackers. Bake in moderate oven (350 degrees F.) 30 minutes. Serve with cheese sauce. Makes 6 cups.

Cheese Sauce: In top of double boiler, melt 2 tablespoons butter or margarine. Add 2 tablespoons flour, 1 teaspoon salt, 1/4 teaspoon dry mustard, 1/8 teaspoon pepper. Add 2 cups milk. Cook and stir until thickened. Add 1 cup shredded cheese. Stir until melted. Serve over eggs, vegetables, fish, meat, or toast points.

Poached eggs ... in water ... and ... and remove yolks. Press yolks through a fine sieve into bowl. Add 1/4 cup each of cheese cracker crumbs and mayonnaise. Also add mustard, paprika, salt and pepper. Blend well. Refill centers of egg whites with the yolk-crumb mixture. Press 2 filled halves of each egg together. Dip stuffed egg into ... mayonnaise, then into remaining cheese cracker crumbs to make golden cheese-flavored "frosting." Halve egg outside of each egg. Garnish each with tiny sprigs of parsley. Makes 6 eggs.

Eggs are the perfect food to top off your meal from any particular meal ... with a ... and it will be ... a family favorite.

Banana Cream Pie: ... 2 egg yolks, 1 tablespoon butter, 1 cup milk, 1 cup cream, 1 teaspoon vanilla, 3 bananas, 1 baked pie shell.

Mix sugar, salt, flour, egg yolks, butter, milk and cream in top of double boiler. Cook over boiling water, stirring constantly until thickened. Add vanilla. Cool. Slice bananas into pie shell and add cooled custard. Top with meringue made from egg whites and 6 tbsp. sugar. Bake in 350 degree F. oven 15 minutes or until meringue is lightly browned.

Chocolate Cream Pie: ... 1 cup sugar, 3 tablespoons cocoa, 1/4 teaspoon salt, 2 egg yolks, 1 baked pie shell.

Mix sugar, cocoa, salt, flour, egg yolks, butter, milk and cream in top of double boiler. Cook over boiling water, stirring constantly until thickened. Add vanilla. Cool. Slice bananas into pie shell and add cooled custard. Top with meringue made from egg whites and 6 tbsp. sugar. Bake in 350 degree F. oven 15 minutes or until meringue is lightly browned.

Lemon Meringue Pie: ... 1 cup sugar, 3 tablespoons cornstarch, 1/4 teaspoon salt, 2 egg yolks, 1 baked pie shell.

Mix sugar, cornstarch, salt, flour, egg yolks, butter, milk and cream in top of double boiler. Cook over boiling water, stirring constantly until thickened. Add lemon juice. Cool. Slice bananas into pie shell and add cooled custard. Top with meringue made from egg whites and 6 tbsp. sugar. Bake in 350 degree F. oven 15 minutes or until meringue is lightly browned.

Coconut Cream Pie: ... 1 cup sugar, 3 tablespoons cornstarch, 1/4 teaspoon salt, 2 egg yolks, 1 baked pie shell.

Mix sugar, cornstarch, salt, flour, egg yolks, butter, milk and cream in top of double boiler. Cook over boiling water, stirring constantly until thickened. Add vanilla. Cool. Slice bananas into pie shell and add cooled custard. Top with meringue made from egg whites and 6 tbsp. sugar. Bake in 350 degree F. oven 15 minutes or until meringue is lightly browned.

Pineapple Cream Pie: ... 1 cup sugar, 3 tablespoons cornstarch, 1/4 teaspoon salt, 2 egg yolks, 1 baked pie shell.

Mix sugar, cornstarch
