THINK 'MOBBIES

Another thing for these 75 to 80 p. h. drivers to remember is far better to arrive late and altogether than not at all.

L. A. Woods says "No member of any band is employed by the State Board of Education, nor has any ever been employed. And that's that."

Steering Wheel says: "One-handed drivers usually run in a church one way or another. They either walk down the aisle or carried down it."

Quillen says: "There is some good in everything; when liquor makes you act a fool, it mercifully dulls your mind so you can't remember details the next day."

If somebody flew off the handle and invited you to go to Diemant's Land, what would you think? Diemant's Land is the former name of the present Tasmania, so-called after a governor of the Dutch East India Company.

Strange isn't it? There's supposed to be some thousand and a half nuts holding an automobile together, and yet one nut behind the steering wheel can scatter the whole thousand and a half all over an acre of the best productive land in America—in Texas.

We liked one thing about W. Lee O'Daniel's address last Wednesday, more than anything else. He was abusing no one man. Also, O'Daniel was having a lot of fun kidding the public—ah, that there would be no runoff. Well, here's to his statement.

A new California law says: "It shall be unlawful for any pedestrian who is drunk to be upon any roadway." Okay, we guess, but what does a drunken man want to be walking for? His place is behind the steering wheel, just showing folks he can drive straighter than he can possibly walk!

15 YEARS TRAINING FOR OFFICE OF STATE SENATOR
John W. Laird has had 15 years training and experience for the office of state senator. He also served in France during the World War. He feels that during these serious times he can use his training and experience in serving each county fairly and impartially. He will appreciate your vote.

Appreciation.

Tyler County is to be commended for the very definite vote last Saturday, keeping the county in the dry column. We have no ill will toward those who do not see us do. This is still a Democratic county, which means that every citizen should express his convictions when occasion demands it. It also means that when a majority have spoken all should unite in the program. Therefore let all who are interested in our county unite in an effort to see that the laws are obeyed.

We wish to thank The Booster for the loyal support and the boost that helped in the dry victory.

Signed: TYLER COUNTY TEMPERANCE LEAGUE.
Friends extend sympathy to Mrs. Floyd Spinks of Colmesneil in the death of the infant son Monday.

E. Gardner, Jr. In Plane Crash

Woodville people were shocked Friday noon when the news came that Earl Gardner Jr., eldest son of Mrs. E. Gardner, had crashed in his plane at Colmesneil. Mr. Gardner was at the Woodville airport waiting for Earl to come in and collapsed when a friend drove out to tell him of the accident.

The plane was in Beaumont and it was some time before she was located.

Earl Jr. was only 19 years of age but has been flying for over three years. In flying over Colmesneil the plane struck the Gulf Utilities wires on the highway, cutting them, and the ship nose dived into a small pasture just behind the cafe.

It is a miracle it did not hit the building and that many in the crowd were not hurt by the live wires falling.

The plane was in splinters and it was with difficulty that the boy was gotten out. Almost every bone in his body was broken, the body cut and bruised. He died in the Oakley-Metcalfe ambulance coming to Woodville.

The funeral was held Sunday morning at the home with Rev. J. S. Denney in charge of the services assisted by Rev. Tom Campbell.

Interment was made in the Magnolia cemetery with school friends as pall bearers. All who know the parents deeply sympathize with them in this tragic bereavement. He is also survived by a brother and sister, Miss Odessa and Donald.

Methodist Church
J. C. Marshall, Pastor

Colmesneil: Preaching 9:45 a. m. and 8 p. m. Woodville: Preaching 11 a. m. Sunday school 10 a. m. Young people's meeting 7 p. m. Let everyone be present next Sunday.

TOO MANY TAXES

Heavy taxation and good government are not necessarily synonymous. As a matter of fact, they may be well nigh incompatible. Frank G. Arnold, nationally known director of the Nebraska Taxpayers League, has expressed it this way:

"We should keep in mind that there is absolutely no ceiling or limit, apparently, to the amount of new money constantly demanded by old and new governmental activities, and not always does this increased expenditure mean better government. In fact, all too often it means directly the opposite.—The Texas Weekly.

PLACE FOR ECONOMY

The front-page column of the Matagorda County Tribune, published at Bay City, has something to say, and says it forthrightly. "In order that we may raise the money for defense, and to pay off debts owed by the Government, the thing to do now is to cut down on all of the local taxes. State, county and city."

"It can easily be done and after all our biggest taxes are those always right at home. We can practice lots of economy in our county, city and State, relieving us of a way that we may begin the task of paying for the war debt of the New Deal (the New Dealers staged against those who disagreed with them and against big business) and now one that may never come, we hope, but for which we wish to be ready anyway."

Judge D. P. Beck attended the big political rally held in Silsbee Tuesday night.

Clyde E. Smith Rally; Dedication of Lake Tegas As Put Over By Colmesneil

Primary Judges As Appointed

Some 2600 votes are predicted for the year, and the 18 precinct judges are as follows: Colmesneil, Hillister; T. C. Crews, Doucette; Eddie Duff, Woolley's Mill; D. P. Read, New Hope; Charles Barclay, Warren; H. C. Pedigo, Town Bluff; Empson Smith, Colmesneil; G. D. Boardman, Chester; G. C. Nixson, Rockland; Archie Nash, Emilee; Arthur McInnis, Fred; L. C. Jordan, Sr.; Spurger, T. H. Busselle, Hickory; Ed Hudburgh, Bethany; H. A. Crews, Sunny Dell; M. G. Bowen, Smith's Ferry.

TEXACO ANNOUNCES \$26,000,000 Profit

New York, July 23.—The Texas corporation, nation-wide oil marketer, in the first half of this year earned approximately \$26,000,000 net income after taxes and reserves, according to T. R. Rieber, chairman. "The profit was equal to about \$2.40 a share compared with 64 cents earned in the first six months of 1939.

FORWARD TRINITY VALLEY ASSOCIATION

Woodville and Tyler county people are invited to a meeting of the Association tomorrow night at Livingston.

FORMER TYLER COUNTY GIRL TO WED

The engagement and approaching marriage of Miss Georgia Lela Hopson to Walter Seyffert, of Noble, Ill., was announced at a lovely bridge party given Wednesday afternoon by Miss Bell Altman of Mexia when she entertained in her home 304 East Milan street. The wedding will take place Sept. 8 at the First Baptist church. Miss Hopson is the only daughter of Mrs. G. W. Hopson of Mexia. She is a graduate of the Mexia high school and she received her BBA degree from University of Texas, Austin. She also attended Stephen F. Austin College, Sherman and West minister College, Teacuacana, while in Austin Miss Hopson was employed in the House of Representatives and the State Health Department. She is a young lady of charm and culture, and has sung over the radio and taken part in a number of local plays. She comes from one of the Texas pioneer families, her great grandfather, Josiah Whetzel settled in Texas in the early part of 1800. Mr. Seyffert is the son of Mrs. W. H. Seyffert of Van and formerly of Mexia. He completed his public school education in Mexia and is now employed with the Pure Oil company in Noble, Illinois.

IT'S A TRICK

There's a trick in controlling weeds in pastures by mowing. The trick, according to R. R. Lancaster, pasture specialist of the Texas A&M Extension Service, is to mow the weeds when they reach their maximum growth at about the time flowers form.

Mowing earlier than that does not weaken the weeds to any extent, and later mowing allows seeds to ripen. If the mowing happens to fall in a dry period of the year, so much the better.

Mowing of pastures to control weeds and to keep grasses in a growing, vegetative state is proving the easiest and most profitable form of pasture improvement.

MRS. LOUIS PARR RETURNS FROM NASHVILLE

Mrs. Louis Parr received the scholarship this year from the Texas conference, Mission Society of Methodists, so attended Scarrett College in Nashville, Tenn., for six weeks just returning home last week. Her cousin, Miss Zara Miller, a member of the Peasall school faculty planned to attend summer school at Peasall College in Nashville and they went together. Enroute home they visited Chattanooga, Tenn., and Baton Rouge, La. Miss Miller will spend a few days with Mrs. Parr before going on to Yorktown for a visit before school opens.

GOVERNMENT'S MAN HERE SATURDAY

A newcomer in Woodville states that the court house lawn is a real mess. Water melon rinds, peach skins and stones and wonders if Woodville is proud of such a sight for visitors and people passing through. What's the matter? Doesn't the court house have refuse containers or some place to take care of such filth? Somebody should get on the job. Don't you think so?

C. B. Birdwell visited his brother in Silsbee Monday.

As Put Over By Colmesneil

Many hundreds of people gathered yesterday at the Colmesneil lake for the dedication of what will, in the future, be known as Lake Tegas and Boy Scout Re-creation center.

At 1:30 the Sam Houston State Teachers college band gave a half hour concert, which was really enjoyed by the crowd. The officiating of the day, W. H. Gilchrist, spoke of the appreciation of the crowd for its presence and the splendid program, also of the Wayne Body Works of Houston which furnished the two school buses which brought the band to Colmesneil. Mr. Gilchrist welcomed the crowd and asked for a few minutes delay in the program that the thousands of fish brought by the State Game and Oyster Commission to stock the lake might be unloaded into the lake as the tank was intensely hot and concern was felt that they would not live if kept in tank longer.

Gilchrist asked Rev. J. C. Marshall to lead in prayer, then the band to play the National anthem while the crowd re-dedicated their hearts and lives to our great and glorious United States of America. The program was presented as a leader in the work of this re-creational project, alluded to as his "Dream Child." Taylor insisted that he was just the sponsor representative and that the business men, the community and the precinct commissioner with the NYA officials should have the appreciation and honor of making the dream come true.

Commissioner J. U. Hopsos was presented and in a few well chosen words voiced his appreciation that he was in a position to help NYA officials and introduced J. A. Kellum, state director of National Youth Administration who gave an outline of the work in Texas and what it had meant to the youth in the country. It can be summed up in one statement he emphasized, "Youth needs three things, good health, good character, and good work habits," which is furnished him in the NYA projects such as has

Dr. Watt Barclay Heads the Clan

Dr. Watt Barclay was elected president of the Barclay-Barkeley Society of Texas at its annual meeting at the Gulf Pump station, near Chester. Steve Barclay of Wharton was made Secretary. Mrs. Henry Cline of Wharton and Mrs. C. M. Redman of Port Arthur will continue as historian and publicity chairman.

The following received the prizes furnished by Mrs. Redman. Oldest man, W. B. Oakley, 94, Woodville; youngest member, Teddie Laverne Barclay of Baton. 8 months; oldest lady, Mrs. A. Barclay, 71, Wharton; farthest traveled, Mrs. Mary Barclay Dismukes, Corpus Christi; oldest married, Mrs. J. P. Frank, Pates; youngest wed, Mrs. Arnold McBride of Lufkin; oldest groom, Lem Bullock, Hillister; honor prize, Walter Barclay, Chester.

John Henry Kirby was unable to attend because of illness but he sent a quartet of negroes from Leggett to sing negro melodies.

On the program were V. A. Collins of Livingston; Mrs. Henry Cline of Wharton; John Lindsey of Port Arthur; Mrs. Martha Barrett of Woodville and J. W. Barclay of Dalletta.

GOV. W. LEE O'DANIEL SPOKE TO A LARGE CROWD

Vernon Mills got busy Wednesday, and with the help of telephone operators, a word of mouth passed along, many hundreds gathered at the Court house at 1 p. m. to hear Gov. O'Daniel. The Austin office had some wires crossed and should have wired us Thursday enroute to Beaumont. The word was again gotten out Thursday and hundreds gathered long before the appointed time, 3:45. This time he arrived just a few minutes past the scheduled time. After all the mud slinging of the past few months it was refreshing to hear a good natured talk without pames being called and slurred at. He did speak of the reasons that he had not or could not put over certain measures, which every man or woman who reads the newspapers, already knew and had pondered on. We believe in a square deal in all matters and if ever a man's plans were blocked, words twisted and distorted, and deals and actions ridiculed, our Governor has been that man. We didn't vote for him in the last election, and like many others rather looked upon his campaign as a joke, but after the two years of watching, reading nine dailies and receiving reports of the doings in the State House we feel that Gov. O'Daniel is an honest upright christian man, and will do things if his way isn't blocked by some headed politicians, that admit we didn't appreciate the bill hilly hands, and some of the noise used but it must be the right thing for the so-called bright, proper and up-to-now politicians are going in for it, and folks seem to like it. Anyway we are glad he stopped in Woodville.

WIDOW GIVES \$50 SAVED FOR TAXES

Hobart, Minn.—Fifty dollars saved to pay taxes was contributed to the American Red Cross war fund by Mrs. Henry Plowman, 83-year-old widow of a civil war veteran. She wrote:

"I am sending you a check for \$50 for the Red Cross. How I wish I could send more. Have been sick the last few days. I am 83 years old. But my father was a soldier in the civil war. So was my husband, Henry Plowman. And I am only trying to carry on. I feel the Red Cross can help more than any other way. My father came from Exeter, England, when he was 20 years old, so my heart bleeds for both of these countries. How I wish I had the strength I had 20 years ago. But I do all I can. I have taken the money I have saved for taxes to sent to the Red Cross, for they can carry on and do what I have not the strength to do."

MANY CALLED UPON MAYOR AND WIFE

The tragic accident of Friday noon at Colmesneil kept many from calling at the Dr. and Mrs. Watt Barclay's residence, but some 75 enjoyed looking over the lovely new home. Friends had showered them with gifts and a gorgeous showing of flowers. During the afternoon Mrs. Martin Nellius showed guests over the house and assisted Mesdames Frank and J. Wood Pain serve punch and cookies. At night Mrs. J. E. Whent was guide through the lovely rooms and Mesdames Cordell Collier, R. E. Pennington and F. B. Sullivan presided over the punch bowl and served refreshments.

FACTS GLEANED AT THE COURT HOUSE

Up until yesterday morning there had been 81 absentee ballots cast in Tyler county, Wednesday was the last day to vote before the primary Saturday. The last half cent taxes to be paid by June 15 also tabulated and books closed and 91,970 of all 1939 taxes were collected. This is an unusually large percent.

MARKS HUNTER'S TRIP

Mrs. Marilyn Sullivan, niece of F. B. Sullivan, arrived Friday from a trip to Dallas with Mrs. M. G. Bowen and Mrs. M. G. Bowen. All with Mrs. M. G. Bowen.

Vernon Mills Selling Firestones

Another business is ventured by one of Tyler County's younger men, when Vernon Mills opened a business house in the west end of the Crumpler building this week. The "Mills Tire and Auto Supply," will sell Firestone tires and other products, such as batteries, radios and other house accessories. He invites you to come in, look over the stock, get his prices and help him make this business house a success. Firestone tires need no introduction in this section and the world considers them one of the best. The larger percent of racing cars are equipped with Firestone, and the boys who drive them want none but the best.

W. L. Dickinson of Beaumont was in Woodville Tuesday to help Mr. Mills open up for business and see that advertising was inserted in The Booster.

LET NO MAN FOR ONE MOMENT DOUBT

Fateful days lie ahead—days which will test our patriotism, our mettle, our ability to make sacrifices. Every one of us, each according to his circumstances, will now have to make a contribution to the preservation of our way of life. History must not say of us, "Too bad, but they couldn't take it."

When the situation becomes somewhat clearer, doubtless the President of the United States will tell us what we face and will give us a kind of blueprint of what we must do to stop this juggernaut of destruction before it reaches the Western world.

The American people are entitled to the whole story, bad as it may be. That they can chin whatever program has to be followed, when they understand it, let no man for one moment doubt.—W. L. Clayton of the firm of Anderson, Clayton & Co., Houston.

WOODVILLE NEWS

Rev. and Mrs. J. C. Boyd left Greenwood where he will hold a revival meeting with the Baptist people.

Mrs. O. T. Craver with Mrs. T. C. Rock drove to Baton Friday where she stayed for a visit with her sister, Mrs. J. M. Rogers.

Miss Rosemary Woolley of Port Neches is visiting in the J. B. Riley, Lee Hudson home.

Friends will be sorry to learn that Mrs. A. Little became ill in southern Missouri, enroute to her home in Iowa, and returned to Woodville, and was confined to her bed in the Mrs. Zula Harrison home. Mr. Little was forced to be in New Orleans on Monday so could not make the trip with her. All hope she will soon be better and rested enough to make the planned visit to her parents.

Miss Mary Elenor Harrison returned home with her uncle, John Gray, and family of Houston Sunday from the reunion.

The week with her daughters, Mrs. Ernest Sims in Lufkin, and Miss Jimmie Ruth Coppedge in Center. Mrs. Coppedge and Jimmie Ruth leave the last of the week and brother, Louis Coppedge and family in Hobbs, New Mex.

Contractor Frizzell of Beaumont who has been serving a number of country churches in Tyler county, was ordained and licensed last Sunday by the Baptist church, Rev. Frizzell has many friends over the county and their best wishes with family for a future of success and helpfulness.

Friends are indeed happy to know that W. A. Hodges is able to get on his feet and is recovering nicely.

Sup. E. W. Thomas of Scott Hill school has returned from a six week work at Flak U. in Nashville, Tenn.

Messrs. J. H. Kennesson Sr., and Jr., both had their tonsils removed in Beaumont Thursday of last week. Mr. Kennesson Jr. was with them. J. B. Best and son James drove down Sunday and Mrs. Kennesson Jr. came home Monday. Both ladies are getting along nicely after a very uncomfortable experience.

Mrs. George Boyd are enjoying a visit from her brother and wife, Mrs. Clayton Strickland of Arizona who have just come from a trip to Yellowstone Park and are enroute home.

The Ned Riley family of Puro, Arizona, have just come from a trip to Yellowstone Park and are enroute home.

Mrs. B. F. Riley of Port Neches has been operated upon in Hotel Dieu for appendicitis.

Mrs. F. H. McFarland and daughter, Miss Faggie, left Saturday for Oklahoma to spend his two weeks vacation with relatives.

Mrs. H. H. Hodge of Beaumont and Mrs. H. H. Hodge of Houston are in Silsbee Monday.

Popular Result The Beer Election

THE STATE OBSERVER STATES IT IS NOT TRUE

A press release sent out by Railroad Commissioner candidate Pierce Brooks from Dallas this week quotes The State Observer as follows:

"Some of the visitors to the State Capitol this week stated that Brooks would lead in the Railroad Commission race, but the large majority said that he would win in the first primary."

No such report was published by The State Observer. The quotation was news to us," said Alex Louis, one of the Observer's editors.

FAILED TO NOMINATE AS A DEMO. WENDELL WILLIAMS

Pres. Roosevelt's popularity as the democratic national convention extinguished the movement to have Wendell L. Willkie nominated as the democratic, as well as the republican, candidate for president.

In the face of overwhelming third-term sentiment for President and had no chance on earth to get Willkie's name seriously presented was the excuse presented to the public, and that appears to be the only excuse that could be gotten together.

BIG REUNION

Around a thousand people gathered at the annual Harrison-Die reunion Saturday and Sunday at the John Harrison farm near Median Village. The officers of last year were re-elected, Copper Harrison of Livingston, president; John Taylor Harrison of Fairbairn, Vice Pres.; and J. W. Harrison, Sec. Treas. They enjoyed a big barbecue Saturday and fashioned singing at night. Sen. V. A. Collins of Livingston spoke Sunday afternoon from the banks of Hickory Creek. Harrison and Die families settled more than 100 years ago, and the descendants plan to meet each year.

Methodist W. M. S.

Circle of the Women's Society of Christian Service met at the church, Monday, July 22 at 3:30 o'clock. The following interesting program was presented:

Song, "Beautiful Garden of Prayer," Scripture, Prayer, Mrs. W. T. Edgan, Devotional, Mrs. J. Wood Pain, Song, "My Faith Looks Up to Thee," Talk, "The Women's Organization of Methodists," Mrs. Lewis H. Parr, chairman, presided over the business meeting which followed. The program was decided to abstain temporarily, the plan for waiting day and the circle will meet next Monday, July 29, at the church as usual. The chairman urges all attendance at that time and to bring with them the most interesting and important news of the day.

W. T. EDGAN

William Timothy Edgan, 19 years and 19 days, passed away at his home in Hillister, Texas, at 7:30 a. m. Mr. Edgan was very ill since January. He was 19 years old when he was born, but when the end came was a shock to the family. On the day he died, he had several friends who came to see him and found him in a coma and seemed to be unusually well. In the morning just a short time he passed away without any words. Mrs. Edgan is here about 12 years and here from Silsbee. She is a member of the Methodist church in Hillister but in Texas she is survived by his wife, Mrs. Edgan, and three children: Ernest, Edgemoor, and Edgemoor. The funeral was held at the home of Hillister, Texas, Monday and Tuesday. The funeral was held at the home of Hillister, Texas, Monday and Tuesday. The funeral was held at the home of Hillister, Texas, Monday and Tuesday.

MRS. LOUIS PARR RETURNS FROM NASHVILLE

Mrs. Louis Parr received the scholarship this year from the Texas conference, Mission Society of Methodists, so attended Scarrett College in Nashville, Tenn., for six weeks just returning home last week. CAN YOU PRODUCE THE RIGHT NUMBER?

Detroit, July 23.—The one-millionth 1940 Chevrolet car built in the United States has left the line at that division's Flint assembly line exactly one month after No. 900,000 was produced, and only three and two thirds months after No. 600,000. Coincident with its completion, M. E. Coyle, general manager, announced that the car making this major production milestone is being set aside, to be awarded to the winner of a nation-wide contest conducted between now and August 1. The object of the contest is to locate the millionth Chevrolet Six produced after the introduction of the valve-in-head Chevrolet Six, in 1929.

Production records show that the millionth Chevrolet Six—as distinguished from the millionth 1940 model, just built—left the assembly line in 1929. Whether or not it is in use today is, of course, unknown. If the contest fails to reveal the actual millionth Six, the owner of the first Chevrolet passenger car which was built after production of that unit, and which is entered in the contest and conforms to the conditions thereof, will be adjudged the winner. Motor number, as obtained from the manufacturer's records, will be the basis for decision.

Search for the millionth Six will be conducted through Chevrolet dealers, all of whom are being furnished with official entry blanks. All cars entered must have been acquired by their present owners, and licensed for passenger car operation, prior to July 12, 1940, and entry blanks to be mailed before midnight, August 31, must bear the signature of a Chevrolet dealer in certification of the data set forth regarding the car. Employees of General Motors, Chevrolet, their dealers, and their advertising agencies, are not eligible to compete, nor are members of these employees' families.

The official winner will drive his or her entry to the New York World's Fair, making the trip as the guest of Chevrolet, and exchanging the old car for the one-millionth 1940 model, which will be on display in the General Motors Building at the Fair prior to that time.

Spurred by a demand which has made the Chevrolet car the industry's decisive leader again in 1940, Chevrolet's all-time production is fast approaching the 16,000,000 mark, it was announced. The most recent 400,000 units have been built in three and two-

thirds months. One year ago today, production of 1939 models stood at 788,343, as contracted with the round million 1940 models built this year to date.

board of farmers, workers and business men owning new or used cars, paid special motor taxes in 1939, averaging nearly 153 figures compiled by the American Petroleum Industries Committee from official government sources reveal.

For every dollar he spent in direct taxes for registration and license fees, he paid \$2.45 in indirect gasoline taxes, federal and state. Nearly two-thirds of his total motor vehicle taxes were collected from him at gasoline service stations, where during the course of the year he paid \$33.05 in state and federal gasoline taxes, a sum which exceeded an entire week's income if he were a typical automobile owner, and which exceeded all his other motor vehicle taxes combined by 62 per cent. In addition to his \$33.05 gasoline tax bill, his registration fees and license taxes cost him \$13.47; his federal excise taxes on lubricating oil, tires, tubes, parts, accessories and new vehicles amounted \$4.05; and personal property and similar taxes on motor vehicles cost him an average of \$2.35 more.

SOLDIERS EQUIPPED FOR \$80
London, July 18.—Equipment of the infantry soldier includes 84 items and costs approximately \$80 a man, declared Leslie Burgin, minister of supply in a report of the ministry's work.

WOODVILLE NEWS
Mrs. J. A. Duke of Huntsville is spending some time in Woodville.

Miss Lucille Boyd returned to early this week for Greenwood where he will hold a revival meeting with the Baptist people. Riley - Lee Hudson home.

GARNER WINS ON ROOSEVELT
Chicago, July 18.—Garner knew it all the time! Everett Watkins, Washington correspondent of the Indianapolis Star, vice-President today which Vice-President John N. Garner had handed to him on March 30. On that date—before any of the primaries which Garner entered—the vice president had bet \$1 against Watkins' \$10 that he could name the nominee of the democratic national convention. They sealed their choices in an envelope.

In keeping with his compact with Garner, Watkins slit the envelope today. Garner had written: "F. D. Roosevelt."

IT'S EASY—WORK FOR IT
The Steam Railroad Section of the National Safety Council quotes the following:
A live man pays 25c for a shave. A dead one pays \$50.
A woolen overcoat costs \$40.00. A wooden one costs \$400.00.
A taxi to the theatre is \$10.00. But to the cemetery it's \$10.00.
Stay alive and save your money. It's easy—work safely!

NOT WRITTEN FOR HITLER'S GANG
Here comes the flag—Hail it!
Who dares to drag Or trail it?
Give it hurrahs,—Three for the stars, Three for the bars. Uncover your head to it! The soldiers who tread to it Shout at the sight of it! The justice and right of it! The unsullied white of it. The blue and the red of it, And tyranny's dread of it! Here comes the flag! Cheer it! Valley and crag Shall hear it. Children caress it. Fathers shall bless it. All shall maintain it. No one shall stain it. Cheers for the sailors that fought on the wave for it. Cheers for the soldiers that always were brave for it. Tears for the men that went down to the grave for it. Here comes the flag!

Send The Booster to a Friend

national events that approach the grim and tragic climax have brought as never before to the public attention the important part played by the Citizens Military Training Corps in the national defense picture.

From every town and hamlet, from crossroad store and metropolitan street, from farm and ranch, office and industry, young men—more than 1600 of them—have become enrollees in a month's training at Camp Bullis, training calculated to prepare them physically and educationally for a rigorous role in national defense, should that ever be needed.

Emilee has its representative in Walker Johnston.

"Cooks faster...uses less current"

That's what owners say about their 1940 electric ranges

Always tops in cleanliness, coolness and all-around convenience, electric cooking today is faster, more economical than ever before. Sensational improvements in heating unit design and construction, have brought new speed, flexibility and economy to every cooking operation. Food cooks in less time, with less current.

For proof of the speed and economy of 1940 electric ranges, ask your neighbor who owns one. Or visit our office and get the full story.

COMMUNITY PUBLIC SERVICE COMPANY

Second Request

FRIENDS AND CUSTOMERS:—

Two weeks ago I addressed a letter to you stating that I was highly pleased at the COLLECTION results brought about by the selection at random of fifty accounts which were even older than some of yours. Today I am selecting fifty more of these long past due accounts—one of which is yours. The pink slip attached to this letter is exactly like the one sent out before and shows the amount you owe.

I believe this letter and this courteous request is all any one needs who appreciates my good treatment of them. Will you not help show that my confidence in you was not Misplaced? Most people are honest, but when they get behind it is so easy to put off from day to day, obligations like the one you are due me. You will agree with me that it is now time that something should be done to bring about a settlement. Some have paid me in full. Some have made partial payments, while others have given me installment notes. In case you do not have the money or anything else I can use, come to see me any way and I will arrange for you to pay in installments. But do something about it now while you have in mind to clear your record.

Your Friend,
C. M. DAVIS

MODERNIZE YOUR MECHANIZED EQUIPMENT

WITH **CHEVROLET TRUCKS**

at today's low prices!

YOU KNOW THE LEADER IN TRUCK SALES MUST BE THE LEADER IN TRUCK VALUE

Truck buyers are careful buyers—they thoroughly analyze and compare all types of trucking equipment—they want to make certain that they'll get the make and type of truck best suited to their business requirements.

It is a significant fact that more truck users choose Chevrolet than any other make of truck... because Chevrolet trucks could not have established their record of leadership in 1940 and maintained it for six out of the last eight years had it not been that Chevrolet trucks deliver more dollar-for-dollar value than any other make.

All models and types of Chevrolet trucks may still be purchased at today's low price levels, so it would be wise to consider replacing some of your trucking equipment with new Chevrolets now.

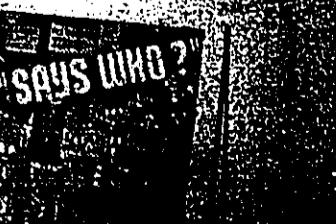

TRUCK BUYERS DEMAND FACTS—Chevrolet Gives Certified Proof

Truck buyers are often bombarded with claims about the respective merits of various makes of trucks. But wise truck-buyers say, "Give me facts—give me proof—I must run my business according to actual facts and figures and I demand the same kind of facts about the truck I buy."

WRITE FOR FREE BOOKLET "Says Who?"

In order to provide conclusive proof of the dependability, economy, and value of Chevrolet trucks, Chevrolet recently sponsored a test run of a stock Chevrolet truck which was the longest test run ever conducted under the supervision of the American Automobile Association.

The performance facts compiled from this history-making test run are contained in an interesting booklet entitled "Says Who?" You may obtain one from your Chevrolet dealer or by writing to Chevrolet Motor Division, General Motors Sales Corporation, General Motors Building, Detroit, Michigan.

BAR ENDORSEMENT OF
Judge John F. Sharp

The undersigned members of the Tyler County Bar hereby endorse the candidacy of Judge John F. Sharp for the Democratic nomination as Associate Justice of the Supreme Court of Texas. Judge Sharp was appointed as a Judge of the Commission of Appeals, of the Supreme Court, on October 21, 1929. He served in that capacity, assisting the Supreme Court, until he was elected in November, 1934, to the term he is now serving as an Associate Justice of the Supreme Court. His term will expire on December 31, 1940, and he is now a candidate to succeed himself for a second term.

Judge Sharp was one of the leading lawyers at the Bar of Texas when he was appointed on the Commission of Appeals and he has demonstrated his superior judicial qualities by his service on the Commission of Appeals and the Supreme Court. His opinions are to be found in 113 volumes of the Southwestern Reporter, beginning with Volume 23, Second Series. His opinions deal with a wide range of subjects, and reflect great industry and learning in the law. To dispense with the services of such a highly qualified, experienced judge, in the prime of life, who is offering to serve his second term on the Supreme Court of Texas, would be wasteful to the State and injurious to the work of the Court. We therefore endorse Judge John F. Sharp, and commend him to the voters, and we cheerfully tender him our support in his race for re-election to his second term as Associate Justice of the Supreme Court of Texas.

WOODVILLE NEWS

Judge and Mrs. J. E. Wheat were Beaumont shoppers Friday. Mrs. Oscar Miller left the last of the week for a visit with relatives in and near San Angelo, and are not prepared to state where they will be located. They have made many friends in Woodville and best wishes go with them where ever they may locate.
 Mrs. Lottie Rainey is enjoying a visit from her niece, Miss Frances Wilson of Sweetwater. Miss Marthell Anglin is visiting relatives in Beaumont.

WOODVILLE NEWS

Mrs. A. J. Reaux and baby daughter of Beaumont are visiting in the J. P. Coffman home.
 Mrs. Bessie Neal and children of Laredo are visiting relatives in Colmesneil.
 Mrs. Ralph Masterson of Voth spent a day last week with Miss Sue Masterson and Mrs. Floyd Bean.
 Mrs. I. F. Matthews and children of Henderson visited the parents in Colmesneil last week end. Mrs. Fred Matthews and Fredna joined them there Sunday.

WOODVILLE NEWS

Judge and Mrs. Lou Cruse were in Houston Monday to attend the funeral of Robert Hardy. Mr. Hardy was seriously ill in February with pneumonia and never recovered. Mrs. Hardy is a sister of Mrs. Cruse, who has the sympathy of all friends.
 Mrs. Decatur O'Brien and baby have joined Mr. O'Brien in Vernon where they will be located for some time. Her mother, Mrs. S. H. Reid made the trip with her and will visit the son S. H. and wife in Lubbock before returning home.

SHOULD WE CHANGE?

Ben Ramsey
 State Senator, 12th District

HE IS ENDORSED BY
 JOE J. FISHER, District Attorney
 E. N. STRIFLING, County Judge
 J. P. OWENS, Pastor First Baptist Church
 R. C. DOWNS, San Augustine, Texas
 A. E. RUSHING, Cotton Buyer
 W. F. WOOD, Mayor
 J. HICKS, Merchant
 F. D. DAWSON, Dentist
 P. ADAMS, District Judge
 MARY LOU VITEROO, County School Superintendent
 JOE T. GACY

Ben Ramsey, by his experience of ten active practice of law and four years as representative in the Legislature, is qualified to capabile and efficient State Senator. He catates sane and sound legislation that is benefit of the people of the district. He demonstrated his ability during the campaign. He is not affiliated with any group of politicians. He has no paid workers, and he is not associated with any Special interests.
 Lufkin has been honored with a State Senator for many years. Senator Redditt is now his eighth year from Lufkin, and as a fairness another part of the district should have a Senator.
