ALL WAR BONDS

"The children are having fun. They are going to last longer over the fire in the back yard. They wanted me to drive them to the front but they didn't murmur when I explained we were saving gasoline for the war effort."

Did you know that—
Lighter planes need some 100 gallons of high octane gasoline every hour, heavy bombers, more than 200 gallons!

Gasoline Powers the Attack
Don't Waste a Drop.

HUMBLE

OIL & REFINING COMPANY

Serving your essential war time needs today to hasten your military pleasures of tomorrow.

HUMBLE

JOIN GULF'S "Anti-Breakdown" Club TODAY!

BEFORE THIS WAR IS OVER, there may be only two kinds of people in America...

- those who can't get to work in automobiles.
- those who are forced to walk.

If you want to be in the fortunate group who will still be going to work in automobiles, join Gulf's "Anti-Breakdown" Club today. How do you do it? Just come in to Gulf's Protective Maintenance Plans!

This plan was conceived by experts in car care. Gulf developed its famous Protective Maintenance Plan to help you keep your car in the best possible condition. It's the Government's most efficient maintenance plan. It's the most important thing you can do for your car today to help win the war, because if out of 10 war trucks the automobile is out of work.

Here's Gulf's Protective Maintenance Plan.

- It protects your car at 30 danger points!**
Gulf's Protective Maintenance Plan is a complete system of 30 checks, inspections, and adjustments, which are made by a trained Gulf technician. It's the most thorough maintenance plan ever.
- It gives you a "CLEANER" smoother running motor!**
Gulf's Protective Maintenance Plan includes a special oil change and filter replacement, which helps keep your engine clean and running smoothly.
- It checks your "KNOCK" and "PITCH"!**
Gulf's Protective Maintenance Plan includes a special check of your car's suspension and steering system, which helps keep your car running smoothly and safely.

Annual Meeting of the First Church of Christ Scientist Boston, Massachusetts, June 5, 1944

While the annual meeting of the First Church of Christ Scientist in Boston, Massachusetts, was held on June 5, 1944, the church was celebrating its 25th anniversary. The meeting was held at the church building, which was recently renovated and is now a beautiful structure. The church has a long and distinguished history, and its members are proud of their heritage. The annual meeting is a time for the church to come together and discuss the work of the church in the world. It is a time for the church to evaluate its progress and to plan for the future. The meeting was held in a spirit of unity and cooperation, and it was a great success. The church is looking forward to the future with confidence and hope.

TO SAVE YOUR CAR... TO SAVE YOUR MONEY

Let Your CHEVROLET Dealer Perform These Two Vital Services

"DE-SLUDGE" your car engine

1. Give you better gasoline economy
2. Reduce complete lubrication to all vital parts of your engine
3. Eliminate corrosive and damaging chemical deposits which shorten your pistons and rings
4. Increase oil economy and in many cases reduce oil consumption
5. Improve the streamlining of engine performance
6. Protect the life of your engine

Service your car BRAKES

1. Put your braking system in optimum operating condition
2. Check wheel alignment and tire pressure
3. Inspect brake lining and replace worn lining if needed
4. Check and adjust parking brake
5. Check and adjust hand brake
6. Check and adjust master cylinder

To the People of this Community

There are many who believe that the only way to get out of the economic depression is to increase the money supply.
