# PRESENTING THE Surprise Package of '57!

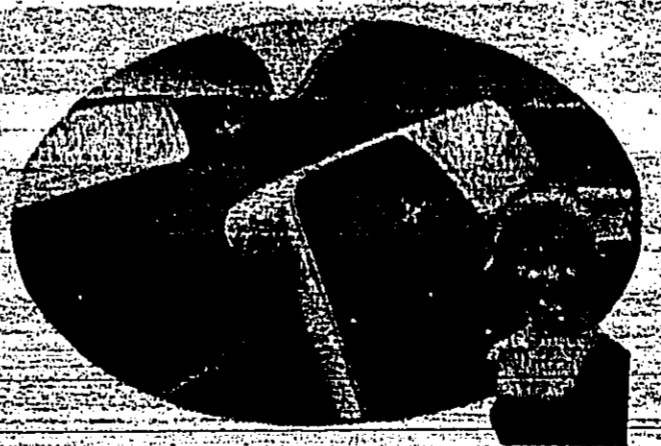

## THE NEW Pontiac is Completely New from Power to Personality!

From 100,000 miles of road tests, the '57 Pontiac is on display tomorrow! A brief once-over of Pontiac's sleek new lines tells you you're in at the start of a styling revolution. And that sleek line conceals a parload of engineering "tricks" that will work perfectly in the toughest test ever made. The '57 Pontiac pounded the road through 100,000 miles of road tests through it all. Pontiac engineers refined and perfected every inch of this great car. The new Pontiac's big, new power plant even more than its predecessor, the engine that set over fifty new records and led all night in miles per gallon! They perfected a new suspension system, new springs and new Strato-Ride shock absorbers to give you the smoothest riding car ever made—and a new car over to hit the road. The '57 Pontiac. Sample in a single mile. It's been proved by 100,000 miles of road tests.

### AND THE FIRST CAR AT ANY PRICE WITH

- STAR FLIGHT BODY DESIGN**—A Pontiac Ex-Whisper—longer and lower than ever before—the year's most distinctive new silhouette styling.
- NEW INTERIOR STYLING**—with "THE OFF-THETHE-SHOULDER" look—a leather "line" for '57—perfectly color-matched with the exterior of your choice.
- NEW STRATO-RIDE V-8—230 H.P.**—in the Chief and Super Chief 234 h.p. in the Chevrolet and another Star-Flight Hydra-Matic.
- CLOUD-SOFT, LEVEL-LINE RIDE**—the 1700 lbs. weight of the year—a new suspension system based on a 124- or 128-lb. wheelbase.
- THREE POPULAR PRICED SERIES**—Star Chief, Super Chief, and Chevrolet.

### But Never Me!

When we read in the papers of an accident, when we learn of a friend's misfortune, how often do we say "That might have been me?" Hardly—we'll wager. We think of it, but we don't think of it in the face of the law of averages. But it never hurts to think! If an accident kept you from working, how would you get the money you need for medical, surgical, hospital and living expenses? Personal Accident Insurance helps pay such bills. Let us give you details.

## COLOR COMES TO TELEPHONES

Color comes to telephones in the form of a new type of telephone which is being used in many parts of the country. This new type of telephone is called a "color telephone" and it is a real improvement over the old type of telephone. It has a color screen which shows the caller's face and the person being called can see who is calling. This is a great convenience for many people, especially in business offices and homes where there are many people. The color telephone is also a great help for the hearing impaired, as they can see who is calling and what is being said. This new type of telephone is being used in many parts of the country and it is a real improvement over the old type of telephone.
