the Sharp Trader buys at better than wholesale

...because he buys where his bread is buttered

A REAL sharp trader doesn't need "connections" or "special discounts" or get along, or any other gimmick to get what he buys at BETTER than wholesale.

Maybe you think we're kidding?

Not at all. It's a fact. When you BUY in the community you LIVE in, you know that every cent you pay for goods and services above wholesale cost stays here at home with you. By staying here, it can get around to buying MORE good things for you and your family.

It's trading material and TRADE ALONE builds communities with better opportunities, better schools, better churches, better neighbors.

Any ONE of these advantages could bring you returns beyond measure in a BETTER LIFE, as well as real CASH returns in the form of increased business.

That's how the SHARP TRADERS get BETTER than wholesale values.

WOODVILLE FIRMS ARE THE ONLY BUSINESS ESTABLISHMENTS IN THE WORLD WHO ARE GENUINELY INTERESTED IN THE FUTURE OF THIS COMMUNITY WHERE YOU MAKE YOUR LIVING.
