Easter Sale of Seals

An even greater number of Texas crippled children are going to be given the chance to grow into healthy, normal citizens as the result of this year's campaign, to the thirteenth annual Easter Seal drive now in progress. The response to five million seals mailed to Texans in time for Easter and most generous in the story of the sale, according to Mrs. M. Hickey, executive secretary of the Texas chapter for Crippled Children, announced this week.

Proceeds from the Easter Seal sale are used in further assisting crippled children in securing medical care, training and rehabilitation to those who otherwise could not afford it. It is necessary work. The society also conducts a campaign for the prevention of crippling diseases. Every Texan who has not received a contribution for the seals is urged to do so at once and to use the seals on all packages and correspondence as a reminder to others of the necessary work being done for the less fortunate children in all communities.

Cooperative Americanism will preserve Democracy. This is the slogan of the Texas Press Association.

DO YOU KNOW that the parents in Cuellar are well afford to purchase small size of Hitchcock breed at the prominent and high school materials. No doubt the same situation exists throughout most of the nation. If there are a million of low who cannot afford these items it follows quite clearly there are plenty of unemployed with purchasing power that would be willing to assume the expense.

A GREAT MISTAKE! Before the Endangered, Maryland, Pacific and Marshall, because they failed to protect, have been covered by Communistic front dress and hanged from trees throughout this land. Was The American Legion formed to protect Democracy? If so we are afraid of being over run and be ordered, we are not the American nation we were. Don't let us fool ourselves by fooling the strength of the Communist parties in our midst. Take a look at what the highest strike did to America's largest city, note the throat that hung over New York when Mike Quill was ready to call a general strike, note the strength of brother Harry Hillman and Harry Bridges, referee week in office, investigations and records show that these individuals affiliations with Communist front organizations.

CANADA PLAGUED BY A WOMAN

Many people enjoy the fall season.

Photo is the case of the man who rushed into police office with a notebook he had found. He insisted that a certain Mr. B. was guilty. The chief agreed with him, but neither he nor the experts in Washington could find any evidence to justify the arrest.

Finally a young woman in the founding office made it clear to that phone. The line read, 1-2-3. Only she and Yours Cleaned it. It meant simply this. Your pair, part Two, care of eight and an off. Counterpoints.

TYLER COUNTY PLEDGE ALMOST ASSURED

Last week the Woodville Junior Chamber of Commerce, met to check on the money raised to ward the $10,000 quota for this county, and learned that $7,000 was already in hand.

This included a $2,000 subscription by Mrs. Ella Gonahee of Warren, and a $1,000 pledge by Mrs. O. W. Tubb.

The committee met three weeks ago at a dinner given by Mrs. C. C. Hopkins at Zion Land, her Woodville home, and accepted a goal of $10,000 for the Woodville zone. Members of the committee in commending on the report were optimistic over the prospects of exceeding the goal.

Roy Jeff Bird, pastor of the First Baptist church of Woodville, is gone southern Judge Tyler in 1910 to Woodville representative of the district white hospital steering committee. Other members of the committee were Mrs. M. Pendin, W. W. Pendin, Hunt Davis, M. M. Davis, Jack Baird and Mrs. Mattie Howell.

Included among the subscriptions subscribed were: L. M. Pendin $500; D. O. Hilton, $500; Judge Clyde T. Smith, $500; Mr. and Mrs. J. B. McGuire, $250; J. A. Baird, $200; High Davis, $100; Kern Bayer, $100, and Mrs. Dan Reid, Sr., $25.

Baptist churches inspired the following: Bleakwood, $300; Buckland, $100; Hillister, $50; Hopkins, $50; Fairview, $30; New Hope, $0, and Colmesneil, $15.

Pledges to the projected $600,000 Baptist hospital standard is $426,000 last week when an additional $26,000 was announced following a meeting of the six zone chairmen, according to John W. Newton, general chairman. This leaves $170,000 to be raised before the goal is reached for the hospital, to be located in Beaumont, put to serve southeast Texas, is reached.

MRS. DAVE WOODWORTH

Daisy Hawks, daughter of Mrs. [illegible] Hawks, and the late [illegible] Hawks was born on Tyler county, Sept. 7, 1891, and became the wife of Dave Woodworth, son of Mrs. Cleora Woodworth, of Texas, on Dec. 24, 1910. She was born [illegible] years, 9 months and [illegible] days old.

PULPWOOD is a Cash Crop... Harvest it now!

Pulpwood is a cash crop. It is also a continuous crop when your woodlot is properly harvested. No other crop is so dependable. The farm woodlots in our community are among the farmers' most valuable assets. They pay cash dividends regularly. Pulpwood, in peace as in war, is one of the most essential of all materials.

Now while prices are high is the best time to cut and prepare for the future of your timber stand. By taking advantage of the free advice of your county agent and foresters, you can get immediate cash from your pulpwood for needed farm repairs, new equipment, mortgage payments and new conveniences for your home and family.
