

Do You Ever Wonder

Whether the Pain Remedy You Use is SAFE? Ask Your Doctor and Find Out

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

THIS seems to ask whether the remedy you use for your family's relief of headache is SAFE to use regularly in your family home. Ask your doctor about Aspirin. It is the only one that is safe for the whole family.

It will tell you that before the discovery of Aspirin, most men's headaches were relieved only by the use of opium. Which is food for thought if you ask your doctor.

Aspirin, among the most widely used of all the world's medicines, is the only one that is safe for the whole family. It is the only one that is safe for the whole family.

Bayer Aspirin

Culture Amore Cultured Culture. The more you know about the culture, the more you will enjoy it.

GOOD LIGHT Every Night

Coleman lantern

IMPROVING YOUR WEIGHT

Generally, the fat individual is more easy-going and less irritable than one who is very lean. And again, speaking generally, you will be better for the fat individual's physical and mental progress if he seems to have some weight and some fat.

Increasing the food intake alone may give a little increase in weight, but it is not a permanent one. It is not a permanent one.
