All the luxury of real coffee enjoyment in "CUP-TESTED" Admiration

The same experts who for years have tested ADMIRATION for all the fine qualities that have earned it distinction and the spotlight of public favor will "Cup-Test" all the coffees that make ADMIRATION so incomparably good. They "Cup-Test" it for flavor—stetious and smooth. They "Cup-Test" it for aroma—tempting and fragrant. They "Cup-Test" it for richness—mellow and wholesome. Tomorrow ADMIRATION will be just as generously good as it is today, in the traditional high standards that "Cup-Test" insure.
