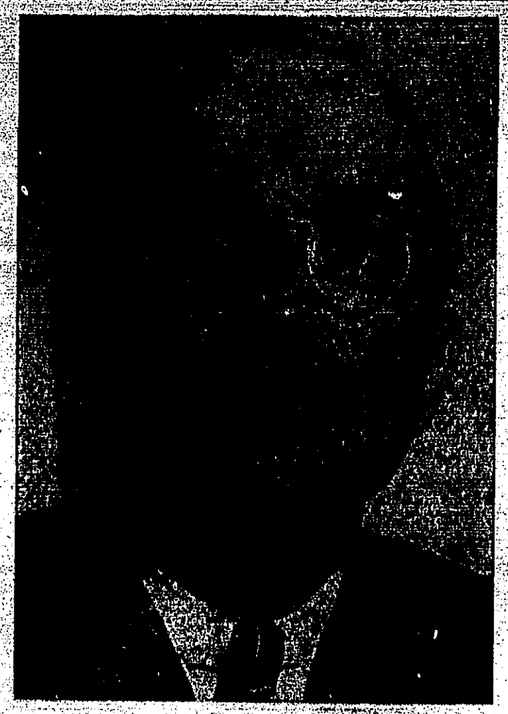
V-Day Celebrated All Over the Wide World

Woodville people gathered at the Churches for an hour, after the President announced Unconditional Surrender of the Germans, and for prayers of gratitude and hopes for an early end of war with Japan



President Harry S. Truman has indicated that he will closely follow general policies of the late President Roosevelt, in order to bring a quick and lasting peace to the world.

THINK'MBOBBIES

● Ever stop to think that the word American ends with I CAN?

●

● This paper shortage is proving to be serious. Austin American prints its entire issue one day each week carrying no advertising which means a great saving of paper stock.

●

● Postmaster General Frank C. Walker has resigned his office and Robert E. Hannegan, chairman of the Democratic Committee has been named to succeed him. (Great Jeff).

No one seems to know why Walker has resigned.

●

● The Booster is reprinting a letter written by Abraham Lincoln to a mother who lost five sons in the Battle of the Wilderness. This letter can apply to so many mothers and fathers who have lost sons in this great World War II.

●

● The Booster admires men and women who adopt Dog Gone that motto, why take money when you have time, and we are one dead beater. And while on this subject we desire to say to The Booster's Secretary (Joseph) have the same kind of character (sense) God gave others, use it.

●

● Great excitement at Washington as U S Criminal Agents of the Immigration Service who have had their hands on the pulse of the National vacuum for months knew how long it is to be until stopped on the west and Gerlach on west side of the Democratic situation.

●

● If John L. Lewis manages to emulate Hitler in the 1945 wage fight he'll defeat and widen his demands for 1946 when Congress meets, after Pearl set the pace should how easy it was and the latest report from Washington says Congress is considering the elimination of this great bonus.

●

DR. HOMER T. Rainey got president of the University of Texas is not aiding that great institution in its weekly flow of criticism. He was ousted as president and has not yet attained to conference. I know that he is the kind of a man that should head this college. That he has an able staff but few will deny but nevertheless he is not being mentioned by a few as Candidate as a possible candidate to be the next governor of the State of Texas North Dog during the primary set to first base. If Dr. Rainey was not good enough to remain as the head of the State University it cannot be expected to become a brilliant governor. Let's give he opens his mouth he says things that make all real Texans disgusted. He is showing that he is not over a good sport in any nothing of being a good loser.

JUNIORS AND SENIORS HONORED

The Juniors and Seniors of Kirby high school were honored this past week end with a dance given at the Jake Jackson apartment by the citizens of Woodville R. C. Gilbert Wright acted as Master of Ceremony and opened the dance by forming a grand march, composed of the Juniors and Seniors and their dates.

An orchestra from Orange furnished the music for the dance and many special selections were made by the audience and guests. During the intermission the group was entertained by a selection of songs sung by Miss Helen Sheffield, Miss Lila Grimes, Miss Pete Walker, Miss Beverly Barclay, Miss Dorothy Unger and Miss Alice Jean Walker of Colmesneil accompanied by Mrs. Carroll Cole, who also rendered several special piano selections.

Posed at different parts of the dance hall and living room were delicious refreshments of all kinds which were furnished by ladies of our town.

The dance ended at 12:30 a. m. with an orchestra version of the Kirby High Fight song. The Juniors and Seniors would like to take this opportunity to thank Mr. Wright, Mrs. J. H. Barrage, and all other citizens of Woodville who had a part in making this dance what we term the best we have had.

NEWS FROM THE BOYS

Reporting to the Army Service Forces Training Center at Camp Hood, Tex., from Hot Springs, Ark., were W. Hixson, recently released from one of the four major Hot Springs hotels acquired by the army for use as a new installation, Pfc. Glenn A. Hixson, meanwhile, awarded the Purple Heart with Oak Leaf Cluster, for months overseas in the European Theatre of Operations, is returning to the states, he will be stationed at Camp Howze, Texas, awaiting reassignment to Army duty. The primary function of the Camp Howze station is to assign the returned soldier to the Army job for which he is best fitted, with due consideration to surroundings desired for rest and relaxation. Under these conditions, recent interviewers and classification personnel secure the maximum cooperation from the returnees.

With a Fifteenth Air Force Command Air Service Group, Italy, a truck company commanded by Captain Robert W. Smith has been awarded the Meritorious Service Unit Plaque for meritorious and outstanding services in support of combat operations, according to an announcement by the Commanding General of the Fifteenth Air Force. Pacific Command Cpl. Edwin L. Bradley is a member of this group. Which has traveled 3,000,000 miles hauling bombs, food, clothing, Air Force personnel and personnel without a major accident or injury.

Cpl. H. A. Barlow and Pfc. R. Jones have received honorable mention. These men are with the 9th Army Group in Germany. Almost 300 miles of vital telephone lines bring the Allied forces together from the Normandy beaches to deep within crumbling Germany are the work of the Negro men and white officers of the 490th Signal Heavy Construction Battalion, which supports General Jacob L. Devers' 6th Army Group. Much has been said about the following statement made by the "They're topnotch men, officers and soldiers," one of the battalion officers said. "They work hard, have high morale, and do a job that is vital."

Allengrabow Prison Camp, Germany, May 4 / The 83rd Infantry Division liberated more than 1,200 Yanks captured at Kasserine Pass, Bizerte, Tunisia, Salerno, Cassino and other history-touched names yesterday. They then began freeing more than 10,000 other Allied war prisoners, shouting cheering Yank prisoners climbed aboard the trucks. Although it was impossible due to the necessity of speed to get a complete list of American prisoners, those liberated included the following Texans:

Pfc. Norman B. Hecker, San Antonio; Pfc. William Jackson, Marlin; Pfc. Pedro Figueroa, Brownsville; Willis L. Griffith, Woodville; Pfc. Wilmer M. Webb, Graham; and Sgt. Willie B. Brownsell, Port Arthur.

Merle McAlister, O.H.M., arrived home Saturday night on a 30-day shore leave. A message came that his sister's husband was in a hospital for an operation and she went to be with her mother to come. This was difficult for Mrs. Pearl McAlister for she wants to be here when her son comes home with the ship, and also she wants to answer the call from Washington.

Pfc. Henry S. Ford will report for induction on the 16th. The draft is rushing by too rapidly for some men and boys home on short leave and furloughs.

PRESIDENT WANTS 18-YR. OLD IN WAR SPENDING

Washington, May 3. President Truman Wednesday recommended a 1945 cut in war spending and pledged further economies as the military situation improves. The executive proposed a $7,365,000,000 cutback in appropriations and an 100,000,000 reduction in night war agency budgets. In addition he abolished the office of Civilian Defense.

Mr. Truman said he was impelled by favorable progress of the war. He read his recommendations to Congress with the advice that all federal activities will be continually reviewed to achieve economies where they will not interfere with the prosecution of the war.

The reductions would be applied to the 1946 budget just submitted by Franklin D. Roosevelt.

DEATHS CHRISTIAN MEMORIAL PASSES ON

We were sorry we could not get in touch with Mrs. Guy Hutchings last week and days were full with a trip to Lufkin, that when we could have gone to her, she was in Beaumont as she and Mr. Hutchings drove down Wednesday to take the sister, Mrs Atlee Ford to her home. Mrs Ford had returned home with Mrs Hutchings from the funeral of the former mother, Mrs. Bani Adona Alton who was born 72 years ago in Bois darke Co. Ohio, going to Texas her parents many years ago. She married Rain C. Alton and the new home was started here in East Texas. Seven children came into this home, all of whom survive this dear mother. She also took into her heart and home two nephews and made them, her children. A consecrated christian, she had been a faithful member for years of the Christian church and gave her life to her children and her master, Jesus Christ. No woman living can be given a higher tribute. She had suffered with a bad heart ailment for some years and on the 24th of April entered the hospital for a check up, she felt very well Wednesday noon but at three o'clock suddenly passed on. The family was stricken. The funeral services were held the next afternoon, Thursday at 3:00 o'clock in the Washington Boulevard Christian church with the pastor, Rev. D. F. Herndon speaking words of comfort to the heart broken daughters and sons, assisted in the service by Revs. Tom Maynard and Allen Ivy to the children, Peter Allen at cemetery of Beaumont. We, with other friends extend sincere sympathy to the children, Perry Alton of Alexandria, La., Wilmer of Pelly, Calif., Mrs. Ruth Cooper of Beaumont, Mrs. Ethel Ford of Woodville, Mrs. Ruby Hutchings of Woodville, Mrs. Ruth Hutchings of Woodville, Mrs. Ruth Hutchings of Woodville, Mrs. Ruth

STRAIGHT TALK ABOUT THE 7th WAR LOAN

THE 7th WAR LOAN

Americans are still fighting and dying in the Pacific by the thousands. 7 billion dollars, 4 billion a month, is the cost of the war.

You may be wondering: "Why this big push for additional money now? I have it. We already reached the goal."

A fair question—requiring a straight answer.

The Money Is Needed for War

The Battle of Japan has just begun. It must be fought and won by America and her Pacific allies—not by Russia.

The war in the West was first and easier only because we were first able to pull out to the East. That is *why we are the key.*

The war in Asia Japan will be bigger, tougher and longer than most Americans expect. The Allied Military Command has estimated that it will take years, not months.

The destruction of Japan's armies, based on all our fighting in the Pacific, will cost between 50,000 and 200,000 men a year. And the fate of our men in the Pacific hangs right to the dollar.

As far as Japan is concerned, the united Empire and the men who defend it are expendables. The Japanese hold the fabric of Japan from *inside the zone* of enemy, of which Tojo Hideki was an outspoken member, according to Admiral Harold R. Stark, U. S. Navy, retired, "a group of the most ruthless and fanatical militarists ever known in the history of civilization."

Japan will take more, harm and hurt Americans than most Americans suspect.

Millions of fighting men, freshly outfitted and equipped, will have to be moved from Europe halfway around the globe and supplied day in, day out by hundreds of new ships and millions of tons of supplies.

Most of everything will be needed. More B-29's. More tanks, half-tracks, jeeps and trucks. More rockets, mortars, artillery, shells.

A whole new air force is in operation—huge new bombers awaiting the finishing touches—but now being installed on tiny Pacific islands, the B-29 or Superfortress. Just now being prepared, untried planes, the P-80 or Shooting Star, coming off the lines by thousands.

These are just some of the 101 ways in which your dollars are needed more than ever to bring America's might to the full strength—so that we may crush and for the future, make an end of killing and bring our men back home.

And Last We Forget

The sick, wounded, and disabled will require medical attention and care.

Many millions of dollars will be required for rehabilitation and the additional benefits voted by Congress for ex-servicemen getting started again in civilian life.

That's the least we can do in return for what they've done for us.

Winning the Peace

There are other weighty reasons for supporting the 7th War Loan—reasons that take us from the present to the future.

By investing in the 7th War Loan, the patriotic American is safeguarding his own future, his country's future.

By putting every dollar, over-and-above-purchases into the purchase of War Bonds, he is delivering a body blow to wartime inflation—by putting a lid on the cost of living and maintaining intact the purchasing power of the dollar. At the same time, he is protecting his country and himself against the catastrophe of a possible post-war deflation—with its depression, unemployment, misery, and heartache.

Be save for your country—save for yourself. In helping your country, you are also helping yourself! Come peace, we'll all need money for education, readjustments, retirement, new homes, a new start—and we'll need a lot of it. And there isn't a better or safer highroad to your goal than United States Savings Bonds.

Making 2=3

This year there will be *only two* War Loan Drives, not three. But in those two drives the Government will have to raise almost as much money from individuals as in the three drives last year. That means *bigger extra bonds* in the 7th. Because only by buying *more* can we make 2 take the place of 3.

The 20 million Americans who buy bonds on payroll savings are already off to a flying start! These patriotic men and women began *their* buying in April. And they will keep on buying *extra* bonds through May and June!

It's now up to the rest of us. It's our turn to swing in line. To raise the vast sum needed, every American will have to dig deeper into current income—dig deeper into cash reserves. Only by buying *bigger extra bonds* can we stretch 2 into 3!

Let all Americans do their part—for their own sake, for their country's.

If you have an income—whether from work, land, or capital—you have a quota in the 7th War Loan. Find out what that quota is—and make it!

Here's Another Way to Look at It!

Mister, that cord of pulpwood you've just cut may look like sticks of wood to you, but it will look mighty different to the Japs. This will give you an idea:

ONE CORD OF PULPWOOD WILL MAKE:

- **BLOOD PLASMA CONTAINERS** 4200 weatherproof packages for shipping blood plasma.
- **WEATHERPROOF MAPS** 6120 sheets of weatherproof paper for military maps.
- **"K" RATIONS** 1360 waterproof film containers for field rations.
- **SMOKELESS POWDER** 90,000 rounds for a Garand rifle; 420 105 mm shells; 24 16-inch naval shells.
- **PARACHUTES** 1484 cargo parachutes for supplies, or flares.
- **SHELL CASINGS** 2148 watertight containers for 37 mm shells.
- **HOSPITAL WADDING** 1644 hospital waddings for field treatment or operations.
- **VICTORY BOXES** 156 weatherproof shipping containers.
- **AVIATION VESTS** 800 wadded vests for high altitude flying.
- **FIRST AID** 5336 individual kits with battle dressings and pills tablets.
- **COMMANDO BAGS** 900 weatherproof small-wall bags for shipment of bulk foods.

These items are only eleven important reasons why your servicemen need more pulpwood *now!* There are actually 700,000 items just as important and necessary. This is why America's farmers are giving every *extra* hour to the production of *extra* cords.

Don't Waste Any Time . . . Cut Top Quality Wood . . .

BRONSON MORGAN ELECTED

Bronson Morgan, prominent business man and civic leader of Jasper, is the new president of the East Texas Chamber of Commerce. He succeeds Joe C. Butler of Carthage.

Morgan was elected at a board of directors meeting in Longview April 23 at which time six vice presidents one from each of the six districts, were elected. They are: A. G. Hopkins Sherman, district 1; J. C. Judge, Mineola, district 2; L. C. Hunt, district 3; DeWitt T. Hicks, Waco, district 4; E. C. Durham, Lufkin, district 5; H. O. Womble, Caldwell, district 6. Hubert M. Harrison and C. A. Loftin were re-elected vice-president and general manager and treasurer, respectively.

The following were named as directors at large: Paul Carrington and A. H. Bailey, Dallas; Col. W. B. Bates and George A. Butler, Houston; Howard Grumley, Shreveport; and Dr. Paul L. Boynton, Nacogdoches.

Morgan is a partner in the firm of Morgan & Lindsey, owners of 69 variety stores in Texas, Louisiana, Arkansas, and Mississippi. He is also an extensive cattleman and has served during the last year as chairman of the forestry committee of the East Texas Chamber.

Resolutions were adopted expressing condolence because of the death of President Franklin D. Roosevelt and pledging support and confidence in the new president, Harry S. Truman; urging a sympathetic attitude on the part of Government toward business and the abolishment of government regulations and controls as rapidly as national security will permit; and commending the services of the retiring president. The board will be increased from 48 district directors to 72, if the membership approves by mail ballot the recommendation of the 1945 nominating committee as favorably acted upon by the directors and county chairmen.

The overall program of work of the East Texas Chamber was presented by vice-president and general manager and members of the staff.

Angelina county won the $300 war bond for the highest percentage of sales paid in cash to date among counties having quotas of $500 or more. His percentage was 180. J. M. Parchman, county chairman of Franklin county, with 140 per cent, won the $100 bond for counties having quotas less than $500.

144 STARS IN OUR SERVICE FLAG

One hundred and forty-four of our employees who formerly served you are now serving Uncle Sam. More are going all the time. We're proud of every one of them.

Many of these men were highly skilled linemen, serviceman and power plant employees whose services are sorely missed.

Their absence has left a gap in our ranks that has been impossible to fill because there simply aren't enough men with the necessary experience and electrical know-how available. Those who remain behind, however, are doing their best to maintain service at a high standard, in spite of the fact that in many cases one man must now handle the work formerly done by two.

Until we can welcome our fighting men back, our manpower shortage will probably remain acute. So, if occasionally, it takes a little more time than in the past to answer service calls, build new lines or repair storm damage, we know you will understand and make allowances. It's because the men we need to help speed the work are away helping to speed final victory.

Mrs. M. S. Hyde and sons visited her sister in Nacogdoches last Sunday.

Miss Hattie Jo Shillings of Baylor University, Waco, spent Sunday of last week in Marlin with her aunts, Mesdames Lydia Williford and H. G. Hudnell, who returned to Woodville yesterday.

The Homemaking class of the Baptist church was entertained at the Mrs. Joe Shillings home on Monday night. It happened to be the birthday of Mrs. J. R. McCombs, the beloved leader of this class, and the ladies surprised her with a shower of gifts. A colorful and delicious chicken salad plate was served and the individual cakes served were topped by tiny candles. A very enjoyable evening was enjoyed by 40 ladies.

Capt. Martin Nellius is home from Camp Polk to enjoy a 15-day furlough.

Next Sunday afternoon, the 3rd Sunday Singing Convention will be held in Warren and you are invited to attend. Leon Hatton urges singers to come early and attend the morning church service and stay for the afternoon.

Mrs. Don Phillips enjoyed a week end visit from her sisters, the Misses Nelwyn and Alice Green of Paxton.

We were glad to receive her week a card from Washington, D. C., telling us that Cpl. Robbie L. Loving is now Pvt. J/a Loving. His wife, Mrs. Annie Maud Loving resides in Sparger.

Judge J. S. Wilson was a guest of his cousin, Arthur Lee Smith on Friday night.

WOODVILLE NEWS

The Milton Winters family was made happy Thursday when Mr. Winters arrived home on the late leave from Camp Perry, Va. We were out collecting Friday morning and was delighted to see him. We were proudly shown his honorable medical discharge from Uncle Sam, as "not physically qualified for re-enlistment." Mr. Winters formerly had been in the Merchant Marines and had tried to re-enlist with them before his draft number came up, but failed. He says, however, it meant up my business, but I'm glad I went, and made the effort.

The seniors have no complaint to make of the crowd that gathered to see "The Nutt Family," Friday night. The auditorium was comfortably filled and the cast put on a good show which was enjoyed immensely. Prof. M. B.
