BUY Extra WAR BONDS

WE BOUGHT EXTRA WAR BONDS

4th WAR LOAN

This sticker in your window shows you bought extra War Bonds. It's your battle flag here at home.

Sure, we'd all like to see headless like these. But just waiting and hoping won't make them come true.

The plain truth is that while we now hold the initiative in this war, we have yet to penetrate beyond the outer perimeter of Axis defenses. We still have a long, hard road to go—a road that will be longer and harder if there is any let-down now.

That's why you're being asked to buy extra War Bonds during this Fourth War Loan. To keep our fighting men supplied with the weapons they need to win—as a minimum cost of blood and lives.

Remember—war ends up in casualties. It's the terrible rate. The bonds you bought last year will win today's battles. So buy at least one extra \$100 bond now—and keep on buying bonds until Victory.

Let's All BACK THE ATTACK!

COMMUNITY PUBLIC SERVICE COMPANY

Minutes matter more in war

When Long-Distance lines are crowded the operator will say... **"PLEASE LIMIT YOUR CALL TO 5 MINUTES"**

There's a good reason for that—a 11x to help every body get better service. And you can say a lot in five minutes. Maybe you can hold that next Long-Distance call for three minutes. That would be even better.
