CHILD HEALTH DAY

May is National Child Health Day. This year, when many families are in want through unemployment, it is expected that the date will be observed with a more cooperative spirit than ever before.

Support Your Community Child Health Program. It Proves Your Honor. It's the slogan chosen by the May Day Committee of the State and Provincial Health Authorities of North America. The Committee has outlined the plan thus:

Among the fundamentals upon which May Day National Child Health Day 1933 focuses our attention are three elementary necessities—the availability of milk, the importance of adequate clean and safe supply of milk, and the protection of motherhood.

Three Essentials

1. Adequate clean and safe supply of milk.

2. Adequate clean and safe supply of milk.

3. Adequate clean and safe supply of milk.

Merry Christmas!

We wish for everyone a very Merry and Happy Christmas, and assure you, who have made a Merry Christmas possible for us, that we deeply appreciate your kind favors, and will endeavor to pass a portion of that cheer to others.

THANK YOU,
KELLEY'S

HOMEFOLKS

The Humble Company is homefolks in Texas. It's a Texas institution, its employees are Texans, its motor fuels and motor oils are made in Texas from crude oils produced in Texas fields. So the service we render the Texas motorist is a homefolks service. It's based on a first hand knowledge of what Texans need for full performance from their cars, and what Texans want when they stop for service at a Humble sign.

See for yourself. Try Humble products, try Humble service. Stop once or twice at a Humble service station or a Humble dealer's and the first thing you know, you'll be like thousands of other homefolks here in Texas—you'll have the Humble habit.
