

Bears and Los Angeles Loyals

The day for the Baylor Bears and Los Angeles Loyals in Beaumont, November 20, draws near, interest is reaching a new high in the inter-sectional classic that will bring together some of the outstanding elements of the Southwest Conference this fall and a rugged Pacific Coast outfit.

Though Baylor was knocked from the undefeated class last week by an inspired Texas team, the Bears are still basing in the spotlight and pack plenty of box office appeal, judging by the big demand for ticket reservations. Financial success of the game was assured this week when the post-board advanced sale more than offset the healthy guarantee given the two teams.

The Bears have a big and powerful eleven featuring three Bears who have been named All-Americans: Bobbie Gerhardt, Hal Buck, Bennett Edwards, guard, and Julie Gennard, tackle. Captain Carl Brazell is a Barber's Hill boy.

Beaumont will be the football capital of the Southwest November 20 afternoon as the scrum here will be the only one in this section. The Rice-TCU date at Fort Worth being the nearest big-time football fight, a big parade over the downtown streets at noon the day of the game and two big dances that night will round out the day's festivities.

Though more than 4,000 tickets have already been sold, there is plenty of desirable seats available. Karl Schwartz, secretary of the Y. M. C. E., sponsor of the game, is now accepting reservations by mail. Each ticket should include money for mail registration. Tickets can be reached at the Beaumont Chamber of Commerce. Tickets are \$2.20 each, including Monday, the only Baylor ticket headquarters will be opened at Hotel Beaumont.

WOODVILLE LOCALS

Three new homes are in the making. The Bryan Martin home in the south part of town is almost ready to move. Finishing a lovely home for Mrs. Mary K. McComb is rapidly going on. Just west of town, Dr. E. W. Stump, this week is working on a home for the new house of Mrs. Harry Johnson. A large number of the Woodville school faculty visited the Beaumont schools Friday. How ever, Mrs. Anna Lindley, Vivian Huntley, Mrs. Mary Ann Bachman in Port Neches, Mrs. Vivian Keagy in Livingston, Mrs. Jewel Jackson in Houston and Mrs. J. A. Williams in Beaumont. Mrs. J. A. Williams was occupied with the week-end but expects to return here.

Closing of Pure Oil Pump Station

It is with real regret that Woodville sees four of its splendid families leave the county. The Pure Oil pumping station has been abandoned, and for three weeks the families living at the station have been making arrangements to be transferred to other places.

Mr. Turner will remain here as long as he can, after the company's holdings. The Ned Riley and T. S. McGrew families go to Van and S. L. Phillips and R. A. McConlin families go to Rusk. These four ladies are splendid workers in P. T. A. and church affairs and will be sadly missed. The men are all outstanding splendid citizens, the kind that any community and country can depend upon.

Mr. McGrew is a member of the Woodville Board of School Trustees. In the annual school carnival of last month, some of the most successful attractions and best money makers was Mr. Bow's Amateur Hour, which was under the leadership of Mrs. McConlin. Woodville's best as Van and Rusk's gain and best wishes goes with these friends and neighbors. With the sincere hope that the station may again open and they will come back home.

Don't Forget Christmas Seals

Dorothy Thompson, political columnist of the New York Herald Tribune, commenting on the annual Christmas Seal sale says: "What pleases me about the Christmas Seal drive is its extreme simplicity. Everybody is able to fight tuberculosis, and everyone is bound to be interested as an egoist and an altruist. The Christmas seal campaign wins support because there are no solicitors to pestle the life out of one. Unlike both the cause and the technique."

This month people throughout the United States will have an opportunity to contribute by mail to the campaign against tuberculosis, supported by the sale of Christmas seals. Letters enclosing consignments of seals to be sent on approval to thousands of Texas citizens are now being prepared in the office of the Texas Tuberculosis Association and its affiliated local organizations. The recipient is privileged to mail his contribution in the return envelope which is enclosed or to return the seals.

Staunch Allies of the United States

Norfolk, Va. - American Legion Post No. 46, meeting on the eve of Armistice day, heard several reports of military preparations in Europe and advised a substantial contribution to the United States Red Cross. The United States Red Cross is the largest and most successful of the country's movement to its greatest friends and allies, the Pacific and Atlantic Oceans and is insensibly showing suitable expressions of our appreciation and gratitude to the Almighty Creator for such friends.

Williams was occupied with the week-end but expects to return here.

Red Cross Roll Call Meeting

Because of the many other matters demanding attention, the Red Cross roll call is a little behind schedule. Tyler County quota is 20 members. A delegation from different sections of the county will meet tomorrow, Friday night at 7:30 at the Rally Hotel. Plans will be made for a march on the 21st and it is hoped that each man, woman and child in the county will be ready to carry the flag of our country. This is the greatest of all organizations.

We do not know the day, the hour when Tyler County may need help badly, because of some disaster. Tyler County is not any more safe from storms, flood and crop failure than any other section of the world. Remember that one of each dollar given in this country for the needy goes.

No Provision Made for School Bus Transportation by Alled's 'Special' Legislature for Short (?) School Term

Table with 4 columns: Item, Amount, Total, etc. Rows include Industrial Aid, Transportation Aid, etc.

The legislature in general session last spring failed to make adequate provision for transportation as shown by the above table and in view of the shortage in transportation money the Tyler County school board approved bus driver contracts for only four months. The board also provided that if the additional money was not provided in October, the board would be authorized to make all types of aid on the 1936-37 claims as a basis so as to take care of all claims as nearly as equal basis as possible to the end of the school year. The board and members of the legislature made a fight to have additional money appropriated instead of reallocation of the original grant, but due to a determined fight for economy, the legislature failed to concentrate on reallocation of the present appropriation. As a result we have the funds allocated as set out in the table above, which is believed to be enough to provide about 80% enough money to pay all claims against the fund.

Santa Claus to Visit in Infant Soon

Santa Claus will visit Tyler County on the 24th according to word received by Chamber of Commerce officials from the "Santa Claus" Santa with his Reindeer and Holly book characters will take a parade through the business district of Lufkin at 10:30 a. m. Saturday, December 25. Bunches of free candy will be given to the children by Santa Claus. He will ride atop a high float and scatter candy over the crowd below. The Merchant's Division of the Chamber of Commerce has arranged for Santa to visit Lufkin on Saturday morning so that all the school children throughout Tyler County and adjacent counties might have the opportunity of seeing him this year.

The Lufkin Chamber of Commerce, according to J. E. Rogers, chairman, is offering substantial cash prizes for the most beautifully decorated yards this Christmas and a great deal of interest is being shown in the event.

Williams was occupied with the week-end but expects to return here.

Tyler Co. Court House Dedicated

All things were made ready for a celebration of 12 years of peace and the dedication of the remodeled court house. The day before darkened and rain poured down but the barbecue pits were roared so those in charge stayed the night through on duty. Thursday was bluster and mostly cloudy, but some 2,500 people gathered, about half the number expected and prepared for. The Chester H. school band entertained for an hour, before the Veterans of Foreign Wars marched to the platform which was the concrete floor of the old jail and since Thursday has been finished, for a band stand with iron railing around a run-way through the center from east to west. At 11 o'clock the great crowd in silence with uncovered heads and uplifted hands honored the Wreath War dead and 35-fore soldiers, as prayer went up from many hearts that the disturbance of today would not lead to another such horror. Judge J. E. Wheat, as master of ceremonies presented Long and president, officers of county and State and Nation, as Col. Martin Dies was the chief speaker of the day. Among the notables present were Judge L. E. Richardson of Jasper, Judge W. B. O'Quinn, R. E. Buss of Beaumont, Judge Tom P. Coleman of Lufkin, Judge Thos. B. Cline of Kountze, and Judge R. M. Blythe of Silsbee. The barbecue feast was enjoyed and greeting followed with reminiscences of days gone by, recollections of old friends and loved ones who were gone and sadly missed, filled in the lungs before the game between Woodville and Chester. The committee arrangements for this outstanding event deserve congratulations for the success of a really big undertaking. The annual squirrel hunt at Fairview kept a big crowd in the last end of the county.

Eagles Next Game in Jasper, Nov. 14th

Woodville High School, Nov. 17, 1937. The Eagles next game will be with Jasper, the plight of the 24th. It seems as though the Jasper game will be the end of a line of victories for either Silsbee or Woodville, as this game more likely will tell whether Woodville and Silsbee are now on an equal basis, both having won four games and tying 1. Jasper is not far behind Woodville or Silsbee, having lost only two games, these being Buna and Silsbee. According to the opinion of some they seem to think we will have an excellent chance to beat Jasper, but you cannot very well judge a game in the future by what the teams have done in the past, but according to information, both Woodville and Jasper know they have a real task. Some are wondering what will happen if Woodville loses the Jasper game. There is just one thing that can happen and that is that Woodville will lose the district. After all the hard work that Coach Nair and the boys have done this year if would be discouraging to lose the Jasper game and hope for the best.

Red Cross

As an American citizen you can help the Red Cross. The largest number of families in the organization's history. During the Ohio-Mississippi valley flood, the Red Cross gave assistance to 323,306 families. The flood victims 1,450,000 individuals far exceeded the number were forced to cars for the previous all-time high water in 1927. To carry out this great relief task American people generously contributed more than \$25,000,000 to be administered by the Red Cross.

The chairman said that while the Red Cross had been called upon to assist victims of a variety of other disasters called for relief work. These included cloud bursts, dust storms, earthquakes, epidemics, explosions, fires, forest fires, hailstorms, a landslide mine explosions, mine fires, tornadoes, truck accidents, typhoons and general wind storms.

In all, the Red Cross assisted victims of 128 disasters during the year, including 108 in continental United States. Disasters struck 28 states, Alaska and the District of Columbia, and touched 384 counties. The American Red Cross also assisted victims in the Philippine Islands and in three foreign countries in answer to calls from Red Cross societies there for assistance. It is true that while most disasters struck without warning, the Red Cross had continued its efforts to have organized preparedness committees sponsored by each of the Red Cross chapters throughout the country, all of them ready to answer calls for assistance without waste of time. Organized committees in state are subject to frequent emergencies and hurricanes and reported that chapters in these territories kept plans up to date for transportation, food, blankets and care of victims could be put into effect immediately.

A phone call from Beaumont Tuesday night for Miss Joanna Rock stated that her name was called at the Jefferson University by Los Angeles, Cal. Mrs. E. D. Wray at Houston spent a few days here with Mr. Welch recently. The Misses Billie Simpson and Lilly Mae Bailey attended the fair in Beaumont Friday. Mrs. O. S. Starrock of Sunny Dell attended the dedication and barbecue Thursday. Mrs. S. B. Byrnes and small daughter of Lubbock are visiting the parents, Dr. and Mrs. J. B. Cruise.

### Woodville Eagles But Gets 18; Chester 0

A determined bunch of Yellow Jackets from Chester accompanied by one of the best high school bands in this part of East Texas, swarmed out on the Woodville athletic field on Friday afternoon to witness the opening of the football season for the Woodville Eagles. The cheeriest agencies are to hold them in a low score.

Very nearly every time the Yellow Jackets smashed into the Woodville line they gained a little ground, but not enough to count much in the building up of yardage to be credited with many first downs, but they did gain time after time a few feet.

The personnel of the team proved to be in good condition and good enough to give the Eagles quite a bit of trouble in smacking their way through. And, too, they were good enough to keep on keeping on fighting up to the last second before the final gong.

The whole story could be told by reciting the summary totals. First downs, Woodville 7, for a total of 110 yards; Chester 3. Completed passes, Woodville 5, out of 9 tries; Chester 4 for 13 yards. Penalties, Chester 6 for 50 yards; Woodville 2 for 65 yards. Gains from scrimmage, Chester 85 yards; Woodville 141 yards. Punting, Chester 4, averaging 33 yards; Woodville 208 yards.

Officials had a busy day. Penalties kept them on the hop and the boys of both teams proved they could take 'em. Referee of San Marcos, Doyle, umpire from N. Y. D., Whitesides, head linesman of Texas, Stevenson.

Each team was proven off color in this game. Woodville was unable to kick in three attempts. Chester could not punt. The good sized crowd was in abundance. The game was featured by the Woodville band.

### No Results

Fishing a sport without fulfilling anybody's feelings is like fishing with out a hook. On your line you get lots of recreation, but no results. *Minneapolis Press*

## I-E-S Better Sight LAMPS

Give 3 to 5 Times As Much Useful Light—Without Glare

HERE is the first lamp ever designed especially for safe seeing. Every lighting fixture of it was specified by the Illuminating Engineering Society. In over 2,000,000 homes it is giving relief to over-worked eyes.

The translucent glass bowl, enclosing the bulb, softens the light and prevents glare. Opening at top throws some of light to ceiling for general room illumination. Wide shade spreads light evenly over a broad area. Special white shade lining reflects more light than most shades. You actually get from 3 to 5 times more light than from ordinary lamps. Yet the difference in operating cost is only a cent or two an evening.

Your seeing will go faster and you'll get more enjoyment from your reading with an I-E-S Better Sight Lamp. Sales representatives in all cities. Write for literature to I-E-S Lamp Co., 150 Broadway, New York, N. Y.

Lady of good appearance in handling my local customers be capable of earning at least \$32.00 week and have A1 References. Complete details about yourself in letter.

P. O. Box 1412 Beaumont, Texas

## AFFIDAVIT OF COMMISSIONER'S COURT AS TO COUNTY'S FINANCES

In the matter of County Finances in the hands of Landon Rinsinger, Treasurer of Tyler County, Texas.

COMMISSIONER'S COURT OF SAID COUNTY, November Term, 1937.

We, the undersigned, as County Commissioners, within and for Tyler County and M. C. Tatum, County Judge of said Tyler County, constituting the entire Commissioners' Court of said County, and each of us do hereby certify that on this 15th day of November, A. D. 1937, at a regular term of said Court, we have compared and examined the Quarterly Report of Landon Rinsinger, Treasurer of Tyler County, Texas, for the quarter beginning on the first day of August, A. D. 1937, and ending on the 31st day of October, A. D. 1937, and finding the same correct have caused an order to be entered upon the minutes of the Commissioners' Court of Tyler County, stating the approval of said Treasurer's Report by our said Court.

Which said order routes separately the amount received and paid out of each fund by said County Treasurer during the time covered by said Report, and the balance of each fund remaining in said Treasurer's hands on the 31st day of October, A. D. 1937, and have ordered the proper credits to be made in the accounts of the said County Treasurer, in accordance with our said order.

And we, and each of us, further certify that we have actually and fully inspected and counted all the cash, Deposits, Credits, Slips, and other assets in the hands of said Treasurer belonging to Tyler County at the close of the examination of Treasurer's Report on this 15th day of November, A. D. 1937, and find the RECAPITULATION hereto attached to be correct.
