Greatest American School Kitchen

The next time you have company for dinner and think it a lot of trouble planning the meal, give a thought to J. C. Hotard, supervisor of subsistence at Texas A. & M. College.

Mr. Hotard never bats an eye when the number he has to feed increases. With menu in hand, Mr. Hotard's next question is how much to order and dieticians long past figured the needs of man to carry on according to the type of work done.

Banish Glare...Enjoy Better Light...with

RENU-A-LITE

THE LOW COST, EASY-TO-INSTALL FIXTURE

Simply Remove Light Globe Then Insert RENU-A-LITE

RENU-A-LITE is a new type of light fixture that screws into socket of your old fixture. It can be installed in two minutes without special wiring and floods an entire room with soft, diffused light. Annoying shadows and eye-straining glare are entirely eliminated. Call our office or any employee about it.

RENU-A-LITE is especially recommended for kitchens, bath rooms, hallways and porches. Try one for a night or two and see how much brighter and more pleasant it makes the room you choose for the experiment. A free trial involves no obligation. Call our office or any employee about it.
