HOW MUCH LONGER WILL MY JOB LAST?

FROM NOW ON— AND I'LL TELL YOU WHY...

VICTORY PULPWOOD CAMPAIGN

PULPWOOD is a business with a great peacetime future. The pulp and paper industry hasn't any re-conversion problem. It can start in today producing the things all the civilians and returning service men are hungry for.

"And before we even get caught up on the back-log orders, the new uses that have developed during the war will be calling for more and more pulpwood."

"Your job is just as sure as any job could be, and if you have any friends getting out of the service or out of war plants, tell them there are plenty of jobs in pulpwood—healthy, outdoor jobs with good pay and as much security as you can expect anywhere."

VICTORY PULPWOOD COMMITTEE
