Members TEXAS GULF COAST Press Association

Competitive Association will convene December 15th in the plant of the Texas Press Association.

FAHIT A crowd of well-wishers gathered to see the young man and his new car.

It is no secret that work makes a man. The young man who has just graduated from the University of Texas at Austin is a fine example of this.

MANY OLD men are now suffering from the effects of the war. They have lost their homes, their jobs, and their families. They need help, and we must help them.

DAY DEDICATED TO OUR BOYS IN THE SERVICE

The Harmony community held an all-day service Sunday, the 7th in honor of the boys now with the fighting forces. Many pictures on the tables and walls of our service boys in which the days services were depicted, and many singers from different parts of the county, also Uncle Jerry Harrison from Livingston. We lifted up our voices in song to our Master until 11:30. Then our pastor, Rev. Ernest Martin, gave us a very interesting and timely message. At 12:30, we gathered around the table where the most delicious and delicious cakes and pies were spread. Oh, boy, how we did eat! However, when we had our fill there were several baskets left.

There were many singers here for the occasion, and how they sang! There were several songs from the "Boys in the Service" and "God Be With Them." We were very happy to have our boys home again, and when they were away, we were very happy to have them home again.

Peace Without Panic

Business depression is not the cause of peace. It is the cause of war. It is the cause of the most terrible suffering and the most terrible death that has ever known. It is the cause of the most terrible suffering and the most terrible death that has ever known.
