The Building Dollar Comes back to You!

The fastest moving dollar in the world, one which returns to you on wings, is that which you spend for building, remodeling, repairing your home. Statistics place its immediate "turnover" in the locality where it is first put to work at an average of eight times.

Multiply this advantage by the multitude of building jobs that BUILD IT-FIX IT MONTH seeks to encourage, and you can readily understand that when you share in this great movement by having your home remodeled or otherwise "dressed up," you are not only improving the value of your property and protecting the life of your investment but you are actively helping yourself and your community back to prosperity.

The following firms are giving their energetic support to "Build it-Fix it Month":

KNOWS

Whether the Remedy You are Seeking for Headache, Neuralgia or Rheumatism, Pain is SAFE in Your Doctor's Hand.

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations.

BEFORE you take any preparation you don't know all about, for the relief of headache, or the pain of inflammation, neuralgia or rheumatism, ask your doctor what he thinks about it—in comparison with Genuine Bayer Aspirin.

We say this because, before the discovery of Bayer Aspirin, most so-called "pain" remedies were advised against by physicians as being bad for the stomach, or often, for the heart. And the discovery of Bayer Aspirin largely changed medical practice.

Countless thousands of people who have taken Bayer Aspirin year after year, and who have proved that the medical findings about its safety were correct. Remember that Genuine Bayer Aspirin is a relief of pain, it makes you feel better, it relieves all common pains and aches, and is safe for the average person to take regularly.

You can get real Bayer Aspirin at any drug store—simply by never asking for it by the name Bayer Aspirin, but always saying **DAVE'S ASPIRIN** when you buy.

If you feel tired run-down, nervous and out of sorts

—there is usually a definite reason for this

New let's reason sensibly. Don't try to get well in a day. This is asking too much of Nature. Remember, she has certain natural processes that just cannot be hurried. By starting a course of S.S. Murine you can be sure that you are making progress by starting those digestive juices in the stomach to flowing more freely and at the same time supply a balanced mineral deficiency the body needs.

S.S. Murine makes you feel like yourself again

You are invited to listen to every Friday night in a program of old-fashioned music. S.S. Murine has been named "Bestselling Medicine" for 10 years.
