WOODVILLE, TYLER COUNTY, TEXAS THURSDAY, NOVEMBER 11, 1937

Red Cross Day --- Armistice Day --- New Court House Day

Woodville Takes FFA Prize at Fair

It is getting to be a habit for Tyler county to get first place awards at the Beaumont South Texas State Fair. It will be remembered Colmenator captured first place a few years since. The officials of this 1937 fair at Beaumont awarded first place to the Woodville contingent of FFA boys and with this honor came a cash presentation of \$50. The following contestants of the fair captured honors in 1936 as reported in The Booster: Huntington, 2nd Deery, 3rd Victor, 4th Orange, 5th Chester, 6th Sprague, 8th Sulphur, 9th Comstock, 10th Orangeville, 11th Livingston, 12th Sheep, 13th Lufkin, 14th Zavala, 15th Hudson school of Lufkin, 16th Mauriceville, 17th Goodrich, 18th Warren, 19th Correll, 20th Jasper, 21st Diboll, 22nd Fred B. Sparger, 23rd Sparger, 24th Kirbyville, 25th Wells, 26th Pollock, 27th All the other awards were for 28th.

Hi School Gym Dance On Armistice Night

The Armistice day celebration will fittingly climax the day with a big dance at the Woodville High gym. Music by Harry Walker's 12-piece orchestra which brings in dance music for most in the dance music together with a 24-piece entertainment program featuring Elmo Allen, backing with 24-piece orchestra. The dance will start promptly at 8 o'clock Armistice night. The dance will be a very successful one. Arrangements have been made to take care of all those who do not care to dance with lady friends. A very large crowd of out-of-town visitors are expected to attend as well as the usual local attendance.

Chester Band To Be Here Today

The Chester band which has been making Chester school history as a local organization, will be here today and help in putting over the dedication of the new building and remodeling and new sections of the Tyler County court house. There are one or two features in connection with the Chester band organization that will be entirely new to nearly all children of this part of East Texas. This band, for all intent and purpose is leaderless. A good looking young lady gets up and taps her foot, waves her arms in time, gives them the order and then leaves both the band and the audience to the tender mercies of sound—yes, just that sound. Having heard and seen these school youngsters at work we know whereof we write. And furthermore, they are not loud on the ears. Don't miss being in on the Chester High School Band's concert.

Lufkin CCC Offices Are Discontinued

Lufkin CCC headquarters staff has been reduced to 17 civilian employees and nine officers. As the consolidation of the East Texas district with the San Antonio and Fort Worth districts is under way, the change became effective this week. Transfer of officers and employees to their new duties will be contemplated between now and Dec. 1, as the work is wound up there. Lease of the headquarters building has been cancelled.

Added Attraction for Armistice Dance

Miss Margaret Davis with her pupils will stage an interesting floor show at the Armistice ball Thursday night, Nov. 11. All who have seen these young people perform will be pleased to know that they have consented to furnish this added entertainment. Those who do not dance will be specially seated in the balcony where they can see the full nature of the performance. Remember, the dance starts promptly at 8:30 p. m.

W. B. Conner Hurt In Automobile Accident

About a week ago Tuesday night W. B. Conner of Baytown although in the car of Paul Hill, who had started a chain to quit it until it started a second north toward Colmesburg and it was raining so hard. Evidently a mile or so out the full car engine started and Mr. Conner got out of the car to take a log truck driver by Jessie B. Building also driving north struck the Hill car, jamming Mr. Conner against his wheel. He was thrown out of the car and crushed the other leg which was injured by Beaumont. He was taken to Beaumont where it was feared he would die from loss of blood and Frank Hill drove to hospital for a transfusion. A phone call to Dr. C. C. Miller at a clinic yesterday, Wednesday morning, stated that the surgeon had hopes of saving the leg but insisted to give another transfusion before operation. "Knockie" Lee left soon after to give of his blood. Deep sympathy is felt by all who know Mr. Conner.

Second Week of District Court

The full term of court convened Monday of last week in the new \$55,000 courthouse. The other offices of the new building were gradually moved into and today we are celebrating the 10th day of November, 1937. We also dedicate the new home of the county officers. The first thing after court opened, the grand jury was sworn which is as follows: J. O. Sutton, foreman; J. C. Clark, Woodville; L. M. Phillips, Houston; Fred Matthews, Woodville; J. L. Bingham, Deer C; G. Shoffner, Fred; John McChlain, Spurger; John T. Walker, Town; Harry Archer, Nash; Emilee, Henry Conner, Colmesburg; Cliff Dickerson, Hubbard; J. H. Eain, Doughty; W. A. Watts, Chester; John Ragner, Warren; Albert Smith, Smith; Jerry Lee, Buff, Warren.

Woodville Eagles 18; Kirbyville, 12

The real thrill in football is to have the team you're backing win. Along with this thrill is watching the sidelines go up in the air when these boys play over for the winning quarter. This is what the Eagles did to defeat the Kirbyville Wildcats—they came from behind in the last quarter and won out, and say, did the Woodville rosters, the pep squad, etc., etc. go up in the air. Indeed, it is rumored some of the co-eds haven't got back onto terra firma even yet. In the first quarter the Eagles started but to run rough shod over the wild-cats and, in fact, did score a touchdown, but the extra point was denied them. The next two quarters the Wild Cats scored up something scandalous and scored 12 points, just sort of showing the Eagles a few stunts of their own making and perpetration. It seems, however, somebody gave the Eagles a regular dress-down in between and when they went out to battle in the last quarter the Eagles were as mad as the Wildcats were wild, and that's that. The first thing the Eagles did was to tie the score, 12-all, and then just because they failed to convert the touchdown for the extra point, they hustled down the field and pushed over another six-point count to show the spectators that their second touchdown was not a fluke, and when the final whistle blew the score was 18-12, and this placed the Eagles in position to become district champions without much apparent effort. This is now the last two scores were assembled on the scoreboard. A double lateral gained 8 yards, James contacted to the 25 yard line, where Childress was down. Aguin Childress failed to convert. The next count started when Childress grabbed off a pass in the Kirbyville 20-yd line. With their offense practically unstoppable, the Eagles marched in toward the goal with James carrying the ball over the 10-yd line on fourth down. The reports for the daily papers stated the Woodville boys dominated the play in every department throughout the game but had to come from behind to defeat the Wildcats, who were playing the best game of the year.

A Real Producer

The county is a genuine producer of all sorts of goods. The fact that it is a real producer is not a new thing. It has been so since the days of the first settlers. The county is a real producer of all sorts of goods. The fact that it is a real producer is not a new thing. It has been so since the days of the first settlers.

Weather Cleans Up On the Doctors

Doctors of the county have had a busy week. The weather has been very good. The doctors have been very busy. The weather has been very good. The doctors have been very busy.

Woodville FFA Boys Clean Up at State Fair

Since the first of October the Woodville Future Farmers have been busy getting together for the fair exhibits which they have shown so successfully this fall. With three first places on their collective exhibits in the Warren community fair, in the Hardin county fair at Slaters, and in the South Texas State fair at Beaumont. Their exhibits also featured a number of exhibits in the future farmers division and took in places on nearly everything they entered. They won exactly half of the places and half the money offered in this division. With the \$30 their exhibits have taken in, they are up to the mark. Joseph Brindley of the Hardin county community was the chairman of the fair committee and has furnished more exhibits than any other boy, having entered exhibits in sweet potatoes, corn, and peanuts. Robert Childress from the same community also had exhibits. From Woodville Miss Kirkland (finished some exhibits and Albert Willis and Henry Gillespie from Donnell. Dick boys have exhibits every Jack Pool, Leon Holton, and Carl Cruse with Leo Tucker from Shook. M. L. Sorenson and Joe Thomas Weeks were the Gamp Ground boys who helped in this. From Beech Creek, Aster Whitman, J. B. Jordan and Prudence Jordan were the boys participating. Calvin Oates from Shady Grove also was the first group of boys. James McGrew, Bill C. Durham and Earl Gardner were other vocational agriculture boys who assisted in putting in the exhibits and taking them down. Saturday F. B. Sullivan will take a team to the Future Farmer Meat judging contest where the boys will try to win first place as last year's team did. The team will be composed of three of the following boys: Allen Willie Jack Pool, Leon Holton, M. L. Fortenberry, Aster Whitman and Joe Thomas Weeks, who are still working out for places on the team.

Unusual, But Tragic Pump Accident

Tuesday night of last week, Mrs. Mary Shipper and her husband, Mr. Shipper, were in the village mill when a pump exploded. The pump was used for water. The explosion was very unusual but tragic.

STRANGE SUPERSTITIONS

By Edwin Finch
Some Kentucky farmers believe that if they plow on a Friday, the corn will be better. They also believe that if they plow on a Saturday, the corn will be better. These are strange superstitions.

Lord Fauntleroy Was No Sissy

New York—Little Lord Fauntleroy is dead—a hero, Vivian Burnett, who spent a lifetime in proving he was not as "sissy" as the fictional character portrayed in the famous novel by his mother, Frances Hodgson Burnett, died after helping seven thousand persons from drowning by the choppy waves off Manhattan Bay. Burnett, 67, collapsed at the help of his young daughter, III, on July 20th, after investigating it so that others on the boat could jump from the water. He was two weeks younger than the boy in the novel. He was a very brave and kind man.

But It's True

The annual conference of the Methodist Society has closed and Rev. M. M. Davis of Palestine, Texas, and Woodville, Rev. Geo. B. Loden goes to the Western Memorial church in Port Arthur. The conference was very successful and many new members were added.
