Number 21

THINK'MBOBBIES

The country press of America is the most American thing in America.

If all reports are true, those who like changes are about to get plenty of them, and the end is in sight.

You know, there are people like this. They never enjoyed anything in the past. Moment now I've got more than a million to burn.

By the way, the anybody heard anything about the "milk" situation? Has anything been mentioned by the postal authorities, and in any way made public?

Just like Hitler, they are headed for Texas. They are headed for Dorothy Thompson. A you may observe, we do not like or believe in either of these characters.

A "Milk" man was found to brew a special tea that would relieve drowsy. Several noted improvement in the heart condition of patients in taking the tea. He broke it down, discovered the milk.

The producer of "The Girl Scout" in Germany has been making money for women under 25 in restaurants, cafes, and beer halls. He is the female youth of Germany. From the unhealthy indulgence of the pleasures of food.

Col. Lindbergh will be the present of his month, attempting to tell what this government should do. "German" newspaper, of this week United States, "The Girl Scout" We say he ought to be a zled and placed in a distant camp.

Has it occurred to you, Mr. you've only one year and four months until the first general election? It is about time to be would-be-men to keep their cythes and get used to working. The first primary is in sight.

If new paper men in the future would print one-half as much as they do now, they would be fact, what an interesting paper they would have. It is about time to work and also what a paper it would be. The paper men were deluded by the politicians.

Laying in cold states, a Minnesota, Montana, Wyoming in the great lakes region of the northern central portion of the United States, have certain advantages for the common people. folks are kept busy and healthy, warm and not such time to hold up devilry.

What a blessing it is that state, county, city and school boards do not happen every year or even three months. If they did happen that often, they would be a lot of folks, too busy attending to business, instead of working overtime, holding up plans to keep in power.

WOODVILLE NEWS

Mrs. Joe Ramsey, Miss Vernon Ramsey and baby and Hazel Ramsey visited relatives in Buna Sunday. Tuesday, Mrs. Vernon Ramsey was in Beaumont.

Atty. Mary Frances Hickman of Orange spent the week end with her mother, Mrs. John C. Davis.

Notice to Defense Guard

To all Company Commanders and Battalion Staff officers of the 4th Battalion, Texas Defense Guard, the staff officers are:

Battalion Commander, Major W. H. Gilchrist, Columbus; Battalion Adjutant, Capt. Howard Walker, Lufkin; Intelligence Officer, First Lt. Henry C. Billingsley, Lufkin; Plans and Training, First Lt. Clair J. Stone, Lufkin; Supply Officer, First Lt. J. C. Hagan, Woodville; Medical Officer, Capt. Lawwood H. Dossan, Lufkin; Dental Officer, First Lt. David L. Munn, Hempstead; Chaplain, First Lt. J. C. Olin, Daingerfield; Navigations.

The company designation, location and captain in command of the 4th Battalion, Texas Defense Guard, are:

Company, Naacogoches, Capt. Walter C. Dorman; Company, Woodville, Capt. James L. Wright; Company, Livingston, Capt. E. A. Riley; Company, Hempstead, Capt. J. P. Tate.

All the above companies will be held in the organization of the 4th Battalion, Texas Defense Guard, and you are to be held in the organization of the 4th Battalion, Texas Defense Guard.

It is a small patcher blows up the fire, the fans decrease that is sent to the show-cases. Another patcher is assigned to the job of welding. The game is not called until it is over.

The organization of the Texas Defense Guard is a "Most Excellent Order" of the United States. It is a national organization with a goal line at the end of the line in 1941. It is a national organization with a goal line at the end of the line in 1941. It is a national organization with a goal line at the end of the line in 1941.

We of the 4th Battalion are very fortunate in not having any of our men in the front lines. We are very fortunate in not having any of our men in the front lines. We are very fortunate in not having any of our men in the front lines.

We need all the "Fair Weather" that we can get. We need all the "Fair Weather" that we can get. We need all the "Fair Weather" that we can get. We need all the "Fair Weather" that we can get. We need all the "Fair Weather" that we can get.

Mass. J. H. Gilchrist, Commander, 4th Battalion, Texas Defense Guard.

PICNIC FOR FIREMEN

In appreciation for the fine work of the Woodville Volunteer Fire Department has been done, the Chamber of Commerce is presenting them a picnic at the Red Lake, Friday evening, May 2.

All the firemen are invited to go out to the lake in the afternoon and fish. Then they will be served a fish fry about 7:30 that evening.

All members of the chamber of commerce are urged to be out there to help entertain the firemen.

The chamber of commerce committee making arrangements for this affair are John Reed, Dr. Watt Barclay and C. E. Smith.

Selman Haywood of Nome has purchased the C. L. Dismukes farm southeast of Hillister. Miss Preston Foxworth are working welcome a baby daughter at their home.

Local Girl Scout Benefit

The Girl Scouts will give a benefit and forty-two party at the school gym next Monday night, May 5, at eight o'clock. They are planning their future work and summer activities, which cost money and the proceeds will go toward their equipment and material to further their program. They hope, with the help of the Boy Scouts to have a recreation room where meetings can be held for both.

You will enjoy the evenings association and at the same time be helping a most worthy cause. Outside of church activities no other organization means to our young people what scout work does to both girls and boys.

Summer is almost here and it is far better that organized work and play be enjoyed than much of the thoughtless scurrying about for pleasure that is so often found among the young people.

Your presence at this benefit will be greatly appreciated and you will surely feel that you are helping to keep alive a most worthy enterprise for that is just what your attendance will mean.

SOMETHING ABOUT RECORD ATTENDANCE

A record attendance for the 1939 Rotary District in which the Woodville Rotary belongs is expected at the district conference which will be held at Galveston May 4, 5, and 6, according to word received here from George K. Marshall, conference chairman.

Mr. Marshall and Governor Ed Blackburn of Houston have been organizing "On to Galveston" committees in the 49 clubs of the district and it is thought that 600 of the 2200 Rotarians will be on hand for the sessions.

A number of outstanding speakers have been booked including Karl Miller, judge of the 31st judicial district, Dodge City, Kan., who has served in various public capacities, is a recognized leader in Boy Scout work and has been active in Rotary International as district governor, committee chairman and director.

J. Carlthill Robbins, Stuttgart, Ark., who will deliver the principal address at the annual banquet is a humorist and philosopher and it well known in national humor and financial circles. He has served Rotary International as a district governor and as committee chairman.

Dorrell H. Brady, a young man who has spent three years in Europe for the scout movement, has attended several European universities, has had unusual experiences on ship and shore, including revolts in Palestine and civil war in Spain.

Monday night's banquet will be held at the famed Hollywood Dinner Club, Galveston, where a top-flight band and high-class professional entertainment will be provided. A special boat ride will be given for the ladies and Fort Crockett, where Uncle Sam is training his coast artillerymen will stage a review expressly for Rotary visitors Monday afternoon.

Convention headquarters will be maintained at Hotel Galvez which recently has been recon-ditioned throughout.

GAME AT CORRIGAN

The famous Balchaw Girl Softball team from Houston will meet the Baytown Boosters at Corrigan Sunday afternoon at 2:30 p. m. in a doubleheader, May 4.

These girls were scheduled to play at Corrigan two weeks ago and the game was called off on account of rain. The Balchaw girls won the Federal Championship, while the Baytown Boosters won the district A. S. A. and have improved their team this year and hope to defeat the Balchaw Girls for the Federal Championship.

The admission will be fifty cents and no reserved seats. The game will be played at Cobbs field in Corrigan where there will be plenty of comfortable seats for everyone.

WOODVILLE NEWS

Atty. C. E. Smith attended the Boy Scout banquet in Beaumont Monday. Tuesday he and J. Robert McCombs made a business trip to Austin.

We were very sorry to learn that Mrs. Virginia Sturrock, sister of Rev. Tom Campbell is seriously ill in St. Therese hospital in Beaumont. She is suffering from a painful heart ailment.

The School Going Places

Thursday night the Christian church auditorium was filled with parents, teachers and friends who were interested in the band and choral club. It is to be lamented that everyone did not get to enjoy this splendid program. N. Paul Arline is a splendid leader and what looked like a long program, not once did the crowd get restless or bored. Houston could not have presented a more interesting or better arranged entertainment among its schools. While the church was decorated in greenery and baskets of flowers the smiling faces of the young people, the girls dressed in evening gowns and the boys in their best, out rivaled the flowers in beauty. We were amused at the co-ordination and splendid harmony shown by the band and Woodville can well be proud of our future citizens and we will again express the hope that Prof. Arline stays in Woodville. Sunday he and a number of his boys furnished the music at the First Christian church in Beaumont.

It is with regret that we read of Attorney General Gerald C. Mann's announcement of candidacy to succeed the late Senator Morris Sheppard. There is no question but that Mann is the best qualified of any yet mentioned for the position. There is equally no doubt but that he will make an efficient United States Senator and that he will render conscientious service to both his nation and to the state. We do not doubt for a minute but that in a few years he will adequately fill the place left vacant by Senator Sheppard's death.

Our regret for his action is based upon our state affairs. Gerald Mann has been the most efficient state official Texas has had in many a year. He is a throw-back to the statesmen of former years who placed honor and integrity above personal gain. Gerald Mann and this can be said without apology to anyone, is the only man in Austin who has not played politics in performing the duties of his office. He has never hesitated to render a clear-cut, unbiased opinion on matters of state law. He has given more than one decision that was anything but in line with popular opinion and desire. He has forcibly handled dynamite and without injury. He ran for office on the slogan, "I would rather be a one-tower than a two-tower" and he has kept that slogan ever before him since election. Gerald Mann has played a larger part in preventing perversion of Texas law during the past two years than any other one man.

The United States needs the services of Gerald Mann; the greater Texas needs them, and the greater need is in his home state. There is no doubt where the next two years will find him, however, if he persists in his senatorial ambitions. He will be in Washington, serving to the best of his ability, for the people of Texas are not going to vote against Gerald C. Mann. From the Howe (Texas) Messenger.

CALL MEETING

T. J. Stryker, president of the Young Democrats club has asked that a call goes out to all young democrats over Tyler county to meet at the court house tomorrow, Friday night.

Jaycees Favoring National Defense

The 13th Annual State Convention of the Texas Junior Chamber of Commerce, in session at El Paso, April 17 the 19, passed the following resolution:

"BE IT RESOLVED, that we, the Texas Junior Chamber of Commerce, now assembled in our 13th Annual Convention, go on record as wholeheartedly approving and supporting the National Defense Bond, recently issued by the Federal Government, and that we offer to the Texas State Bond Administrator in Austin, our sincere co-operation.

During this period of national emergency when the co-operation of every man, woman, and child is so badly needed, it is very encouraging when those who are willing to devote time and energy to putting this drive over in Texas signify their willingness to help.

"The addition of the Jaycees to our ranks, is certainly appreciated," said Frank Seofield on being notified of the contents of the resolution. "The sale of National Defense Bonds is a big thing, and the results of the sale will be far-reaching. Too, all of us have felt the effect of the draft in some way—our sons, our brothers, our friends, and many of us cannot give a year of our lives to the army, but we can do other things. We can give a part of ourselves on the home front by helping finance this mammoth undertaking on the part of the United States Government, and there is always before us the knowledge that we will reap benefits ten-fold."

HUDSON'S DAIRY HOLDING OPEN HOUSE

These young married people have worked hard since they married and started a home here. They are ambitious and have two splendid little children who are being well brought up, and who, no doubt, will within a few years be among the substantial younger people of this community. Friends are congratulating Lee and Mary and extend best wishes for the future.

Today the Hudsons are holding open house to friends, neighbors and customers to show the so lately finished sanitary building, where the contented, well fed cows will be milked; milk strained and bottled in bottles which have been thoroughly steamed, and if milk is separated, the new electric separator will do a good job, then both cream and milk kept on ice.

THE NEW HOME OF GRADE A MILK

These young married people have worked hard since they married and started a home here. They are ambitious and have two splendid little children who are being well brought up, and who, no doubt, will within a few years be among the substantial younger people of this community. Friends are congratulating Lee and Mary and extend best wishes for the future.

WOODVILLE NEWS

Mrs. Edward Martin and baby spent the San Jacinto vacation with the parents, Mrs. S. L. Phillips at Puro Pump station. Mrs. J. E. Doss spent part of last week in Houston with Mr. Doss.

Mrs. Charley Young who has been visiting in El Paso and San Antonio has returned home. Mrs. Thomas Young and Mr. Burlock of San Antonio drove home with her.

Mrs. T. J. Risinger spent the week end in Wells and her mother returned home with her.

WOODVILLE NEWS

Mrs. Herman Risinger and baby are spending a week with her mother, Mrs. Baker in Crockett. Mrs. Y. L. Hinson or Lufkin were here Sunday and Mrs. J. B. Cruse, daughter, Miss Julia Belle, and little Bettie Mae Haynes went on to Jasper with them to spend the day with the latter's father and the J. Webb Pedigo family.

The Woodville band presented a concert in Chester on Tuesday night. Mrs. Allen Bowie drove to Baton Rouge Tuesday to visit her husband's parents.

Cleanup Campaign Tuesday, May 6

Plans are being worked out whereby the city of Woodville will be kept much cleaner this coming year than it has been in the past. Cooperating in the movement are the chamber of commerce and other civic organizations assisted by the state highway department, the county and the city government.

Beginning Tuesday, May 6, the cans and other unburnable rubbish will be hauled each first Tuesday in the month thereafter. In order for an individual to get his cans hauled, he must have them out in front of his house in sacks or other easily handled containers by 8 o'clock on the mornings the cans are to be hauled.

The dumping grounds, bought by the chamber of commerce and donated to the city some years ago, will be made more accessible and an effort will be made to keep them that way. These grounds are out on highway 287 about three miles north west of town. They are about a half mile off the road but evidently most people thought they came up to the highway because both sides of the road leading up to the grounds have been lined with rubbish.

Signs will be placed directing people to the grounds. After all it is a violation of the law to dump on private or public property other than the designated dumping grounds.

Dr. Watt Barclay, Paul Powell, R. E. Wingate, Lou Cruse and Sam Sullivan are the chamber of commerce's committee working on this project.

ADDITION TO BE BUILT ON LOCAL CHURCH

Rev. A. K. Scott, a member of the State Board of Christian churches has been in Woodville the past ten days and with the pastor, Rev. Tom Mynard and the church trustees has put on a money raising campaign for the planned Bible school rooms, pastor's study, kitchen, dining room, Christian Endeavor auditorium and baptistry, which is so badly needed. Work will begin at once as the church extension board will make a loan to finish out the building expense.

E. H. Davis of Beaumont was in Woodville Monday. Mrs. Pearl Webb and son, Mrs. Johnnie Lee Hammonds and son of Colorado City have been visiting the parents and sister, Mrs. W. W. Weeks, and Mrs. John Ratan.

WOODVILLE NEWS

Mrs. J. Scott Sturrock of Colmesneil was pleasantly surprised Sunday by a visit from her son, J. B., and wife of Yorktown in the afternoon they drove to Beaumont where the daughter, Miss sister, Miss Eloise Goodrum, along with a group of friends, greeted them with a welcome party and all the trimmings, and Mrs. Goodrum returned Monday to Yorktown where she is manager of the Yorktown Jucer's creamery.

WOODVILLE NEWS

All are sincerely sorry that Mrs. Ezra Sawyer of Beaumont Monday and Mrs. Sawyer is again in the hospital.

To Put Bottlers Out Of Business

SENATE TAX ON 'SOFT DRINKS' IS EXAMPLE OF DESTRUCTIVE LEVIES PLACED ON OR AGAINST MANY TEXAS INDUSTRIES.

The greatest obstacle in the way of industrial development in any community is punitive taxes, taxes which penalize industry rather than raise revenue. That is one of the things which is wrong in Texas.

And the Senate State Affairs committee lived up to our well-to-do reputation in reporting out its version of an "omnibus" tax-bill, in another article. I have gone more into detail of this bill, but here I desire to note what that committee has done to certain Texas industries. In great triumph certain Austin politicians announced the amount of new taxes proposed in this bill, and their joy is echoed by the subsidized, Wall Street controlled press.

Instead of taxing natural resources, the Senate proposes to tax industry and the consumer. Here is a noteworthy example. In the gleeful announcements appearing in the newspapers, it is proclaimed that an entirely new tax of 20 per cent has been assessed against the carbonated and soft drink industry.

According to authorities on that subject, speaking for the bottling industry this new tax amounts to 4 per cent of bottled and carbonated drinks.

According to the 1940 United States census, giving statistics on 1939, the total number of cases of such drinks manufactured in Texas was 30,918,044 cases. At 4 per cent that would make the share of the bottling industry \$1,240,906.

According to the same source, the United States census for 1940, the total value of this bottled product was \$24,004,364. In other words, this ambitious Senate Committee proposes a new tax of more than five (5%) of the total, gross value of the product.

Still quoted from the United States census for 1940, giving 1939 as an example, the total payroll, salaries and wages of this Texas industry was \$2,265,931. Therefore, the new tax proposed on this one industry by the Senate is NEARLY SIXTY PER CENT of the total amount paid to the people who man the industry.

Do you know of any other industry in Texas paying that amount of taxes?

Written and prepared for the bottling industry of Texas by A. H. Wheeler, Austin.

BI-COUNTY COUNCIL ORGANIZED WEDNESDAY AT LAKE TEJAS COLMESNEIL

An all day gathering was scheduled for last Wednesday at Lake Tejas near Colmesneil and even though it rained hard most of the day the meeting was held at the lodge and those who attended had a most pleasant association. The Hardin-Tyler P. T. A. Council was presided over by Supt. Lee Taylor and Mrs. Ralph Hanks, president of the Colmesneil P. T. A. extended hearty greetings to the guests and Mrs. Joseph Lockety of Fred R. presided.

Mrs. Lee Hensley, district vice president was in the chair during the election of officers and the adaptation of the constitution. The school of instruction was held at the meeting with the following speakers: Mrs. W. F. Martin of Humble, state V. P., whose subject was "Bi-County Councils and Local Associations"; Mrs. C. C. Moore, Beaumont, president of the Jefferson county council, "Effective Program Planning"; Mrs. Earl Harrison, Beaumont city council president, "Parliamentary Procedure"; and Mrs. V. A. Collins, Livingston, "Duties of Council Chairmen."

Officers of the newly formed council are Mrs. C. A. Welborn, Pres.; Mrs. Michael Sidoric, Colmesneil, 1st V. P.; Mrs. W. W. Casey, Silsbee, 2nd V. P.; Mrs. Jos. Lockety, Fred, 3rd V. P.; Mrs. A. L. Mason Loebe, 4th V. P.; Mrs. G. B. Carmosney, Sauer, 5th V. P.; Mrs. C. O. Chandler, Chester, 6th V. P.; Mrs. F. C. Pata, Woodville, 7th V. P.

Mrs. B. V. Ferguson, corresponding secretary and treasurer; Mrs. Bluit Miller, Silsbee, recording secretary; Mrs. Joe Turner, Fred, historian; Mrs. C. E. Smith, parliamentarian. The officers were installed by Mrs. Tom Riggsby, Beaumont district president.

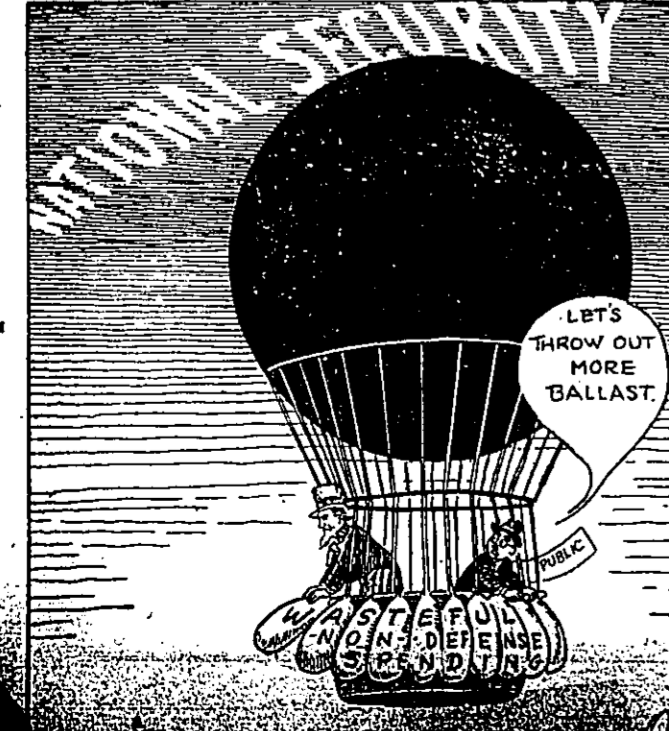

FORMER COLMESNEIL SON MARRIES

Mrs. J. Scott Sturrock of Colmesneil was pleasantly surprised Sunday by a visit from her son, J. B., and wife of Yorktown in the afternoon they drove to Beaumont where the daughter, Miss sister, Miss Eloise Goodrum, along with a group of friends, greeted them with a welcome party and all the trimmings, and Mrs. Goodrum returned Monday to Yorktown where she is manager of the Yorktown Jucer's creamery.

WOODVILLE NEWS

All are sincerely sorry that Mrs. Ezra Sawyer of Beaumont Monday and Mrs. Sawyer is again in the hospital.

THE MAN who discovered
blotting paper was not experi-
menting. Indeed, quite the con-
trary. One day he forgot to
put sizing in his vat. The soft
paper was considered a total loss.
One day the boss tried to write on
it. The staff soaked up the ink,
and he had discovered blotting
paper. Sounds strange, but it is
true.

IF YOU think hubby is un-
derstandable and shops all kinds
of food on the table cloth, why
not purchase stoutproof table-
cloths that resemble linen and
are said to be made by coating
with a transparent synthetic sub-
stance. The cloths are said to
be impervious to ink and food
stains, and can be wiped clean
with a damp cloth.

THE GREATEST newspaper
published in the interest of rural
American newspapers is the *Daily
Farmers Auxiliary*. Last week the
announcement was made: "Too
many graduates, not enough jobs
in journalism." We have said the
same thing for the past ten years,
and more and more graduates
from the schools of journalism are
finding it is true each year.

DIRECTLY AS we all begin
to pay the extra taxes we can
charge it all up to adolph Hitler.
It will be about then we wonder
how we can afford to hire a
bookkeeper to make all the vari-
ous and several reports to Uncle
Sam about our take-out. And, too,
if we do not hire an expert ac-
countant, it is a fact we'll never
find time to make these reports
out right, even though we all
do our darndest.

IT SEEMS as though every-
body is working for the United
States government these days.
One sights a family who appear
to be very busy. Inquiry an-
swers, "oh, he's working for your
Uncle Sam." In your own heart
you know Jack never did work
for as long as three weeks in a
stretch, and now he is well dress-
ed and drives a late model speed
automobile. It must be great to
be a government expert, even
though we hear year by year and
month by month experts become
less helpful.

MANY OLDESTERS have re-
membered the advent to America
of Jenny Lind, one of the great-
est singers of the world. Circus
man P. T. Barnum is accredited
with bringing this wonderful
voice to America. Recently we
found a historical write up pub-
lished in the *Christian Science*
Monitor. We wrote for and re-
ceived permission to reprint these
biographical lines, as they were
copyrighted by the author. We
were informed the paper could
not give permission, but a letter
to the writer, who owned the
copyright would further our re-
quest. Last week we received
permission and elsewhere will be
found the Biographical Lines.

STRANGE THING that an
out of Texas C. of C. should go
of the state to find a city, suitable
in every way, in which to hold
the 1942 convention. At the last
convention held in Corsicana the
members voted to go to Shreve-
port, Louisiana, in 1942. We can
not expect to go to any little fleck
on the map, including either
Rockland, Tyler County, or Seven
Cocks, Polk County in 1943-4, but
the State C. of C. is a Texas in-
stitution and belongs in Texas.
The members are Texans and
only in Shreveport will in no way
help Texans. Better their
convention be held in Louisiana
than in any other place.

Warren Chief

News of Warren School activi-
ties, community happenings and
other incidents of interest and
importance.

"Over the Garden Wall", an op-
eretta in two acts will be present-
ed in the Warren high school
auditorium Friday night, May 2,
by the first, second, and third
grades under the direction of Miss
Virginia Boyd, Mrs. Belle Wig-
gins and Mrs. Eathel Hatton.

The cast: Mistress Mary, Ruby
Ray Hux; Boy Elton, Bobby Gene
Martin; Mr. Sun, C. W. Swearing-
ton; The Sunbeams, Margaret Jo
Maye, Mary Ethel Abbot, Delores
Peck, Mary Dan Jones, Vera Mae
Holmes, and Martha Nell Mc-
Alpin; gnome, Merlene Hester,
bluebird, Melba June Rhodes.

Flowers in the Garden, Jonquil,
Roxie Ann Canon; sunflower,
Audrey Nichols; wild rose, Ever-
ette Grace Hawthorne; daisy,
Frankie Jones; poppy, Alma Jane
Moyle; lily, Joyce Bramley.

Fairies, Nancy Sales, Jo Reel
Alma Jones; Cuckoo, Leah
Redman, Violet Marrs; and Edna
Merle Ainsworth.

Flower Chorus, Dorothy Tate,
Berniece Willford, Betty Fay
Castillon, Reba Jean Dupree, J.
Evelyn Wiltz, Janice Hawthorne,
James Elmer Hatton, Earline
Sheffield, Vylr Lee Forehand,

Sheffield, and Oleta Merle Foun-
tain.

Dawn, played by Jerry Nell
Riley.
Butterflies, Billie Jean Abbot
Doris Ray, and Betty Joyce Har-
ris.

Drum accompaniment by Hugh
Lynn Pitts.
An operetta, "The Land of
Make Believe", will be presented
Friday night, May 2, in the War-
ren school auditorium. The char-
acters are composed of fourth and
fifth grade students. They are
as follows:

1941 PARITY PAYMENT RATES
With the recent determination
of 1941 parity payment rates, Ty-
ler county farmers can now esti-
mate the amount they can earn
through participation in the AAA
farm program, reports F. C. Hill,
secretary of the county AAA com-
mittee. Parity payments, based
on the normal yields on allotted
acres, will be made at the rate
of 31.8 cents per pound on cot-
ton, 10 cents per bushel on wheat,
and 32.4 cents a barrel on rice.
1941 AAA program and plant
within their farm average allot-
ments of these crops are eligible
to receive payments at these rates.

In addition to parity payments,
cooperating farmers will receive
conservation payments based on
the normal yield of the farm.
Average allotments. As previously
announced, conservation rates for
1941 are 1.37 cents per pound on
cotton, 8 c a bushel on wheat,
8.91c on a barrel of rice, 11.25c
per 100 lbs on peanuts, \$1.40
an acre on commercial vegetables,
and an average of 61c per acre
on general soil-depleting crops for
Tyler county. All payments are
subject to deductions if acreage
allotments are overplanted.

Farmers may also earn pay-
ments under the Agricultural con-
servation program for carrying
out approved soil-building prac-
tices up to the minimum allow-
ance available to the farm. In
most cases, this information has
been made available to the farm-
er on his 1941 farm plan sheet.

Parity payments in Texas are
made to producers of wheat, cot-
ton, and rice to give them more
nearly a fair share of the national
income and to bring farm in-
come and purchasing power near-
er the 1909-14 level. At that
time, before the first World War,
prices of agricultural and indus-
trial products were in compara-
tive balance. Both conservation
and parity payments help farm-
ers to adjust production to meet
market needs and to farm in
such a way as to maintain and
build up the fertility of the soil.

WOODVILLE FFA WINS
The Woodville FFA chapter
won third place in the sweep-
stakes honors at the State Future
Farmer judging contests as shown
by the complete results just re-
ceived from A&M college; with
the crops, horticulture and poul-
try teams winning third, fourth
and sixth. First and second
place in sweepstakes honors were
claimed by Breckenridge and by
Taft. Two banners won this year,
in legumes and third in crops,
boosted Woodville's total to five
banners in the last three years
which is more than all the other 44
schools put together in the Hunt-
sville area composed of Southeast
Texas schools. Others banners
which were won were first place
in horticulture and plant propa-
gation in 1939 and third place in
Poultry in 1940.

**IF IT'S WORTH SELLING
IT'S WORTH ADVERTISING**

Texans farmers and dairymen, it
appears on the face of it, Louisi-
ana's Shreveport Boosters know
what belongs in Louisiana.

Probably for the first time in
the "history" of the Protestant
Episcopal church in America, the
congregation of St. Thomas
church, Fifth Avenue and 53rd
Street, New York City, was in-
vited by the Rev. Dr. Roeliff H.
Brooks, rector, to bring its gifts
and bundles to the altar at a
special Bundles for Britain ser-
vice on Sunday, April 20. The
massing of colors of the United
States and all of the British Do-
minions at the altar was a feature
of the service.

**BROUGHT INTO THE
OPEN AT LAST**
Austin, April 23.—Brought in-
to the open at last, the drive for
the so-called Fair Trade price-
fixing for the first time in its
history appears now to be in re-
verse.
The candid statement that its
sponsors want the Texas anti-
trust laws repealed made official-
ly to the Senate Commerce
and Manufacturing Committee
has developed in a few days
more opposition to this bill than
has ever been apparent in Aus-
tin before.
Speaking as a representative of
the Texas Wholesale Druggists
Association, H. Grady Chandler
said:
"We want the Texas Legisla-
ture to pass this Fair Trade Act
and repeal part of the State's an-
ti-trust laws so that competition in
retail business can be regulated."
Typical of the attitudes of many
members of both houses was the
immediate reaction of Sen. John
Lee Smith of Throckmorton and a
statement of Rep. "Hop" Halsey
of Lubbock.
"If the anti-trust laws are
split down the middle, what pro-
tection will the consumers of Tex-
as have?" Sen. Smith, who with
Sen. Karl Lovelady of Meridian,
later voted against the bill, asked
Chandler. "We are elected to re-
present the people as a whole, not
retailers, wholesalers or manufac-
turers."

**FAULTY DENTAL
CONDITIONS**
The high prevalence of faulty
dental conditions among draftees
when they report for physical
examination is cited by Dr. Geo.
W. Cox, State Health officer, as
emphasizing the need for early
and regular dental care of child-
ren—both at home and under
professional supervision.
Dr. Cox stated that dental dis-
ease has resulted in the rejection
of as high as 10% of draftees
for regular military service.
He attributed these dental de-
fects to failure of the draftees
to avail themselves of dental care
—even when properly advised—
during childhood. Another prob-
able factor was the period of

malnutrition in these days to cause
physical resources for whatever
may be ahead.

It follows that, however proud
the United States may be of its
high speed productive capacity,
there is a patriotic duty for every-
one to review his or her custom-
ary daily life, discover if any of
the habitual speedy practices
are affecting one's maximum
health possibilities, and eliminate
those which violate nature's basic
laws.

Had these and subsequent defects
been noted early and corrected,
the number of unnecessarily ex-
tracted teeth would have been
materially reduced, with, in turn,
reduction of the number of draft-
tee rejections because of dental
defects.
There is no cure for dental de-
cay, once it is started, other than
prompt corrective service by a
dentist. It is believed that the
efforts now being made to accus-
tomize the children to early and
regular dental care will prevent
the development of conditions
similar to those that are now
influencing the rejection of the
draftees. If it does this, it will
also result in the improved health
of our adult population whether
or not a national emergency is
faced.

And good teeth in healthy bod-
ies are as essential in normal
as in emergency periods.

Habitual sleeplessness, nervous-
ness, indigestion, and
"burning" of the stomach
represent the back-
ground for the majority of phys-
ical and mental cracksups. In
many other cases, where the con-
sequences are less pronounced,
supreme vitality has surrendered
to false conceptions of the value
of high pressure practices upon
which nature frowns.

This speed-up which results in
habitually robbing one's self of
the required amount of sleep each
night, which demands the stimula-
tion or the excessive use of
stimulants of any kind, which in-
volves whipping up the nerves by
constant excitement, and which
consequently refuses to recognize
the reconstructive and health-
building advantages of out-door
exercise and relaxation, can and
frequently does end in serious and
sometimes in permanent physical
trouble. It is a scientific fact that
to assert one's capacity is a
definite predicate for high blood
pressure and other ills of advanced
life. That these effects of ill-
advised living usually take time
to assert themselves definitely,
perhaps is one of the real reasons
for many persons to continue half-
blissfully on their merry way.

Quite aside from the personal
physical resources for whatever
may be ahead.

It follows that, however proud
the United States may be of its
high speed productive capacity,
there is a patriotic duty for every-
one to review his or her custom-
ary daily life, discover if any of

Announcing First Anniversary In Woodville

We Wish to Thank Our Friends of Woodville and
Tyler County on Our

FIRST ANNIVERSARY

For Their Co-operation in Making this
Funeral Home Possible

MAY WE SHARE YOUR BURDEN IN
TIME OF NEED

OAKLEY-METCALF FUNERAL HOME
OAKLEY-METCALF BENEFIT ASSOCIATION

JOE A. EDWARDS, Manager

REV. TOM CAMPBELL AND T. H. BARCLAY, Insurance Department

TWO BAD CAR WRACKS IN COUNTY

Early Sunday morning the Misses Gertrude and Theo Bohan and Messrs. Hatcher and Hart had a bad car wreck just north of Warren when the car crashed into a tree. All were badly hurt and one of the sisters was still unconscious on Tuesday when she recovered the news.

Monday morning early Kirby Lee Dean who drives the Taty Bread truck out of Beaumont struck a male a few miles south of Chester and Boston Head, who was with him was thrown from the truck and cut and badly bruised as was Kirby Lee.

The male is dead and the truck was badly wrecked.

JACKSONVILLE TOMATO FESTIVAL

The Jacksonville C. of C. is sponsoring the dates for the eighth annual tomato festival in June. With the festival will be the annual tomato festival in June. With the festival will be the annual tomato festival in June.

WOODVILLE NEWS

Miss F. C. Hill returned Sunday from a week's visit in Lufkin.

Miss J. D. Fuller of El Paso is visiting her sister, Mrs. Nannie Franzen in Colmesneil also the Mrs. John C. Davis and Mrs. S. H. Brad homes in Woodville.

Mrs. M. E. Masterson and son Joe West and Mrs. R. E. Dickson of Beaumont visited Miss Sue Marston and the Floyd Brad family Sunday.

THE FAMOUS EPITAPH OF KIRBY-ESSEX, ENGLAND

The following words, according to Hopley, in Believe It Or Not, are taken from a 600-year-old tombstone in the Church of Kirby Cumbria.

"When pictures look alive
When shapes like fishes
When beneath the sea
When men outstripping birds
Shall scan the sky
Then half the world
Drenched with blood
Shall lie!"

MANUFACTURING PLANT FOR WOODVILLE

You will notice elsewhere in the Booster where G. G. Leonard has now ready for the market the Rid-O-Mite which will be appreciated in this section. Uncle Sam is asking that more eggs be produced and more chickens raised as these are two checks that are a big part of the army ration. To have more eggs and chickens means less miles and truck-rigs, and Mr. Leonard insists that this Rid-O-Mite is "the thing." He also is making what is known as the Leonard Insecticide, which will kill insects on plants and garden produce without harm to fruits and flowers.

LEAVE N. Y. A.

During the past three months 2,018 boys and girls have left National Youth Administration projects in Texas for jobs in private industry, reports J. C. Kellum, state NYA administrator. The NYA jobs left open by these youth going into private employment are being filled from waiting lists of other boys and girls who are unemployed; between the ages of 16 and 24, out of school; who need work experience provided on NYA projects.

KILLED IN CAR ACCIDENT

All hearts go out to the Mrs. James W. Barclay of Alameda in the death of the son W. W. who was killed Wednesday last week in a car accident near Shamrock. W. W. is with the Petty Geophysical Eng. Co. now located on Nebraska and was called home by the serious illness of his mother who is in a hospital in Houston. He was hurrying to her when the accident occurred, but he was too late to prevent it. He was born near Chester, and the funeral was held Friday at Mt. Hope church with interment in the Seaman's cemetery. He is survived by his parents, two sisters and two brothers, Mrs. Sibyl Parks, and John M. Barclay of Alameda, Mrs. Clara Edith Fleming of Houston and Leland Barclay of Austin.

YOUNG PEOPLE MEET

This is National Boys and Girls week, April 26 to May 3, "to focus attention of the community upon boys and girls, upon their problems, activities and training, and to enlist the cooperation of all agencies and individuals in a general national program for the development and preservation of character in the coming generation."

Christian Endeavor, which is interdenominational, interracial, and international is an organization which stands for the better things of life for young people, and fosters training for service and leadership among its members. This Sunday evening, Ruth McAlister is leader, with the topic, "An Evening of Religious Poetry," with the theme, "Poetic Appreciation." Special numbers on the program will be second and third grade choral singers, under the direction of Miss Arthur Brown, readings by Fredna Matthews, who will also play the offertory, and Edna Harrell of Warren will sing "My Task," accompanied by Mrs. G. G. Lennard.

ROAD WORK AT SPURGER

The road work project at Spurger was submitted for examination March 8th. Should the project be approved the release of work authorization will be requested at a later date to be located in Spurger in Precinct No. 4, of the county. The work to be done consists of clearing and grubbing, fencing, common excavation, and the construction of both timber and concrete bridges.

The project is sponsored by the commissioners court of Tyler. The sponsor will be directly represented by S. I. Willis, Commissioner Precinct No. 4.

The estimated WPA funds are \$18,874.00; sponsor's, \$7,185.00. It is estimated that the project will provide employment for an average of 58 workers over a period of seven months.

The public advantages of the project is that its completion will provide an outlet for the people living in this community as well as provide an all-weather travel for school buses and mail routes.

GO TO SAN ANTONIO

The Homemaking department of Kirby High School is being represented at the state rally in San Antonio, April 30 to May 3, by the Misses Betty Jo Pope, Virginia Dunn, Mattie Lou Weeks, and Peggy Young.

The state homemaking rally is held annually and nearly all of the Texas schools offering vocational home economics will send contestants. Schools are classified as Group A, B, or C according to the total high school enrollment with the following dress for general wear:

Group A, \$1.00 to \$1.50
Group B, \$1.00 to \$1.50
Group C, \$1.00 to \$1.50

FRESH FRUITS AND VEGETABLES

At the Yellow Front Market

This is National Boys and Girls week, April 26 to May 3, "to focus attention of the community upon boys and girls, upon their problems, activities and training, and to enlist the cooperation of all agencies and individuals in a general national program for the development and preservation of character in the coming generation."

Christian Endeavor, which is interdenominational, interracial, and international is an organization which stands for the better things of life for young people, and fosters training for service and leadership among its members. This Sunday evening, Ruth McAlister is leader, with the topic, "An Evening of Religious Poetry," with the theme, "Poetic Appreciation." Special numbers on the program will be second and third grade choral singers, under the direction of Miss Arthur Brown, readings by Fredna Matthews, who will also play the offertory, and Edna Harrell of Warren will sing "My Task," accompanied by Mrs. G. G. Lennard.

ROAD WORK AT SPURGER

The road work project at Spurger was submitted for examination March 8th. Should the project be approved the release of work authorization will be requested at a later date to be located in Spurger in Precinct No. 4, of the county. The work to be done consists of clearing and grubbing, fencing, common excavation, and the construction of both timber and concrete bridges.

The project is sponsored by the commissioners court of Tyler. The sponsor will be directly represented by S. I. Willis, Commissioner Precinct No. 4.

The estimated WPA funds are \$18,874.00; sponsor's, \$7,185.00. It is estimated that the project will provide employment for an average of 58 workers over a period of seven months.

The public advantages of the project is that its completion will provide an outlet for the people living in this community as well as provide an all-weather travel for school buses and mail routes.

GO TO SAN ANTONIO

The Homemaking department of Kirby High School is being represented at the state rally in San Antonio, April 30 to May 3, by the Misses Betty Jo Pope, Virginia Dunn, Mattie Lou Weeks, and Peggy Young.

The state homemaking rally is held annually and nearly all of the Texas schools offering vocational home economics will send contestants. Schools are classified as Group A, B, or C according to the total high school enrollment with the following dress for general wear:

Group A, \$1.00 to \$1.50
Group B, \$1.00 to \$1.50
Group C, \$1.00 to \$1.50

FRESH FRUITS AND VEGETABLES

At the Yellow Front Market

COLMESNEIL

Guests in the Shillings home Sunday were Mrs. Joe Shillings and family and Mrs. Loy Shillings and family of Woodville.

Mrs. Cecil Ogden were in Beaumont Saturday night visiting Mrs. Virginia Sturrock who is in the hospital.

Bendel Mott of Houston visited the parents Mrs. J. P. Mott Sunday.

Mrs. Bruce Bennett and baby of Hemphill visited her parents Mrs. Jim Sullivan last week.

The choral group were in Lufkin Sunday and broadcast over station KRBA.

Mrs. Cecil Butler and children left Sunday to spend several days with her parents at Concord as her mother is ill.

Mrs. R. R. Bendy visited relatives in Doucette Sunday.

Miss Florence Smith spent the week end with Miss Virginia Moore in Emilee.

The senior play "Murdered Alive" was enjoyed by a large crowd Friday night.

Mrs. Carrull Cullier of Colmesneil announce the arrival of a girl born April 27. She has been named Carolyn LaRue. The mother will be remembered as LaRue Heatherford. Her mother Mrs. R. T. Heatherford is with her.

D. P. Mann of Woodville was a Colmesneil visitor Saturday.

Mrs. Kader Fortenberry and family of Dies visited relatives here Sunday.

The P.-T. A. County Council meeting held at Lake Texas on Wednesday last week was enjoyed by a nice crowd in spite of the bad weather. There were a number of visitors from other counties.

Bobbie Sturrock of Sunny Dell spent the week end with Miss Lorene Hughes.

Rev. W. W. Hardt filled his regular appointment here Sunday. We were glad to have Mrs. Hardt and daughters and Rev. J. S. Denney attend church with him.

Mrs. W. H. Johnson were in Beaumont shopping Saturday and came by and spent Saturday night and Sunday with relatives in Grayburg and Spur Lake.

Mrs. Earl Peck of Warren visited her daughter Mrs. Ervin King during the week end.

M. Sedovic was in Houston on Thursday last week.

Friends here are sympathizing with Mrs. Will Lockhart over the loss of a niece in Port Arthur who was instantly killed Tuesday in a car wreck.

Rev. T. J. Campbell is home from Beaumont where he has been at the bedside of his sister Mrs. Virginia Sturrock, who is in the hospital. Friends were glad to hear she was feeling better.

James Wilhaby is home from Corpus Christi.

Mrs. J. H. Hill and baby visited her mother Mrs. Sallie Bowen last week.

Rev. Tom Mynard and Rev. A. K. Scott were Colmesneil visitors Tuesday.

STUDY CLUB

The Woodville Study Club held its last business meeting of the year at the grammar school library on Tuesday, Mrs. P. H. Powell and Mrs. Alvin Waller were leaders of the program which was a travel study of the far west.

Next year the club will have for its program miscellaneous topics consisting of literature, art and current problems the program committee announced.

Eleven members from the Study Club plan to attend the Big Thicket Federation at Sour Lake, May 1. Delegates to the federation for next year were elected as follows: Mesdames T. J. R. Singer, E. W. Tubb, J. E. Whitt, C. E. Smith, and the president for next year, Mrs. Martha Hewitt. Alternates were as follows: Mesdames Watt Barclay, Lee Hensley, Carlton Young, and Paul Powell.

Installation of incoming officers will be held at a luncheon in Beaumont on May 13.

METHODIST W.C.S.S.

The Methodist women's society of christian service met Monday afternoon with Mrs. J. W. Getzinger as hostess.

Mrs. C. A. Welborn presented an interesting program on "The Emergence of a Nation," a continuation of the course of study on China which is being conducted by Mrs. Joe Anderson. Mrs. C. B. Birdwell gave the devotional reading.

The society will meet on Monday, May 5, with Mrs. Roy Pate, for its monthly business and social meeting. Mrs. C. B. Birdwell will be in charge of the program.

Mrs. M. E. Masterson and son Joe West and Mrs. R. E. Dickson of Beaumont visited Miss Sue Marston and the Floyd Brad family Sunday.

THE FAMOUS EPITAPH OF KIRBY-ESSEX, ENGLAND

The following words, according to Hopley, in Believe It Or Not, are taken from a 600-year-old tombstone in the Church of Kirby Cumbria.

"When pictures look alive
When shapes like fishes
When beneath the sea
When men outstripping birds
Shall scan the sky
Then half the world
Drenched with blood
Shall lie!"

MANUFACTURING PLANT FOR WOODVILLE

You will notice elsewhere in the Booster where G. G. Leonard has now ready for the market the Rid-O-Mite which will be appreciated in this section. Uncle Sam is asking that more eggs be produced and more chickens raised as these are two checks that are a big part of the army ration. To have more eggs and chickens means less miles and truck-rigs, and Mr. Leonard insists that this Rid-O-Mite is "the thing." He also is making what is known as the Leonard Insecticide, which will kill insects on plants and garden produce without harm to fruits and flowers.

LEAVE N. Y. A.

During the past three months 2,018 boys and girls have left National Youth Administration projects in Texas for jobs in private industry, reports J. C. Kellum, state NYA administrator. The NYA jobs left open by these youth going into private employment are being filled from waiting lists of other boys and girls who are unemployed; between the ages of 16 and 24, out of school; who need work experience provided on NYA projects.

KILLED IN CAR ACCIDENT

All hearts go out to the Mrs. James W. Barclay of Alameda in the death of the son W. W. who was killed Wednesday last week in a car accident near Shamrock. W. W. is with the Petty Geophysical Eng. Co. now located on Nebraska and was called home by the serious illness of his mother who is in a hospital in Houston. He was hurrying to her when the accident occurred, but he was too late to prevent it. He was born near Chester, and the funeral was held Friday at Mt. Hope church with interment in the Seaman's cemetery. He is survived by his parents, two sisters and two brothers, Mrs. Sibyl Parks, and John M. Barclay of Alameda, Mrs. Clara Edith Fleming of Houston and Leland Barclay of Austin.

YOUNG PEOPLE MEET

This is National Boys and Girls week, April 26 to May 3, "to focus attention of the community upon boys and girls, upon their problems, activities and training, and to enlist the cooperation of all agencies and individuals in a general national program for the development and preservation of character in the coming generation."
