1. They pay for the care and cure of our wounded... supply the finest of medical... They help to bring our boys back home to pay for all the victrols of Victory.
2. Held by millions of Americans, Victory Bonds will provide a solid reserve of buying power to assure steady jobs for veterans.
3. Buying Bonds rather than paper goods helps keep the lid on prices... prevents inflation and its follow-up of depression.
4. Bonds form a reserve for future repairs and replacements... for modern buildings, improved roads, better homes.
5. They build dollars in store to pay for our children's education... right on through college.
6. E-Bonds return \$1 at maturity for every \$3 you invest.
7. They give security to enjoy later years with peace of mind.

Generous neighbors passed the hat and she was given a home with space for garden and chickens.
