**GIRL SCOUT TROOP ORGANIZED HERE**

During the past week some 25 or 30 members of each between the ages of nine and thirteen have been interviewed and the committee was aided with such wholehearted support that a troop is being organized.

However, the committee feels that there are other girls in this age range here in Woodville who will want to join and who have not been approached to join. In this case please get in touch with Miss Jim Hamilton, Jr., or Mrs. Carlotta Young, who are to be the leader and assistant leader respectively.

Girl Scout Troop follows very closely the plan of the Boy Scouts and will give girls in this range many opportunities for growth and development in all lines.

A definite intention is extended to all girls interested to get in touch with the ladies mentioned above. The only fee for girls to join is a membership fee of 50¢ which pays their membership for a full year.
