IN ANOTHER PLACE will find a short story from Crockett county, Texas, which has been published in the local paper.

THE PRESENT session of the State Legislature will probably be the longest in the history of the State.

THE BANQUET given by the ladies of the Y. W. C. A. on Friday night was a success.

THE CANON of Holy Trinity church is being read.

SOMEbody is making a mistake in thinking that the Y. W. C. A. is a religious organization.

LAST YEAR the big drivers coming in to the Woodville school were from the city.

SCHOOL boys and girls who are being disciplined are being disciplined.

THE law is being enforced in the county.

THE law is being enforced in the county.

THE law is being enforced in the county.

THE law is being enforced in the county.

Remember, Saturday is Sunday in Texas!

LEWIS HOWARD, if it is not expected that the Texas State Legislature will in any way pass laws which will benefit the people of this state, it is better that it should not meet at all. We know of states where it is a law and it is better that it should not meet at all. We know of states where it is a law and it is better that it should not meet at all.

NOW IS THE TIME TO ENTER

The Tyler County Booster's Better Times Campaign

And Win An Automobile

IT'S UP TO YOU!

One of the commonest expressions used today is "I haven't the time". Scarcely that person has plenty of time, if he or she would only use it. How often leaders of men and women have observed, "If you want something DONE, commission the busiest person you can find!"

The successful person is one who budgets his time, spends it as wisely as he spends money, saves it as judiciously, invests it carefully. Failures are not those who have tried and failed, but those who made no effort—why "hadn't the time". The man who tries has his reward as inescapable as the law of cause and effect. It's the same way in this campaign. If you enter early, if you work hard during your spare time, if you take advantage of every opportunity, you can find it.

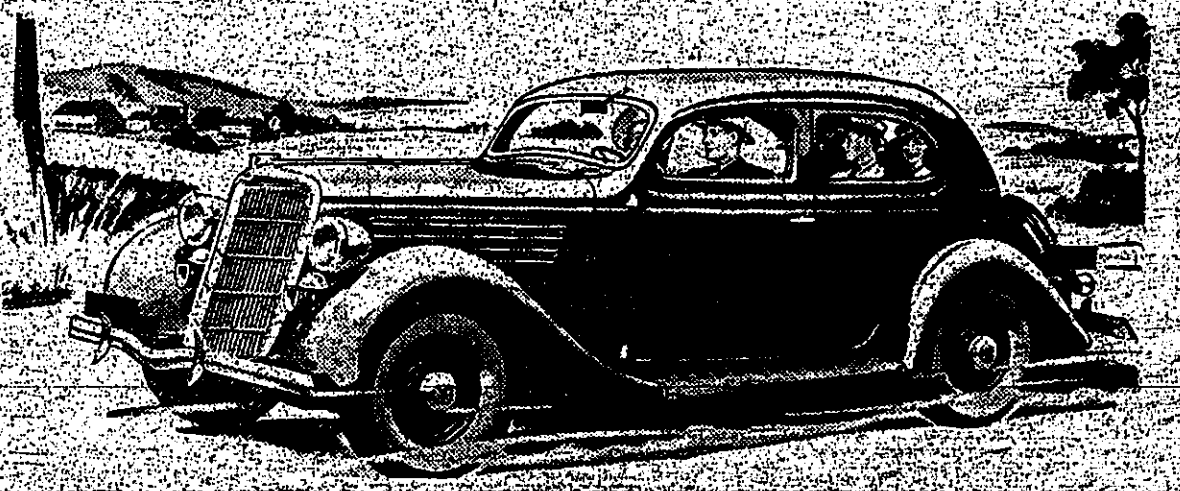

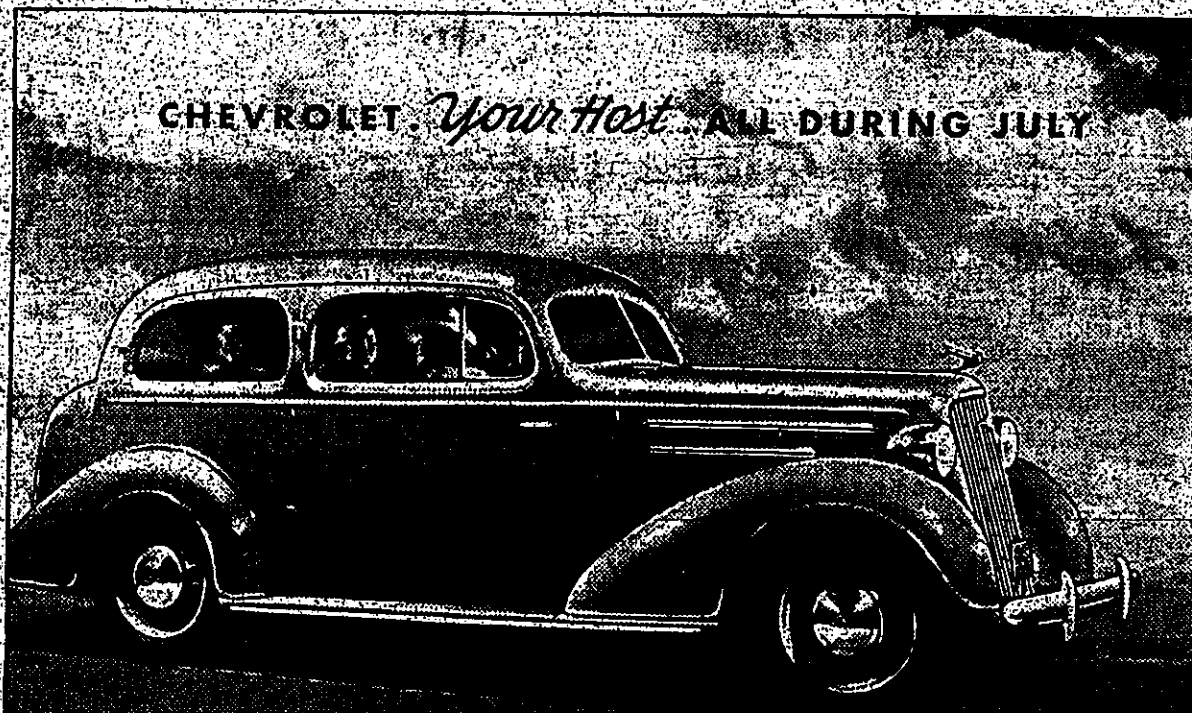

Many people would require months or even years, in fact, most people never do save any such amount. Now consider that somebody may as well be YOU—be going to win that magnificent prize for just a few short weeks of spare time effort, with out missing a minute from regular occupation, for one penny from what he or she would have received had this campaign never been announced.

What is your time worth? What will it bring if you do not take part in this campaign? We are offering you an opportunity to profit in an almost unbelievable extent for every minute you devote to the campaign and not even the remotest chance of losing. For There Will Be No Losers.

Shopping May Be a Wearisome Work or a Pleasant Adventure

Shopping has two aspects. One is the ordinary shopping. The other is the interesting shopping. It is the latter that we are talking about here.
