Rainy Days!

"SPLISH SPLASH I WAS TAKIN A BATH"--is not what those kids were doing Sunday as they made the best out of a convenient early Sunday afternoon downpour. The foursome are shown trying to "get as dirty as they can" in order to have a successful "water fight". Shown hidden behind soccer ball is Jeffery Voth and to his right, brother Jason. Top kneeling (L to R) are an undentified guest and Chris Avery.

Council Hears Complaint; Keller Request

Local Woodville Attorney Jim Dillion complained to Woodville City Council Monday night about the handling of an accident involving himself and a logging truck recently at the intersection of Hwy 190 and 69.

Dillion also said the officer was talking to his wife in an earlier traffic stop incident "like you'd talk to a Texas Department of Corrections inmate," suggesting further he was being "harassed" by the Woodville Police Department.

Dillion, who was traveling west on Hwy 190 slipped up behind and to the outside lane of the log truck which was positioned to make a right hand turn.

The driver of the log truck, belonging to Billy Williams, of Lufkin, was driven by Freddie Weeks, who said that he didn't see Dillion's car as he began his turn.

The right rear wheels of the heavy logging truck caught Dillion's car behind the drivers side door and dragged it some 10 feet forward and to the right lodging it next to a utility pole. Williams then got out of the truck to assist Dillion.

Dillion complained the investigating Woodville Police Department Officer, "failed even to ask how the accident had happened...even until day." He also challenged the officer and the council to what he said were less than adequate accident report forms.

Dillion said that the rear blinker lights on the truck couldn't be seen because of the "low hanging logs."

Council May Tom Knapp thanked Dillion for his report and said it would look into the matter.

Officer Clark told the Booster that he couldn't comment on the case while it was under investigation by the council except to say that the allegations, "were basically untrue."

In other action the council heard a request from Will Wooten, General Manager of the Keller Alluminum for a cooperative effort to install an 8" sewer line plus about 600 feet of 2" pipe at a material cost of about $10,000. Wooten said that Keller which employees some 450 people now expects in the near future, to near the 500 mark, which will produce considerably more domestic waste, he said.

Our one main key problem in all of this is the domestic waste.

Councilman Gordon Anderson expressed concern about the new north dewer plant's ability to handle the larger amount of effluent that would be discharged from the plant. Councilman Anderson and Tolbert suggested the Council visit the Keller Plant as a group, examine the problem and see what they can do to help.

Keller management said they were also shipping in a special cooling tower which would reduce the amount of water usage by the company by about 100,000 gallons per month. Keller currently uses about 800,000 metered gallons per month. They asked for a reduced rate for their discharge for commercial usage. Wooten said he would appear before the council at their next meeting and hoped to make a formal proposal in record to the project. It is our hope that Keller will provide the material and the city would install and over see the line installation itself.

Councilman Doug Tolbert said "Keller is very important to the city of Woodville. We'd like to see your problems."

City engineers stated that Woodville might have to add another

Chester Vols To Get WEPS System

CHESTER--Residents in the Chester area will rest a little easier soon, thanks to the recent purchase by the Chester VFD of a 240-gallon Water Expansion Pump System (WEPS) unit. The WEPS unit will produce about 2400 gallons of foam per charge, thus allowing extended operating time on the scene of a fire.

Half of the funds needed to purchase the WEPS unit were raised locally. The other half--$2,500--was contributed by the Texas Forest Service under its Rural Community Fire Protection (RCFP) program. This cost-sharing program assists qualified VFDs with the purchase of WEPS units and fire trucks.

The only string attached to RCFP cost-sharing assistance is a signed agreement between the VFD and TFS. In the agreement the VFD agrees to assist the Texas Forest Service in the event help is needed on a large ground cover fire in the area.

Cost-sharing fire equipment is just one of the ways the TFS has aided Chester and some 900 communities in Texas. Free training in ground cover firefighting is another. TFS trainers offer courses in ground cover tactics, ground organization and WEPS operation to fire departments throughout the state. The courses are accredited by the Texas Firemen's and Fire Marshalls' Association.

Persons or departments interested in possible equipment cost-sharing assistance or ground cover training should contact the Texas Forest Service, Fire Control Department, P.O. Box 310 Lufkin, Texas 75902, phone 409 639-8100. Thanks to such a contact, the Chester VFD received help to purchase a WEPS unit. Other departments have received up to $4,000 toward the purchase price of fire trucks.

Tyler County Sheriffs Office Offering Films

In a continuing effort to make Tyler County a better, safer place to live, the Tyler County Sheriffs' Department has purchased four audio-visual films. These award-winning films were developed for the Department in its fight against child abuse and drug abuse. The programs may be obtained through the Department's Community Relations Office and are available for showing, free of charge, to schools, civic clubs, churches, and parent groups.

Preventing sexual abuse in young people is the goal of SPEAKING OUT, when a young school newspaper reporter uncovers sexual abuse in students and encourages them to "Speak Out".

AMERICA'S HEARTACHE is an alert to adults everywhere of the missing child dilemma. It outlines measures used to prevent abduction and molestation.

DIAGNOSIS: TEENAGE ALCOHOLIC is a practical look at current risks, danger signs of teen-age alcoholism and gives treatment options.

With look-alike and designer drugs and widespread use of cocaine, the drug abuse problem is increasingly complex. DRUGS IN THE EIGHTIES is a "state of the art" look at today's drug scene.

For additional information, or to schedule a free showing of any of these films, contact Sheriff Leon Fowler, Tyler County Sheriffs' Department, (409) 283-2172.

CHIEF HONORED--Chief Kina Fulton Battiste is shown (left) at special ceremonies Saturday, June 8, marking his 30th Anniversary as leader of the Alabama-Coushatta Tribes located between Woodville and Livingston. Special guests on hand for the event included Governor Mark White, Ralph Yarborough, Congressman Charles Wilson, State Representative Allen Hightower, Judge Wayne Baker and Judge Allen Sturrock of Tyler County. Shown also at right is Chief Bronson Cooper Sylestine.

C of C In Chester

The Tyler County Chamber of Commerce and the First State Bank of Colmesneil will be hosting a coffee, Monday, June 16, 1986 at 9:00 a.m. in the lobby of the First State Bank of Colmesneil. All directors, members and interested persons are invited to attend.

Retirees To Meet

The Tyler County Retirees Club will meet at 9:30 a.m. Wednesday, June 17 at the Lions Den about 1 mile east of Woodville off Hwy. 190.

All retirees are invited to join us for the fun and fellowship. Bring your favorite dish for the luncheon.

Don't Forget....

Father's Day, June 15th

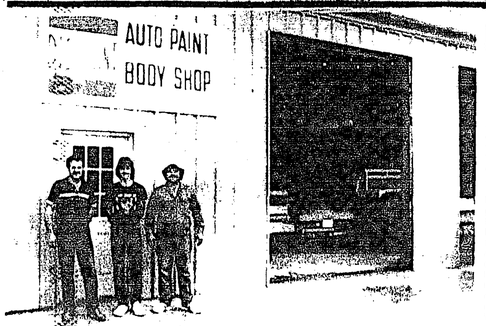
Barnes, James Win

A light turnout of voters selected Chester resident Pete Barnes for the Democratic nomination for County Commissioner pct. #2 and nominated incumbent Grady James as Justice of the Peace Pct. #2. Barnes won over opponent Raymond Pope 693 to 451 with Barnes' heaviest margin coming from the Chester pct. 243 votes to 4.

Approximately 14 percent of Tyler County voters participated in last Saturday's Democratic Primary run offs. In addition to the two Pct. #2 run offs Tyler County Democrats voted 835 for Railroad Commissioner nominee John Sharp over 308 votes for P.S. Ervin.

CATHOLIC ETHIOPIAN CLERGY VISITS WOODVILLE--Apostolic Prefect Monsignor and Acting Bishop Yohannes Wolde Giorgis (at right), who represents the Province of Mekl, in Ethopia, Africa, was the guest of Our Lady of the Pines. Deacon escort Neil Lewis as the visiting emmisary from the Catholic Church in Ethopia was in the United States to raise funds for his starving province. The African clergyman also presides over a school for blind children and is "simply here on a mission to raise money for parishework and charity." In a country of 3 million, the pastorate of this Bishop is some 70,000 square miles. The Rev. Lewis said that the visiting Monsignor was a great speaker and had recently spoken to the Our Lady of the Pines Church Community "Asking for help for his prefecture."

PERSONAL & FAMILY accent on tyler county



GRAND OPENING—DISCOUNT PAINT AND BODY SHOP is now open for business says owner Bill Dawson, who with 30 years experience, offers Sonny Rosty and Chuck to provide the best service in town in experienced Auto Paint and Body work. Dawson has been certified by General Motors, Ford Motor Company, and Chrysler Corporation and its Foreign Car Division in the paint and body field. Dawson is also experienced in motor mobile repairs and large trucks. He also specializes in Corvettes and frameweld and custom painting. Dawson also does glass installation and tinting as well. Located behind A & M Motor Company. Call 283-7271.

Picnic 'Unqualified Success'

Tyler County Senior Citizen's Pioneer Picnic at George Jones Country Music Park was an unqualified success with 576 reservations. This included 76 persons from area nursing homes. 446 people participated in drawings for 178 gifts so generously donated by area merchants, businessmen and friends.

Liquid sunshine poured down before noon out so everyone waded home and called it a day.

But the party is not over until it is over. All remaining 292 gifts will be distributed among those who registered the day of the picnic. Names for the remaining gifts will be drawn July 1986 at 1:00 p.m. at the Lions Den on Highway 290. Last immediately following the regular meeting of Woodville Area Chapter #592 American Association of Retired Persons.

Winners not in attendance July 5th will be notified and may pick up their gifts at a later date by calling the Chapter President Rev. Don Calhoun at 283-3962.

Reading Club Winners Told

Robyn Dean and Tracy Dean, daughters of Mr. and Mrs. Charles Dean of Hillister, were the first reading club members to receive certificates at Allan Shivers Library this summer.

The second grader, Robyn, in addition to getting the certificate from the Texas State Library, co sponsors of the program, was the recepient of an attractive book bag, which the library is giving to all ten-book readers. Her sister enjoyed her mother's help in the Read-to-me Club.

Mark Santos, 5th grader, and Lori Ann Eade, second grader, were also winners during the first week of the program.

Scheduled for 10:30 a.m. Thursday, June 17, will be two story hours with Dr. Brian Babin bringing his Indian exhibit for the older children and the younger group having movies and stories.

On the state for the first week were the Patriotic Puppets of Warren Mrs. Annabeth Willis, director, and movies with Ms. Sharon Brown as the story teller for the younger children.

A total of 139 members of the two reading clubs registered by press time Monday. Registration will continue until mid July.

Gilchrist Paintings Chosen

A watercolor by Woodville artist Doretta Gilchrist was chosen by Junior Arthur Turner for exhibit in the Annual Members Juried Exhibition on display through July 1 at the Beaumont Art Museum, 1111 Ninth St. The display includes works by the museum's membership in all media, including watercolor, oil, jewelry and sculpture.

Mrs. Gilchrist's works have been accepted regularly for exhibit in the annual Beaumont Art Museum Members Juried Exhibitions and the Tri State Juried Exhibit sponsored by the Beaumont Art League, winning top awards in both exhibits. The artist has a solo exhibit at the Beaumont Art League Galleries recently, and has exhibited and won awards in numerous other shows throughout the state.

Paintings by Mrs. Gilchrist may be seen at the Beaumont Art League Galleries and here in Woodville at South east Texas Savings and Loan, under the clock at the Post Office, and by appointment in the studio.

50th Anniversary

Mr. and Mrs. Cecil Butler will celebrate their 50th wedding anniversary Sunday, June 29th with a reception at First Baptist Church, Port Neches. The Butlers were married on June 25, 1936 at Colmesneil, Texas. They have 3 sons, Billy Joe Butler and Wayne Butler of Port Neches and Gene Butler of Nederland, 6 grandchildren and 3 great grandchildren.

Gulf Retirees To Meet

The Gulf Retirees Club will hold its regular monthly meeting Friday the 13th. They meet at the Spurger Volunteer Fire Department at 6:00 p.m. Please try to attend and bring a covered dish. Plans for the annual picnic will be discussed at this meeting.

Couple Wed

Miss Gina Elizabeth Hughes and Mr. Wade Worthy were united in marriage on Saturday, May 31, 1986 at one o'clock in the afternoon at Lakewood United Methodist Church in Houston, Texas. The traditional ceremony was performed by the Reverend Don Little.

The bride is the daughter of Mr. and Mrs. Jack Hughes of Houston. The groom is the son of Mr. and Mrs. Ben Worthy of Warren.

Given in marriage by her father, the bride wore a traditional gown of white satin and beaded alencon lace, featuring a wedding band neckline and a bodice that was appliqued with lace, bridal pearls and iridescents. The long sleeves had appliqued lace inserts and tapered to the wrist. The gown had a dropped waistline and the skirt fell to a cathedral train profuse with ruffles. Her head piece was lace and pearls designed to match the gown and held the veil of soft silk illusion. Her bouquet was a cascade of white roses, stephanotis and blush pink baby's breath.

Tracy Burrier, of Ohio was Matron of Honor. Joellen Newman was Maid of Honor and bridesmaids were Barbara Hughes from The Woodlands, and Joanne Worthy from Beaumont. They wore long gowns of Margot blue soft-silk featuring a sweetheart matching cumberbunds and a bow at the back waistline. They carried bouquets of spring flowers.

Dana Erin Doggs, niece of the groom, and Allison Plunkett were flower girls. They wore long dresses of white satin with a sweetheart neckline and puff sleeves, sashed in blue to match the attendant's dresses. Their head pieces were of blue and white ribbons and were fashioned by the brides aunt. They carried baskets of spring flowers. Logan Plunkett served as ring bearer.

The best man was Jeff Pondrof of Houston. Groomsmen were Terry Molnes, Bob Hughes and Bruce Worthy. Serving as ushers were Brad Worthy, Steve Hughes, and Paul Burrier. They wore tuxedos of the classic design with steel gray coats, black and gray striped pants, topped with light gray vests and ascot ties. The groom's ensemble was distinguished by a coat of the cut away design.

Following the ceremony guests enjoyed a buffet luncheon in addition to the traditional wedding cakes at the reception held at the Rayneous Country Club. The couple then left for a cruise in the Caribbean and upon their return, will make their home in Huntsville where they attend Sam Houston State University.

Hillister News

The young people of the Baptist Church left early Monday for Eureka Springs, Ark. where they will see the Passion Play. These nineteen young people with their pastor Rev. Henry Shettles, others going with them were Mrs. Jean Klock, Mrs. Alma Wiggins, Mrs. Bobbie Gray and Mrs. Vivian Pope.

Mr. and Mrs. J.W. DeRamus with Marian ne Gardner, Thomas and Laura of Livingston were in Pikin, La. Saturday to attend the DeRamus reunion. Mrs. DeRamus with Marian ne and family went from there to points in Arkansas and Branson, Mo. for the week.

Mr. and Mrs. Enoch Rice of Covina, Cal. are here visiting relatives. On Saturday they with Mrs. Mary Miller, Carol and Verlyne Rice attended the Wheeland Read Rice reunion at Lake Tejas.

Mr. and Mrs. Lloyd Hugghins of Troup were here last week visiting Mrs. Beatie Hugghins. For the weekend Mrs. Huggins had her grandson David Chance and his mother Mrs. Lillian Chance of Port Arthur with her.

Lisa Rice of Mauriceville visited her parents Mr. and Mrs. Carroll Rice and grandmother Mrs. Mary Miller last week.

n Martin, Mr. Miller of Pensacola, Fla. arrived Saturday to spend the summer with her grandmother Mrs. Vivian Pope.

Mrs. Gladys Sheffler went to Pineland early Sunday in response to a message that her brother Floyd Self is critically ill. We are glad to report that Mrs. Ethel Read is slowly recovering from painful injuries she received in a fall. Her daughter Beth Coward of Houston was with her until Thursday. The daughter Wanda Hickman of Tyler came to be with her.

Mr. and Mrs. Olen Tucker enjoyed having their children, Phil Tucker of Glenrose and Mrs. Ann Reisner and children of Houston for the weekend.

Best Wishes Roxanne

Bringing a successful year as the Reigning Texas Petit Beauty Miss Texas to a close will be difficult for Roxanne Hicks 6-year-old daughter of Phil and Debra Hicks of Hillister, as they're off for five days of ceremonial festivities designed to pick the next Imperial Petit Miss.

Roxanne who has amassed a huge portfolio of pretty pictures will charm the judges again as she parades for the last time in the category in Huntsville.

During her reign Roxanne has kept the company of famous artists and singing stars like Jones, John Anderson, Stonewall Jackson, George Strait, Mel McDaniel not to mention Tyler County's own George Jones.

Shopping With Diane

By Diane Sitton

Father's Day is one of the few holidays that originated in modern times in our own country. The holiday most similar, however, was the Roman Parentalia which lasted a full ten days and was held to appease the souls of departed parents and kindrd.

Several people have contributed to the growth of Father's Day. The earliest mention on record was July, 1908 when a Father's Day service was held on the Central Church of Fairmont, West Virginia. It was scheduled at the request of Mrs. Charles Clayton.

An important figure in the home fathers movement was Harry C. Meek, past president of the Uptown Lions Club of Chicago. He first had the idea for Father's Day in 1915 and began to promote it through his speeches to various Lions Clubs.

The clubs set the date for the holiday as the third Sunday in June, the Sunday nearest Meek's birthday. The Lions recognized his achievement by calling him originator of Father's Day.

Perhaps the most influential promoter of the holiday was Mrs. John Bruce Dodd of Spokane, Washington. The idea for the holiday came to her during a sermon on Mothers Day in 1909. Her father had raised her along with her five brothers, after their mother died while the children were still young.

Once the idea for the holiday struck Mrs. Dodd began a letter writing campaign and in 1910 Spokane was the first city to officially honor fathers.

Mrs. Dodd's suggestions for observing the day included wearing a flower, a red rose for a living father, a white rose for a deceased one.

The Martin W. Lallinger Bible Class of Williamsburg, Pennsylvania, chose to wear dandelions and defended their selection by saying "the more it is trampled on the more it grows."

In 1916 President Woodrow Wilson participated in a Father's Day celebration. In 1924 the occasion received support from President Calvin Coolidge. In 1957 Senator Margaret Chase Smith made a notable attempt to have it officially recognized.

It was not until 1972, however, that the day was established permanently when President Richard Nixon signed a Congressional resolution.

KEEP ON TRUCKIN' What could be better for Dad for Father's Day than one of the new full size trucks now available at Allison Chevrolet in Colmesneil.

According to Scot Tolbert, salesman, the new Chevy trucks are offered in a large variety of models with an unbeatable list of options. Engine choices include the award-winning power of the stand and Vortec V6, several gas powered V8s and the popular 6.2 Liter V8 Diesel.

According to Scot, Chevy trucks have many good engineering features which also make them a good choice for Dad. For instance, the front suspension on two wheel drive models have contoured steel control arms with coiled springs that flex independently to absorb bumps.

All models feature a rigid ladder type frame with steel side rails and cross members. There's also double wall construction in doors, front fenders, cab rear upper panels, hood and cab roof.

On some models this feature extends to the cargo box sidewalls and tailgate. Chevrolet trucks also include extensive cab weatherproofing, a comprehensive anti-corrosion package, counter angled rear shocks, two stage rear suspension, and a wet arm windshield wiper system.

Options include such luxury features as AM/FM stereo radio with cassette tape, pickup box side rails, power locks and windows, roof marker lamps, and cast aluminum wheels.

In all there are 46 different full size models to choose from. Drop by today!

VBS Set

An all-new and exciting program has been prepared by TrueVine Baptist Church for Vacation Bible School to be held Monday, June 16 through Friday, June 20th. JESUS, I LOVE YOU is the theme for the school, to be held each weekday from 6 p.m. to 8 p.m.

Classes will be offered for all ages from Nursery (ages 2-3) through college age and adult.

A back-to-basics approach to Christian living is offered in VBS. Bible-based lessons will be taught with excitement and variety through the use of many advanced teaching methods. Students will be challenged and involved through such activities as these: song time, Bible study, interesting visual demonstrations, classroom interaction, craft making and many other innovative methods in keeping with the theme JESUS I LOVE YOU.

Workers in the school are needed and welcome. For information regarding attending and or assisting, call 283-5056 or 283-5938.

Colmesneil Defeats Chester

Go To State Tournament

COLMESNEIL WINS QUARTERFINALS

The quarterfinal baseball game between 1985 state champion Colmesneil Bulldogs and Chester Yellowjackets was suppose to have been played on Hennigan Field last Friday but had to be moved to West Orange Stark Field because of a wet field in Woodville

The Bulldogs won the game by a score of 4 to 2 with all of their runs scored in the first two innings Chester made it a close game by scoring one run in the third and one in the fourth for a 4 to 2 lead for Colmesneil. Each team had other chances to score but good pitching and strong defense by both teams held the score down Colmesneil missed out in the third on a double by De Wayne Broussard and two walks they also loaded the bases in the sixth on a walk to Jantes Broussard, a single by Curtis Daniels and another walk to Al Davis

Chester got two hits in the 6th, Chuck Gazaway and Undra Barlow singled, couldn't score

Colmesneil won the game in the bottom of first inning as they scored three runs on a walk, two hits and an error James Broussard drew a walk to start the scoring. Curtis Daniels hit a double and Jerry Dubose singled to drive in two runs Dubose scored later on a Yellow jacket error Colmesneil scored again in the second on a two out single by James Broussard a stolen base a walk to Curtis Daniels and another single by Jerry Dubose

Chester scored one in the third when Mark Young was safe on an error a sacrifice fly Frank Ogden and a single by Walt Powell. They scored again in the fourth with Chuck Gazaway was striking first on an error, a sacrifice by Undra Barlow and a single by Tim Bean

Leading hitter for Colmesneil was Curtis Daniels 2 for 3, James Broussard 1 for 2 and scored two runs, Jerry Dubose 2 for 4 with three runs batted in and scored one run

Chester was led by Tim Bean with 2 for 3 and a run batted in, Chuck Gazaway 1 for 3 and scored a run and Undra Barlow 1 for 3

Jerry Dubose was the winning pitcher and Clint Murrock was charged with the loss

Chuck Gazaway relieved Clint Murrock in the second inning and held Colmesneil scoreless in the final four innings

Colmesneil made 11 errors in forty walks, Chester made four errors in six walks

Congratulations to both teams. We wish the Bulldogs luck in Austin this weekend

BULLDOG WINNING BASEBALL TEAM- Sitting 1 to R Mike Williams, Lance Graham Mgr. B.J. Stewart, James Broussard, Mgr. Jason Brous and Texas Burns De Wayne Broussard David Veratti and Rodney Dubose. Standing 1 to R Mgr. Joseph Broussard, Sidney McKinney, Jim Crows, Curtis Daniels, Al Davis, Jerry Dubose, Chris West, Daryle Ryan, Jeff West and Mgr. Jeremy Russell

Bulldogs Play Gorman In Semi-Finals

The Colmesneil Bulldogs will play Gorman in the first round semi finals in Austin at 4:00 p.m. on Thursday. Gorman doesn't have a very impressive record 9-6, but played some two and three A teams in most district games. They also beated Sacred Heart in quarter finals to advance to Austin.

The Bulldogs will be well rested and pitcher Kevin Dubose should be in good shape for the first game.

All the way Big Red The game will be broadcast over KVET station.

BURKS TO McNEESE Rodney Burks of Warren High school received a football Scholarship from McNeese University and will be playing the that institution next year. Seated Rodney is shown with his mother, Mrs Jeanette Burks. standing 1 to R Warren Superintendent Joe Woodland and father Billy Burks

Colmesneil Students Receive UIL Scholar Awards

Last year THE UNIVERSITY INTERSCHOLASTIC LEAGUE inaugurated a "UIL Scholar Award" to be presented to students who have graduated in the top 10 percent of their classes and who participated in a UIL academic music or athletic contest

The purpose of the award is to honor students whose academic and extracurricular achievements have been exemplary and whose self-discipline in preparation and integrity in competition are a model to others said Dr. Bailey Marshall League Director

Though the award was introduced last year during the League's 76th anniversary, officers state this is an award they plan to award in the years to come Marshall said We feel it is important for the League to restate our commitment to academic excellence, first extracurricular productions and second

The awards were presented to the following students by High School Principal Bill Mefford Shelley Swanzy, Max Davis, Darrik Bean, Ginger Davis, Dwight Lambeth, Rhonda Tucker, Tim Crews, Kristi Hirsch, Teresa Boykin and Pam Sheffield

Woodville Honor Awards Presented

Over twenty Woodville High School students were awarded honor awards at their recent commencement program

Astros beat A's 17-3. Winning pitcher was Broussard

Woodville Band, Region X TMEA Honor Band

Though the 1985-86 school year is over the Woodville High School Band has just received its' highest recognition The band was selected to represent Region X of Texas Music Educators Association as it's AAA honor band The band will now compete on the state level in July

The honor band competition is judged through taped auditions The recording must have been at a live public performance This year the band used the recording of the UIL Concert performance which was recorded here in the Woodville School Districts Auditorium

Several guide lines are used in the honor band selection They include

1 A school that will have a new director of ensembles may not have a tape auditioned at the region or state level

2 A band may not succeed itself

3 The tapes submitted must contain performances from the current school year

4 Three selections are to be submitted one march and two selections of other types

5 A letter from the school Superintendent must accompany the entry and must state that if the band is selected that it will perform at the next TMEA convention

Mr Tom Harvey, the Director of Bands for Woodville ISD, commented that he was very proud of the band's accomplishments this year and that their selection as region honor band was evidence of dedication and hard work. Harvey added that thanks go to Mr. Halls Taylor for making such a fine recording of the band, and to Mr Bob Renfroe for assisting the band

Congradulations go to the members of the WHS Band and to it's directors

Bass Tournament Results

The Woodville Bass Club held its June tournament out at Caney Creek on Rayburn last Saturday and Sunday with fair results

Thirty one people fished and they caught 89 fish and they weighed 115 lbs 2 ozs Four fishermen caught a seven fish limit

The top string was caught Sunday by Billy Judalet and Roger Russell. They had 11 fish that weighed 15 lb 8 oz Second place winners were Bubba Waldrep and Keith Hays with 9 fish weighing 14 lbs 6 oz and third place went to Leslie Hicks and Barry Blackwell They had 9 fish that weighed 13 lbs 15 ozs Bubba Waldrep won Bill Bass with a 4 lb 8 oz fish

There was a little switching around in the top ten but no one is pushing Mike Minter in the number one spot. Scotty Ward is no. 2, Mike Sealer no. 3, Roger Russell no. 4, Pete Evans no. 5, number 6 is Bubba Waldrep, 7th is Phillip Martin, number 8 is James Collier, number 9 is Barry Blackwell and no. 10 is Roger Bear

The Gulf State boys are moving in mass now They occupy number 6 spot through number 11.

Notice of Filing of Petition and Statement of Intent for a Change In Wholesale Electric Service Rates

Sam Rayburn G&T, Inc. ("SRG&T") on the 23rd day of April 1986, and pursuant to section 4(b) of the Public Utility Regulators Act (Article 1446c V.A.C.S.), filed a Petition for Authority and Statement of Intent to Increase Rates and a "Motion for Order Establishing Interim Rates and an Emergency Interim Fuel Factor" Pending Final Order.

Copies of the proposed revised tariffs and schedules supporting testimony and other pertinent data may be inspected at the office of SRG&T, located at 2905 Westward Drive, Nacogdoches Texas and the offices of the Public Utility Commission of Texas, 7800 Shoal Creek Boulev., Suite 400N Austin Texas 78757.

SRG&T seeks both interim and permanent rate relief through the rates charged to its member cooperatives Houston County Electric Cooperative, Inc., Jasper-Newton electric Cooperative, and Sam Houston Electric Cooperative. Both SRG&T interim and permanent rate increase request are related in part to changes in the cost of service resulting from a ten percent increase of SRG&T's entitlement share in Nelson Station Coal Unit No. y ("nelson 6") power plant. When SRG&T retains a greater share of Nelson 6, it substitutes the power it is generating for the power that previously had been purchased from another utility and paid for through a purchased power cost recovery provision SRG&T's proportional share of the Nelson 6 power plant operating and maintenance expenses increase as it retains a greater share of the plant's output each year. The Public Utility Commission of Texas requires SRG&T to recover these costs through an adjustment in base rates Purchased power costs, however, are recovered through a separate formula that is approved by the Commission. Although purchased power costs have decreased, the costs associated with retained ownership have increased. The reduction in purchased power costs is automatically flowed through the purchased power cost recovery provision, but the increased costs associated with increase in the retention of more Nelson 6 generation to meet system loads is not flowed through. For this reason and because its other costs have increased since its present rates were placed in effect on November 1, 1984, SRG&T needs a rate increase at this time

The proposed change in permanent rates results in an increase of $630,204 or 1.4% in the rate revenues collected, for the adjusted test year over the revenues collected under the present rates as annualized for the otherwise undadjusted test year. When the annualized present rates are applied to the adjusted test year, reflecting the reduced purchased power costs that result from an increase in retained generation from Nelson 6, the revenue collected decreases by $3,587,331. Therefore, a test year Increase of $4,319,307 or 9.3% is shown after this reduction in the present rate revenues. This 9.3% increase is not truly representative, however, of the actual change in the level of revenues expected. The 1.4% increase is more representative of the expected change in the level of permanent rate revenues

The proposed change in interim rates results in a reduction of $1,082,161 or 2.4% in the rate revenues collected for the adjusted test year under the revenues collected by the present rates as annualized for the otherwise unadjusted test year When the annualized present rates are applied to the adjusted test year, reflecting the reduced purchased power costs that result from an increase in retained generation from Nelson 6, test year in Nelson 6, $2,600,109 or 6.1% is shown The 2.4% reduction, then, rather than the 6.1% increase, is more representative of the expected change in the level of rate revenues under the interim rates

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, at the address provided above Further information may also be obtained by calling the Public Utility Commission's Consumer Affairs Division at (512)458-0221 or (512) 458-0227, or (512)458-0221 teletypewriter for the deaf

Inquiries concerning this Notice should be directed to Sam Rayburn G&T, Inc., P.O. Box 1623, Nacogdoches, Texas 75961, or by telephoning (409)560-9532.

Notices

PUBLIC NOTICE
DELHI GAS PIPELINE CORPORATION /

Delhi has gas pipelines at various locations in the County. Each of these lines is marked on each side of the road where the pipeline crosses under the road, and at other locations.

In the interest of public safety and to help maintain an uninterrupted supply of this vitally needed fuel, we request the following:

1. Contact us if you plan to excavate, blast, or conduct construction operations within 200 feet of our pipeline right-of-way. We will locate the pipeline for you.

2. Advise others to contact us prior to performing any activity which may cause damage to our pipeline.

3. Contact us if you observe any activity such as drilling, excavating, blasting, etc., in the vicinity of our pipeline.

4. If in doubt, contact us.

TELEPHONE NUMBER 214-581-0400 WE WILL PAY FOR THE CALL

REPORTING OF LEAKING OR DAMAGED PIPELINES TO US

1. If you know or suspect that our pipeline is leaking or damaged: do not strike matches, start cars, smoke, or provide any source of sparks or other ignition in the area of the gas. Encourage others to stay away from the site. Notify us immediately at the telephone number given above.

2. Gas leaks may be detected by observing dead vegetation, blowing earth, bubbling water, sound of gas escaping and smell where gas is escaping.

FACTUAL INFORMATION ABOUT SWEET NATURAL GAS

1. Sweet gas in its natural state is colorless and odorless.

2. It is lighter than air and will rise and diffuse rapidly.

3. Sweet gas is neither toxic nor poisonous, but can cause suffocation in a confined space because of lack of oxygen.

4. It will burn when mixed with air and ignited. Escaping gas can be ignited by open flames or sparks from electrical switches and motors, ignition systems, mechanical equipment and flying rocks striking substances which may cause sparks.

5. The gas you receive in your home has had odor added so that you may easily smell a small leak.

Sturrock Scholarship Awards Announced

The Iva Martin Sturrock Scholarships winners were announced at the Colmesneil High School graduation May 29, 1986. Two five hundred dollar scholarships were given by Lon and Dr. John M. Sturrock in honor of their mother, Iva Martin Sturrock.

Iva Martin Sturrock was born in Doucette in 1912 and graduated from Kirby High School in 1931. She was married to the late John G. Sturrock and lived her adult life in Colmesneil where she died in 1975. The scholarships were given by her sons to express their support for her belief in higher education and the relentless pursuit of one's dreams.

This year's winners are James Crows and Yolanda Horace. James is the son of Mr. and Mrs. Harley Crows. He plans to attend Angelina Community College and pursue a degree in education.

Yolanda is the daughter of Mr. and Mrs. Lee Charles Horace. Yolanda plans to attend Lamar University and study mass communications.

Foxworth Wins Award

The United States Achievement Academy announced today that Leah Foxworth has been named a United States National Award winner in science.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 10 percent of all American high school students. Leah, who attends Warren High School was nominated for this National Award by Miss Kathy Nichols, a Biology teacher at the school. Leah will appear in the United States Achievement Academy Official Yearbook, published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly United States Achievement Academy award winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

Leah is the daughter of Clyde and Sherry Foxworth. The grandparents are Mr. Theo Parsons of Woodville, Texas and Mr. Jimmie Neal of Warren, Texas.

Janis Smith Gets Degree

Janis Smith, a former resident of Woodville, daughter of Joe B. Smith of the Dam B area and Ann Boyd Baker of Houston, received a Master of Divinity degree from the Austin Presbyterian Theological Seminary, May 25th.

Janis will serve as pastor of the Canyon Lake Presbyterian Mission, Canyon Lake, Texas, and also as a Chaplain at Seton Medical Center in Austin, Texas.

'Camp Stamps' Offer 15 Percent Discount

LUFKIN—Texans who enjoy camping a recreation area managed by the U.S. Forest Service now have a convenient way to save money.

"Camp stamps" can be purchased at 15 percent discount at offices throughout the National Forests in Texas and used at all camping locations operated by the U.S. Forest Service all over the country.

The program has been in effect in some far-west states and campers have given their stamp of approval in overwhelming numbers.

There are four National Forests in the Piney Woods of East Texas and two National Grasslands in the north-central area of the Lone Star State. Camp grounds are located throughout the forests and many of the recreation areas include swimming, boating, picnic areas and other leisure time activities. There are minimal charges at certain locations for some of the activities.

"The 'camp stamp' program for the National Forests and Grasslands in Texas is beginning immediately," according to Jim Morphew the staff officer of recreation services for the U.S. Forest Service in Texas, the stamps can be purchased at U.S. Forest Service District Ranger offices located in Crockett, San Augustine, Hemphill, New Waverly, Cleveland and Lufkin." Morphew explained.

The new camp stamps are available in denominations of 50 cents, $1, $2 and $3.

They are bought at 15 percent less than their face value. The stamps have no expiration date and can be used only in National Forest federal managed areas throughout the country.

Rather than paying at the recreation sites by leaving either cash or checks in an envelope in a drop safe, campers can purchase the stamps and stick them on the envelope. While cash and checks are still accepted, Morphew said only the pre-purchased stamps offer campers the discount. "Cash and checks require paying the full fee," he emphasized.

Campers who are 62 and older get the additional benefit of an extra discount by using the Golden Age Passport which requires only half price at the campgrounds.

Because of the popularity of U.S. Forest Service campgrounds, they are operated on a first-come, first-serve basis. No reservations are accepted. "The prior purchase of camp stamps does not guarantee the availability of a camp site," Morphew reminded.

Campgrounds on the National Forests in Texas are located in the Sam Houston National Forest, Angelina National Forest, Davy Crockett National Forest and the Sabine National Forest, within the Piney Woods of East Texas.

You can compare prices at a glance. No need to waste time and gas running all over town. The classifieds are a great way to sell things, too! You can cash in on unwanted goods or items you don't use by placing an ad in the classified column of your local newspaper. It will be seen! It's easy to use the classifieds!

Farm Bill Reserve Plan Outlined

A number of farmers in Tyler County may be eligible to participate in the Conservation Reserve Program of the recently passed farm bill.

The program is aimed at taking erodible cropland (land with an annual crop 2 out of the last five years) out of production and planting it to permanent cover, such as trees and grasses, going for forty years, Armentrout, county agent with the Texas Agricultural Extension Service, The Texas A&M University System.

The Extension Service will be working with the Agricultural Stabilization and Conservation Service (ASCS) and Soil Conservation Service (SCS) in conducting a series of regional meetings across the state in late February to help farmers better understand opportunities in this program.

Farmers whose land qualifies for the program (as determined by land classifications by the SCS) will be eligible for annual rent payments over the 10 year life of the contract and cost-sharing on cover establishment practices, Armentrout points out. No grazing or hay production is allowed during the 10 years.

According to SCS records, some 14.5 million acres of Texas cropland will qualify for the Conservation Reserve Program. However, only about 700,000 acres of that will be included in the program this year.

Farmers can check with their local ASCS or SCS office to determine if any of their crop acreage is eligible for the program. A 10-day sign-up period is tentatively scheduled to begin in early March.

Once a farmer determines that his cropland is eligible for the program, he must submit a bid for the annual rent payment on the designated acres, Armentrout explains. Bids will be reviewed by county and state ASCS personnel, and farmers will then be notified as to whether or not they have been accepted. Annual payments will be limited to $50,000 per producer.

More details about this new program (rules) are available at the local SCS or ASCS office, says Armentrout.
