Antlerless Deer Hunt Proposed In Tyler County

Antlerless deer hunt for the northwest quarter of Tyler county has been proposed by the Parks and Wildlife Bureau of Texas, Department of Game and Fish, Austin, Texas.

The area roughly will be north of Highway 263 and west of Williams creek. It is estimated to contain approximately 100,000 acres.

The proposal was forwarded to the Recreation Division of the Wildlife Department last Thursday.

The number of permits to be issued will be determined until the fall when permits to trap, Mr. Wright said, but will probably amount to one permit per 100 acres, or 1,000 permits.

However, if we get a lot of 200 antlerless deer, we may have a very interesting season, Mr. Wright said.

County Budget Hearing Is Held Here Wednesday

Public hearing in the \$14,314,674 Tyler County budget for the 1964 fiscal year was held Wednesday morning at the county courthouse.

The new budget accomplishes the county's goal of reducing the year's deficit by an estimated \$2,249,335 during the fiscal year.

Working for one year will be the 1964 budget but the budget will rise \$2,700,000, the proposed budget indicated.

Total tax value to the county for the year will be around \$15,000,000. This is a decrease of \$877,737 in the current year. The beginning balance in all county funds at the start of the current fiscal year was \$10,000,000. This compares to \$11,300,000 for the previous year.

The overall county tax rate for all funds will be \$1.60 per \$100 of value for 1964. This is an increase of 30 cents per \$100 of value for 1964.

Personal Income Tax Fund, \$3,000,000; Health Fund, \$500,000; Airport Maintenance Fund, \$500,000; Municipal Road Fund, \$500,000; and a fund of \$4.34 for operations.

Added to this are charges and sinking funds for debt retirement. They include right-of-way bonds, all county road and bridge bonds, 4 cents for airport bonds, 4 cents for a grand total of \$1.60.

The budget also shows \$12,000,000 in delinquent taxes are due in the county. It estimates that \$700,000 will be collected during the 1964 fiscal year.

WARREN AND CORRIGAN TIE IN OPENER

The Warren Warriors opened their 1964 football season Friday night against the Corrigan Bulldogs at Warren, and had to settle for a 6 to 6 tie.

Both teams scored in the last half. Warren got on the scoreboard first in the third quarter when Robert Haynes plunged over from the one-yard line. The Warriors chose to try for two points, but the pass from Quarterback Lynn Chance to Right End Don Fry failed to connect.

Corrigan scored in the final quarter. They got their chance when the Warriors fumbled on their own 35 and Corrigan recovered. Quarterback Happy Chisum passed seven yards to Wesley Scott, who galloped 30 more yards for the touchdown. The Bulldogs also chose to try for two points—and their pass was no good.

Roy Moore and Kenneth Beeson were outstanding players for Warren in this opening game.

SURVEY CARDS TO BE DISTRIBUTED

Postmaster H. M. Dutham announced today that Rural Mail Carriers will begin distributing 1964 Acreage Survey Cards to patrons on their routes about September 12.

The Post Office Department assists U. S. D. A. in making this survey each year. These reports, directly from farmers are the bases for official estimates for Texas acreage of all crops harvested in 1964.

Mrs. Margaret N. Wigley—A Spry 90

Mrs. Margaret Naoma Tompkins Wigley was honored with a dinner Sunday to celebrate her 90th birthday at her home on the Town Bluff Road with about 34 relatives and friends present. Her birthday cake, shown in the picture, was baked by her great-granddaughter, Sharron Ray.

Mrs. Wigley was born September 7, 1874, in a big log house

near Mill Creek where her father owned and operated a water mill. She was married to Emmitt Wigley on December 25, 1898, and has lived in Tyler County all her life. She is the mother of two sons, Otis Wigley (deceased) and Richard Wigley of Woodville. She has three grandchildren and nine great-grandchildren.

Colmesneil Host To Warren Friday

The Warren Warriors will travel to Colmesneil Friday night to seek revenge from the Bulldogs for an upset win they suffered last year when the Bulldogs clipped them, 6 to 0.

The Warriors, who play in District 26-A, have played one game this season, being tied 6-6 last Friday by Corrigan. This is the Bulldogs first game of the season.

The game this Friday night is expected to be another close one. The Bulldogs are back as a strong contender for the 26-B title and the Warriors have fielded another strong eleven.

The Bulldogs have 13 returning lettermen this year. These include five all-district players from the team which finished second in District 26-B last year. Coach M. R. Lock also has some excellent material reporting besides these holdovers, with more boys out this year than in several years.

Warren has fielded a team that is expected to be contended in 26-A this year, although they are not rated to upset the strong Hull-Daisetta eleven, a potential state champion.

Coach Jim Lowrance had a tough opening game with Corrigan's Bulldogs last Friday, and hopes that this Friday he won't run into another Bulldog jinx.

Warrior players looking good in the first game were Roy Moore at tackle and Kenneth Beeson in the line; Lynn Chance at Quarterback and Robert Haynes at fullback.

Game time is 8 p. m. at Colmesneil stadium.

Petitioners summoned for the third week of court include the following:

From Woodville: Mrs. B. J. Vardeman, Buren P. Williams, Mrs. Betty M. Nowlin, Otho Miles, Dow Coker, R. J. Tolar, E. M. Fortenberry, A. L. Sheffield, Shelton Hicks, J. G. Anderson, Jimmie Ferguson, O. E. Brown.

From Warren: Mrs. Lionel Reese, Jesse W. Ray, W. L. Duff, Mrs. T. H. Smart, Harold T. Davis, T. R. Bracken, Mrs. D. W. Carter.

From Colmesneil: E. W. Gibbs, Clyde Freeman, Paul Burton, Mary Marshall, Bruce Conner, C. E. Cruse.

From Rockland: John Walker. From Hillister: J. F. Graham. From Fred: Mrs. Hill Gregory, Mrs. Leon Yawn, Newton Jordan.

From Spurger: Mrs. Burton Pate, R. J. Phillips, Mrs. James Chapman, Mrs. Joe Haralson. From Chester: Mrs. Aline Barclay, C. R. Kraus, Wilburn Neal.

From Doucette: Mrs. T. B. Broadnax, L. C. Poindexter, Mrs. W. P. McDonald.

The Kirby High School Eagles spotted the Crockett Bulldogs 14 points in the first half, then roared back in the second half to tie the score—only to see the Bulldogs win on a razzle-dazzle lateral and pass play that wasn't even on the Bulldogs list of plays, although it worked so well that Coach Jere Nichols will probably use it again.

If it was late in the fourth period that the Bulldogs drove to the Eagles end of the field with the score knotted at 14 all, on fourth down, Quarterback Richard Sprull started a run and pass option around end, a play that had worked well in the first half. Sprull was tackled, but not before he spotted Halfback J. D. Woodward to his right. He ad-libbed a lateral to Woodward (this wasn't in the book of plays) and Woodward did some equally fast thinking. He spotted Jack Woodward in the end zone waiting for the Sprull pass, and tossed a 25-yarder to him for the touchdown.

The extra point was no good, but it didn't matter. The Eagles had time for a drive, but it bogged down on a pass interception.

In the first half, the Eagles had a drive containing the Sprull and J. D. Woodward combination on end runs. The Bulldogs went ahead 14 points in this half. In the second half, the Eagles put on a show of their own. They scored on an 18 yard run by Kenneth Walker and later Walker scampered for 53 yards off tackle to tie up the score. The first time the Eagles went for two points and made it, but failed on the pass for two points after the second touchdown.

The entire Eagle line looked good in the second half after solving the end-run problem that plagued them in the first half. Weatherford and Stafford at end, Harrison at center, and Miller and Weeks at guard played a stalwart second half, as did center Bobby Best.

Outstanding in the backfield were most of the Eagle backs, including Kenneth Walker, Kenneth Weaver, Bobby Greer, and Larry Kelley.

B TEAM TO PLAY TONIGHT

The Woodville 7th grade, 8th grade and 8 football squads will play Kirbyville on the Kirby Field this afternoon (Thursday) beginning at 6 p. m., according to Coach Willie Eldridge.

The 7th grade team will play the first game. At 6:30 the 8th grade teams will tangle, and the B teams will play at 7 o'clock.

Eagles Lose 20 to 14

Scouts Plan Fund Drive

Scout executives from the Trinity-Neches Council office in Beaumont met with fund drive chairmen and committees Tuesday night to map plans for the annual fund drive in the Dogwood District. The meeting, held in Woodville Community Inn, was attended by 20 persons.

H. G. Sutton, Colmesneil, presided at the meeting. He and Robert A. Mann are Co-ordinators of the fund drive in the district.

Attending from the Beaumont office of the council were Kelsey Lamb, member of Region 9 executive committee; Allan Hastings, council president; Brantley Hudson, council executive; and George Scott, assistant council executive.

Clyde Cook, Dogwood District executive, was in charge of arrangements for the meeting.

The fund drive in most communities in the council which are not connected with United Appeals will hold their kick-off breakfast and fund drive on October 8. On this day a telecast over Channel 8 in Beaumont will present a program designed to inform fund workers of the district on conducting the drive. The telecast will begin at 7:45 and end at 8 a. m.

Present at the meeting were Mrs. Odna Ogden, Mrs. Ruth Crews, H. A. Crews, E. C. Harden and J. A. Owings from Colmesneil; B. M. Minter, Jim Hicks and James Robert Jordan of Spurger; George Tubbs, Woodville fund drive chairman; Gilbert Wright and Fred Bennett of Woodville, and Doug Tolbert of Doucette.

Mr. and Mrs. J. M. Brown—Married 61 Years

Mr. and Mrs. J. M. Brown of Spurger were honored with a dinner Sunday in observance of their 61st wedding anniversary at the home of their son-in-law and daughter, Mr. and E. N. Read, in Hillister.

Mr. and Mrs. Brown were married on September 13, 1903, in Clarkson, Florida. He was in the turpentine business for 30 years, and for the last several years has been a cattleman and farmer. They have lived in Tyler County since 1914.

Mr. Brown has been active in the Masonic Lodge, and served on the Spurger School board. During World War II he was a member of the Rationing Board.

Mr. and Mrs. Brown have six children. In addition to Mrs. Read, they are Mrs. Grace Beck of Woodville, H. M. Brown of Hull, Mrs. J. B. Means of Houston, Mrs. B. M. Minter and Bill Brown, both of Spurger.

Livingston Lions Invade Eagle Field

Kirby High School Eagles will have another strong test here Friday night when they tangle with another old foe from last year's District 22-AA, the Livingston Lions.

While the Eagles were losing a heart-breaker to Crockett

Friday night, the Lions were swamping Anahuac 33 to 0.

The Woodville-Livingston game has been a keen rivalry during the past few years, the Lions coming out on top for the past two seasons as the Eagles contended for the District 22-AA crown.

In the interscholastic League reshuffle for this season, the Lions are playing in District 21-AA, which is actually last year's game because the Lions have so many familiar faces returning.

The Lions have 14 returning lettermen. Among these are Greg Rasberry at end, and Mark Mosley at quarterback, both of whom gave the Eagles plenty of trouble last year.

The Lions had an easy opening game last Friday with Anahuac of District 23-AA. Last year the Panthers lost all 10 games, and this year have only five regulars returning. The Lions were really not tested in this opener.

On the other hand, the Eagles met a seasoned eleven in Crockett's Bulldogs, and but for mistakes in the first half gave a good account of themselves. In the second half, the Eagles pretty well solved the Bulldog offense except for the one razzle-dazzle play on which Crockett scored six points. The Eagles scored all 14 of their points in the second half.

Game time is 8 p. m. at Kirby Field.

Hay Show Is Successful

The Tyler County Hay Show held Tuesday night was attended by about 50 persons, and the quality of the exhibits made the show very successful, according to County Agent Clinton Currie.

There were 39 exhibits entered by 22 exhibitors. The hay was judged fifty percent on chemical content and 50 percent on appearance. Judges were Albert Novosad, Texas A & M pasture specialist, and Dr. J. L. Sullivan of Stephen F. Austin.

Of the 39 exhibits, fifteen were awarded blue ribbons for grades above 85; twenty were awarded red ribbons for grades from 70 to 85, and four bales were judged below 70 percent for white ribbons.

A program to which the public was invited was given Tuesday night by Wayne Taylor, area farm management specialist of Texas A & M. Also attending the show with Dr. Sullivan was Oran Standley of SFA.

Eiton Spurlock, chairman of the Beef Cattle and Pasture Sub-committee of the Tyler County Development Committee, presided. Other members of the sub-committee are Lou Cruse, Roy Clamon, Willis Read, H. G. Caraway, Bill Mahan, O. L. Marsh and Joe Glasscock.

FREEZE PEACHES NOW

Fill up your freezer now with peaches in either sirup or sugar.

If you choose a sirup pack, make up the sirup ahead of time so it will be ready and cold when you need it. Peaches are best when packed in a sirup made of 3 cups of sugar to 4 cups of water. This will make about 5-1/2 cups of sirup, enough for 8 pints of frozen peaches.

To give the fruit better color and flavor, home economists in the U. S. Department of Agriculture recommend adding ascorbic acid to the cold sirup shortly before you use it. Add 1/2 teaspoon crystalline ascorbic acid to each quart of sirup. Select mature peaches that are firm ripe. Figure 1 to 1-1/2 pounds fresh peaches for each pint frozen.

COUNTY THINGS I LOVE . . .

by Ethel Osborn Hill

I love the lush, green rice fields of our Texas Gulf Coast counties. From the time the mighty tractors turn the brown sod, the emerald green of the growing stalks, the wazzing and weeding, the waving of golden rows of ripened grain, the bounteous harvesting, and lastly the white-hearted kernels podded into sacks and stored in huge warehouses I love it all.

As I drive about the county in summer, the hottest day seems cooler as I gaze out over hundreds of acres of soft green growth with waves of clear, cool water gently rippling over the fields, following the curves of the laterals and levees. The irrigation canals are like broad, deep rivers criss-crossing the good earth, their steep banks bordered with exquisite blooms of waterlilies and lilies.

Scores of snowy herons flit about the fields, and often I see numbers of gorgeous purple gallinules and bronzy little marsh wading the shallows.

It is a scene of peace and plenty. And I silently give thanks for this bit of fruitful America.

ROSES, ARISTOCRAT OF THE GARDEN

Time is drawing near to plant our roses so we should begin our preparation of the soil now. The best thing to do is make a rose bed and plant only roses in it as they do not like to compete with roots of other plants and trees. Then consider the amount of sun. They need at least six hours of sun. Another thing to consider is drainage. They like frequent deep waterings but not soggy feet. If you are on clay you may need to raise the bed but in sand as we are we lower the bed about 2 inches below soil level so we can water well in the hot summers. Back to the bed—clean off grass and add a generous amount of peat moss, terragrass, compost of barnyard fertilizer and spade the depth of the shovel.

You should plant roses as soon as they start arriving which is usually around the first of December. The sooner they are planted the better they seem to do.

A few of the roses that have been grown here with success are: Aztec, Montezuma, Tropicana, Red and pink Radiance, Queen Elizabeth, Sterling Silver (lavender), Etoile de Hollande, poinsettia, Eclipse, Peace, Druski, Orange Salmon (The little cluster rose that blooms so profusely.)

A new law was passed last year for your protection against inferior roses. All roses must be graded. If individually wrapped the grade should be stamped on the wrapper. Retailers must

have them marked so everyone can see. The roses are jumbo no. 1—no. 1—no. 2—ungraded and culls. This is to keep someone from selling "2 year old roses for only 30¢, etc." All roses on the market are 2 year old but the grade makes the difference. I believe you will enjoy more roses with highest quality from us. You pay for quality in clothes, food or anything else I know but there is one advantage—your dealer usually stands behind the better quality roses and they cannot afford to do it with the culls.

Good luck with your roses.

"LET US LOVE"

by Barbara Pickett

"Beloved, let us love one another. For love is of God, and he who loves is born of God and knows God. He who does not love does not know God; for God is love." I John 4: 7-8

"There is a mighty big commotion going on over there in that building. I believe I will walk over and see what in this world it can be. Goodness, there are an awful lot of cars parked around here. Must be some politician speaking of maybe even a movie star. Gee, hope I can find a way to get inside. I sure would like to know what that man is saying. Why there's an open door—now to find a seat—hope it will be near the back. I never was fond of front seats in a large building, especially if I am late. Now to hear what this man is saying.

"Beloved, let us love one another."

Well, he isn't a politician or a movie star—they just don't talk like that—at least the ones I have heard don't. Love. This man is talking about love. Love one another. Gee, he is old-fashioned—Next thing you know he will tell this great crowd to be kind and considerate. Wait, what's this he is saying?

"If anyone says, 'I love God,' and hates his brother, he is a liar. For he who does not love his brother whom he has seen, cannot love God whom he has not seen."

What a thing for a man to say! That's really going far to call a man a liar if he does not love everybody that comes along. Why no one can love everybody. I wonder if this man realizes what he is telling us? But wait, he said, "God is love."

I have never thought about God being love. Why I am a liar when I say I love God and know goodness well I am angry with my neighbor. I'm going to annoy myself and think about this love business. How can I love God and hate my boss? Or how can I say God is my Father when I don't give that Negro man that works for me a chance. I am a liar, God, and I want to change so I can truly love. I want to know Thee better. I thank Thee, God, that you led me to hear these wonderful words."

I have just let you see inside a man who knew absolutely nothing about the love that God teaches us we must have in order to follow Him and in order to serve Him. Also, in order to love Him.

It is not strange that such a man exists. There are those all about us in complete darkness when it comes to the subject of loving their neighbor, the family across the tracks, the Negro they have been taught to look down upon, the Indian on the reservation, the beggar, the blind, the lame. In fact anyone who is any different. The "poor white trash" receives no warmth and love. Those who are ignorant are looked upon with derision. And on and on. Yet, these people who are so busy hating and sneering and scoffing will claim to be a fine Christian.

Now, according to the scriptures, this cannot be. We cannot hate our brother, and love God. If we say we do, we are liars! It is plainly written for all who will read.

Many ask the question "Who is our brother? Surely you do not mean everyone?"

Christ, in His parable about the good Samaritan answered that question nearly two thousand years ago. I cannot add anything more. The Jews hated the Samaritans and would go many miles out of their way to avoid contact with them. When Jesus was asked the question "Who is our neighbor?" He answered with this beautiful illustration. A man was riding along the Jericho road one afternoon and was attacked by a band of robbers. He was badly beaten and left to die. Everything he had was stolen. He lay

there for a long time before anyone came along. Finally, a Pharisee walked by. He saw the sick man and instead of helping, he crossed to the other side of the road and went his way. In a little while another man passes. A scribe who was looked upon with something like awe by many because he was so educated. He lifted his head when he saw the injured man and averted his eyes. He could not be bothered. Very late in the evening another man came along riding a donkey. It was growing dark and he was not certain about what he saw but surely it was not a man lying there! When he came closer, he could see it was a man and one very close to death. The man immediately jumped down, took his cloak off and wrapped it about the sick man's shoulders. He washed his wounds and bound them up. Then he placed the man on his donkey and walked beside him all the way to the nearest inn. He paid for the man's lodging and food and told the inn keeper to charge any extra expense to him. We do not know this man's name. But we know his nationality. He was a Samaritan. One of the hated ones. The wounded man was a Jew. One of the haters.

Jesus had answered the question "Who is our neighbor?" The answer was good then and it is good now. Any man, woman or child is our neighbor. We are to love them, care for them, help them. Why is this so hard?

First of all it is hard because we do not truly love God. We say we do but we do not act like we do. We serve other Gods with far more zeal and enthusiasm. We ignore God's invitation to come to Him. We think we know more about people than God. We think we can go our way and never give Him a moment of our time. We treat others like scum and pass those by who are in trouble.

We are selfish. We want everything for ourselves. We are not bothered with the needs of those around us. We even resent our relatives. We do not want to share anything with anyone.

We are jealous. We do not like to see another person, no matter who he is, have more than we do. Have a talent we do not have and will never have. Have a delightful personality. Have a sweetness of character. Have more education than we do. Be a better cook. A better housekeeper. Live in a better house in a better neighborhood. Have a more responsible job. Have a better social position. All these and more.

We are unbelievers. We simply do not believe God will do all he has said he will. We doubt Him. We doubt the words he spoke through his followers. We say He cannot do the things He once did. We say miracles do not happen anymore. We say God has forgotten us. On and on and on.

Is it any wonder it is hard to love our fellowmen? If we do not love God, then how can we love man? God is divine. Man is mortal. But we are to love both.

"There is no fear in love, but perfect love casts out fear. For fear has to do with punishment, and he who fears is not perfected in love. We love, because He first loved us."

Such a wonderful sentence. We love not because we want to but because He first loved us. We feel His great love and we cannot help but love Him and our neighbor.

We should and must love one another with all our hearts. If you have anything against your neighbor, tell him, and love him. And remember our neighbor is anyone with whom we come in contact. We are liars if we say we love God and do not care for one another.

"O Father in Heaven, fill our lives with love for thee and for our fellowmen. Help us, Lord, to remember always that the healing of a loveless world must begin in our own hearts. In Christ's name, Amen."

CARD OF THANKS
Words seem to fail me when I try to express my love and gratitude to each one who was so graciously good to me while I was in the Tyler County Hospital. To all those who visited me, for the flowers, gifts, and love I say thank you, also those who have visited me since I came home. But to the nurses and doctors, you were so wonderful. I shall never forget the kindness of each of you. May God's richest blessings be upon you. My advice to the sick. Go to the Tyler County Hospital where your stay will be so near like a vacation, you will hate to leave. I love you all.

Are you going to be like the grasshopper--play around all time and think winter isn't coming?
IT IS COMING!
You are going to be sick, you are going to get hurt and bound to go to the Hospital, maybe sooner than you think. Please let me prepare you to enter the Hospital with a good Hospital Plan. I have one, you say. ONE is NOT ENOUGH. Now, let me help you with that extra policy that won't go up in price nor reduce in benefits to go along with what you are now carrying.

Kirby High School's political activities are now under way with the election of class officers Tuesday. The officers' names will be in next week's column when the list of results is out.

School is now well in full swing as far as the students are concerned. Even though we've been in class for just a little over a week, it seems like a little over a month to many.

Nearly all of the classes have started off with a bang leaving the pupils staggering under the burden of homework. For example, the students in Mrs. Johnson's Civics class were given a test the second day of school and two tests a couple of days later. However, it's really not as bad as it might sound. A good many students have enjoyed these first few days because they have found learning is often very enjoyable. It appears that most everyone is now in line with the schedule since the "breaking in" period is vir-
