Firestone Ground Grip Tires

THAT 6,000,000 FARMERS NEED FOR THEIR CARS, TRUCKS AND TRACTORS TO PULL THEM THROUGH MUD, SAND OR BAD ROADS OF ANY KIND

YOU don't need chains for these Ground Grip Tires. They will pull you through where chains would leave you stranded in mud or sand. Firestone Ground Grip Tires for cars, trucks and tractors are offered and sold from being skidded on mud roads and in soft ground.

Why can Firestone give you these wonderful new tires with the wide tread that withstands this terrific pull and strain, and still does not destroy the cord body? Firestone can do this because the body of this tire is built with Gum-Dipped cords. Underneath the tread, the patented construction feature of two extra layers of Gum-Dipped High Stretch cords gives extra adhesion of the tread to the cord body, enabling Firestone to "lock" the tread on the road, no matter how slick or how soft the ground. The tread projections have been so placed that they are always in contact with the road, doing away with any bumping.

You cannot afford to be without these tires on your trucks and passenger cars. If your tractor is not equipped with rubber tires, see your nearest Firestone Service Store—It's dealer or employ a dealer, and learn how easy it is to make the changeover. Get our prices on a full line of tires and auto supplies.

WATCH YOUR KIDNEYS!

Be Sure They Properly Cleanse the Blood

YOUR kidneys are constantly attacking impurities from the blood stream. But kidneys get functionally disturbed—can't do their work fast to remove the poisonous body wastes.

Then you may suffer nagging backache, attacks of dizziness, burning, smart or hot, frequent urination, "watering up" at night, swollen feet, and rheumatoid aches. Feel all worn out.

"Don't delay! For the quicker you get rid of these poisons, the better your chances for good health."

The Doctor's Hint: Doctors use Doan's Pills for kidney ailments. They tend to promote normal functioning of the kidneys, should help them get rid of the irritating poisons. Doctors are recommended by name the country over. Get them from any drugstore.
