## Bund Leader Scores Draft

New York, Sept. 13.—G. Wilhelm Kunze, national leader of the German-American Bund, today attacked the pending conscription bill as a "damnable, vicious congressional declaration of civil war upon all United States citizens of German origin."

The reason for his denunciation, Kunze explained in a letter he said he had sent to the chairman of the congressional conference committee, was that he had been confidentially informed that the measure would "exclude members of my organization from places of employment and a right to earn a living in the industries of the United States."

The measure also would ban employment of the bund and of communist organizations, in replacing men who have been drafted into military service.

Kunze voiced a "demand to be heard in opposition to the enactment of this bill in the name and on behalf of all decent patriotic, law-abiding citizens in this country."

15,000 GERMAN TOURISTS IN MEXICO

A report recently printed in American newspapers stated there were some 15,000 German tourists in Mexico. The figure is notoriously absurd. Here are the facts. Less than 100 Germans entered Mexico within the last three weeks, less than 400 within the last 12 months. Mexico's entire German colony numbers less than 6,000 souls.—Dr. Ramon Beteta, Mexican Secretary of State for Foreign Affairs, over WMAC.—Reprinted from Scribner's Commentator, September, 1940, number.

U. S. BARS VESSEL AS PROBERS BARE THE MISUSE OF THE FLAG

Washington, Sept. 13.—For the first time since the outbreak of war, a foreign vessel was barred from American waters today for alleged misuse of the American flag.

The treasury forbade the Panamanian motor vessel Norseland to enter any American port, including Canal Zone and Philippine Islands, for a period of three months.

Coast Guard officers, investigating reports from American consular officers in Europe, said they had learned that the Norseland, apparently fearing torpedoing, had the American flag painted on her sides while on a trip from Colombo, Ceylon, to Liverpool, England, during April and June.

The treasury said in a statement that the owners of the Norseland had dismissed the captain of the vessel, but did not give his name. American agents for the owners were identified as the Bulk Carrier Corporation, New York.

KIDS SHOULD'NT BE SOLD LIQUOR UNLESS ACTUALLY SICK. DEALERS WARNED

Lufkin, Sept. 18.—"Dry" Lufkin had another liquor problem on its hands one day last week. Sale of liquor to a minor illegal in a "wet" town but legal in this "dry" town in case the youngster has a doctor's prescription, was brought to the attention of County Attorney Tom Coleman, Jr., by a mother who said her son had been obtaining liquor by the prescription route. Coleman said he would attempt to prosecute both doctors prescribing and druggists making the sale, on charges of "contributing to the delinquency of a juvenile." If another such instance was reported to him.

There is nothing in the state liquor law prohibiting the sale of prescription whiskey to a minor, but violators may be prosecuted for contributing to juvenile delinquency," the county attorney said.

"When a druggist sells whiskey to a juvenile when he is not sick he will be prosecuted."

## There Is No Place In America Except For Pure, Unadulterated Americanism

E. A. Blackburn Speaks Before Rotarians Here

will attend the meeting of the Rotary club of Woodville September 28th in his official capacity of Governor of this Rotary district. He will meet with President E. W. Tubb and other officers of this local to consult and advise.

There will be plenty of fun, music, and dancing by a group of chorus girls in snappy costumes furnished by the director.

The casting committee have selected the best cast in the city. The director, Mrs. Inez Curtis, comes highly recommended, having worked in Little Theatres in Texas and is a graduate of T. S. C. W. at Denton.

Another added feature of the play is a popularity contest "The Beaux and Belles of 1940." Voting boxes have been placed at the stores and business houses

who know not what it means to be an American in America, and we fear, far too many Americans who are taking things for granted and smiling at threats of invasion, of uprisings in localities where foreign elements predominate.

There are far too many people in America who fondly imagine none of the things happening in Europe could be put over in America.

We're thinking these Veterans of Foreign Wars see more plainly than the civilian American, and because they see, because they've tasted war, believe it is time to wake up patriotism, particularly in the youth of today.

That is why these patriotic rallies have been started in Tyler county.

Let's not forget, or give George a chance to do something while we smugly believe it cannot happen in America.

WOODVILLE NEWS

Mrs. A. P. Little and daughter, Gaynell, were Beaumont visitors Monday.

Hardin-Tyler counties Medical Association dined at the Star cafe last week, then went on to the Dr. Watt Barclay home for its session. It is hoped the district association will meet here in October.

Friends are sincerely sorry to learn that Mrs. J. A. Jackson of Sealy, mother of Mrs. Jay Kelley, fell and broke her hip when leaving the supper table Tuesday last week. Mrs. Kelley drove at once to Saratoga and Mrs. Kelley and sister, Mrs. S. H. Buchanan hurried on to Sealy.

Mrs. F. H. Powell were Beaumont visitors Tuesday.

T. J. Stryker leaves today for New York to attend the national convention of druggists.

## 'Oh, Doctor' To Be Presented In Colmesneil Auditorium Friday Eve.

The Colmesneil P. T. A. is sponsoring a benefit play, a three act, musical comedy, "Oh Doctor," to be given Friday evening, September 20, at 8:15 o'clock, in the Colmesneil high school auditorium.

There will be plenty of fun, music, and dancing by a group of chorus girls in snappy costumes furnished by the director.

The casting committee have selected the best cast in the city. The director, Mrs. Inez Curtis, comes highly recommended, having worked in Little Theatres in Texas and is a graduate of T. S. C. W. at Denton.

## New Baptist Organization

Sunday afternoon fifty people organized a church to be known as the "Bible Baptist" church. Plans to build in the near future.

Rev. A. H. Bowler of Beaumont will be his pastor and the one is cordially invited to attend services and get acquainted with him and his wife.

ROAD WORK TO START SOON

The work of paving the highway 45 starting at the Wheat office is due to start soon.

The work consists of work in Woodville in the construction of curbs and gutter, drainage structures and flexible base and asphalt surfacing.

The subject proposal was submitted to San Antonio for examination on September 10.

The project is sponsored by the Tyler County Commissioners Court. The sponsor's representative is Honorable Lou Cruse, County Judge.

The estimated WPA Funds are \$8,460. Sponsor's \$7,418. It is estimated that the project will provide employment for an average of 44 workers over a period of four months.

This information comes from James W. Phillips, Area Social Worker, Jasper, Texas.

**WHEN ORGANIZED** labor  
 attempts by strikes to control all  
 the businesses connected with ag-  
 riculture, and by the time they  
 succeed, they'll be older and wiser  
 than at the present. Can you im-  
 agine a farm laborer upon arriv-  
 ing at the stables at dusk and the  
 cows yet to be milked exclaim-  
 ing: "I've worked a day and earned  
 by pay and won't work a min-  
 ute longer?"

**BOOTH MOONEY**, writing  
 in The Texas Weekly says: "A free  
 press constitutes the first and  
 most potent weapon against the  
 enemies of all freedom. No peo-  
 ple can be held in intellectual or  
 political bondage that possesses a  
 free press. Denied a free press  
 none can be secure against any  
 form of enslavement. Our free  
 press must be maintained so that  
 other phases of our freedom can  
 be maintained. Freedom of the  
 press must not be lost. Once it is  
 gone, the blessings of a free gov-  
 ernment and of a system of free  
 enterprise cannot be long re-  
 tained."

**AND NOW** comes the foot-  
 ball season. Perfectly otherwise  
 peaceful youngsters will be leann-  
 ing the art of looking fierce, ready  
 to main, "kill" if necessary, at  
 least put all opponents out of the  
 game who are in any way at-  
 tempting to race down the field  
 for a touchdown. The "art" of  
 facial terror is good. Ah, how  
 these youngsters will laugh at  
 themselves in future decades, as  
 they view themselves as the can-  
 did cameras make them appear  
 when they were in the game as  
 well as when they were posing for  
 these pictures. Yep, football is  
 great stuff.

**CORRIGAN** is coming to  
 life in a great way. Having suf-  
 fered two serious fires in the past  
 year, the city had an election re-  
 cently to cover, in particular, the  
 cost of installing sewer and water  
 connections. Recently the bonds  
 were sold. There is to be a fire  
 truck also. A 50,000 gallon water  
 tower will be erected and a 50-  
 000 underground cement settling  
 basin will also be constructed.  
 Ten-in water mains and water hy-  
 drants placed. When all this is  
 accomplished the city of Corri-  
 gan will accumulate a key rate  
 that will make possible the carry-  
 ing of adequate fire insurance.

**WE HAVE** stated again and  
 again there is no German AMER-  
 ICAN Bund in America. Ask any  
 veteran of the American Expedi-  
 tionary forces during the last sad  
 and lamented World War. These  
 men who saw service back yonder  
 learned one thing above all others  
 —Either you are an American—or  
 else. And so when we see the  
 statement the "German American  
 Bund," we silently exclaim a good  
 silent and healthy and altogether  
 righteous damn! And that's not

**CAN DRAFTEES VOTE?  
 GOOD LEGAL QUESTION**

What will be the voting status  
 of Texas' national guardsmen and  
 conscripted men when they are  
 called to active training duty?  
 This is a question over which  
 the lawyers likely will have to  
 ponder within the next few  
 months, for the Texas Constitu-  
 tion specifically forbids soldiers,  
 marines and seaman "employed  
 in the service of the army or navy  
 of the United States" from exer-  
 cising the privilege of the ballot.  
 The constitutional provision  
 adopted in 1932 by an amend-  
 ment allows national guardsmen  
 and reserve officers to vote, and  
 from a casual reading it would  
 seem that conscripted men would  
 lose their votes while guards-  
 men would retain the right.  
 But the question is not so read-  
 ily solved as that. There is some  
 confusion over the exact status  
 of the guardsmen when they are  
 called out.  
 Will they, at that time, retain  
 their status as members of the  
 guard? Or will they become  
 members of the United States  
 army?

So far as guardsmen are con-  
 cerned the question is not ex-  
 pected to arise before the No-  
 vember elections, barring war, as  
 Texas Guard's officers do not ex-  
 pect Texas men to be called at  
 any early date. The idea of call-  
 ing out men was to train them as  
 divisions, and the Texas guard  
 has received training as a division.

**WHY WE ARE NOT ARMED**

At Salt Lake Beach, Utah, the  
 WPA has spent \$43,740 just for  
 "fun." Money went for a public  
 boating dock and a recreational  
 pier and a road around the lake.  
 There isn't much "fun" associat-  
 ed with an Army truck, but they  
 are handy trucks to have around  
 in times like these. About 30  
 such trucks could have been pur-  
 chased with that \$43,740.

**MISS ERIC HILL OF LIVINGSTON  
 VISITED WOODVILLE FRIENDS SUNDAY**

Mrs. H. Hargrove and child-  
 ren of Kirbyville spent Sunday  
 with the sister, Mrs. Joe Ram-  
 sey.

It is so much easier this  
 way than in going out in the brush  
 somewhere trying to locate a  
 bootlegger.

**74-POUND CATFISH IS  
 LANDED IN NECHES RIVER**

The Jasper Newsboy says:  
 John R. and Rufus Byerly were  
 displaying pictures yesterday of  
 a 74-lb Opelousas catfish caught  
 Saturday from the Neches river  
 west of Jasper. The fish was the  
 largest reported here for several  
 seasons. It was taken on a trot-  
 line with a 7-0 hook. It was  
 caught in what is known as "Fish-  
 hole bend, about eight miles  
 above the point where the Ango-  
 la flows into the Neches. Accord-  
 ing to its captors, the giant  
 fish was four feet, five inches  
 long, had a head twelve inches  
 long, and 12 inches across and  
 measured eight inches between  
 the eyes.

Despite the appearance of other  
 advertising media, the newspa-  
 per remains the most productive  
 channel whereby industry can  
 reach the buying public and in-  
 dustry is fully aware of this.  
 A recent survey well illustrates  
 the sustained popularity of news-  
 papers among advertisers. The  
 survey was made by four na-  
 tional advertising serving chain  
 stores, and covered 138 repre-  
 sentative systems operating more  
 than 33,000 stores coast to coast,  
 and having annual sales well in  
 excess of \$3,000,000.

During the typical year covered  
 by the survey, these companies  
 spent more than \$55,000,000 for  
 advertising, an average of \$1-  
 754 per store. Almost 58% of the  
 money was spent with newspa-  
 pers. A little less than 10%  
 was spent on handbills and sim-  
 ilar printed matter, much of which  
 was produced in local newspaper  
 plants. Only 4.30% was spent  
 for radio with the balance made  
 up of expenditures or miscellane-  
 ous media. Breaking the figures  
 down it was found that drug  
 chains spent 82.24% of their  
 advertising dollar with newspa-  
 pers, grocery chains spent 58.53%  
 and general merchandise and vari-  
 ety chains spent 51.35%.

**COYOTE LASSOED  
 BY PIPELINE**

The strangest method of trap-  
 ping coyotes ever disclosed has  
 been found in Texas. And there is  
 a picture of the event to prove it.  
 A pipe line recently broke on the  
 San Diego in Duval county. A piece  
 of the explosion caused a force  
 of the pipe to curl in a circle—  
 and in this circle, held so tightly  
 it could not escape, was a coyote.  
 It has not been determined whether  
 the pipe choked the coyote to  
 death or the force of the explo-  
 sion killed it, according to  
 J. L. C. Benman, newspaper own-  
 er in San Diego, who ran a pic-  
 ture of this occurrence. It is  
 said the pipe was twisted so  
 tightly around the coyote's neck,  
 and with no tool marks on it,  
 that it would have been impos-  
 sible for anyone to have played a  
 practical joke.

Paul Powell, Jr., left Saturday  
 to resume his studies at South-  
 western University at Geor-  
 getown.

**THEY'RE STILL LOOKING FOR HIM**  
 College Station, Sept. 18.—If  
 you happen to meet up with any-  
 one who tries to pass himself off  
 as a representative of the Texas  
 Aggies athletic staff be sure to  
 ask to see his credential for he  
 at least carries his season passes  
 or other cards which will identify  
 him as a coach of his college.  
 Recently a man tried to pass him-  
 self off as a field representative  
 of the Aggies and cash a check on  
 the strength of his "line," in  
 Douglas, Ariz., but the local rep-  
 resentative of national newspaper  
 service contacted the college for  
 identification with the result that  
 the gentleman was last heard of  
 as a guest of the sheriff there  
 and will no doubt miss all foot-  
 ball games for the next ten  
 years or so. At last reports  
 warrants were still pouring in  
 from all over the country, thanks  
 to the F. B. I.

**DOWNHEARTED? NOT WHEN  
 A GIRL CAN SING A  
 A BOMB WRECKAGE**

London, Sept. 11.—Rescue work-  
 ers started to dig in the tangled  
 ruins of a four-story building. In a  
 quiet interval between the thud  
 of bombs and the crash of anti-  
 air-craft guns they heard a girl-  
 ish treble. It was coming from  
 the jumbled wreckage and the  
 song the girl was singing was  
 "Pack Up Your Troubles in Your  
 Old Kit Bag."  
 The rescue crew dug frantically  
 by the light of electric torches.  
 Shrapnel and bombs fell all  
 around. Nine hours later the  
 workers pulled 12-year-old Rose  
 Cole from the wreckage. She  
 was still singing.

Physicians administered oxygen  
 to the girl and rushed her to the  
 hospital with her father and mother  
 and two friends who were  
 buried with her. The father died,  
 but Rose is expected to live.

**TALK ABOUT TOUGH FISH**

A catfish so tough that the  
 steaks had to be pounded like  
 they were pieces of a Longhorn  
 steer was caught recently by  
 Timothy Gray of Bandera, Tex.  
 The huge cat weighed 45 1/2 pounds  
 Its first time we have ever  
 heard of a fish so tough steaks  
 had to be pounded before being  
 palatable.

 Because We Treat Constipation at  
 The Onset, While We Neglect  
 Our Kidneys Indefinitely

"No other organ in your body is of  
 more importance than your kidneys. For  
 in your kidneys there are nine million  
 tubes which must work day and night to  
 filter the fluids and keep the system free  
 from wastes, acids, poisons which, if per-  
 mitted to remain, may cause serious kidney  
 and bladder troubles.  
 It is no wonder then that Nature  
 often calls for help to clean out the  
 kidneys. So if you are troubled with  
 Catarrh, Headache, Backache,  
 Nervous Headache, Dizziness or Loss of  
 Energy, due to functional kidney disorder,  
 try KIDANS, the famous kidney remedy,  
 which aids Nature to flush out the kid-

**ANYBODY KNOW THE ANSWER TO THIS?**

Who knows, where is the Woodville chemical push truck? Where is it? Who knows all there is to know about charging the tank? Anybody knows where are stored the chemicals for this tank, that is to be sure, if there are any owned by the city government. And, too, just how many feet of 1-inch hose are there to go with the chemical? If there is any hose what is its condition. What do we know about such things? Ans. Not much. But in Keytesville, Mo., the Willards were in church one morning when the push chemical rolled past the church and the minister immediately dismissed the services. We all went to the fire and it was a three story home. One of the old kind. The fire was located on the second floor, had a good start, the flames shooting out an open door to the porch. Well that little chemical had the fire out in less than 16 minutes. The push affair had two tanks and when one was exhausted the hose was attached to the full tank and the work continued, and would have been able to put out a greater fire than this was when discovered. The pressure of the chemical actually forced the preparation on the hose and wherever directed the hose was out immediately. We quite interested in Woodville's push chemical two-wheel truck. It reports made to the club last Thursday the chemical might be worth a lot of these days, if/and when brought up to standard condition.

### PIPELINE

Those spending the week end at the lovely country home of Mrs. J. Marvin Pugh last week end included Mrs. J. Marvin Pugh and son Hal, Mrs. Morris Pugh and son Billy and Miss Maud Lundy of Beaumont.

Visitors in the home of Mrs. J. W. Irby Sr., last week were Mrs. M. M. Royer, Mrs. E. L. Irby, and Ford Irby of Port Neches and Mrs. D. O. Bledsoe and son of Port Arthur.

Mrs. W. T. Gardner of Colmesneil were calling on relatives in this part of the country Sunday.

Mrs. J. L. Gardner, Mrs. J. W. Irby, D. O. Bledsoe and D. B. Bledsoe were business visitors in Woodville Saturday.

Mrs. D. W. Marsh of Tallahassee, Florida, Mrs. H. E. Reed, and children of Rome, Georgia, visited relatives in this community recently.

Mrs. J. W. Irby Jr., and children of Charleston, S. C., visited the parents recently. Mr. Irby has just been transferred from the Panama Canal zone where he has spent two years as an aviator in the U. S. Navy. J. W. has 13,000 hours in the air. He and family were delighted to get back to the states and say there is no place like the good old U. S. A.

Mrs. J. L. Gardner, son and daughter, C. B. and Miss Hazel, attended the old harp singing at Hebron last Sunday.

Mrs. Carl Durham attended the Primitive Baptist meeting at the Fellowship church Sunday.

Jack Mullins of Port Neches, and Bryant-Mullins of the C. C. C. of Woodville spent the week end in the home of their father W. E. Mullins.

### MAY HAVE SET FISH RECORD

A saw fish measuring 14 feet, 9 inches, was caught recently in Texas gulf waters by E. F. Reid, Houston automobile dealer, and it is believed his haul is a new world's record for sawfish landed on rod and reel. Reid battled the huge denizen of the deep three hours and ten minutes before bringing it to gaff. Reid also landed a sea bream which measured 14 feet. He brought the sawfish one to the dock and the sea bream one to the dock.

### STATE SENATOR RESIGNS

Dallas, Sept. 11.—State Sen. Bob Hays, of Woodville, has resigned his seat.

The American Boy seems to understand the boy's problems and concerns in such a sympathetic and helpful way. It gives the boy an entertaining reading subject in which a young boy is interested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in the American Boy.

Many famous athletes in all sports credit much of their success to helpful suggestions received from sports articles carried in the American Boy Magazine. Virtually every issue offers advice from a famous coach or player. Football, basketball, track, tennis, in fact every major sport is covered in fiction and fact articles.

Teachers, librarians, parents and leaders of boys' clubs also recommend the American Boy enthusiastically. They have found that as a general rule regular readers of the American Boy advance more rapidly and develop more worthwhile characteristics than do boys who do not read it.

Trained writers and artists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced staff to produce in the American Boy the sort of reading matter boys like best.

The American Boy sells on most newsstands at 25c a copy. Subscription prices are \$2.00 for one year or \$3.50 for three years. Foreign and Canadian rates 50c a year extra. To subscribe simply send your name, address and remittance direct to the American Boy, 7430 Second Blvd., Detroit, Michigan.

**MRS. IDA READ HARE**

Funeral services for Mrs. Ida Hare, 68, will be held at 3 o'clock this afternoon at the Swearingen cemetery, eight miles east of Warren, under the direction of the Pace funeral home of Livingston, with the Rev. D. D. Swearingen officiating.

Mrs. Hare died at 7:05 last night at her home near Spurger. She is survived by her husband, E. B. Hare; two daughters, Mrs. Beulah Levins, Spurger, and Mrs. W. E. Richardson of Warren; two sons, Haskell Hare of Spurger and Emory Hare of Silsbee; five sisters, Mrs. C. C. Swearingen and Mrs. J. S. Moore of Warren, Mrs. L. Daffern of Liberty, Mrs. W. B. Tatum of Beaumont, Mrs. W. L. Gober of Rosedale; two brothers, John and Claude Read of Warren; 21 grandchildren; and three great grandchildren.

Deep sympathy is felt for the sorrowing family. This is the third death in this family in the past year and friends and neighbors sorrow with the family.

**THE MOTORIST'S PRAYER**

Grant me a steady hand and a watchful eye.  
That no man will be hurt when I pass by.  
Thou gavest life, and I pray no act of mine  
May take away or mar that gift of Thine.  
Shelter those, dear Lord, who bear me company  
From the evils of the fire and all calamity.  
Teach me to use my car for other's need,  
Nor miss through love of speed  
The beauties of Thy world; that thus I may  
With joy and courtesy go on my way.—THE TORONTO STAR

**STUDY CLUB**

An interesting Study Club meeting was held Tuesday afternoon in the grade school library, with Mesdames John Reid and Lee Hensley presenting the New England States.

Mrs. Reid gave the historical lore of that section which is rich and colorful, in the early lives of the settlers of the United States.

Mrs. Hensley presented the people and places which hold a large place in our American literature.

The talks were made even more interesting and instructive by the use of colored slides.

**EASTERN STAR MEETING**

The local Eastern Star chapter will meet tomorrow night in regular session.

Mrs. Helen Lawson has been elected to receive the degrees and initiated at that time.

A social hour is planned for the meeting with Mrs. A. W. Lawson, chairman of the refreshment committee. All members are invited to be present.

The annual W. M. U. associational meeting was held here Tuesday. A large crowd was in attendance and a very interesting and instructive program was rendered.

James Grubbs is confined to his home with an injured knee he received in football practice last Thursday. James has suffered much pain with his knee but we sincerely hope he will soon be able to return to school.

**W. M. U. AT HILLISTER**

Approximately 100 persons attended the annual New Bethel associational meeting of the Baptist Women's Missionary union at Hillister Tuesday, according to Mrs. Fred W. Wilcox of Beaumont, president of the Southeast Texas association.

Mrs. E. F. Lyon of Dallas, state executive secretary of W. M. U., was principal speaker.

Mrs. Lyon, who is making an official tour of this territory made the first of three appearances in Beaumont at noon yesterday when she met with officials of the Southeast Texas association at a luncheon in the home of Mrs. Wilcox, 1507 Avenue C.

Mrs. Lyon spoke at Magnolia Avenue Baptist church at night and this morning at North End Baptist church, the latter engagement scheduled for 9:30 o'clock.

On the Hillister program Tuesday were Mrs. Wilcox, who gave the devotional, and Mrs. W. M. Hale, also of Beaumont, who made a speech on "Benevolence." The two Beaumont women also participated in the round table discussion on "Stewardship."

Miss Marie Smith and John Gilechrist of Colmesneil left Sunday to enter S. H. S. T. C. in Huntsville.

**ONLY 175 TEXAS BIGHORN SHEEP REMAIN**

The Texas Bighorn sheep is doomed to extinction within the next decade or so unless the people of Texas take immediate steps to set aside a sanctuary for the pitiful remnant that now survives. Apparently never very abundant in its native home in the mountains of Trans-Pecos Texas, the herd has dwindled until probably not more than 150 to 175 are now left, and these are concentrated in the Beach and Diablo mountains in Culberson and Hudspeth counties. Formerly they occurred in most of the mountains in western Texas. A closed season was placed on them in 1903, yet in the last 37 years the population has steadily declined. Why?

A study of this problem by the Texas Game, Fish and Oyster Commission, the U. S. Bureau of Biological Survey, the U. S. Forest Service, the Texas Co-operative Wildlife Research Unit, and the Department of Fish and Game and the Agricultural and Mechanical College of Texas brings clearly to light one important reason. Bighorns cannot do well in a range stocked with domestic sheep. The competition between Texas bighorns and domestic sheep and goats may extend be-
