Warren Community Fair October 11th

Friday, October 11, is to be a banner day in the life and history of Warren. On that day will be the Community Fair, sponsored by the Warren school district. Every article of produce will represent the agriculture and industrial progress of the communities making up the rural consolidated district of Warren.

Then in addition to that attraction, there will be the dedication ceremony for the new school building, just completed. The building is one in which every person in the school district has reason to be proud of.

Mr. Martin Dies has consented to make the principle address on this occasion, which is scheduled for 10 o'clock on the morning of Oct. 11. Other distinguished guests are expected to be present and take part in the exercises.

Judge Wheat, Grover Lowe, Martin Sandlin, Rev. Rushing of Woodville are expected to be present.

There shall be a dinner served on the grounds by the communities making up the district for all visitors. It will be well worth every one's time to hear Martin Dies, who is one of the most eloquent orators of our national congress.

ANNUAL W. M. S. NEW BETHEL ASSOCIATION

Seventy-five registered before noon last Wednesday at the annual W. M. S. of the local Baptist church. Many more attended the afternoon session. Mrs. R. M. Combs, president of the association, presided. Mr. J. M. Maddox, who is in Temple with Mr. Maddox, who is ill. Mrs. C. V. Maslin led the devotional. Mrs. M. C. Tatum spoke words of welcome to visitors and delegates, and Mrs. E. J. Riley responded. Mrs. Combs presented each visitor who did not belong to this association, and all knew it was a real pleasure to the visitors. A special feature of the afternoon was a report of the work done for the past year in district work. One impressive incident of the day was that Mr. and Mrs. O. E. Crumpler of Hillister acknowledged as being the first couple to work in Tyler county, where they had their daughter, Mrs. Polly Lezby, and her daughter, Mrs. Jordan and her small daughter were present. Presentation of the family. The address of the morning was made by Mrs. C. T. Singletary of the Sabine association and Mrs. J. Webb Miller brought a message in song. A sumptuous dinner was enjoyed at noon. Mrs. J. M. Maddox, Mrs. E. J. Riley and C. C. Clark spoke in the afternoon and officers were elected for the coming year. Mrs. E. J. Riley of Chester, president; Mrs. Henry G. Crumpler of Hillister, secretary; Mrs. Polly Lezby of Hillister, treasurer; Mrs. J. M. Maddox, secretary; Mrs. J. M. Maddox, secretary; Mrs. J. M. Maddox, secretary.

DATES SET FOR STATE EXPOSITION

Dates for the South Texas Exposition have been set for October 13-18, 1935, at Beaumont. This season's presentation, the ninth annual showing of the most extensive Houston event, is expected to draw thousands of visitors from all parts of the state. Last year the exposition drew an attendance of more than 200,000 persons, the largest number ever to pass through the gates of the big Sam Houston hall, which has been converted into the headquarters for the exposition.

Exposition officials this week declared that the larger portion of the booth space inside the hall had been contracted for and many exhibitors were making plans for elaborate displays of their products.

Texas manufacturers, merchants and distributors of nationally known products will be represented in the hall while gay carnival attractions will occupy the spacious grounds adjacent to the building. Numerous feature items are being arranged and many special events which are expected to draw patronage from Texas towns outside of Houston.

Women's and girls home demonstration division, Mrs. E. J. Heintz, manager in care of the South Texas State Fair, Beaumont.

Childless a great many exhibitors would have entered their displays at the State Fair at Dallas this year without bringing them to Houston, since the Dallas exposition has been called off.

MOODY AT NEW ZION NEXT SUNDAY

Moody, pastor of the First Baptist Church of Woodville, will preach at the New Zion Baptist Church at Dallas, Texas, on Sunday, October 13, at 10:30 a. m.

The New Zion Baptist Church, Dallas, Texas, is a new church which was organized in Dallas, Texas, in the summer of 1934. It has a membership of approximately 100 members and is located on the corner of 12th and Irving streets.

Saturday Night Ends the Biggest Vote Period In The Tyler County Booster's Prize Campaign

2nd Cotton Rental Checks Now Here

The County Agent received 448 second rental checks on Friday, Sept. 26 and notices were sent out the same day to producers.

This is 85% of the second rentals for this county, received to date.

We appreciate the co-operation of the producer in making it possible for us to receive these checks at this time, as very few counties in Texas have received the second cotton rental checks.

Only Two Days Left for Candidates to Get Far Out In the Lead and Get In Position To Win the Two Automobiles—Candidates Are All Bunched; Any One May Be In First Place Before The Campaign Ends By Working Hard Now

The candidates are very closely grouped. Any candidate in the lead can be high before the close of the voting period Saturday night. Who will be?

There is no use in figuring what might have happened after it is too late. The time to do your figuring is NOW, before the closing of the voting period Saturday night.

There is the first test of real strength in the campaign. If you are an automobile candidate your strength will show up THIS WEEK. If you are not you will be brushed aside by more aggressive candidates.

Long Term Subscriptions Count Big. It is time for you to study your Club Members.

Wm. McCraw to Address Medics

William McCraw, Assistant General, will be one of the speakers at the annual meeting of the Texas Public Health Association to be held in Woodville, Oct. 16-17.

Each year the Texas Public Health Association holds a meeting of short school that is attended by all who are interested in health work in Texas. Its membership is composed of doctors, nurses, sanitarians and others. Many towns and counties send their representatives in order that they may become familiar with trends in public health which affect their communities and the State.

Colmesneil's Third Annual Fair

The third annual community fair will be held at Colmesneil on October 11 and 12. Much interest has been taken in making ready for this fair by the agriculture and business sections of this section of Tyler county. Programs will be offered for all sections of the county.

This year's community fair will feature a display of the products of the county. The fair will be held at Colmesneil on October 11 and 12.

The fair will feature a display of the products of the county. The fair will be held at Colmesneil on October 11 and 12.

THIS IS THE YEAR OF HEAVY SOUTHERN PINE SEED CROP

A bumper pine seed crop, which occurs about every seven years, is maturing in the south. What causes this heavy seed crop at regular intervals, generation after generation, is still a mystery.

Pine cones are ripening. As their seeds pend backward, the winged seeds fall to the ground, or are carried by the wind far from the parent tree. Late this coming winter the seeds start germinating. Billions of pine seedlings will result.

For this reason, the Forest Service of the United States Department of Agriculture is warning of the greater losses to pine-tree seedlings if there is the customary burning of forest pastures in the southern pine regions this year. Next year and for several years after the pine seed crop will be light.

REMEMBER—the biggest voting period of the campaign ends Saturday night

Who will be the victor? Who will be the loser? Who will be the winner? Who will be the loser? Who will be the winner? Who will be the loser? Who will be the winner?

Only Two More Days

Remaining for the candidates to show the mettle within them and get BIG RESULTS—ONLY TWO MORE DAYS REMAIN for friends to show the mettle within them and put their favorite in the LEAD and LONG TERM subscriptions will DO IT NOW!

Nearly \$250 Raised in Sponsor's Race

The voting for football sponsor was held last Wednesday. It was a close choice started some weeks ago and a number of names were entered by friends.

The voting at one cent each was for a few days then the school committee and other interested parties were notified and the team needed the money for many things.

Those interested got busy and after some persuasion, Miss Dorothy Hicks of Doucette, one of the high school girls entered the race last Wednesday.

FOUR TYLER COUNTY BOYS IN AREA IX ELECTED TO OFFICE

The F. F. A. chapters from area IX, comprising east, southeast, and central East Texas, met at Sam Houston State Teachers College on Friday afternoon, Sept. 27th, and elected officers for the year. The delegates were in charge of Dr. F. A. McCraw, professor of Agronomy at the college.

President, Basil Goodrum, Colmesneil; Vice President, H. A. Harper, Warren; Secretary, Howard Long, Lovelady; Treasurer, Gary Hartsman, Pearson, Chapter; Reporter, Ethel Kyle, Madisonville; Parliamentarian, Jim Ed Anderson, North Gulch; (disqualified because of being green hand); Song leader, V. J. G. Stroman, Chapter; F. F. A. Watch Dog, William Best, Woodville.

FREE TRIPS TO CENTENNIAL IN 1935 MADE AVAILABLE

Motivated by a desire to publicize the Texas Centennial celebration in 1936 and to enable every Texan to attend these magnificent pageants absolutely free, a patriotic group of organizations have banded together for this purpose.

Through the medium of Centennial-trip stamps, which will soon be issued in every crossroad and city of the State, every Texan will be enabled to defray transportation cost to any centennial center, pay hotel and restaurant expenses, admission charges, and even to purchase gas and oil for the journey.

CHESTER PLAYS FIRST FOOTBALL OF THE SEASON

Chester high school was defeated Friday, Sept. 27, by the more experienced team of Willis, 12 to 0. The game was well played, considering the lack of experience of the Chester boys, and was not as one-sided as it might look, since Chester made more first downs than Willis and really outplayed them through the second and third quarters. Chester threatened to score several times, but after nearing the goal line lacked the punch to put it over.

DUCK HUNTING REGULATIONS

Duck hunters will have 30 days for shooting this fall, but they will hunt in accordance with the most rigid regulations in the history of American duck hunting. According to the Biological Survey the new regulations are based on the necessity of having a new annual increase left over at the end of the hunting season.

MINIMUM AGE LIMIT ENROLLMENT FOR CCC

Minimum age limit for CCC enrollment has been lowered from 18 to 17. State Enrollment Supervisor Neil E. Gay announced one day last week.

The rolling will apply for the October enrollment, when every eligible person in the state is expected to be given a chance to enroll at the CCC.

FORGE, COLMESNEIL AND FRED AT WARREN FAIR

The F. F. A. exhibit at the Warren fair will be participated in by Forge, Colmesneil and Fred. This concerns the educational exhibit showing improved practice in putting eggs in practical use.

KEEPING UP WITH THE JONESES—What's Wrong With This Picture?

This is Everybody's Job!

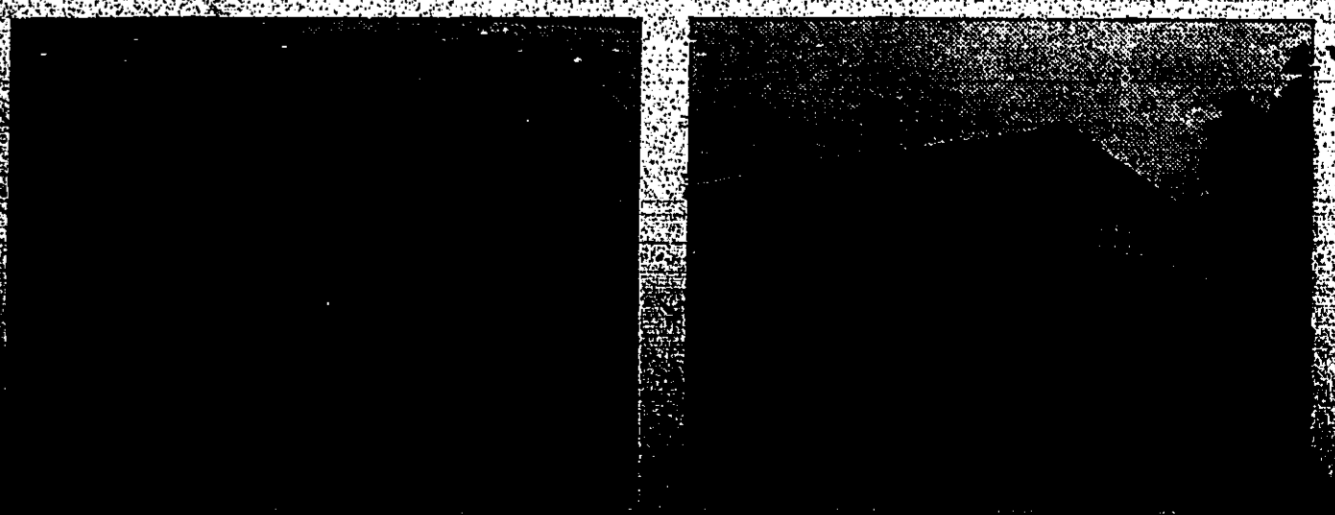

Every member of the community shares in the profit of the building job. The building workers pay envelop—the fastest moving money in the world—goes to buy all the things whose sale makes up the income for the church community. For every building job that is done, you can honestly say "I'm getting paid for that!"

Then get behind the great movement that is carrying "BUILD IT-FIX IT MONTH" to success. Put your property in first-class condition, modernize your home, have those needed repairs done; and if you plan to build, do it now. Hire LABOR, and LABOR pays you well!

The following firms are giving their energetic support to "Build it-Fix it Month":

NOTICE

To friends and neighbors and all readers of the Booster I am in this campaign to win. For each subscription you let me have my husband will deliver a 2 to 3 foot pecan tree, or 3 trees for every 3-yr. subscription given or sent me by October 5. Help me if you possibly can!

MRS. B. E. MAYO

CHESTER

The Chester pump station is now in operation and will be a great help to the community. The station was built at a cost of \$10,000 and is the largest ever built in this county. It will pump 100,000 gallons of sewage per day. The station is located on the west side of the town and will serve the entire community. The project was completed in record time and is a fine example of efficient engineering.

WARREN SCHOOL NEWS

THE WARREN P. F. A. CHAPTER REPORT

The Warren P. F. A. Chapter has been progressing rapidly. We have a 100% membership and are preparing to set up an exhibit of products from our agriculture projects at the fair held at Warren, Oct. 19. We are also going to set up an exhibit of products from our agriculture projects at the fair at Beaumont, Oct. 27-28. For our educational exhibit at the Beaumont fair we are preparing to set up a corn raising program. On Friday, Sept. 27, the chapter officers in the Huntsville district were to meet at Huntsville to elect district officers. H. A. Harper, Roy Youngblood, Wayne Edgar and Miss Mary Ann B. Sharp are candidates for the position.
