MAKING THE MOST OF YOUR LIGHT

(No. 4 of a Series)

Use One Large Bulb Instead of Several Smaller Ones

Offhand it would seem that four 25-watt bulbs would produce the same amount of light as one 100-watt bulb. But such is not the case. A 100-watt bulb produces as much light as SIX 25-watt bulbs, yet uses one-third less current. Therefore, when practical, always use one large bulb instead of several smaller ones of same total wattage and you'll get more light for your money.

An Ideal Gift...

... for the whole family is an I. E. S. Better Sight Lamp. Direct-indirect models, complete with glare-eliminating diffusing bowl, three-light bulb, heavy metal standard and base, hand-sewn shade and I. E. S. Certificate of Better Light and Better Value, \$9.95 up.

America's New Date for Resolutions

Through 3 Wars... and Building Solidly for the Peace to Come!

In 1885 the first Dr. Pepper was created. From that day 'til this, Dr. Pepper's rare and uplifting flavor has won an ever-widening circle of friends and devotees.

In 1898 boys on the way to San Juan Hill with "Teddy's Rough Riders" knew Dr. Pepper.

In 1917 a far greater "Dr. Pepper army" went with Pershing to Chateau Thierry, St. Mihiel, and the Meuse-Argonne.

In 1942 the third generation of Dr. Pepper drinkers are answering the call of their country.

Behind Dr. Pepper is a family of bottlers, soda fountain operators, bottled drink dealers, wholesalers, and a parent company, all of whom are doing their utmost in the war effort and are building solidly for the peace to come.

LET US CONSECRATE OUR LIVES, OUR FORTUNES, AND OUR SACRED HONOR TO AVENGING THE CRIMES OF DICTATORS AND TO RECLAIMING THIS WORLD FOR HUMANITY AND PEACE

America did not seek this war. To avoid war we condoned arrogance; excused insult; suffered humiliation. We cherished an ideal and prayed for peace. We trusted, and were treacherously betrayed. Outraged beyond human endurance by the treachery at Pearl Harbor, America's reaction was righteous wrath. The price we paid for disillusionment was overwhelming, but it brought unity and the re-birth of the American ideal.

A new America emerged; militant, self-sacrificing, fired with a single purpose... the cold determination to rid the world of cruel, wicked, selfish dictators.

And so let us commemorate the date. Let January First be observed as the beginning of a New Year; December Seventh as the beginning of a New World... America's new date for resolutions.

Therefore, be it resolved: That we, the people of America, consecrate our lives, our fortunes, and our sacred honor to:

Avenging the crimes of dictators... to reclaiming this world for humanity, so that we, our children, and their posterity may live without fear, follow the nobler pursuit of peace, and promote the true brotherhood of man.
