**Methodist Ladies.**  
 The Women's society of Christian service held a delightful Christmas party Monday, Dec. 16th, with Mrs. Alvin Waller as hostess.  
 There will be no meeting of the W. S. C. S. Monday, Dec. 23, due to the Christmas rush.  
 On Jan. 6, the W.S.C.S. will hold a pledge service for the new year. Members are urged to attend.  
 The Sunnyside class had a covered dish luncheon in the home of Mrs. Jim Harrison, Wednesday, for the purpose of raising money for Virginia Holt. Sponsors of that class is the Methodist home at Ware. It proved a very successful luncheon. Mrs. Ertle Rainey, Mrs. Benny Jones, and Mrs. Virginia Baker were appointed to select Virginia's Christmas gifts from the money raised.

**TAKIN' THE JOY OUT OF CHRISTMAS SHOPPING**  
 Mrs. W. E. Suter lost the Christmas spirit when car prowlers entered their car while it was parked in the 400 block on Fannin street, Beaumont, Wednesday night and stole two pairs of shoes, several yards of dress material, some buttons, candy, pajamas and a man's shirt.

**Two Car Accidents Near Chester**  
 Vestal Pool was entering highway from Gulf Pump Station Saturday when a car rapidly coming from the south crashed into him when the brakes were applied and the wet pavement caused the car to skid. The other car, a new one, was badly wrecked as was the Pool car.  
 It was not learned who the driver was, but he was on his way to Palestine to be married. Mr. Pool got another car and took him on to Palestine.  
 The same day Joe Peters in his truck was in a crash with another car, but neither cars or drivers were seriously injured. Wet pavements, hills and fast driving sure are real mixtures for accidents.

**More Texas War Contracts Awarded**  
 Austin, Dec. 18.—With defense contracts awarded for work in Texas totaling \$14,819,219 for the last two weeks of November, Texas' share in national defense expenditures jumped to \$189,297,590 for the five-month period, July 1, November 30. These figures were shown in a tabulation released Thursday by B. Frank White, acting state director for the office of government reports.

 BUT IT'S SOMEONE ELSE  
 St. Paul, Minn., Dec. 11.—Two men met Wednesday in a grocery store where one of them worked. The grocery man grinned and said:  
 "Howdy, I'm Claus."  
 Smiled the other:  
 "Howdy, I'm Santa."  
 They are Eugene L. Santa and William E. Claus.

**House Bitter Milk - Painted**  
 Manchester, Conn.—Buttermilk besides being a refreshing drink, isn't so bad as a house paint. A home owner daubed it on his dwelling believes it will outlast any ordinary paint. He mixes it with ochre pigment and says a job he did 12 years ago is still as good as new.

 London, Dec. 11.—The 1941 British Who's Who, out Thursday, will still list Adolf Hitler among its 40,000 "men and women most in the public eye today."  
 Although no one here can telephone him because of the censorship, the book reveals Hitler's telephone number is 11 6191. His addresses are listed as Wilhelmstrasse, Berlin, Germany.

**SEVENTY-FIVE ATTENDED BANQUET OF ROTARY AND SONS**  
 Acting in the capacity of guest speaker for the Rotary club and as representative of the Houston Fat Stock Show and also speaking for the benefit of the F. F. A. boys of the Woodville schools, W. O. Cox of Houston put over a splendid talk featuring the future of the F. F. A. boys and backing what he thought and proved to his auditors the correct way in which to make real successful men of these boys who are showing great progress in their work of vocational agriculture under their advisor, Sam Sullivan.  
 Cox urged that one of the best ways for the Rotary club to be of real service to the FFA boys was to aid them in procuring purebred stock as a nucleus for the benefit of their own development.
