MERRY CHRISTMAS TO ONE AND ALL

Wishful interests in others is the herald of happiness in Christmas. May each gift you receive be a love and devotion and blind the eyes of home and friendship more securely.

We for ourselves, we desire to express our appreciation for your best gift to us, a happy and wise and a happy Christmas. Whether you are on land or sea, or in the air with loved ones, at home or on the sea, may your Christmas be a happy one.

TIDINGS OF GREAT JOY

If we could have one wish this day it would be that PEACE really was all over the world, that all the old, young and others could have shelter, a warm, substantial meal, a bed to sleep upon and fire to warm their bodies and if we could would gladly die if it would bring these conditions to the world, but we cannot and so the smaller tasks which we can do and we are only permitted to do a part of the wishing that we wish.

Christmas Greetings

This first precious Christmas in four years brings many good reasons for rejoicing. Family circles made complete with loved ones back from foreign lands, Christmas lights twinkling again, and the promise of a new year to begin the life of youngsters. Glad faces with good food from a rich and unscarred land, but, most of all, that blessed feeling of peace and security and hope for the future that is now ours to enjoy.

Yes, this Christmas is indeed one to live long in memory. If our review is helping to make the occasion brighter and more enjoyable, we are glad.

Flavor where flavor counts

most ... on your pancakes

The flavor comes BETHLA with your pancakes... A unique when you add the BETHLA The Golden, delightful flavor of Johnnie Pancake Syrup to what makes it so popular. The Johnnie Pancake Syrup is a Maple, Maple flavor, and Johnnie Pancake Syrup is that old favorite, pure maple. The name, Johnnie, comes from the name of Johnnie's wife, Mrs. Johnnie, who is the only one in the world who has a name like that. Use Johnnie.
