THINK 'MOBBIES

Some day in the near future parents will be telling their children that there used to be timber and oil fields in superabundance right here in Texas.

A road-letting is to be held October 23, but nothing applying to Tyler County is mentioned in the notice coming to our attention. Polk county has one project on the board.

Well, have you anything to offer for better than this? It is said the longest word in the Bible is to be located in the 8th chapter and the 18th verse, Isaiah—this is it. Mahershalahashbaz.

They do say the midway attractions at the South Texas State Fair will be well worth the admittance price, to say nothing of the balance of this most popular attraction.

Anyway the Governor of this state has today the record a plenty in his Sunday broadcasts, and it is noticed he hesitates not placing the blame for the failure of the last session exactly where it is.

Remember on Wednesday a. m. when some sporty man-bird was flying circles over Woodville. Well, isn't Germany and the balance of the war zone a good place to be from? You tell 'em.

Paragraphers and politicians all over the state are predicting Gov. O'Daniel will call a special session. We doubt if he will. He is reading the newspapers and finding out a few things, the several members of both houses will do again in a called session.

Everything is as plain as mud now that Dorothy Thompson says the allies are only in the battle field for the express purpose of saving Germany. We sometimes wonder how America's reading public would get along or even exist were Dorothy out of the picture.

Someway, we are more inclined to point with pardonable pride than we are to wince with nervous alarm, because many of the things we expected to happen didn't happen, and the things we were worried to death about just were not as terrible as we had pictured. Strange how things do not materialize as we all actually expect.

An Irishman, just think, tried to swindle up in Dallas to the extent of \$2.50, and before the officers of the law amicably settled the case Patrick O'Brien paid out \$111 in perfectly good American money. It happens Dallas must be a good place to be from—J. J. Taylor of State Press in the Dallas Daily News, to the contrary.

And another thing we do not understand. In Eastern oil fields crude oil sells at \$2.25, \$2.12, \$2.18, and in Pennsylvania at \$1.90; Ohio, \$1.80, West Va., \$1.84, Texas, as usual, holds the sack with crude, Jan. 1939 at \$1.25, now \$1.10. All the oil fields in Texas and Louisiana should shut down and let the balance of the world walk for a spell of time.

At Dallas paper, one day last week carried a head line "You can't Eat Cotton!" Great Scott—has actual news become scarce up there in the State Fair city that the newspaper writers are attempting to start something in East Texas? If the geck had said pop corn or turnip greens he would have had half of the citizenry of East Texas gasping and holding on for dear life, and the other half ready to go to the mat with the News' reporter.

The Bible is a good book. Those following its precepts ought to get somewhere. Diana X. Bible, following his good name, ought to be a good football coach. Apparently Bible's arrived, at least ahead of the record of the past two years. This season Bible's boys have won over Wisconsin and Florida. However in the last week's game U of Oklahoma he was short end of a 24-12 game.

Hodges' Spurgerites turned back the Kountze six-man club in Spurger Friday night in a thrilling game by a score of 13-6. The Kountze team walloped the Spurger boys in three quarters but Spurger came across in the final for the long end of the count.

L. M. Phillips, the fast quarterback led the Chester Yellow-jackets to a 7-0 victory over the Burkeville Cats in Chester on Friday night.

The game was the first district 26-A contest for the Jackets, and stamped the locals as the best in the history of the Chester school.

And in this connection President Coolidge admitted he stood

for "Maintaining Credit," and advised the American Nation to "AVOID FOREIGN WAR." A number of President Coolidge's speeches have been published: "Have Faith in Massachusetts," (1919) and "The Price of Freedom," (1924). President Coolidge was born in Plymouth, Vermont, 1872.

Are You A Booster Booster?

A Subscriber and A Reader? And, If Not, Why Not? The Baptist Ladies have just fourteen working days to get your help in this subscription campaign. You, who take your Booster out of the Post Office, plan to pay, but the time goes by, and as you are not reminded, it gets behind. It is impossible for the Booster car to make the collections each month and when you stop and think, why should anyone need to get out and collect such a small sum, when you have had the news to read; a book—sometimes two books, in story form to read, but it often needs to be done. So a newspaper gets a collector in and puts on a campaign.

Eagles Win First Conference Game

At the Woodville lighted stadium the Woodville Eagles, under Coach W. B. Erwin, trimmed up Coach Joe Barnes' San Augustine Wolves Friday night, 21-0. San Augustine was elected to receive and Woodville recovered the ball after several fumbles by the Wolves and marched down the field to the Wolves 10-yard line, at which point they were unable to proceed. Ware's punt which was blocked, went high in the air, landing on San Augustine's 10-yd line where the Eagles took the ball, and on the third play Stanley bumped on and through for the first touchdown. Parker kicked goal for the extra point.

San Augustine took the ball on their own 12-yard line where it was fumbled and recovered by Coach Woodville tackle on the 10-yd line. Miles, in the next play, swung over for the second down, but Parker's attempted try for the extra point was blocked by McDonald.

Spurlock of Woodville recovered the fumble, but was unable to advance more than 13 yards and the Wolves lost to the Eagles on the 10-yd line. The Wolves fumbled but recovered the ball after a bump by the Eagles' tackle. The Wolves were unable to advance the ball on the 10-yd line.

came out full of fight for the third quarter, and put the Eagles on defense. The most thrilling play of the game came shortly after the beginning of the final quarter, when Danton intercepted a Wolf pass on his own 20-yd line and ran 80 yards for a touchdown. Parker again failed to convert. Good blocking and interference on the part of the Eagle line made sensational plays possible. The Wolves made several nice gains after the spectacular run, but were unable to put over a counter.

Miss Frances Dean, the winning candidate for football sponsor, was presented between halves by Dr. Watt Barclay, chairman of the athletic council. Miss Dean won the race, which ended Thursday night. Summary: First downs, Eagles, 9; Wolves, 4; yardage gained from scrimmage, Eagles, 147; San Augustine, 84; yardage lost in scrimmage, Eagles, 12; Wolves, 32; passes attempted, Eagles, 6, none complete; Wolves, 4, 4 completed, one for 15 yards. Eagles intercepted 2 Wolves' passes, gaining 80 yards on the plays. Wolves intercepted one Eagle pass, gaining 20 yards. Penalties: Eagles, 9 for 65 yards; Wolves 2 for 10 yards.

Nearly \$12,000,000 paid last year to Texas telephone people

Into pay envelopes for Texas telephone people last year went nearly 12 million dollars - wages to operators, to linemen and repairmen, to others in the far-flung brigade of Texas telephone people.

The largest item in the cost of furnishing telephone service in Texas is the wages paid to the 8,700 men and women who make Texas telephones talk. Of every dollar it cost last year to furnish telephone service in Texas, more than 40 cents went for wages.

Nearly 12 million dollars' worth of human energy and skill went into your telephone service in Texas last year... to the people who furnish you fast, accurate, and dependable telephone service... yet the cost of a telephone in your home is only a few pennies a day.

The young people of the Christian church will sell candy Saturday afternoon in front of the Jay Kelley store, to purchase more song books for the church. Right here might ask that those who may have a copy of the song books in their home to please return them to the church. It is so easy to carry them out after a service, not noticing and when laid down at home, forgotten. Look around and see if you have one.

The next 30 days will be busy ones in this community. School Carnival, Chamber of Commerce banquet, and its again the time of year for the Red Cross drive. Keep this in mind and lay back your dollars which mean so much when used through this great Mother of America.

Friends were delighted to see J. P. Mann of Colmesnell able to be in Woodville yesterday. Rev. J. C. Boyd was in Beaumont yesterday. Mrs. M. E. Masterson and mother Mrs. R. E. Dickens of Beaumont visited Miss Sue Masterson and Mrs. Floyd Bean Sunday. Mrs. Dickens is now making her home with Mrs. Ralph Masterson at Voth.

The Dallas Morning News

"Texas' No. 1 Newspaper"

"The Dallas News is one of the best newspapers in America. It is free from sensationalism, it is up-to-date, and it is readable in matter and expression, and it is a pleasure to read."

From Antiquity by Mrs. Lillian W. Williams. Even Pharaohs published by Oxford University Press, 1929.

The News relies not alone on one great wire service - it has TWO - the greatest in the world - Associated Press and United Press. It also has the great wire feature service of North American Newspaper Alliance (NANA). Most newspapers would be content with these - but NOT The News, which also maintains its exclusively own bureaus in Washington, Austin, East, West, and Central Texas... to say nothing of more than 200 local correspondents scattered over the Southwest... and the largest local staff of editors, reporters, artists and feature writers of any newspaper in Texas.
