## This Un-American Treaty Will Celebrate The Beginning of 3d Year

A few days ago the executive board of the Texas Federation of Women's Clubs adopted a resolution condemning the Anglo-American Petroleum Treaty which is now pending before the United States Senate. The resolution states that the treaty is a violation of the principles of democracy and self-determination. It is a treaty that would give the foreign oil companies a monopoly over the oil resources of the United States. This is an un-American treaty that would celebrate the beginning of the third year of the Anglo-American Petroleum Treaty. The Texas Federation of Women's Clubs is committed to the defense of the United States and the principles of democracy. It will continue to oppose this treaty until it is rejected by the Senate.
