Mrs. J. H. Fain and daughter, Mrs. Tommy Townsend spent the day with relatives in Woodville Tuesday.

Between these dark, tall buildings, along each narrow street, I kept pace with the human tide, with tired and aching feet.
The day meant toil, heartaches; they seemed to have no end. I went my way as others did, with neither foe nor friend.
I had forgot the other life until your "Tex, my friends!" Came to me over milling crowds And thus began the end.
You brought the open spaces, the Western light of day, I breathed again pure, fresh air, breathed Texas air, in May!
I had forgot, until you came— Why did I not remember That Texas still is God's own land, in May or in December.

You can pay a lot more than the modest Chevrolet price for a motor car. But you'll find yourself asking, "Where can I get any more beauty, driving and riding ease, road action, safety and all-round value than I get in Chevrolet for '40?'" Particularly when you consider Chevrolet's extremely low prices and Chevrolet's exceptionally low cost of operation and upkeep!

The 1940 Chevrolet gives higher quality at low cost! . . . Low Prices . . . Low Operating Costs . . . Low Upkeep.
