

# VISIT YOUR PUBLIC SCHOOLS DURING PUBLIC SCHOOL WEEK

THE WEEK OF MARCH 3-7 HAS BEEN DESIGNATED THE EIGHTH ANNUAL PUBLIC SCHOOLS WEEK IN TEXAS.

By proclamation of Governor Price Daniel, the eighth annual Public Schools Week in Texas will be observed March 3-7. The objective of this particular observance is to acquaint all Texans with the programs and accomplishments of our public educational system. To attain this the citizens of every community need to visit the public schools to gain first-hand an insight into the contributions the schools are making toward the development of future worthy citizenship, and the preservation of democratic principles.

The following agencies and organizations have endorsed the special observance, proclaimed by Governor Daniel:

- The Texas Citizens Committee
- The Texas Education Agency
- The State Board of Education
- Texas Congress of Parents & Teachers
- Teachers of Texas
- University of Texas

## LET'S GO BACK TO SCHOOL...

...if only for a day. Do you remember the smell of chalk dust when the black boards were erased? Or the mixture of odors coming out of the chemistry laboratory? The sound of marching feet on the way out to recess? The sing periods? And the flag ceremonies on occasion? Well, you can experience all of this again during Public School Week. March 3 through 7, Public Schools will hold open house during the week. You will be made welcome. So let's make a date now to go back to school... if only for a day.

## DO YOU REMEMBER?...

When you took a class apple to school for the teacher? Or the first flowers from Mother's garden? Yes, those were the good old days. But to the youngsters of today they are the same days... different only in individual perspective. You can join with the youngsters of your neighborhood and visit the nearby public schools during the statewide observance of Public Schools Week. You will be welcome. Yes, your neighborhood school invites you now to its open house.

**PUBLIC SCHOOLS WEEK IS HERE AGAIN.** For the eighth year, public-spirited citizens of Texas have sponsored this week. Its purpose is to bring to the attention of everyone the fact that the Public School is "Democracy in Action." All the schools are holding open houses this week. Take advantage of this opportunity to see just what the schools are doing. They are teaching Democracy. Visit these schools this week and see Democracy in Action.
