**Major Part of Fruit Consumed in Ten Leading American Cities Is Marketed Daily Through Auctions**

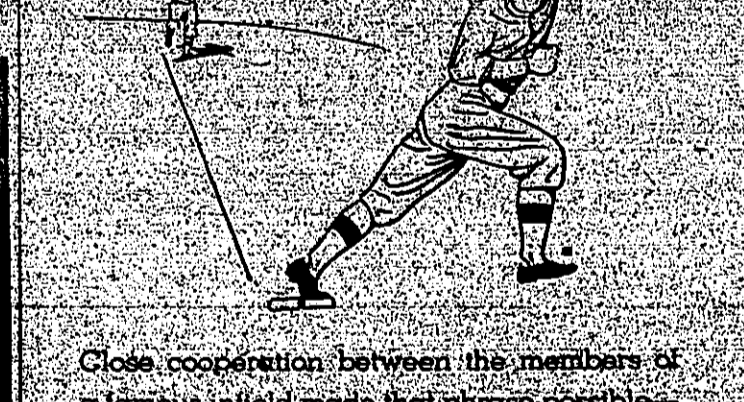

A recent survey made by the American Fruit and Produce Auction Association reveals that practically 85 per cent of the citrus and 90 per cent of the deciduous fruits consumed in New York City, Baltimore, Boston, Philadelphia, Pittsburgh, Cleveland, Cincinnati, Chicago, Detroit and St. Louis are marketed through auctions.

To facilitate the delivery of the immense volume of fresh fruit daily, the association's 161 member companies have large terminals in their respective cities. Some idea of the size of these terminals is gained from the membership of the Fruit Auction Sales Association in Chicago (AFAA) and an exclusive view of the Detroit Fruit Auction Terminal (below). One of the most modern fruit sales buildings in the world, it is located in the Detroit-Farmington area.

**FROM TINKER TO EVERS TO CHANCE**

Close cooperation between the members of a famous infield made that stroke possible—the sort of cooperation that exists between the different departments of the Humble Company. But it's not a double play Humble departments are seeking. It's a way to improve Humble products to better Humble service. They all work to that end—production men, pipeliners, refiners, technicians, station men and dealers. Because they do, more and more Texas motorists each year acquire the Humble habit—more and more make it a regular practice to stop for service where they see the Humble sign.

**LESS PAIN AND MORE PLEASURE OUT OF LIFE**

**DR. MILES' ANTI-PAIN PILLS**

Be Ready For EMERGENCIES  
Many so-called remedies are applied by squeezing, rubbing, and pinching, but DR. MILES' ANTI-PAIN PILLS contain a powerful pain killer that acts like lightning and stops pain where it is.

Allen Shepherd of Abilene, Texas, died suddenly at his home on Tuesday night. He was called here by the death of his brother at Abilene. Last night the Shepherd family had a reunion at the old home in Doubleton, where they would be together.

Attorney Ernest Masterson and wife and Miss C. H. Cruse of Abilene, Texas, visited at the home of Mr. J. H. Pedigo on Tuesday afternoon.

Have a really family affair. Bob Evans and Woodie Crane and sister Mary's a couple. Gladys, Fern and a delectable billiard champion, Gabe Jones, Bob Evans, all went along to back at Hummerville this year. They plan to get an apartment and make the struggle in higher learning together. They will leave here next Monday.

Martin Whitney, Jr., is in Beaumont attending Lamar College this year. He attended State U. last year.
