# IT'S TEAMWORK THAT DOES IT

## The 5th War Loan STARTS NEXT WEEK!

WHEREVER your invasion forces are fighting—on sea, in the air, on the ground—they're working together for victory. They know that they must depend on each other—not only by coordinated teamwork will they win the fight, but final victory in the end.

The Fifth War Loan starts next week. It's going to take teamwork—a lot of it—to put this drive over the top. For we've got a job to do. As the tempo of invasion rises every one of us must mobilize for support of our fighting men. In every city, town and hamlet men and women like

yourself have banded together as War Bond Volunteer Workers, giving their time to taking your subscriptions for Bonds. Support them. Give them the kind of teamwork our boys are giving to each other on the fighting front!

When your Volunteer Worker calls, double your War Bond subscription. It's their job to help raise \$16 billions of money for victory during this Fifth drive, \$5 billions from individuals like yourself.

Make up your mind to welcome your Victory Volunteer with a friendly smile and an open checkbook—remembering that it's teamwork that does it!

The picture of health today . . .

What about tomorrow?

You're every right to be proud of that little bundle from heaven. Mother and Father are well now—the very picture of health. But will you be so proud of him when his cheeks are lean and his vitality and might are displaced with the world about him?

Have you and your husband learned to prepare the formula so that it won't cause night-walking colic? Can you bathe that beautiful youngster without fussing, fussing, or drowning him? Can you fold a diaper so that it doesn't look like a sail? Are you ready to handle the baby?

The answers to these and many other important questions are to be found in the new book, "The New Nursing Course," which lists all the latest and best baby care tips. It's a book that every mother and father should have on their shelves.
