Homecoming At Colmesneil Set Saturday

Several hundred ex-students and former teachers of Colmesneil high school will return Saturday for the annual homecoming.

The program for the day's entertainment starts at 3:30 p. m. with a parade. Following the parade the Parents and Teachers of Colmesneil will serve supper in the school cafeteria from 4:15 until 5:45 p. m.

The business meeting and program for the ex-students will be in the high school auditorium from 6:15 to 7:15 p. m.

One of the best football games ever played in Colmesneil will be a feature of the homecoming. The Colmesneil Bulldogs and the Hemphill Hornets will meet at Colmesneil Stadium at 8 p. m. that night in what promises to be a thriller for the exes.

A special invitation to all ex-students to come and root for the Bulldogs has been extended.

The homecoming queen, to be selected from the four high school girl candidates, will be crowned at halftime at the game.

Every one is urged to plan to be in Colmesneil October 5 for the homecoming program and football game.

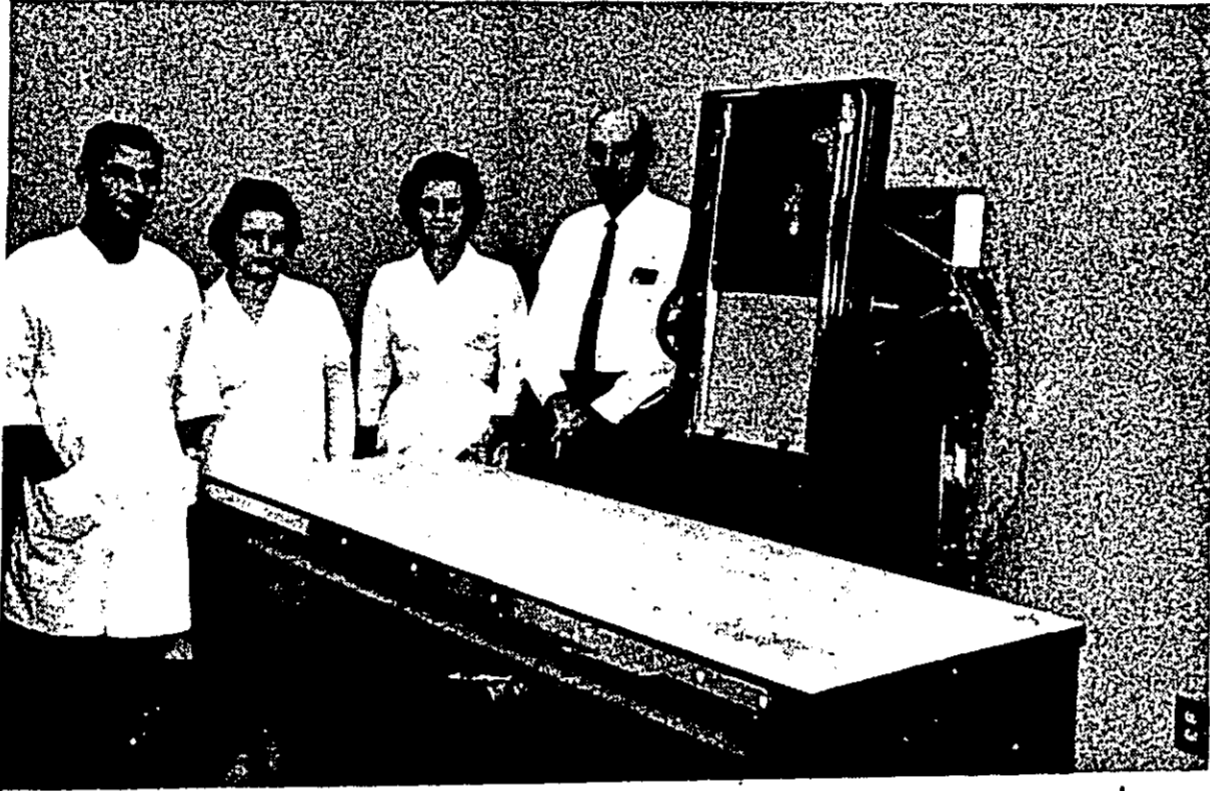

Spurger Sets Homecoming

Homecoming at Spurger was set for October 19 at a recent meeting of the Ex-Students Association.

Current officers of the group are Eugene Hicks, president; Mrs. Eugene Hicks, secretary; Mrs. Henrietta Gallaska, treasurer; and Michael Minter, program chairman.

Committee chairmen named to serve for the homecoming are Mrs. Norman Odom, decorations; Mrs. Jesse Collins and Mrs. Jim Hicks, coronation; Mrs. Robert Ramer and Mrs. Carl Redman, refreshments; Don Mathews, publicity; the Lions Club, hospitality. The Home Economics Department and Mrs. Bob Jordan, sponsor, will be in charge of the evening meal.

The homemaking queen, who is to be chosen from the junior and senior girls, will be crowned between halves of the basketball game. Coach Jackie Crawford's boys and girls teams will play the teams from Douglas.

X-RAY ROOM—Clay Miller, Mrs. Maxine Cards, Mrs. Estelle Ling and Eldon Easley shown with new x-ray machine.

Hospital X-ray Unit to Provide Better Service

The x-ray room in the new addition to Tyler County Hospital will go into use next week, and will enable patients to have the complete "upper GI" x-ray and fluoroscope examinations made here, Eldon Easley, administrator, said today.

A visiting radiologist will be in the hospital each Tuesday to assist local technicians and to read the x-rays. This will enable local patients to have examinations on Tuesdays and receive a report on them later the same day, Mr. Easley said.

The new x-ray room is equipped with a larger x-ray machine, has a darkroom with equipment to develop the larger negatives, and is lead-lined to protect other areas from the rays.

Mr. Easley said the x-ray room was equipped at an outlay of over \$15,000, including trade-in of old equipment. It is a part of the improvement program at the hospital, which includes the addition of two new wings.

Clay Miller is technician at the hospital. His assistants are Mrs. Maxine Cards and Mrs. Estelle Ling.

Mr. Easley said that the new x-ray equipment will save patients both time and money by being able to have examinations made and completed here rather than having to make a trip to Beaumont or elsewhere, and then having to wait for reports.

Rat Eradication Plans Made For Scout Drive

Saturday is the final day to turn in orders for rat bait in the Tyler County rat eradication campaign, Clinton Currie, Tyler County Agricultural agent, reminded farmers and ranchers today.

Rat-bait is available through stations throughout the county. Orders for the bait must be left at one of the stations before October 5 and the rat bait can be picked up at the same station the week of Oct. 14-19.

The bait is three pounds for \$1.00. The bait is not harmful to pets.

Mr. Currie said that the rat population can be controlled with an extensive sanitation program and the use of anticoagulant baits. Rats are one of the most destructive and dangerous pests to have around the farm, Mr. Currie pointed out. They contaminate stored grain, exposed food and feed, will kill poultry and young livestock, and can start fires.

Diseases such as leptospirosis, contagious abortion, trichinosis, distemper, atrophic rhinitis, typhus, plague, food poisoning and rat-bite fever are carried from place to place by these pests.

Once the rats have been eliminated by strict sanitation and use of rat-bait extensively, a small number of permanent baits and continued sanitation will help prevent reinfestation.

Stations at which orders for bait may be turned in before October 5 are:

Hutto's Grocery, Warren
Fred Grocery, Fred
J. W. Foxworth, Hillister
Spurger Mercantile Co., Spurger,

Plans for the annual Boy Scout fund drive in Tyler County were discussed at a meeting Monday night at Camp Urand.

THREE GRID GAMES SLATED IN COUNTY

Three football games will be played in Tyler County this week end, with one team—the Kirby High School Eagles—on the road. The Eagles go to Sour Lake.

The Warren Warriors will be at home to Hardin. New Caney will play at Chester. Both of these games are on Friday night.

Colmesneil will have its annual ex-students homecoming on Saturday, with a football game Saturday night between Hemphill and the Bulldogs being one of the main attractions.

The game at Chester will start at 8 p. m. Warren's game is 7:30. At Colmesneil Saturday night, game time is 8 p. m. At the half the homecoming queen will be crowned.

In last week's games, the county teams won two, lost one and tied one.

Woodville went down, 8-0, before a heavy Little Cypress team. Warren defeated Kountze, 13-0, to spoil the Lions' homecoming Saturday night.

The Chester Yellow Jackets won at Lovelady, 18-14, while Colmesneil was tied by Splendora at 22-all.

Dean's General Merchandise, Colmesneil,
H. W. Lewis Grocery, Chester,
Tolar's Discount Center, Doucette,
Farmers Feed and Supply Co., Woodville,
C. A. Williams Sporting Goods and Cafe, Dam B.

George Scott, representative of the Trinity-Neches Council of office in Beaumont, discussed the fund solicitation plans with the community chairmen, H. G. Sutton of Colmesneil presided.

Proper use of prospect lists and use of pledge cards were explained by Gilbert Wright.

Dates for kick-off breakfasts in the communities were set.

Each community's fund chairmen and leaders will meet prior to the kick-off breakfasts to plan the solicitation which will follow the breakfasts.

The kick-off breakfasts are held for the teams of workers who will be given cards of prospects. The Scout fund drive is planned to be completed in one day, beginning immediately following the kick-off breakfast in each town.

Tentative dates for the kick-off breakfasts in each town are:

Spurger, October 21 at 7 p. m. Spurger is the only community with an evening "breakfast", set to coincide with the meeting of the Lions Club there;

Warren, October 19, 7 a. m.
Colmesneil, October 19, 7 a. m.
Woodville, October 22, 6:45 a. m.

Representing the various towns at the meeting Monday were Bill Boyd and Billy Wiggins, Warren; Mrs. W. L. Job, Hillister; E. C. Harden and Kenneth Brown, Colmesneil; Travis Scott, Spurger; Rev. Wayne Odom, E. H. Miller, Phil Womack and F. W. Bennett, Woodville.

Lee Teson, camp ranger at Urand, also attended the meeting.

James A. Smith, Jr. of Groves visited his parents, Mr. and Mrs. James A. Smith of Dam B.

Miss Lavelle Miles, daughter of Mr. and Mrs. Otho Miles, was crowned football sweetheart Friday night at the half time when the Eagles played Little Cypress. A senior student she is a cheerleader.

GIFT SHOP TO OPEN

Bernice's Corner Shop will be open for business Tuesday, Mrs. Joe I. Best, owner, announced today. The shop will have an open house from 3 to 5 p. m. Sunday.

Football

By Larry Wilkinson

The Warren Warriors went to Kountze and returned with their second scalp of the season. The Warriors scored the first touchdown in the first quarter when linebacker Glenn Phillips took the ball away from Lion quarterback Randy Martin and ran 80 yards. The remaining time during the first half was spent between the 20 yard lines. The Warriors drove once and were stopped by a fumble. The Lions also drove but were stopped by the clock. The second half was all Warren as the Warriors moved the ball on several occasions but could not punch the ticket. The Warriors began to roll near the end of the 3rd quarter, with Williford rolling around end and Phillips tearing off tackle, the Warriors scored with 4:44 remaining on the clock. The Warriors moved well all night, only fumbled and the clock prevented a higher score. I. T. Williford's 105 yards and Glenn Phillips 109 yards were considerably more than Kountze total of 87.

Defensively the Warriors were never slack and the Lions did not put more than two first down at any one time.

Kountze	Warren
8 First Downs	15
87 Yards Rushing	233
40 Yards Passing	32
5-14 Passes Compl.	3-17
1-5 Penalty	1-5
Leading Rushers	
Tate 53 yds	Williford 105 yds
Richardson 22 yds	Phillips 109 yds

The Kirby Eagles were out weighed, out gunned but not out fought. The Eagles were out weighed 23 lbs. to the man in the line and 16 lbs. in the backfield. With these disadvantages the Eagles never gave up. Halfback Billy Jones and Fullback James Bibbo were chiefly responsible for the offensive damage of the Bears. The two spear-headed a Bear offense the was stopped twice by interceptions and once by fumble. The Eagles were alert and played and outstanding defensive game but were simply out gunned, for the weight told the story when the Eagles were on the attack. The Eagles have nothing to be ashamed of.

Little Cypress	Woodville
15 First Downs	3
215 Yds Rushing	52
22 Yds Passing	38
Passes Compl.	1-9
6-60 yds Penalties	3-20yds

STRIKE and SPARE

by Larry Wilkinson

The Pens were really falling in the Pineywood League, Monday night. The Millmaster's propelled by Luther Norton 541 and Noel Adams 506 took 4 from John's Restaurant. Jarrott's Drug won 3 from Title Insurance with help from Roger Russell 212-549 and J.D. Vinson 521. Ogdan Chevrolet took 4 from Ferrell's Ole Pro's. Tyler County Survey won 3 from Rainbo Bread despite a 540 by Buddy Ward.

September 25th will always be a special day in the life of Beverly Cole as she binged out a fine 204-540 for her first 200 game and 500 series in league play. Beverly paced Ideal Sunbeam to a 3 to 1 over Cottage Gift Shop. Farmers Feed and Colmesneil Rainey's Insurance fought to a draw. Letty Robinson led Farmers Feed with a 525 series. H. L. Rainey Insurance beat Sturrocks Stragglers 4 to 0.

Howard Motor Co's 4 game win over Clayburn Tile highlighted action in the Dogwood League. The Tossettes paced by a 523 by Josie Reid took 5 from Woodville Florist. Richard Electric and Letty Robinson 489 split with R. L. Stephen's Lumber Co. and Melba Stephens 501.

Tyler County Motor Co. led by Harriet Stutts 518 and Josie Reid 511 won all 4 games from Clemons Insurance. Rainey Insurance of Warren won 3 from Air Control despite a fine 535 by Fredia Colbert. Chester State Bank won 4 from Tolar Washateria.

The following ladies are worthy of mention for picking up one split or more in league play. Harriet Stutts, Betty Job, Odessa Rest, Juanita Fortenberry, Gloria Childress, Melba Stephens, Shirley Bailey, Berna Allen and Letty Robinson.

cause his waterways are not so crowded, and too, he has found that with a little care he can make his fishing pay.

The bass fisherman has his own pet lures for this time of year, and the spin fisherman knows that small lures and spinners will produce panfish such as bream and channel catfish. For that more serious sport of trotlining, there's a bait that causes anglers to lie awake at night and feel the pull of several channel catfish on one trotline.

Some joker is forever telling fishermen what to put on their hooks to produce fish and each of these formulas is supposedly "sure fire"—and perhaps there's a good reason.

Early Fall is not really a season, it's that time of year that is merely a state of mind. It's catfish time, and trotliners know that early morning and late evening produce—with care.

REVIEW PLANS—These members of the Chester Chapter of the Young Homemakers of America are reviewing final plans for the Area IX meeting which was held in Nacogdoches September 23. From left they are Mrs. Donald Woodrome, Mrs. Wilburn Neal, Mrs. James Seamans, Mrs. Billy Blalock and Mrs. Ray Trammel. (Story on page three).

READING CLUB MEETS WITH MRS. MCCOMBS

Mrs. J. Robert McCombs was hostess to the Womens Reading Club on Tuesday, October 1st with Mrs. Clyde E. Smith, presiding. Club projects for the year were voted on. Mrs. David Pate presented Mrs. Gwen Hanson, home service advisor for Gulf States Utilities, who gave a most interesting talk on outdoor living and garden lighting, illustrating with beautiful color slides. A social hour followed the program. The next meeting will be held October 15th in the high school auditorium.

ATTEND OES GRAND CHAPTER.

Among those who attended the Grand Chapter O. E. S. in Dallas this week were Mrs. Rupert Childress, Mrs. Paul Walker, Mrs. Howard Riley, Miss Ruth Gillespie all of Woodville, Mrs. Leal May and Mrs. Kitty Wallace of Rockland.

RURAL FIRE TRUCK GETS PUMP—The rural fire fighting truck of the Woodville Volunteer Fire Department has been equipped with a pump (above front bumper) and now needs piping connected to make it operable. The firemen still need donations to help finish paying for the equipment.

By Mrs. Maurine Mooney

TYLER COUNTY RECREATION WORKSHOP

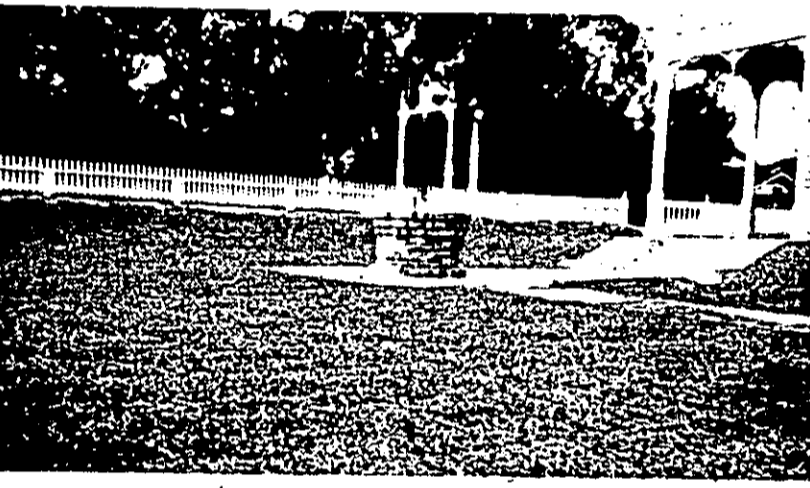

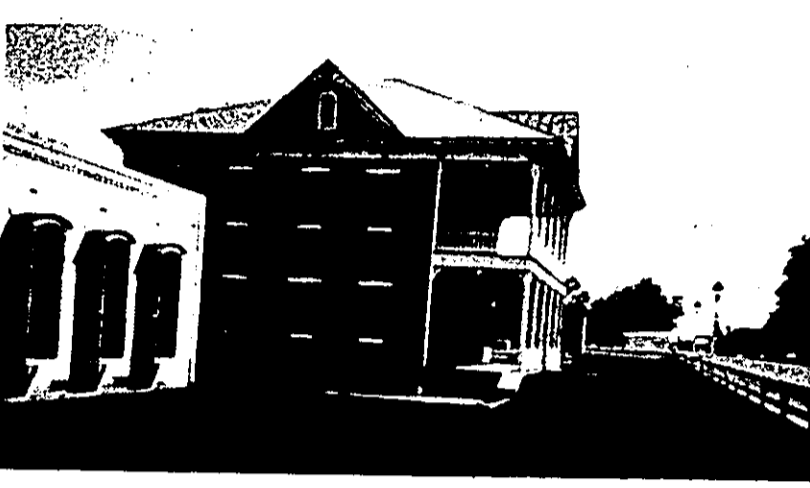

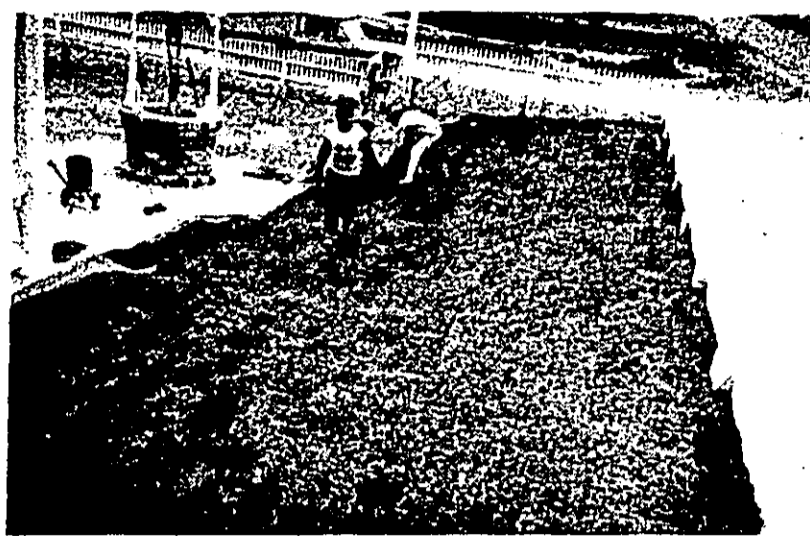

On Monday and Tuesday, October 7 and 8, a workshop will be held at the Woodville Methodist Youth Center to teach methods of leading recreation such as new games to play, how to plan for social activities in the church, community, school, or home. Miss Lucille Moore, extension specialist in recreation, will conduct the workshop with the cooperation of Tyler County Extension Service personnel. All 4-H Club members age 13 and above, 4-H adult leaders, club recreation leaders, youth leaders in churches, and other youth representatives are invited to attend both meetings. You'll have fun and learn new songs, new games, new ideas for use anywhere.

DON'T BURN THOSE LEAVES!

Don't burn those autumn leaves! They're just the thing for a compost pile. Soil specialists in the U.S. Department of Agriculture say that many homeowners throw away valuable materials that could be saved for use in improving their soil. Leaves, grass clippings, old tomato plants, bean vines, even weeds can be turned into fertilizer for next summer's gardens. Such materials, after they have wintered in compost, make excellent organic matter. Compost, spread around trees and shrubs and worked into the soil in flower and vegetable gardens, makes the earth rich and porous. It loosens the ground so that roots can develop naturally, and air, moisture and plant food can penetrate easily. Here's how you go about making a compost pile. Select a spot at the back of your lot, yet within reach of your garden hose. (That's because the pile should be kept moist.) Use ordinary wire fencing or boards to enclose an area 3 to 8 feet high and 3 to 5 feet square. Dump leaves, lawn clippings and garden trash into the bin in layers 6 to 12 inches thick. To each layer add some commercial fertilizer (whatever you use on your lawn and 1/2 layer of soil. Moisten the leaves as they are added. Keep building up the pile as you accumulate material. Top with 1 to 2 inches of garden soil. Remember to keep the compost pile damp. If the pile is kept reasonably moist and has a cap of garden soil, it should have no odor. And, by May or June, last year's leftovers will be ready to perform springtime magic in your yard and garden.

LARGE NUMBER FROM COUNTY ATTEND OPEN HOUSE FOR LBJ

Tyler County was well represented Sunday at the open house for Vice-President and Mrs. Lyndon B. Johnson which was held at the Jasper County farm of Congressman Jack Brooks. The Kirby High School Band was one of three area bands furnishing music for the occasion.

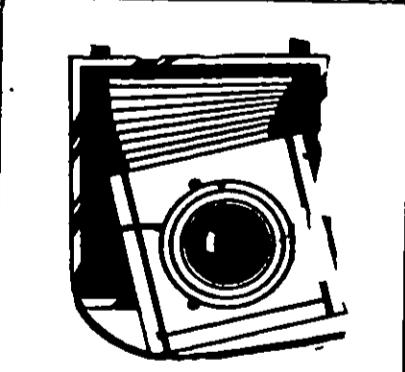

SHIVERS LIBRARY GROUNDS BEING LANDSCAPED—Here are views of the grounds of the Shivers Memorial Library which the Thomas Nursery is landscaping. In the top photo workmen are laying squares of St. Augustine grass. In the center photo is a view of the grounds looking south, and the bottom photo is a view of the south side of the grounds showing the wishing well

OFFICERS NAMED FOR KIRBY HIGH SCHOOL FHA

Officers chosen to head the Kirby High Chapter of F. H. A. for the coming year are as follows: President, Lavelle Miles, vice president, Janis Sturrock, 2nd vice Jan Vinson, 3rd vice president, Janice Richardson, 4th vice president, Barbara Evans, 5th vice president, Ann Minyard, Secretary Betty Blohm, Treasurer, Blanche Ristinger, Historian, Linda Williams, Parliamentarian, Linda Read.

The first F. H. A. meeting was held Tuesday, Sept. 24, in the Kirby High Auditorium. Lavelle Miles presided and new freshman members were recognized. Jan Vinson gave a report or junior, chapter, and state degrees. Janis Sturrock, program chairman, outlined the years coming programs. Janice Richardson reported on projects to be attempted. Chapter beads and mothers were elected. Beaus for the coming year are to be Ray Daigle and Bobby Joe Greer. Mothers are Mrs. Ona Minyard and Mrs. Dorothy Ristinger. Mrs. Marian Tidwell and Miss Shirlene Cruse are the chapter sponsors.

The program presented at the meeting was a play entitled "The Values of Homemaking."

COUNTY AGENT'S NOTES
by
Clinton Currie

Within the last week we have had screwworm cases reported in counties that have not had any known cases since early summer. We have had rain over a large portion of the state. Weather conditions are favorable for an increase in the screwworm fly population. The above is the situation that faces our Screwworm Eradication Program at this time. We are virtually at the crossroads in this program.

The next 60-90 days will be critical as far as this program is concerned. The plan of action of the eradication officials is greatly dependent upon the worm samples sent in for identification and other reliable reports on location of screwworm cases. Producers can make a tremendous contribution by following good livestock management practices, such as spraying programs, prompt doctoring of wounds that might draw screwworm flies, etc.

During the week September 15-21 Texas had 63 cases of screwworms samples sent in and during the same time last year 1,118 cases were reported. During the same week 109,210,250 sterile screwworm flies were released.

Broiler placements in Texas during the week ending September 21 totaled 2,090,000, according to the Texas Crop and Livestock Reporting Service. This is a decrease of 5 percent from a week ago and 1 percent below last year at this time.

Finished broilers averaged 14.2 cents per pound, an increase of 0.2 cents from the week before. The average a year ago was 16.5 cents per pound.

Jimmy David Spurlock, president of the Tyler County Young Farmer Chapter, asked that I remind you of the meeting on October 7 at 7:30 p. m. at the Vocational Class Room in Woodville. The program will be "Dry Lot Feeding of Calves" given by Dr. John Nance from Sam Houston State College, Huntsville. Everyone is invited.

SQUIRREL HUNT SET IN
NEWTON WILDLIFE AREA

TYLER—There will be a public squirrel hunt on the Devil's Pocket Wildlife Area in Southern Newton County from October 18 through October 22, it has been announced by region three office of Texas Parks and Wildlife Department.

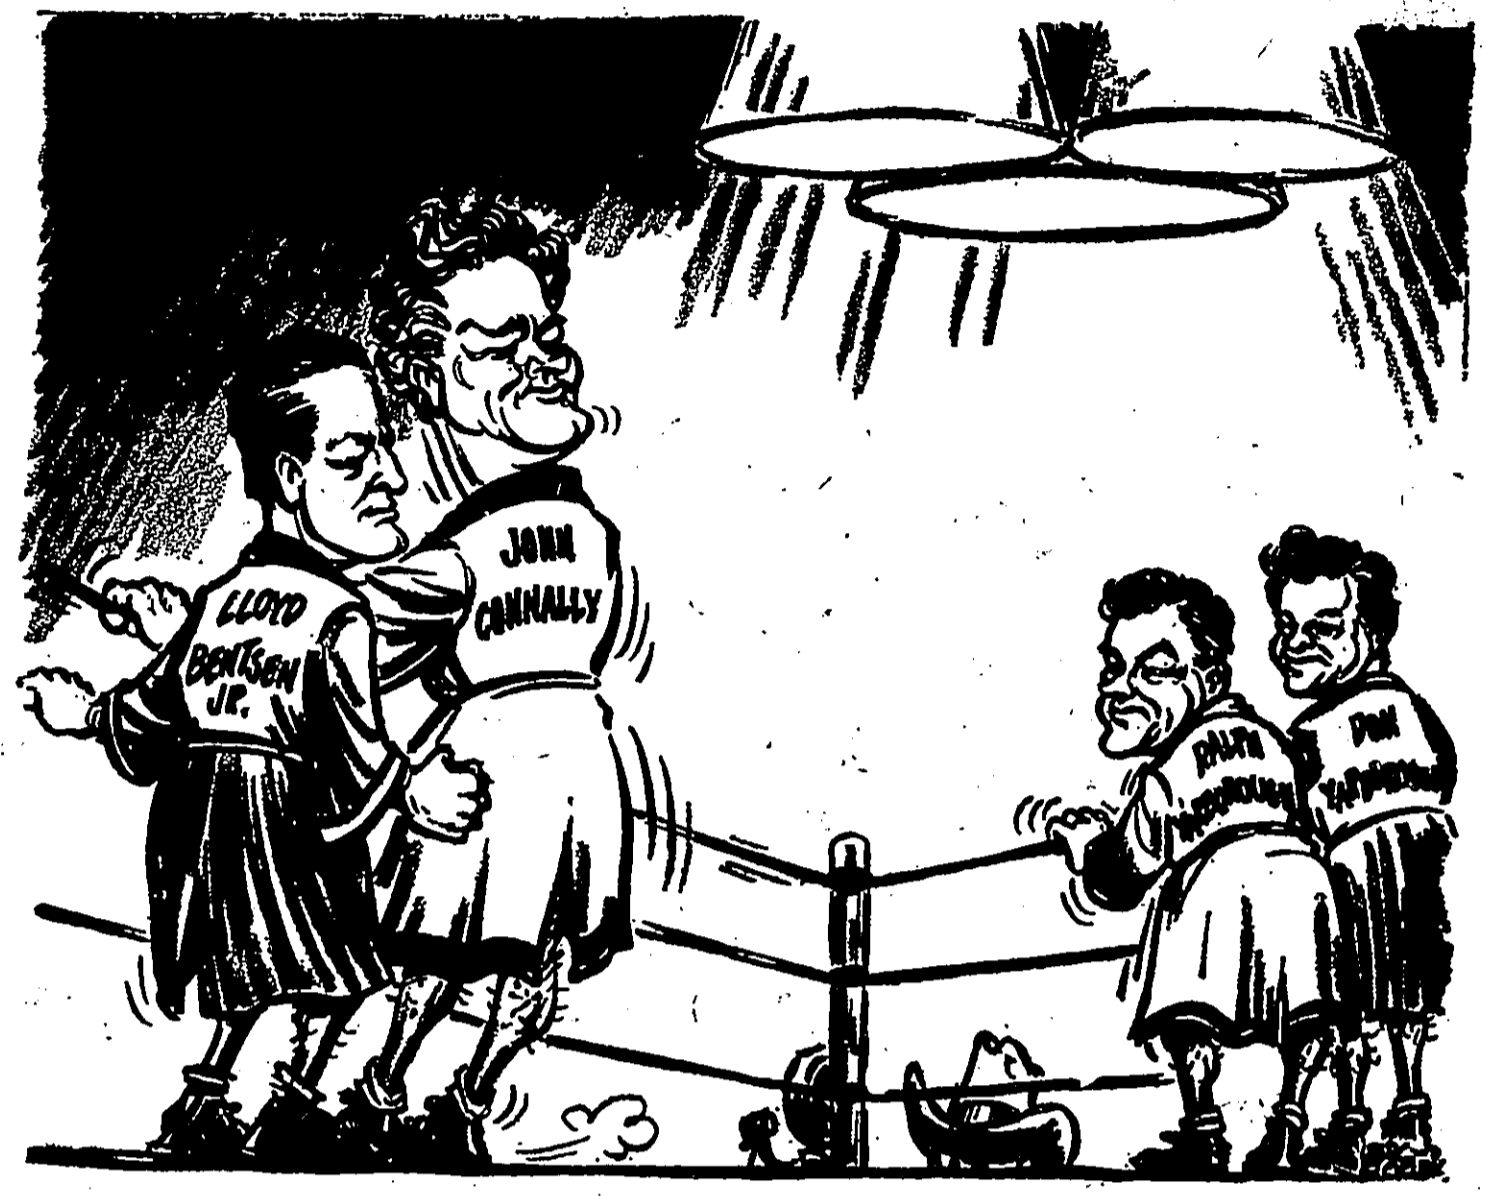

Biologist Charles Boyd states that persons wishing to hunt may make application by telephone from 8 a. m. until 5 p. m. on October 16 and 17.

The telephone number in Buna is WYdown 4-3131.

A public deer hunt will be held November 30 through De-

MAIN EVENT—1964?

Dallas News Staff Cartoonist

ember 9 on the Moore Plantation Wildlife Management Area in Sabine County.

Biologist Charles Boyd says that persons wishing to hunt should write the Parks and Wildlife Department in Austin and request application blanks. All applications must be filled in and returned to Austin by October 30 in order to be eligible for the drawing. Persons hunting will be allowed two days each.

Plans are being made to take some antlerless deer, but final determination as to sex will be made prior to the admittance of hunters on the area each day.

KIRBY LUNCHROOM MENU
Monday through Friday, Oct. 9-13

MONDAY
Best Ever noodles with meat and tomato sauce, buttered corn, turnip greens, cornbread, white enriched bread, butter, milk, pineapple pudding.

TUESDAY
Franks with mustard, chile con carne, pinto beans, cabbage and apple salad, buns, bread, butter, milk, frosted cake.

WEDNESDAY
Braised beef and gravy, steamed rice, green beans, carrot and raisin salad, rolls, white enriched bread, butter, milk, peanut butter and honey.

THURSDAY
Sliced luncheon meat, cheese slices, chuckwagon beans, lettuce and tomato salad, whole wheat or white bread, butter, milk, strawberry cake.

FRIDAY
Fish patties, catsup, cheese strips, cold potato salad, blackeye peas, cornbread, butter, white enriched bread, milk, apple cobbler.

FARMHOUSE WITH OFFICE

This convenient frame house has special features that will appeal to the farm family.

Clinton Currie, county agricultural agent, says the small office near the front door makes a good place for farm business transactions and record keeping.

Room sizes and storage spaces are generous. A laundry center,

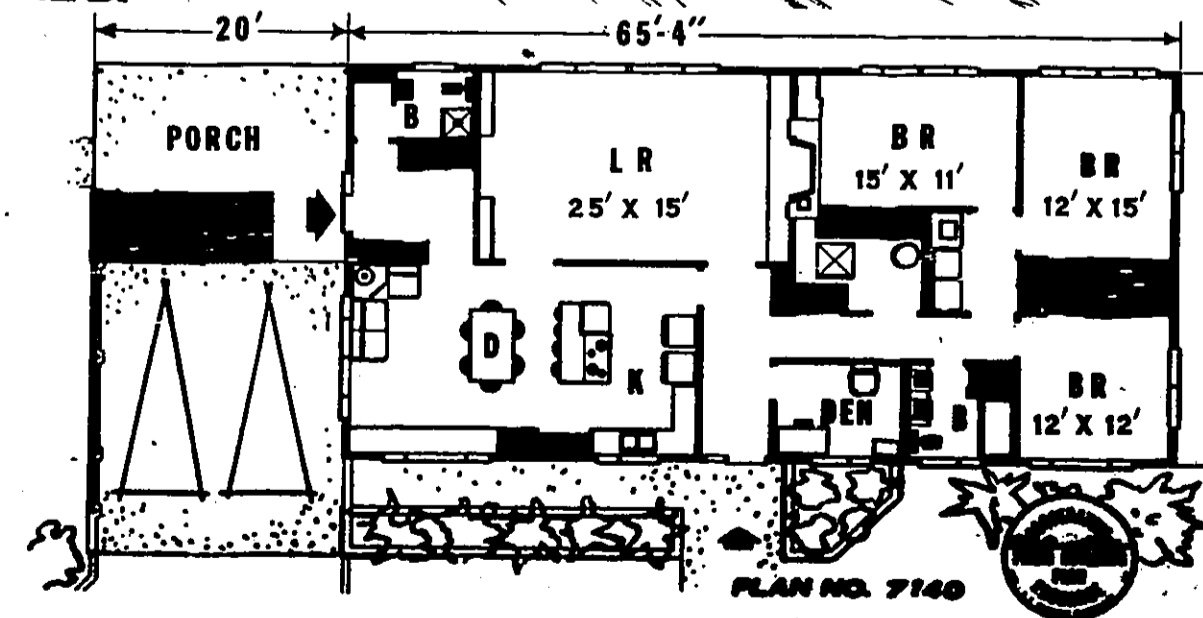

located next to the sleeping area, is convenient to the source of most soiled clothing and linen.

The storage room off the carport may be used to store lawn furniture and garden tools. You may screen the paved porch if you wish.

The house is arranged so that the homemaker can easily super-

vised activities in the dining and family areas while she works in the kitchen.

You can get the working drawings, developed by the U. S. Department of Agriculture, to build this house. Call your county extension service office and ask for Plan No. 7140. The complete set of blueprints are free.

ARTICLE OF AGREEMENT

between Elizabeth Lea and Matthew Slater:

It is this day agreed between Elizabeth Lea and Matthew Slater as follows, to-wit:

The said Elizabeth Lea upon her part agrees and hereby rents and leases for the term of one year unto Matthew Slater her tavern house together with the fields, all houses, outhouses, stables, etc., belonging thereto situated in and adjoining the Town of Woodville in said county of Tyler and she further agrees and binds herself to repair and put in order the fence enclosing the above mentioned field and to put certain repairs and work upon the tavernhouse, to-wit:

To have two doors made, having the one at the entrance from the upper gallery and the other at the doorway of the room to the left of the stair case leading to the second story, also to divide by partition the room over the dining room into four bedrooms, which said work she is to have done within a reasonable time taking into consideration the delay of obtaining lumber and procuring workmen for the purpose.

Matthew Slater agrees upon his part to pay the said Elizabeth Lea the sum of Three Hundred Dollars for the use, occupation and enjoyment of the above mentioned premises to be paid as follows to-wit: The said Slater executes and delivers to the said Elizabeth Lea his promissory note due and payable on the first day of January 1857 for the sum of One Hundred and Fifty Dollars and binds himself to procure and place in the windows of the tavernhouse the necessary sash ready glazed to wit: the sash necessary for 28 windows which said sash are valued at 60\$ and the said Slater also this day executes and delivers to the said Elizabeth his promissory note due and payable the first day of January 1858 for the sum of 90\$, the balance due after allowing 150\$ and 60\$ for sash and it is agreed that in case the sash should cost more than the amount estimated above to wit 60\$ the said Elizabeth shall refund the excess and if the same should cost less than that the said Slater shall pay to the said Elizabeth the amount of deficit and the said Slater binds himself to return the above premises in as good order as when received. The above term commences on the first day of January 1857 and terminates on the first day of January 1858.

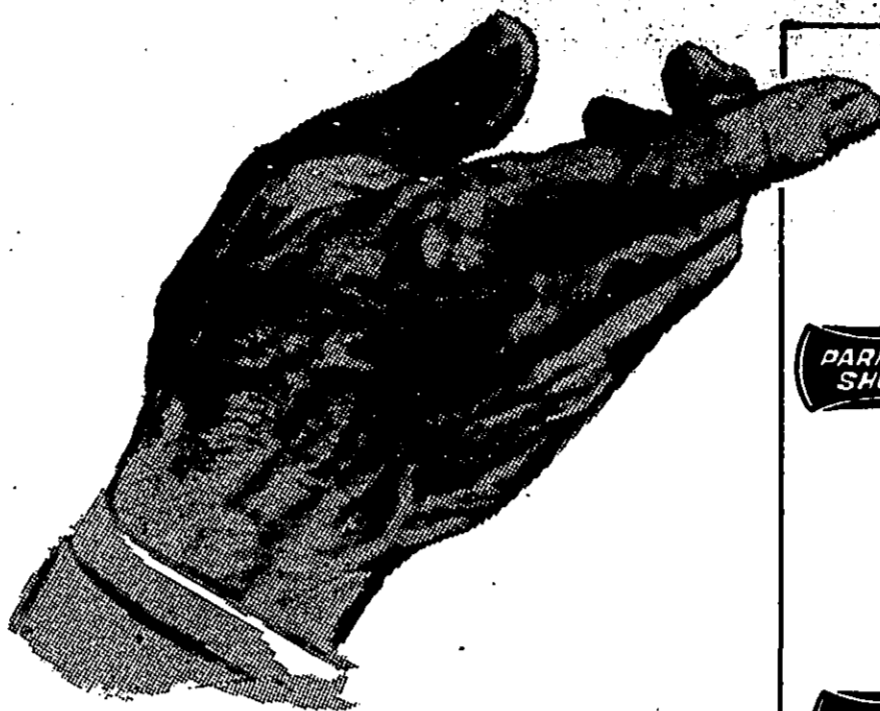

Matthew Slater
Elizabeth Lea

Sworn to before Phillip A. Work,
Notary, Dec. 13, 1856.

(Phillip A. Work became a colonel in the Confederate Army and commanded the Texas Brigade at Gettysburg).

Capt. and Mrs. James A. Evans and children of Lawton, Okla., are spending some time with his parents, Mr. and Mrs. May Evans and other relatives.

**HAVE YOU
GOT THE
COMPLETE
PICTURE?**

**you get more
than you pay for
when you...**

SHOP AT HOME

What you **PAY** for when you shop at home is

MERCHANDISE... and for this you'll never pay more (and

often less) than elsewhere. The big difference

(in your favor) is this: With every purchase that you

make at home you get EXTRA BENEFITS

for yourself and your family that COST YOU NOTHING!

Dollars spent at home help to pay the taxes and make

possible the contributions that maintain your schools, streets,

parks, churches, hospitals, recreational facilities...

everything that makes this community a better place in which

to live. Get this extra bonus for every dollar YOU spend!

**PARK and
SHOP**

One stop takes care of all your shopping needs in your hometown stores. Everything is nearby!

**GREATER
VARIETY**

Modern methods of distribution bring newer merchandise in wide variety to hometown stores fast.

**WIDER
PRICE RANGE**

You can always exactly get exactly what you want at exactly what you want to pay.

**BETTER
VALUES**

Lower overhead costs than in larger cities help hometown stores keep their prices DOWN.

**SHOP with
CONFIDENCE**

Your hometown stores back everything they sell with their established reputations for integrity.

**FAMOUS
BRANDS**

If you like brands that have "made a name for themselves," you'll find them well represented.

**FRIENDLY
SERVICE**

Since people in hometown stores know you, and take a personal interest in being helpful to you.
