Boath Creek

The river of water which flows through the heart of Tyler County, Texas, is a beautiful sight to behold. It is a source of pride for the people of the county and a source of life for the animals that live along its banks. The water is clear and cool, and the banks are lined with trees and shrubs. It is a beautiful sight to behold.

The water of the river is a source of life for the animals that live along its banks. It is a beautiful sight to behold. The water is clear and cool, and the banks are lined with trees and shrubs. It is a beautiful sight to behold.
