### Eagles Meet Dayton In Homecoming Friday

last week. The two teams should be fairly evenly matched and fans should see one of the best games so far this

Friday night has been designated as homecoming for ex-students. At halftime the football sweetheart will be presented to the crowd present, and the band-sweetheart will be introduced.

The Eagles have been improving steadily as a team, and should be just about in topi shape for the contest. The game last week, in which the Eagles were edged by the Buna Cougars, showed that the team has improved enough o be on equal terms with Dayton and the team that gets most of the breaks may be the winner. The Eagles will be playing before a hometown crowd and with homecoming as an added incentive might pull a slight upset.

Roster of the two teams are:

### Pep Rally Slat at

Downtown Friday A pep rally will be held downtown Friday at 2:30 p.m. by the Kirby High School students for the foctball game with Dayton which will be played at Woodville Field Friday night.

Leading the rally will be the Kirby High School cheerleaders headed by Linda Pate, head cheerleader. Other KHS cheerleaders are Jeannette McClure, Cathy Richardson, Debbie King, Lynn Vinson and

### The Kirby High School Eagles return to the home field Friday night where they will meet the Dayton Broncos in Scenes For Film their last non-district garde. Dayton has a strong team. Are Made Here

Heritage Garden Museum, including the old Collier Store, the Pluck, Texas, post office, the old-time barber shop, and blacksmith shop he didn't realize that he was building a perfect movie set.

But Frank Dobbs, director of a documentary film on the legends of Santa Anna's treasure, said Saturday that a set like the ready-made one at Heritage Garden Museum. would cost \$300,000 to build in Hollywood. And it was perfect for the town scenes needed in the movie.

Dobbs, director for Legend Production in Houston, was making the most of Heritage Garden Museum's authentic old-time buildings Saturday as the group, headed by pro-Billy Joe Schindar, ducercompleted shooting the scenes in one day.

Legend Productions is composed of a group of men most of whom are connected with KTRH-TV, channel 2, Houston. Here for the shooting of the town scenes Saturday besides Dobbs and Schindar were George Chahin, cinematographer; Bill Henry, sound and lighting; Charles White,

### County 4-H Sponsors Rat Killing Campaign

Rats are one of the most destructive and, dangerous pests to have around a farm or ranch. They contaminate stored grain and exposed food and feed; they kill poultry and young livestock, and they start fires. Diseases such as leptospirosis, contagious abortion, trichineses, distemper, strophic rhinitis, plague, typhus, salmonella, food poisoning and rat-bite fever are carried from place to place by these pests.

The rat population on your place can be controlled, however, if you will put forth a little time and effort. An extensive sanitation program, coupled with the use of anticoagulant blats, will effectively control the rat population. Once the rats have been eliminated, a small number of permanent baits and continued sanitation will help

prevent reinfestation. As long as there are rats in the area, however, your farm or ranch is in constant danger of becoming infested. A county wide rat campaign is being conducted by the Texas Agricultur e Extension Service, Tyler County. Orders must be turned in at one of the following stations listed below by October 29, 1966. The orders will be 3 pounds for \$1.00. A rat must eat this balt 3-5 days before it will kill the rat. The bait is not harmful to pets. The stations for turning your order in are: Hutto's Gorcery, Warren; Fred Grocery, Fred; J. W. Foxworth Grocery, Hillister; Spurger Mercantile Co., Spurger; Dean's General Merchandise, Colmesneil; H. W. Lewis Grocery, Chester; Gillespie Grocery, Doucette; Farmers Feed and Supply Co.,

Woodville; C. A. Williams Sporting Goods, Dam B. You can pick up your rat bait at the station where order was turned in the first week or the second week of November.

The Tyler County 4-H Clubs of Tyler County would like to urge everyone in the county to participate in the rat campaign, and help control the rats in Tyler County, Turn orders in by October 29.

sembling the old buildings at Del Englishbey, who played the "oldtime" or stranger; Will Sinclair, a channel 2 newscaster who played the part of the town blacksmith; Larry Weidman, a n actor and production assistant; and Carol Dobbs, wife of the director, who is in charge of continuity.

> In the scenes shot here Saturday, several local persons were used in the scenes. Jethro Holmas and his oxen were in a scene before the old country store to give atmosphere to the film. Jerry Risinger played a small boy, Jack Risinger the town burber, and Dan Bynum was pressed into one scene as a customer at the barber shop. Theme of the documentary fum is the two legends of Santa Anna's personal fortune, which was supposed to have been buried and never found. The oldtimer or stranger who rides into town in the film makes purchases at the country store, and offers Spanish gold coins in payment. He tells the storekeeper there are many more buried in the forest, which of course arouses their curiosit, and later their greed. Other scenes in the movie, as the stranger leads the storekeeper and others to the gold, will be filmed on the

### The Clincher

A \$15 bonus bill to help you convince your husband that now's the time to buy an electric clothes dryer!

Lady, this \$15 Bonus Bill is an extra savings on the already low price you would normally pay on the purchase of a flameless dryer ... it gives you a pretty convincing sales pitch for your husband. Right now, electric appliance dealers are anxious to pass on to you and Gulf States' other customers this special \$15 bonus on electric

Also, tell your husband that an electric dryer costs less to manufacture because it has fewer moving parts. An average savings of \$40 is passed on to you, the customer. The difference in the lower purchase cost of a flameless dryer is usually enough to pay for running it for over four years.

Remember, all dryers are partially electric... the BEST dryers are all-electric. See your electric appliance dealer today and look over his large selection of models. Clip out the Bonus Bill and bring your husband along.

GULF STATES UTILITIES COMPANY

Alexander to the second of standard the contraction

With our new Overhead Cam Six you'd better believe it.

Our OHC o delivers 105 hp on regular gas. And 215 horses from the premium gas 4-barrel version. Most American sixes (and some underprivileged V. 8s) don't even come close. Expensive European sports machines do, but they're overhead cams, too. In fact, they inspired us. Our OHC o is standard on all Tempests and Le Mans. So are a host of new safety features like passenger-guard door locks. General Motors' new energy absorbing steering-column and a four way hazard warning flasher. We've said enough. If a test drive won't sell you, nothing will
