ARC TOWN QUOTA OVER-HALF HUNDRED!

Because of heavy rains the Red Cross Roll was held saturday after noon in the district courthouse rather than on town floors. Lovely weather and valleys were full many standing even in hall and door leading from the court room as Mrs. Bruce led in the singing of two verses of America and Rev. J. L. Byrd led in prayer. Chairman Red Cross Chairman Jay Kell gave a partial report of money raised to date and presented Dick Knight, Red Cross Worker under Capt. Pennington as guest speaker and talk of matters that are going on. Dick said he would be pleased to be presented Miss Margaret Wilson also of Cedar Springs staff worker at the Camp Hospital. The talk was also very entertaining Mr. Knight also introduced Mr. Leonard Fordyce of Chicago who went from a cell into Axis Nazi ranks and is now happy at home and was for many days the guests a prisoner of the Nazi for their diffic- ent Concentration camps he could not describe his secrets for others may live it and he wants them to be as fortunate as he was for he definitely states that it is hard to describe Red Cross packages and stuff. Also the Camps would be almost naked and even prisoners in the camps are dying from filth and lack of food as prisoners of Germany. The next Rotary Walker Cecil M. C. also spoke and he also is for those folks to generously support our boys through the Red Cross and all of its duties which is adopted at Dallas in the Pacific and Europe wars and any Red Cross to Donate them a heart felt, open and generous Donation. Our report Tuesday C. M. and there has been $3,300 turned in on our quota of $5,000. Perhaps you would not home when some one called on you for your donation but why not take it around to the Yellow Front store, Matthews store or J. N. Allen or Harrison at the Lones House.
