Texas New International Building

San Antonio, Texas, New International Building, first structure in the nation built expressly to house from 100,000 to 200,000 people. It is the largest of its kind in the world.

10 CHURCHES REPRESENTED BY PASTORS

Pastors and Helpers in Revivals Have Fellowship Meeting and Conference Tuesday

Twelve pastors and their helpers from ten churches in Tyler County met for a fellowship meeting and conference Tuesday afternoon at the Woodville Baptist church. The meeting was held in the church's new auditorium, which is being completed by the Texas New International Building company. The pastors and their helpers discussed the progress of the revivals and the needs of the churches. The meeting was held in the church's new auditorium, which is being completed by the Texas New International Building company.

Groundbreaking At Dam B Officially Set For September 12

The Board of Directors of the Houston Chamber of Commerce has set September 12 as the official date for the groundbreaking ceremony at Dam B. The ceremony will be held at the site of the dam, which is being built by the Texas New International Building company. The dam is one of the largest in the world and will provide water for irrigation and power for the surrounding area.

New Owners Doucette Mill to Make Boxes

The Doucette Mill, located in the town of Doucette, Texas, has been purchased by a new group of owners. The new owners plan to use the mill to produce boxes for the surrounding area. The mill is one of the largest in the area and has a long history of production. The new owners are excited about the future of the mill and the community.
