Tombstone Builds Memorial to Its Tough Old Days

As a memorial to the tough old days of the pioneer when Tombstone, Ariz., was the scene of some of the bloodiest gunplay in the history of the Southwest, a granite monument has been erected on the main street as a monument to the address dead who fell in the famous Bird Cage district because they were too hard on the draw. Immortalized through Walter Noble Burns' book, "Tombstone—An Obituary of the Southwest," the town is now a tourist attraction. The dedication ceremony is shown above.
