

Tyler County Booster

BOX 10

First Class Publication Entered as Second Class Matter.

A Weekly Newspaper Boosting Tyler County and Woodville

WOODVILLE, TYLER COUNTY, TEXAS, THURSDAY, JULY 18, 1940

VOLUME XX

THINK 'MOBBIES

Too many users of the highways have not learned that accidents do not happen—THEY ARE CREATED.

They do things in Houston. From July 1 to July 7, the enlists for the U. S. Army numbered 178.

If all church affiliated Tyler County citizens vote their sentiment next Saturday, no one will care a rap how many were registered.

The Railroad Journal, published in Houston, is a go getter when it comes to political advertising. The journal number for July carried 136 political announcements.

No kidding intended, but what do you suppose Hiles will say when he comes to the boundary line on a Texas highway and reads the sign "Notice: Load limit on all Texas Highways: 7,000 pounds."

Booze fighters are known to be poor providers in their several homes. They also do not have a promising financial record with Bradford & Bonn. Of course, the local store dealer, have to carry the account of a dead heat booze fighter. In fact, there is no argument that will stand the test of debate in the cause of beer, wine, whiskey.

By the way, more that a fire truck and pumper has been ordered for Woodville, and in a short time will arrive. The light presents, in connection with the booze election Saturday. How much of a crap with two would a future appointed or future accepted volunteer fire department present in a down-town bar at the bunch were lit up with fire water? Say, know, and that something to ponder.

It must be remembered in all some of the governmental affairs, political affairs, either as a laborer or as an executive. In a recent release sent out from Austin, you learn what a clunky thing is your Uncle Sam. This release talks of nine Tex. boys sent to Pikes Peak, since May 1, from Sanatorium, one from Fort and two from Ward, one from "Huron" and tell the world your Uncle Sam is some fellow.

HOMES AND HOUSES UNDER THE FIA PLAN

A step by step explanation of how residents here can buy or build their homes under the Federal Housing Administration plan will be made Monday night at the count here with Mr. Hardy J. Todd, representative of the Southeast Texas FIA district in charge of the meeting. He will explain the FIA plan of home ownership, there will be shown 36 slides of homes costing from \$1000 to \$5000 which have been built under FIA in recent months.

RED CROSS SAVING TAUGHT

At the Smith rally at Colmesneil on Wednesday, July 24th, Foster Blumhull, supervisor of recreation in the county, will be present to aid the Red Cross demonstration program.

HE WHO GETS KICKED

IT MUST NOT HAPPEN

An effort to bring beer and other forms of liquor back to Tyler County is now being attempted. The election has been set for Saturday, July 20, one week in advance of the regular primary.

It was less than six months ago that Tyler County was overwhelmingly voted dry—the vote being 573 to 304. Yet the liquor interests are forcing another election which is to cost the taxpayers of Tyler County approximately \$400.

If the liquor interests are successful, it is believed by those who are in position to know that Saloons, Honkey Tunks, and dives will be placed almost without number, in all of our towns and communities, and at every choice road-side spot in the county. It Must Not Happen.

To legalize the sale of liquor does not prevent bootlegging. According to the Tyler County Court records, there was more bootlegging in the county while the county had legalized beer saloons than there has been since the county voted dry. For a period of 24 months just prior to the recent local option election, when the county had beer saloons, there was an average of 1.35 bootlegger cases per month brought before the county court of Tyler County. During the past six months, when the county has been without beer saloons, there has been an average of 1.17 bootlegger cases per month brought before the same court.

It is a fact that it cost the taxpayers of Tyler County more money to enforce the liquor laws while the county had beer saloons than it is now costing without the beer saloons. It is also a fact that the amount of money that was paid into the treasury of the county by the beer saloons for licenses to sell beer in the county has never exceeded \$125 per year.

May we ask: Are you in favor of placing Beer Joints in all of our towns and communities? Are you in favor of having our roads with Honkey Tunks and Road Houses? Are you in favor of bringing into our county a band of Lewd Women and Lawless Characters? Are you in favor of further endangering the lives of our people by encouraging Drunk Driving? Are you in favor of increasing the cost of Law Enforcement? If so, then vote for the sale of beer and other forms of liquor, or simply refrain from going to the polls and not vote at all. In either way you will assist in bringing to pass the thing here mentioned.

May we Ask again: Are you in favor of Deceit, Law, and Order? Are you in favor of protecting our community against the influences of the Lewd and the Lawless? Are you in favor of Saving the Taxpayers' Money? If so, then go to the polls on Saturday, July 20, one week before the Primary, and Vote Against the Sale of Beer and Wine.

TYLER COUNTY TEMPERANCE LEAGUE

Nurse Helen Lawson of the county health unit plans to take her vacation next week. Mrs. D. T. Barlett is enjoying their this week.

Colmesneil Is Putting On A Clyde E. Smith Rally

E. W. Tubb Heads Rotary

At the regular Thursday night meeting of the Rotary Wednesday evening, July 18, at 7 o'clock p. m. the Sam Houston State College band will present popular and classical music in the opening of the Clyde Smith rally, at the lake which was put in by NYA workers, just east of Colmesneil.

The program will be put over by W. H. Gilchrist, master of ceremony, and is slated to start at 2 o'clock o'clock after the band's concert, with an educational and dedication ceremony with the general superintendent, Kellen of Austin, who will also give the name of the lake, at this time unknown to the general public. This lake is already popular as one of the finest watering places in East Texas and later in the program will be turned over to the Colmesneil school.

Dan Lay, Likin, of the State Fish and Oyster commission, will turn loose 20,000 small fish of all kinds at about one o'clock. The lake being fed principally by springs and with a constant outlet will make a very acceptable breeding pond for fish.

Other committees are: Club service, J. E. Wheat; vocational service, L. M. Feagin, community service, Dr. Watt Barclay; international service, T. C. Rock; classifications and membership, J. E. Wheat; program, J. T. Stryker; Rotary information, J. H. Willard. Educational, D. P. Mann; boy's work, Lee Hensley; crippled children, P. H. Powell; rural urban, F. B. Sullivan; attendance, P. H. Powell; entertainment, T. A. Houston.

NAVY AWARDS 23 CONTRACTS

Washington, July 12.—The navy department awarded 23 contracts totaling \$136,743,900 as part of the vast program to build up the nation's Pacific and Atlantic defenses.

To help bolster western defenses, contracts totaling \$30,870,000 were let for aviation facilities in the Pacific including Pearl Harbor and the nation's other island possessions. In the east one contract alone provided \$24,204,000 for aviation shore facilities at the naval Quonset Point air station in Rhode Island.

Some of the older dry contracts remember the old road shows—one nighters they were called. For the benefit of all they produced the shows known as "10 Nights in A Bar Room, The Face on the Bar Room Floor," the song, When Good Fellows Get Together! Well, they were all recitals of sorrow caused by booze. Saturday, vote dry.

ABOUT FISH SANCTUARIES

Waters which have been declared fish sanctuaries by the State Game Department, are closed to all activities connected with fishing, the executive secretary of the Department warns and pointed out specifically that it is illegal to seine for minnows in the sanctuaries.

It is unlawful for any person to fish in any sanctuary with nets, trawlines, seines, hooks and lines, artificial bait or otherwise in any manner lake or catch or remove any fish from a sanctuary under penalty of minimum fine of \$25, and a maximum fine of \$200.

Wednesday, July 24 at 10 o'clock p. m. the Sam Houston State College band will present popular and classical music in the opening of the Clyde Smith rally, at the lake which was put in by NYA workers, just east of Colmesneil.

The program will be put over by W. H. Gilchrist, master of ceremony, and is slated to start at 2 o'clock o'clock after the band's concert, with an educational and dedication ceremony with the general superintendent, Kellen of Austin, who will also give the name of the lake, at this time unknown to the general public. This lake is already popular as one of the finest watering places in East Texas and later in the program will be turned over to the Colmesneil school.

Dan Lay, Likin, of the State Fish and Oyster commission, will turn loose 20,000 small fish of all kinds at about one o'clock. The lake being fed principally by springs and with a constant outlet will make a very acceptable breeding pond for fish.

Other committees are: Club service, J. E. Wheat; vocational service, L. M. Feagin, community service, Dr. Watt Barclay; international service, T. C. Rock; classifications and membership, J. E. Wheat; program, J. T. Stryker; Rotary information, J. H. Willard. Educational, D. P. Mann; boy's work, Lee Hensley; crippled children, P. H. Powell; rural urban, F. B. Sullivan; attendance, P. H. Powell; entertainment, T. A. Houston.

You have three children about to enter high school. You, Mr. Wet, would you like the school faculty, from the superintendent on down to be dipsonamic, toppers, inebriates, sots, dubanchees, winebibbers, or even bacchanals? You, Mr. Wet, think it over before Saturday.

HOW THE ROTARIANS REALLY DO THINGS

U. S. and Canadian Rotarians to aid in relief of war suffering is subsequent to the expressed desire of Rotary clubs and Rotarians throughout the United States and Canada, the following cablegram was dispatched recently from Rotary's Chicago office to its continental European office in Zurich, Switzerland:

American and Canadian Rotarians are prepared within reasonable limits to offer shelter and care for women and children from families of war refugee Rotarians if they can reach this side of the globe for transportation on this side of the globe. American Rotarians will use their influence at Washington for relaxing or restrictions upon entry children women refugees stop if there is any further action we can take to help the present emergency count on our fullest endeavors to co-operate.

SPECIAL NOTICE

E. R. Fenton, service officer of Palestine will be at the court house in Woodville Monday, July 29th.

INVITATION

Dr. and Mrs. Watt Barclay and Beverly wish to take this method of inviting their friends and acquaintances to open house on Friday afternoon or night, from 4 to 6 or 8 to 10.

It is a good safe bet. If the county should go wet. Inside of 90 days conditions would be so rotten that three fourths of the wets would wish they had voted dry. The only thing then will be to hold another election.

L. A. Woods For State Supt.

L. A. Woods took over the school affairs of Texas in January, 1933. Financially the public school system at that time was practically bankrupt. The outgoing Superintendent stated in his biennial report to the Legislature that the system faced a deficit of \$12,800,000. Not any of the 1932-33 was paid until January, 1933. The teachers were forced to discount their vouchers in order to get their money, and in many instances they were unable to get any cash at all. School bonds became delinquent, and school boards paid high rates of interest on what little money they were able to borrow from the banks.

The schools of Tyler County (just to show what a change there is now under State Superintendent L. A. Woods) have made rapid progress since L. A. Woods has been State Superintendent. Four white and two colored Vocational Agriculture Departments have been added, as well as the same number of Home Making Departments.

Rural aid has been increased from approximately \$10,000 per year to approximately \$68,000.00. Per capita appropriation from State funds has been increased from \$10 to \$22.50 per scholastic. When Woods was elected Superintendent, Tyler County had two fully affiliated high schools. We now have six white and two, colored fully affiliated high schools. In fact, no white school in Tyler County is teaching unaffiliated work. Most of the elementary schools of the county have been standardized through a program of Standardized test and meeting other requirements that a high school has to.

Length of terms have been increased from 138 days in elementary schools to 176 days and high schools from 170 to 176 days per term. No white schools now operate for less than eight months. A program of building has been in progress for the last ten years giving Tyler County schools many new buildings, especially so at the high school centers. These facts show that L. A. Woods has a school program that gets something done, as can be seen by a comparison of the Tyler County school facilities and program of today and ten years ago.

WOODVILLE NEWS

Guests here for the O. E. S. picnic Friday were Mrs. Kirby Hill of Kountze, Mrs. Mary Fountain of Hull, Mrs. Hugh Fendigo of Orange, Mrs. Eugenie Eddington, Mrs. Ora Shirley and Mrs. Harle of Port Arthur, Mesdames Brookshire of Beaumont, Cynthia Mae Watts of Lufkin and Grand Worthy Matron Frieda Bernhardt of Dallas. Mrs. Bernhardt was presented a lovely gift from Mrs. C. E. Smith and Mrs. Fred Matthews.

T. C. Rock drove to Beaumont Thursday after the daughter, Miss Frances, who has been attending Lamar College the past six weeks. Mr. Rock was indeed surprised to find Miss Rock had prepared for him a birthday dinner at the home of J. D. Darden. Toy Tatum has returned from a two weeks stay in Marlin.

BELL AT INDEPENDENCE HALL RANG ON THURSDAY

Philadelphia.—The bell in the tower of Independence hall tolled today to usher in Philadelphia's day long activities commemorating the 164th anniversary of the signing of the Declaration of Independence. The bell tolled one, nine and four strokes to signify the present year, and one, six, four, for the anniversary.

The Declaration of Independence was read at the building where it first was signed and made public:

Many are planning their vacation trips and visits for the next few weeks and early this week 27 absentee ballots had been filed. No one has yet been arrested for the recent burglary.

Signup or \$10,000 Fine Imprisonment for Aliens

Senator Connally of Texas, co-author of the Connally-Smith bill recently enacted into law by Congress requiring the finger-printing and registration of aliens, has been named chairman of a subcommittee of which Senators of Connecticut and Miller of Arkansas are other members, which began hearings Monday, July 8, in the Caucus room in the Senate office building on a measure to require the registration of certain organizations carrying on activities within the United States, such as the Bund.

Describing the purposes of the act, Senator Connally said "Organizations which would be required to register include those subject to foreign control which engage in political activity, those which engage in both civilian military activity in political activity; those subject to foreign control which engage in civilian military activity; and every organization the purpose of which is the establishment, conduct, secure or overthrow of government or sub-division thereof by the use of force, violence, military measures, or threats of any threats of any one or more of the foregoing."

Further explaining the measure, Senator Connally added: "Names, officials, qualifications for membership, aims and purposes, meeting places, names of contributors of money, assets of the organization, its activities, description of uniforms and insignia, copies of all publications issued and a description of arms owned are required to be registered."

"Violations of the act would be punished by a fine of not more than \$10,000 or by imprisonment for not more than five years, or both," Senator Connally concluded.

ARMY DAY AT TEXAS STATE FAIR

Henry L. Stimson, new Secretary of War will be invited to attend the State Fair of Texas on Army Day, Sunday, Oct. 6, and be guest of honor with Harry H. Woodring, whom he succeeded as Secretary of War, at the defense demonstrations planned for the day, it has been announced in Dallas by T. Marvin Cullum, chairman of the Fair Special Events committee, which will be in charge of the Army Day Celebration.

Mr. Woodring accepted the invitation to be guest of honor on Army Day, and plans for the defense demonstration were built around his visit.

Among these plans being arranged for the day are demonstrations of modern, mechanized units and anti-aircraft defense. Invitations will be extended for the day to all high ranking Army officials of the Army Eighth Corps Area, as well as reserve officers throughout the District. Veterans organizations will be invited to participate in the celebration.

C. J. Crompton, executive secretary of the Dallas C. of C., and Congressman Hatten W. Summers have been aiding in the plans for Army day.

ROAD REPAIRING AND 7,000 POUND LIMIT

With all this talk about killing the 7,000 pound-truck load limit it might be well to take a look at the highways used here in East Texas during a recent army maneuver. They were ruined. A communication from the highway department is hereby appended.

This should prove one thing—if the road limit is to be abandoned it would appear road rebuilding in Texas is going to be brisk for several years after the amendment of the 7,000 pound limit. Here follows the T. S. Dept. report:

State Highway 87, Newton County: 16.0 miles from Newton to a point 2.2 miles north of Burkeville; strengthen base, apply asphaltic prime and seal coat.

U. S. Highway 190, Newton County: 7.1 miles from Jasper County line to Newton; strengthen base, apply asphaltic prime and seal coat.

WOODVILLE NEWS

Many are planning their vacation trips and visits for the next few weeks and early this week 27 absentee ballots had been filed. No one has yet been arrested for the recent burglary.

Its becoming so common now to hear of car accidents its hardly interesting reading in newspapers, but when it comes home to any of us, it takes on a more serious aspect. Saturday night about 9 o'clock a number of cars were parked in front of Young's Pharmacy. Mrs. Joe Ramsey and daughter, Miss Hazel, were in the first car struck by a car coming from the north, but two more were hit. The wild car careened off into Mrs. M. E. Lindsey's yard and by the time it was brought to a standstill it was parked in the flower garden at the Esen Walker home. The Ramsey car and two others were damaged in the rear badly, the ladies jarred and frightened.

It was not the driver's fault that it was not a killing and looks as though one lost had in their own homes. The driver of the wild car was a colored man and rumor has it there were two colored women in the car. The man was arrested later when he was located, you see, he attempted a get-away.

GULF WAREHOUSE BROKEN INTO

There has been an number of robberies in the community lately and Sunday night the Gulf warehouse was broken into and 18 cases of oil was taken. T. C. Rock had received word that an other warehouse had been broken into and that thieves might be headed this way, but whether it was from the outside or local talent no one knows as yet. A number of homes have been picked recently and folks who leave their doors unlocked had better change their habits. Of course, lookers very little barrier to a thief, but it will mean much if they are caught and the law takes a hand in the affair. Its a real effort if a place is locked and broken into.

JUST MISSED BEING A BAD ACCIDENT

It was not the driver's fault that it was not a killing and looks as though one lost had in their own homes. The driver of the wild car was a colored man and rumor has it there were two colored women in the car. The man was arrested later when he was located, you see, he attempted a get-away.

Clyde E. Smith Stands Out in Crowded Railroad

Commissioner Race of Many Candidates of This War Year

(A lifted editorial from the Houston Post.) Next to the governorship, the most important administrative office to be filled by Texas voters in this year's elections is one vacancy on the Texas railroad commission.

Importance of the office is reflected in the number of candidates. Eighteen men, representing every section of the State, many of them widely known as political figures, are in the race.

Although several candidates offer outstanding qualifications, the voters must select one from a very lengthy list when they go to the polls on July 27.

In such a situation a newspaper is in much the same position as a voter. Its task is to select the person best qualified to discharge efficiently, ably and honestly the heavy responsibilities of an important office. With only one job available, it can endorse only one candidate, but the conclusion it reaches about that candidate's ability and qualifications is of great importance.

Little can be added to that sincere tribute, except that Clyde Smith worked on a farm as a boy, sold newspapers on the streets of San Antonio, educated himself in the law, and rose by his own efforts to eminence in his profession.

As district attorney at Woodville, he once faced an angry mob, unarmed, and with persuasive words convinced its members that the law should be allowed to deal with a negro accused of slaying a white man, thus averting a lynching.

Mr. Smith in 1934 demonstrated his vote-getting power in a State race. Running for attorney general against William McCraw and Walter Woodward, both well-known politicians, the comparatively unknown "East Texas" district attorney polled 208,000 votes.

In the present race for the railroad commission, he seems amply sufficient strength to enter the contest as a strong contender.

This souvenir copy of the Silsbee Bee is being sent you because the editor is anxious to see that everyone—possible—knows that Clyde Smith is the man for railroad commissioner," said the leading editorial.

The editor has known Clyde Smith for a good many years, and not one person have we found who could say anything against the man. He is a native Texan, a man of character, a lawyer of experience and a gentleman upon whose word you can absolutely depend. The people of this 75th district elected him district attorney for four consecutive terms, and each time his word without opposition for re-election.

Clyde Smith served his State as a forcible speaker and backer of the Boy Scout movement, will speak on Education as well as the dedication of the lake.

At this time Gilchrist will have performed his part of the program as master of ceremonies, will relinquish the position to Judge J. E. Wheat, who will officiate during the balance of the day.

WOODVILLE NEWS

Many are planning their vacation trips and visits for the next few weeks and early this week 27 absentee ballots had been filed. No one has yet been arrested for the recent burglary.

Connally got over one good measure
in the Connally-Smith bill,
requiring fingerprinting and reg-
istration of aliens. Read the
story elsewhere.

EVERY ARTICLE of food
that can be preserved, put up in
any way for future use, canned,
etc., should be used just that way
for future use. There is bound
to be a big demand for such
from all of the war-torn Euro-
pean countries. The time will
come when American's great
stocks of hold-over wheat and
corn will leave these shores in
great ship loads just to keep
survivors from starving to death
in the old world. This applies not
only to the vanquished but to the
victors. What a shame cotton is
not an edible product.

THE NEXT Legislature will
undoubtedly experience serious
growing pains in the matter of a
modern teacher retirement sys-
tem that could provide larger re-
tirement allowances at much less
direct cost to the state than can
be accomplished by the Old Age
pension plans. Under the Texas
teacher retirement law, a total
State contribution of \$2,100 would
yield to the average teacher after
retirement at 60 more than \$40
per month, while under the pro-
posed pension system, a total
State contribution of about \$2,
100 would yield the beneficiary
only \$30 a month.

IT WILL be remembered
during the World War with Pres-
ident Woodrow Wilson president,
a great railway strike was very
seriously threatened. It is true
the prices of everything went sky
high, but it is also true had
Theodore Roosevelt been pres-
ident at that time, he would have
swung his big stick and said
something like this: "You men
get back on the job immediately
or I'll conscript every one of you.
I'll admit you boys need an ad-
justment, I'll see to it you get it,
but don't you stop America's
train service." Instead of that,
however, Woodrow Wilson gave
them everything they asked for
without delay.

FROM WHAT we can glean
from the columns of the Trinity
Valley Voice, Liberty County
does not think much of the East
Texas Chamber of Commerce.
The Liberty County News used up
about a column of space stating
in plain language: "The only time
that we have ever seen an East
Texas Chamber of Commerce
staff representative is when the
annual money-raising drive is in
progress—a fact that certainly has
not contributed anything towards
goodwill or closer relationship
between this county and the
East Texas group. Our business
leaders have responded to the
calls for money far better and
more willingly than the East
Texas C. of C. has responded to
calls for service and co-operation
from this area.

AS TIME progresses citizens
of America have become reconcil-
ed to the fact we are going to
pay for defense through taxation,
no matter who wins the election.

AIR RAID WARNING!
You can bring down insect air raiders for
keeps with Sinclair P.D. Insect Spray. It's
death-tested on live insects to make sure
that every batch has full killing strength.
P.D. kills flies, moths, mosquitoes, roaches,
ants, bedbugs, fleas, gnats. Ask for
P.D. at drug or hardware stores or
at your Sinclair Dealer.

Let me deliver to your farm
WOOD VAIN, Agent

...boudging now, share the
public eye. The average thinking
American wonders if Washington
is great enough to know we have
to eliminate the hobbles in indus-
try needed to get ready for war
should the European war lords
see fit to move over our way. One
of the chief hobbles in America
is the infamous National Labor
Relations Board. When 87% of
the cases brought before this
board are decided against employ-
ers of millions of men in favor of
the labor unions, something
smells to Hades. In preparing this
nation for war there can be no
sit down strikes, and neither
should labor be allowed to take
advantage of what must be done
in actual everyday work, to
mess the program up with unwar-
ranted labor disturbances. It is
within the bounds of governmen-
tal possibilities your Uncle Sam
will not sit down and twiddle his
thumbs when labor leaders at-
tempt to upset the apparatus, with
strikes covering 41 different lines
of work and manufacture.

WHEN WILL the city board
come alive? This growing county
seat headquarters must accumu-
late a few city ordinances with a
full set of teeth. Right now we
are thinking about a truck load of
peaches parked across the street
from the H & H store. This
outfit is peddling peaches to any
who happen along and want them.
There are five or six stores in
Woodville, taxpaying concerns,
who have a right to PROTEC-
TION from street peddlers, who
pay no tax, rent or any other
thing that happens in Woodville.
They park their truck near
enough to the corner of the
street intersection so that cars
must stop and look around the
rear end of the fruit truck to see
if its safe to continue. (We know,
because on Thursday evening we
had to come almost to a positive
stop until an approaching car
could get past. The established
store concerns are ENTITLED to
protection and city support. It is
evident the city board is satisfied
with the street nuisance, the ped-
dler. If they were not they could
pass an enactment prohibiting
What good do out of town ped-
dlers do for Woodville? By what
right do they park and sell their
stuff? Woodville store owners
or even renters, have their
homes here, pay taxes, support
the churches, contribute to all
worthy cause and pay county,
city, school and State taxes. The
peddler does nothing but create a
condition that fair minded resi-
dents abhor. Its time to call a
halt. Not only does this apply
to peach peddlers, but to these
trucks loaded to capacity with
baled hay. It is up to the city
board.

Ward.
Mrs. Satche Enge and Dr. R. B.
Barclay were Beaumont visitors
Saturday.
Woodville has ordered a fire
truck and is expected to arrive
about the 24th. This is another
step in the right direction. Plans
are underway to build a needed
fire station north of the Christ-
ian church on the city's property.
Dan Cobb was home for the
week end from Pineland where
he is rebuilding a saw mill.
Supt. and Mrs. Lee Hensley
and son, Lee R., were Beau-
mont visitors Saturday.

Tom Miners, Pastor
Bible School 10:00 a. m.
Church Services 11 a. m.
Christian Endeavor 6:30 p. m.
Church Services 7:30 p. m.

Methodist Church
J. C. Marshall, Pastor
All candidates will be guests of
the Methodist church at 11 a. m.
next Sunday, at which time the
pastor will preach on "Religion
and Politics." Preaching also
at 8 a. m. Sunday school 10 a. m.
The Sunday school is away on a
good start to break all attendance
records. Keep up the good work.
Last Sunday C. G. Shivers re-
ceived a Bible for his unbroken
attendance record for over a year.
Many children and young people
have received such recognition
and many others are nearing their
year of regular attendance.

Guests of the J. H. Willard
home Sunday were Mrs. H. C.
Filler of Urbana, Mrs. J. D.
Clarkson of St. Louis, Mo., and
Mrs. Metts of Dallas.
Mrs. Emmett Fletcher and
Mrs. Roberts of Beaumont en-
joyed Sunday dinner at the Rain-
ey hotel.

NOTICE OF EXECUTION SALE
By virtue of an Alias Order of Sale issued out of the District Court of Tyler County, Texas, on a judgment rendered in said court on the 25th day of March, 1940, in favor of Clara G. Baten, Executrix of the estate of Thos. J. Baten, deceased, against W. L. Barbee, No. 5481 in said court, I did on the 5th day of July, 1940, at 10:00 o'clock A. M., levy upon the following described tract and parcel of land situated in the county of Tyler, State of Texas, as the property of the said W. L. Barbee, to-wit:
An undivided one half (1/2) interest in and to 75 acres of the William S. Brown 160 acre survey in Tyler County, Texas, and being the same land described in the deed from Mrs. Charles G. Hooks to W. L. Barbee, dated March 10th, 1934, and recorded in Vol. 77, page 419 of the Deeds Records of Tyler County, Texas, being the same land described in a certain instrument, now of record in the office of the County Clerk of Tyler County, Texas, in Book No. 85 of said county, to which reference is here made, for further description, and on the 8th day of August, 1940 being the first Tuesday of said month, between the hours of 10:00 o'clock a. m. and 4:00 o'clock p. m. on said day, at the court house door of said county, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said W. L. Barbee, in and to said property in conformance with said Order of Sale of Woodville, Texas, this 5th day of July, 1940.
T. A. NICHOLSON,
Sheriff, Tyler County, Texas.

I'LL TUNE OUT THE ALKA-SELTZER ANNOUNCEMENT
Don't—THAT'S THE MOST IMPORTANT THING YOU'LL HEAR TONIGHT
"When statements about Alka-Seltzer are made over the air, please, please believe them."
Mrs. Oma Catherine Jones
MILLIONS suffer less from Headache, Acid Indigestion, Distress of Colds "Morning After" and Muscular Fatigue because they have heard and believed Alka-Seltzer radio announcements. To these millions, the relief obtained by the use of Alka-Seltzer is worth far more than the genuine enjoyment they get from the broadcasts.
The most important parts of our radio program, both to you and to us, are the commercial announcements. Once you have tried Alka-Seltzer we believe you will agree with us. But try Alka-Seltzer because it is an unusually effective medicine not because you enjoy the radio program.
WHY ALKA-SELTZER IS SO EFFECTIVE
The pain-relieving analgesic in Alka-Seltzer is in complete solution, ready to ease the distress as soon as you swallow it. The pain-relieving action is made more effective by alkaline buffers. The alkalizing elements in Alka-Seltzer reduce excess stomach acidity.
Get Alka-Seltzer the next time you pass a drug store.
Large package 60¢
Small package 30¢
Try a glass of Alka-Seltzer at your Drug Store Soda Fountain.

INFANTILE PARALYSIS

Dr. Geo. W. Cox, State health officer, states that infantile paralysis, like typhoid fever, is largely a summer disease. Although cases may occur at any time, the fatal cases occur during July, August, September and October. Through direct contact of persons, contagious material probably had been reported to the State health department.

Direct contact between persons is the chief factor in the spread of infantile paralysis. The cause of the disease, the virus, and other insects have been reported of conveying the virus to germ. Insect transmission, however, has been reported. Although animals are subject to paralysis, they are not usually susceptible to the human type of this paralytic disease. Current are difficult to determine, the fact makes advisable the restriction of human contact during an outbreak of the disease.

Early symptoms of infantile paralysis comprise headache, fever,

Some conception of the demand for the 1940 Chevrolet may be gained from the fact that the one-millionth model of this year's production left the assembly line at Flint, Mich., on July 12. In celebration of the public appreciation reflected by this tremendous production record, M. E. Coyle, general manager of Chevrolet, shown (left) above with W. E. Holler, general sales manager, announced that the one-millionth 1940 car, together with a trip to the New York World's Fair, would be awarded in a contest which is open now and will close Aug. 31. Details are obtainable at any of the company's dealers.

HILLISTER

Mrs. Lee Boyce of West Texas visited Mrs. Charlie Kelly last week. They with Mrs. Kelly spent Monday in Sillsbee.

Mrs. J. M. Swearingen visited in Beaumont last week.

Mrs. Leon Rogers of Call has been visiting her sister, Mrs. T. Scott.

Mrs. Geo. Haynes of Woodville spent Thursday with the sister, Mrs. G. Currie.

Miss Shirley and Wanda Hooks of Sillsbee are visiting Mrs. J. M. Swearingen.

Mrs. D. C. Satterwhite spent the week end in Center.

Miss Grace Gilcrease is spending the week with relatives in Beaumont.

Miss Jo Harry Haynes spent last week in Nacogdoches.

Mrs. Frank Seale and little daughter, Linda Sue, of Nacogdoches are visiting the parents, Miss J. N. Fuller.

Mrs. Frances Francis Maddox and J. M. Swearingen visited Mrs. D. Allums in Kountze last week.

Among those who attended the convention in Woodville Sunday were the Rufus Hatton's, H. A. Norton and Geo. Haynes families, Mrs. J. M. Lewis, Mrs. W. B. Holt and Mrs. Francis Maddox.

Mrs. Satterwhite are at home after attending school at S. F. A.

Mrs. Floyd Williams and the children of Evangeline, La., are visiting the A. E. McSwain family. They with Mrs. McSwain spent Monday in Rockland.

SUNDAY CONVENTION DREW LARGE CROWD

Hundreds came from far and near to attend the all day singing convention held last Sunday at the school auditorium. Visitors from Jasper, Angelina, Hardin, Jefferson, Polk and Walker counties joined Tyler county folks in a real songfest and sumptuous basket dinner. The leaders were sorry that time did not permit every song leader a chance on the program, and sincerely hope they will come back the 2nd Sunday and night before in October at the New Hope church. It is hoped the school board and the Woodville citizens will accept appreciation that is left for the use of the auditorium and the hospitality. Just a little reminder the Junior Convention will meet at Harmony the 2nd Sunday afternoon in August and everyone is cordially invited to attend.

CONVICTED MAN STILL HAS RIGHT TO WORK

The fact that a man has been given a suspended sentence by a court does not bar him from holding a job as a prison system employee, according to Attorney Gerald Mann.

Mann's opinion was at the request of the prison system manager who pointed out the man in question had made good grades on his examination which followed his application for a job.

In the opinion the attorney general took occasion to point out the misconception that all persons convicted of a crime lose all civil rights. "In the broadest sense of the term citizenship, there now no law—visiting upon anyone convicted of a crime the loss of citizenship. A convicted person is yet a citizen, but one whose civil rights have been taken away or limited; he is not permitted to testify in a criminal case except in certain defined instances; he is disqualified as a juror in a civil case; is not allowed to vote except where restored to full citizenship."

But even these limitations upon enjoyment of civil liberties does not extend to those under a suspended sentence, Mann pointed out.

"NAZI SUCCESS"

London, July 13.—The admiralty press section, adding up German reports of naval successes, said today the Nazis have claimed they have sunk or damaged 20 capital ships in the last four months—five more than Britain possessed at the start of the war. It said also 15 more cruisers than Britain had last September have been reported sunk or damaged by the Germans.

NEBRASKA FINDING OUT WHAT TRUCKS COST CITIZENS GENERALLY

Nebraska is developing the low down on what commercial truck use of its highways is costing the State generally, as Missouri, Illinois, and various other states have done. Nebraska highways cost \$17,188,383 in 1938, excluding the expenditures of cities and villages. Commercial trucks constitute 36% of all traffic on Nebraska highways. Yet commercial registration fees and gasoline taxes, contributed only \$2,800,000 toward the more than \$17,000,000 spent on Nebraska highways in that year. Thus trucks making 36% of the total use of the highways contributed less than 17% of their cost. Property taxpayers contributed almost 15%, or \$2,527,120, and private automobiles, farm and local trucks furnished the balance. It also is interesting to note that commercial trucks in Nebraska in 1938 paid a total of \$91,214 in property taxes for the support of schools, while the railroads in the same year paid \$1,480,302 in property taxes for school purposes alone. The railroads therefore paid more than \$15 for support of Nebraska schools to each dollar paid by the commercial trucks.

FUTURE FARMERS ATTEND CONVENTION

Clayton Weeks, Marvin Wright, Eugene Shepherd, Macey Owens, Jack Clark, J. C. Clark, Hiram Cruse, Vernon Polk, Steve Oats, Harold Parrish, Carl Cruse, Jerry Clark, Carl Phillips, Raymond Brundin, Emory Lee Riley, Leo Barclay, James Grubbs and Leon Logston with F. B. Sullivan and Fred Platte driving the Dies school bus left Thursday for Houston to attend the State F. F. A. convention in Houston. They spent the week end in Galveston and planned a stop in Port Arthur and Beaumont enroute home.

Mrs. W. A. Harrison of Houston are spending the week with the son, J. W. Harrison and family.

Ezra D. Kitchens of Rockland has been accepted as an army recruit and will be assigned to Fort Crockett, Galveston.

Vote For H. O. Clay For Sheriff

Did you know that your present Sheriff has been in Office Six Years? Did you know that during that time he has been paid Fifteen or Twenty Thousand Dollars for his services?

Did you know that it is Democratic to give other good men a chance?

WE WANT YOU TO ELECT H. O. CLAY Sheriff of Tyler County. He is an advocate of Clean, Sober Living. He is the candidate of all the people.

WOODVILLE NEWS

Gorman McMullen of Lufkin, a graduate of a school of journalism, was here Saturday looking for work. He is a splendid type of the present young generation, full of ambition to become a professional newspaper man, but is finding no encouragement in his quest after work.

TYLER COUNTY TEMPERANCE LEAGUE

OSCAR D. CRUSE

Liberty, July 12.—Oscar D. Cruse of Hull, manager of the Doucette Lumber Co., died in Mercy hospital at 11:30 p. m. in Liberty, as a result of an accidental gunshot wound received Friday morning at his plant in Hull. Mr. Cruse, brother of Tom Cruse, former Sour Lake banker, who died of an accidental gunshot wound in March, was taking inventory in the nail shed of the Doucette company when the accident occurred. He said that he had taken down the shotgun from a high shelf and in some way the trigger caught and the gun went off, inflicting a terrible wound in his left side. A negro, Gus Nevene, working in the yard of the plant, heard the shot and ran to the shed where he found Mr. Cruse sitting on the floor and bleeding profusely, although he was still conscious. He was taken to Mercy hospital in a Roberts ambulance, but doctors held no hope for his recovery, one lung was shot away. Mr. Cruse had been head of the Doucette Lumber company for a number of years and was a member of a prominent East Texas family. He is survived by his wife, Mrs. Elva Cruse, two daughters, Peggy and Donnie, and a baby son, Dan of Hull; a brother, Jack Cruse of New Willard, and a sister, Mrs. F. A. Doucette of Beaumont. Deep sympathy goes out from Woodville friends to the family, especially our friend Jack Cruse of New Willard.

Mrs. Jay Kelley has returned from Sealy and her sister, Mrs. S. H. Buchanan of Saratoga, has gone to be with the mother, Mrs. J. A. Jackson. Mr. Kelley drove to Saratoga Thursday to meet Mrs. Kelley.

WOODVILLE NEWS

Miss Alice Crews and Mrs. W. H. Gilchrist of Colmesneil were county seat visitors one day last week.

In the election on wet and dry issues, this week Saturday there is only one thing at stake. The proposition of plenty of booze for anybody, everywhere, any time, any quantity. Anyone with the price can purchase artificial coverage and kid himself into believing that this is going to save the county—from what, no one could make a good guess.

Lieut. Edward Hargrave of Ft. Crockett spent the week end with his mother, Mrs. Wanda Pedigo of Town Bluff. Mrs. Pedigo was a business visitor in Woodville one day last week.

Mrs. Y. L. Hinson and baby of Lufkin visited the Dr. J. H. Cruse home Sunday.

WOODVILLE NEWS

Mrs. Mary Seale Pedigo of Hull visited Mrs. C. E. Smith last week end and attended the Eastern Star picnic Friday.

Drs. J. A. Shivers and A. Wallace attended the Hardin-Tyler Medical Assn. at Kountze. The meeting of August 13th will be held in Woodville.

Supt. Lee Taylor of Colmesneil was a county seat visitor Friday.

WOODVILLE NEWS

All are sorry to learn that Mrs. G. G. Lennard is not well. She was greatly missed by the young people at the Christian church Sunday night and all hope she will soon be enjoying better health.

Supt. Lee Taylor of Colmesneil was a county seat visitor Friday.

ZIMMERMANN - VINSON
Miss Violet Zimmermann, daughter of Mrs. Hyrd Zimmermann of Camden and J. D. Vinson, son of Mrs. W. H. Vinson of Gulf Pump Station were married Saturday night at the home of Rev. and Mrs. Tom Minyard in Beaumont. They spent Sunday in Galveston and Monday returned to Woodville and will be home in the Dan Rawls apartment. The bride finished high school in Chester with the class of 1937 and has spent two years in SFA Naengoches. One of the popular and beloved girls in the Chester school, she became well known as a talented whistler, and was in demand in entertainments. The Booster family feels glad that Violet, as we know her, is to become our neighbor and a citizen of Woodville. J. D. graduated with the Chester class in 1936 and attended school in Houston for some time taking a special engineering course but for some months has owned and managed the Gulf Filling Station which J. Robert McCombs sold to him. We now claim him as one of Woodville's splendid young business men and extend best wishes for the future happiness and prosperity of the newly weds.

THE PILOT PLANT
(This newspaper, not being under the thumb of the Forward Trinity Valley Association, the Trinity Improvement Association, or any chambers of commerce or other organizations, can speak its mind, whether it be in commendation or to praise.)
Just now it asks leave to praise the former the F. T. V. A. and in no uncertain terms. We believe that in establishing its plan for the creation of pilot industrial plants and the designing of a certain part in annual income for financing them, the F. T. V. A. has taken a step in reality a whole bunch of long strides which puts it in the very forefront of all and any organizations which, in large or small degree, have contributed to the program for development of the Trinity River, often called Texas' one greatest project.
We believe that this one step alone though by no means the only accomplishment will bring to it financial and other support from every quarter; every kind of help that its present leadership needs.
It first shows the possibilities of new wealth in the Valley, and then shows the way to a quick realization. It is the ONLY group in the Valley which has caught the complete vision of the Valley—as the Heart of Texas, which, threaded by the State's greatest potential artery of commerce THE TRINITY, can be converted into a land of happiness by The Pioneers of Plenty.—Trinity Valley Voice, owned and edited by Dean Tevis.

WOODVILLE NEWS

All are sincerely glad that W. A. Hodges is getting along nicely after the operation of last Thursday. For some hours physicians and the family despaired of his life, but word came Tuesday that he is better and resting easily.
Mrs. Curtis Metcalf and Mrs. J. Wood Fain were in Beaumont Friday and went on the Lufkin for the night and the latter's son John Hayes Fain and Charles Dean who had spent a week in Memphis with Rev. and Mrs. Hayes met them there enroute home.
Messdames Clyde Pedigo and C. E. Smith attended the Eastern Star in Lufkin Thursday night, which had as honored guests the Worthy Grand Matron and other grand officers, who came on here for the picnic Friday noon held in their honor at Highway park. That night a number from Woodville and Warren chapters went on with them to Silaboe for the O. E. S. meeting there.
Messdames Ezra Eaves and Ida Mae Triplett drove to Cleveland Friday and the son and brother, Charley Eaves, returned home with them for the week end.

Otis E. Lock

- 1. Favored and voted for an increase in the lead limit for trucks.
 - 2. Has a 100% taxation record. He was on the Governor's honor roll.
 - 3. Will have more power as a Second Term Representative. New members can not serve on some of the important committees.
 - 4. Is opposed to all laws that help destroy our Homes and Churches.
 - 5. Helped our School Officials get more money for the Tyler County Schools than they have ever before received.
 - 6. Voted for all laws that would help the Farmer and Working Man.
- ELECT OTIS LOCK
STATE REPRESENTATIVE
FOR A SECOND TERM.

FAIN

WOODVILLE NEWS
Barclay-Barkley clan will hold their reunion Sunday at the Gulf Station Park Sunday. A large crowd is expected.
Mrs. Burton Pate has returned to her home near San Angelo after a short visit here with Messdames Ed Pate and John Hunter.
Miss Ann Harrison has returned from a visit with her aunt, Mrs. Ernest Sims in Lufkin.
Messdames J. R. Wisenbaker and J. A. Williams and son Truitt have returned from the BYJU encampment at Palacios.
Messdames D. P. and T. C. Rock, Ora Lindsey and J. E. White returned from San Marcos Saturday. Mrs. Joe Wickline and mother, Mrs. O. T. Craver, came over from Kirbyville Sunday. Mrs. Craver will visit her sisters in Hattson and Houston before returning to Atlanta, Ga.
The Misses Mary Louise Hughes, Sara Coffman, Lucy Jane Nellius and Johnie Hickman and Dan Rawls drove to Beaumont Sunday afternoon.
Miss Bennie Frances Dismukes and grandmother Mrs. Bettie Swearingen were in Beaumont on Saturday where Miss Dismukes was a party guest in the Piquet home.
Major and Mrs. Branch Roberts of Donna returned home Sunday after a week's visit with Woodville friends.
IN THE SUBURBS
She: "When a man who borrows me terribly asks where I live I always say in the suburbs."
He: "How clever! And where do you really live?"
She: "In the suburbs."
Whose Booster do You Borrow?

Beaumont's Municipal Auditorium, which was the scene of the "Democratic Convention" of the Texas Democrats two years ago will be the scene of another political gathering within the next month.
Texas Republicans, now launching the Willkie drive in the state, will gather in Beaumont August 12 and 13 for their biennial nominating convention. It is estimated that more than 1,000 delegates will sit in the sessions, in addition to a large crowd of on-lookers.
In addition to the customary business of nominating a slate of state officers and hearing talks by Texas Republican leaders the convention will turn its eyes toward the national situation. At least one figure high in national Republican circles will be a guest of honor and speaker at a public gathering, and others are

During the early months of 1941 an additional 5,000 persons will attend conventions in Beaumont. Larger gatherings will include the biennial convention of Woodmen of the World, Knights of Pythias and Pythian Sisters, Texas Council of Church Women, District 2-S Lone Star District, and Lone Star Clubs.
