OUT OF HARM'S WAY!

A DEFINITE ANSWER

The other day, the Gazette indicated that the right to plant wheat was a farmer's God-given constitutional right. So now comes Jack Harris of the Hutchinson News, who lives in the wheat country, settles up to a tentative agreement with that position, but raising his hand snaps his finger and asks one question before he follows the Gazette too far. This is the question: "Is the God-given, constitution-guaranteed right of a farmer to plant what he pleases any greater than that of a tipper to set up a still in his basement to manufacture intoxicants for his own consumption?"

NO FREEDOM OF PRESS

There never has been such a thing as freedom of the press, according to an old-time acquaintance of ours. He said that 30 years ago he wrote in his country paper that the river was so high you could hear the dinner bell in the next county and since that time...

WAR DEPARTMENT RETURNS TO HIGHWAYS

The War Department in the past few months has depended greatly upon rail transportation, it begins to appear that officials are recognizing the value of more convenient and flexible highway transportation. According to press reports, mobile and truck plants to step into the shoes of the auto-trucks as they come off the assembly line and drive them to be in progress for the past three Army stations for immediate use.

ARE there days when it seems that the radio, the ringing of the door or telephone bell, the clatter of dishes, or even the laughter and voices of children nearly drive you frantic—days when you are restless, and cranky? Do you lie awake nights? When these hectic days and wakeful nights interfere with your work and take the pleasure out of life for you, try DR. MILES NERVINE. Dr. Miles Nervine is a combination of effective nerve sedatives. Originated nearly sixty years ago, it is as up to date as today's newspaper.
