

OF THE MORNING

Those who have paid their poll tax for this election year are urged to hold on to them...

The federal court waited until after poll tax payment deadline time before ruling on the suit...

Tyler County commissioners court at its regular meeting Monday passed an order to clarify the use for which the funds in the March 12 bond election will be put...

The \$775,000 in bonds will be used to purchase the right of way to provide for the spending of \$10.5 million in the county, a good return on the investment...

Over three million dollars of the state's planned highway work will be on farm to market roads in the county...

Each commissioner's precinct now has some right-of-way funds on hand, but not near enough to meet the needs for the gigantic state program...

District Engineer Keller of the Beaumont district of the highway department has said that if the bonds are not passed the state highway department will have to spend the money in some other part of the state...

GAS EXPLOSION DAMAGES BUILDING

An accumulation of gas seeping through an old line underground is thought to have caused an explosion in the walls of Coker's Burger Bar on South Magnolia Sunday night...

In the building at the time were Mr. and Mrs. Burl Lee, Mrs. Ethel Wright, and the cook, Mollie Woods. All escaped injury, probably because they were not in the front area of the building at the time...

The last two meetings of the PTA were discussion group meetings and one of the conclusions reached was that the disinterest of parents was one of the main problems of all of our youth...

History Of Jet Propulsion Traced In Science Show. Jet propulsion, which has enabled some airplanes to travel faster than the speed of sound, is over 2,200 years old...

Boys See Jet, Solar Energy Show. Stephen Gardner and Jerry Phelan watch as a General Motors science lecturer explains the principles of jet propulsion during 'Previews of Progress' show at Kirby High School Monday...

Stephen Gardner and Jerry Phelan watch as a General Motors science lecturer explains the principles of jet propulsion during 'Previews of Progress' show at Kirby High School Monday...

Car Recovered From Wolf Creek. An automobile driven into Wolf Creek east of Highway 190 on a county road and abandoned Saturday night was pulled from the stream Sunday by wreckers operated by Alva Cook and Austin Fuller...

Red Cross Plans Drive

Fund drive for the Tyler county chapter of the American Red Cross began Tuesday and will continue through March 15, according to Mrs. Vicki Warfield, home service chairman...

Volunteer chairman for the local chapter are Walter Rusk, B. M. Minter, Mrs. Cecil Ogden, chairman of members and funds, Colmanell, Miss Mary Whitworth, chairman of members and funds, Chester Mrs. McClure, chairman of members and funds, Warren Mrs. Dan Rawls, residential chairman, Woodville, Mrs. Robert Maclin, Seneca Road and Beaumont highway, and Mrs. Warfield, home service chairman...

While closely associated with the government in the promotion of its objectives, the Red Cross is an independent organization and is supported by voluntary contributions. It has counterparts in other humanitarian or charitable organizations in this country...

S. J. (STAN) Head Announces For Prct. 4 Commissioner. S. J. (Stan) Head this week authorized the Booster to announce his candidacy for county commissioner of precinct four...

Booster Deadlines Moved To Monday. In order to better serve both advertisers and readers, the Tyler County Booster is installing a new camera and darkroom for the processing of page-size negatives and plates for the offset production of the newspaper...

Keller To Speak At Rotary Club. John Keller, district engineer for the state highway department will speak at the meeting of the Woodville Rotary Club tonight (Thursday)...

At Rotary Club. John Keller, district engineer for the state highway department will speak at the meeting of the Woodville Rotary Club tonight (Thursday). Mr. Keller will discuss the \$10 million road improvement program planned for Tyler county by the highway department...

FUNDS FOR RIGHT-OF-WAY PURCHASE

Commissioners Pass Order To Clarify Bond Issue Vote

At its regular meeting Monday, Tyler county commissioners court passed an order to clarify the use for which the \$775,000 bond issue to be voted on March 12 will be put...

and seconded by Joe I. Best, reads that 'in the event the bond election to be held on March 12, 1966 in the principal amount of \$775,000 is approved by the citizens of Tyler County, Texas, that these funds will be used for the purchase of right-of-way for federal, state and farm-to-market roads in each of the four precincts of Tyler County...

Water, Water Everywhere... More water than has been seen in many years overflowed both Little Turkey Creek and Big Turkey Creek on each side of Woodville as a result of the eight or nine inch rains which fell last week...

Tourist Drive Begins In County

Tyler county has launched its planned campaign for the 1966 tourist trade, Texas' fastest growing industry. Under the direction of Clyde E. Gray, chairman of Tyler County Tourist Development Commission, 175,000 colorful brochures, financed by business people, have been printed and are ready for distribution...

The full-color brochure highlights interesting places of interest; also interlocks with the visitors' guide and tells travelers they have this other, more detailed, guide awaiting them when they arrive in Tyler county. The visitors' guide was so named because of the many thousands of area visitors who cannot actually be called tourists, Gray explained...

Political Announcements. The Booster has been authorized to announce the following candidates for office in the Democratic primary on May 7...

For U.S. Representative, Second Congressional District: M. RYAN DIES, JR. For State Senator: CHARLES WILSON. For State Representative: JESSE KNIGHTEN. For County Judge: JEFF R. MOONEY. For County Superintendent: B. M. MINTER. For County Clerk: OTHA MILES. For District Clerk: HILDA COATS. For County Treasurer: J. F. BOYD. For Justice of the Peace, Precinct 1: J. H. LOGGINS. For Commissioner, Precinct 2: HERMAN H. POWELL. T. T. THORNTON. OSCAR FORTENBERRY. For Commissioner, Precinct 4: F. C. HICKS. JAMES R. (BOB) JORDAN. J. R. (BOB) MOORE. LOY A. WHITLEY. S. J. (STAN) HEAD.

Spurger Pirates, Deweyville Meet Tuesday In Game. The Spurger Pirates, champions of District 4-B, will play Deweyville Tuesday night in a 6:00 p.m. basketball game. Deweyville is champion of District 4-B. The contest will be played at the Spurger gymnasium. Thursday night the Pirates will play Livingston. This is the first warm-up game in preparation for the Deweyville playoff game. Spurger won the District 4-B championship last week by defeating the Sandy Creek team in a 70-45 final. Tuesday night they will play in an overtime contest against Frisco which would qualify them for the playoffs.

A Puzzle (of sorts)

What is it that: Runs errands... saves time... reaches friends... gives protection... wins business... and is one of the biggest bargains you buy?

Clue: A man named Bell invented it.

Texas Water Safety Law

cont. from last week

(b) The provisions of Subsections (c), (e) and (g) of this Section shall not apply to motorboats which are used for racing conducted pursuant to the Act or for which boats are designed and intended solely for racing, while engaged in such navigation as is incidental to the turning up of the boats and engines for the race.

(c) Every motorboat shall have the carburetor or carburetors of every engine therein (except outboard motors, ROADS, The United States Coast Guard, Rules are hereby adopted and shall apply to all public waters of this State insofar as they are applicable to the regulations of the Department of the Coast Guard.

(d) Every such motorboat and every such vessel, except open boats, shall have a fire extinguisher on board, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(e) Every such motorboat shall have on board one or more life preservers, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(f) Every such motorboat shall have on board one or more life jackets, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(g) Every such motorboat shall have on board one or more life rafts, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(h) Every such motorboat shall have on board one or more fire extinguishers, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(i) Every such motorboat shall have on board one or more life preservers, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(j) Every such motorboat shall have on board one or more life jackets, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(k) Every such motorboat shall have on board one or more life rafts, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(l) Every such motorboat shall have on board one or more fire extinguishers, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(m) Every such motorboat shall have on board one or more life preservers, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(n) Every such motorboat shall have on board one or more life jackets, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(o) Every such motorboat shall have on board one or more life rafts, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(p) Every such motorboat shall have on board one or more fire extinguishers, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(q) Every such motorboat shall have on board one or more life preservers, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(r) Every such motorboat shall have on board one or more life jackets, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(s) Every such motorboat shall have on board one or more life rafts, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(t) Every such motorboat shall have on board one or more fire extinguishers, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(u) Every such motorboat shall have on board one or more life preservers, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(v) Every such motorboat shall have on board one or more life jackets, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(w) Every such motorboat shall have on board one or more life rafts, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(x) Every such motorboat shall have on board one or more fire extinguishers, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(y) Every such motorboat shall have on board one or more life preservers, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

(z) Every such motorboat shall have on board one or more life jackets, which shall be of the type approved by the Department of the Coast Guard, and shall be readily accessible to the operator of the boat.

provisions of this Act. Provided that a copy of any rule or regulation issued pursuant to this Section shall be submitted to the Texas Parks and Wildlife Department and with the Texas Department of Transportation.

Sec. 20. COLLISIONS, ACCIDENTS AND CASUALTIES. (a) It shall be the duty of the operator of a vessel involved in a collision, accident or casualty, so far as he can do without serious danger to his own vessel, crew and passengers, (if any), to render to other persons affected by the collision, accident or casualty such assistance as may be practicable and as may be necessary in order to save them from or minimize any danger caused by the collision, accident or casualty and also to give his name, address and identification of his vessel in writing to any person injured by the provisions of this Act, or to the person whose property is damaged in the collision, accident or other casualty.

(b) In the case of collision, accident or other casualty involving a vessel, the operator thereof, if the collision, accident or other casualty results in death or injury to a person or damage to property in excess of Fifty Dollars (\$50), shall file with the Department a full description as aforesaid, by regulation required, on or before thirty (30) days after the date of the collision, accident or other casualty.

(c) These accident reports shall be confidential and shall not be admitted in court as evidence.

Sec. 21. WATER SKIS AND SIMILAR DEVICES. (a) No person shall operate a vessel on the waters of this State for the purpose of towing a person or persons on water skis, aquaplane or similar device, unless the vessel is equipped with a rearview mirror of a size not less than four inches (4") in measurement from the bottom to top or across from one side to the other. Such mirror shall be mounted firmly so as to give the boat operator a full and complete view behind the rear of his boat at all times.

(b) No person shall operate a vessel on any waters of this State towing a person or persons on water skis, aquaplane or similar device, nor shall any person engage in water skiing, aquaplaning or similar activity at any time between the hours from one (1) hour after sunrise to one (1) hour before sunset.

(c) The provisions of Subsections (a) and (b) of this Section shall not apply to motorboats or vessels used in water ski tournaments, competitions, exhibitions or trials held by clubs, associations or organizations, provided that adequate lighting is provided.

(d) All motorboats having in tow or otherwise assisting in towing a person on water skis, aquaplane or similar craft, shall be operated in a careful and prudent manner and at a reasonable distance from persons and property so as not to endanger the life or property of any person.

Sec. 22. TRANSMITTAL OF INFORMATION. In accordance with any request made by an authorized official or agency of the United States any information compiled or otherwise available to the Department pursuant to Section 20 (b) shall be transmitted to said official or agency of the United States.

Sec. 23. PENALTIES. (a) Every person who violates or fails to comply with any provision of this Act, shall be guilty of a misdemeanor.

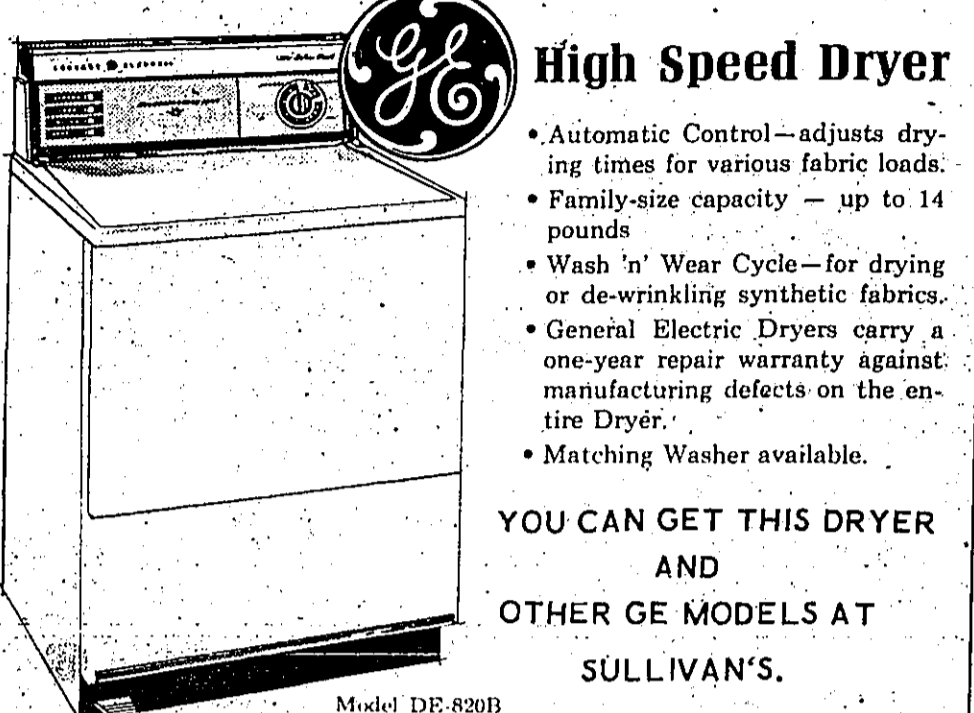

(b) Every person convicted of a misdemeanor for which another penalty is not provided shall be punished by a fine of not more than Two Hundred Dollars (\$200).

(c) Every person who violates or fails to comply with any city ordinance or any order of the Commissioners' Court or of any political subdivision of this State entered pursuant to this Act, shall be guilty of a misdemeanor. Every person convicted of a misdemeanor for which another penalty is not provided shall be punished by a fine of not more than Two Hundred Dollars (\$200).

(d) Any person who operates any vessel or manipulates any water skis, aquaplane or similar device, upon the waters of this State in a careless or imprudent manner which person is intoxicated or under the influence of intoxicating liquor, while under the influence of any narcotic drugs or barbiturates or marijuana shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than Fifty Dollars (\$50) nor more than Five Hundred Dollars (\$500) or by imprisonment of not to exceed six (6) months, or both.

(e) Any person who operates a motorboat shall be liable for the cost of any damage to the water skis, aquaplane or similar device, upon the waters of this State, in a careless or imprudent manner which person is intoxicated or under the influence of intoxicating liquor, while under the influence of any narcotic drugs or barbiturates or marijuana shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than Fifty Dollars (\$50) nor more than Five Hundred Dollars (\$500) or by imprisonment of not to exceed six (6) months, or both.

Water Act...

Sec. 24. ENFORCEMENT. (a) All peace officers and game wardens of this State and its political subdivisions shall have and are hereby given authority as enforcement officers for the purposes of this Act, and they and each of them shall have the power and authority to enforce the provisions of this Act by arrest and to take into custody any person who may commit any offense prohibited by this Act or any person who may violate any provision of this Act.

(b) Any such officer in order to enforce the provisions of this Act is hereby given the power and the authority to stop and board any vessel subject to this Act which does not have proper identification number or is being operated in a reckless manner. Officers enforcing this Act shall first identify themselves by presenting proper credentials and it shall be unlawful for any person operating a vessel on the waters of this State to refuse to obey the directions of such officer when such officer is acting pursuant to this Act. Provided, however, that the safety of the vessel shall always be the paramount consideration of any arresting officer.

(c) Any such officer arresting a person for a violation of this Act may deliver notice to such alleged violator a written notice of the violation and the date, time and place of the hearing, before the justice court having jurisdiction of the offense, such person so arrested shall sign said written notice to appear and thereby promise to make his appearance in accordance with the requirements therein set forth, whereupon he may be released. It shall be unlawful for any person who has made such written promise to appear before the court in the county having jurisdiction to fail to appear, and such failure to appear at the time specified shall constitute a misdemeanor and warrant for his arrest may be issued.

(d) Venue for any alleged violation of offense under the terms and provisions of this Act shall be in the justice court or county court having jurisdiction where such alleged violation of offense shall have been committed. For any offense under this Act there shall be a presumption that the offense was committed in the justice precinct and county wherein the date containing such body of water is located.

Sec. 25. FINES AND PENALTIES. It shall be the duty of any justice of the peace,

clerk of any court, or any other officer of this State receiving any fine or penalty imposed by any court for violation of this Act, within ten (10) days after receipt of such fine or penalty, to remit same to the State Highway Department, giving the docket number of the case, name of the person fined, and the section of article of the law under which conviction was secured. All costs of the court shall be retained by the court having jurisdiction of the offense, to be deposited as other fees in the proper county fund.

SEC. 26. FEES. (a) There is hereby levied a two-year fee in Section 4 of this Act as follows: Class 1 motorboat—\$3.00, less than 10' length; class 2 motorboat—\$5.00, 10' or over and less than 20'; class 3 motorboat—\$10.00, 20' or over and less than 40'; class 3 motorboat—\$12.00, 40' or over.

(b) Such fee shall accompany the original and/or renewal application for certificate of number as required by this Act, and shall be paid to the clerk of the court having jurisdiction of the offense, to be deposited as other fees in the proper county fund.

SEC. 27. UNIFORMITY. In the interest of uniformity it is hereby declared to be a basic policy of the State of Texas that the basic authority for the enactment of statutes relating to the operation of boats is reserved to the State.

SEC. 28. RECIPROCITY. Out-of-state registered motorboats are hereby granted full reciprocity for up to one (1) year.

SEC. 29. If any Section, subsection, or part of this Act shall be held invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the remaining portions thereof, if being the express intent of the legislature to enact such Act without respect to such Section, subsection, or part so held to be invalid or unconstitutional.

Best sellers. Year after year, more people choose Cadillac than choose any other luxury car in the world. Shouldn't this alone lead you to consider the worth of owning a Cadillac—new or used?

The reasons for Cadillac's overwhelming popularity are numerous. Among the most important are its advanced engineering and meticulous craftsmanship. Cadillac's styling and luxury are renowned for dignity and good taste. Its alert performance and handling rival many sports cars. No other motor car in the "luxury car" field retains its value as long or as well as a Cadillac, new or previously-owned.

Cadillac—a most important consideration at trading time. Finally, your nearby Cadillac dealer is long experienced in caring for Cadillac owners, and in seeing that their every need is ably and dignifiedly met. Its alert performance and handling rival many sports cars. No other motor car in the "luxury car" field retains its value as long or as well as a Cadillac, new or previously-owned.
