5,000 Gospel Singers Expected At Fete Here

Booster Bits

By WILEY POSTON

The big word in Woodville and Tyler County this week is Gospel Singing, and when the three to five thousand singers get together at the high school auditorium this coming Saturday night and Sunday, you are going to hear some real singing. They sorta lifted the roof of the Lion's Den in Chester last Sunday too. Elsewhere in the Booster is a picture of my pal "Bigdog" holding a mountain type goat, and there's been a lot of talk about where such an animal would come from and end up so far away from its native mountain tops. I listened to all the stories and then suddenly dawned on me that I had the right answer... you see, my pal Enoch Pitts probably knows more about goats than any living person, and a goat, like a dog, senses when he has a friend in mankind. Enoch was up in Colorado recently with son Hugh on a deer hunting trip, and I feel reasonably sure that the little mountain goat shown in the picture, spotted Enoch from one of his lofty mountain peaks. Immediately recognizing, even from a distance that here was a man that really knew and loved goats, followed Enoch Pitts all the way back to Woodville, Texas. We can't blame the goat though, you can't beat Tyler County, and we have a couple of good spots just north of Colmesneil that even a mountain goat could enjoy looking over the area for miles and miles, and should remind him of his lofty Colorado mountain peaks.

My pal "Cuz" Ruth Hinz went over to the Homer community to see Aunt Fanny Primrose and help her celebrate her 90th birthday. Ruth said it was a great occasion and Aunt Fanny had a field day, even though she was confined to a wheel chair due to a fall a few days ago. It will take more than a little fall to slow a wonderful fine person like Aunt Fanny down. We appreciate Ruth's report very much.

If you would like a good political story that ended up being a church, then get my good pal Allen Coats to tell you about when he supported W. Leo (Pappy) O'Daniel for governor, and if you also want some good advice on how to get married without a big outlay of cash, then you go by my old friend J. D. Vinson's Mobil Service station and talk with J. D. personally about it.

People we saw department, Willis Moter's Glen Ashmore doing a swell job of running a fine motel. Police Chief doing a swell job of running a fine motel. Police Chief John Grammer getting over the flu, but now faced with another problem. Ole pal John will make it though. Chester's T. T. Thornton almost letting his cattle go hungry because he didn't want to leave the big singing at Chester Sunday. United Building Company's Dan Kent, Jim Pool and Alva Cook learning the advertising business while loading out some portable buildings to take to one of their upper country dealers. Last but not least, my pal Mrs. Ethel (Ma Thicket) Hill, back in town and anxious to get out to the cabin (as she calls it), pull her shoes off and let her feet touch this great East Texas soil. Welcome home you sweet little rascal.

We had a visit with our good pal Mr. Henry Hill of Woodville and took it on ourselves to get a little "nosey" about his business. The reason we did this was because we hear so many people talking about they are unable to find a job, or that they need more "re-lease" money from the government. (Continued on page 10)

Don Adams To Speak At Chamber Banquet

REP. DON ADAMS

Don Adams, state representative from the Seventh district, will be the speaker at the annual banquet meeting of the Tyler County Chamber of Commerce in the Dogwood Motor Hotel on January 24, according to M. E. Alford, president.

Tickets to the affair are now available at the chamber of commerce office, Tyler County Booster, Globe-Mann Insurance, Southeast Texas Savings and Loan, and from chamber directors. Tickets are \$3.50 each. Mr. Alford stressed that this is an open meeting and that the public is invited, and that wives of members are especially urged to attend.

Mr. Adams was elected to the Texas House of Representatives in the November 5, 1968 general election, and represents Tyler County along with Jasper, Newton and Hardin counties.

He is a graduate of Jasper High School and received his LL.B. degree in 1963 from Baylor University. He practiced law in Angelina County for 1 1/2 years where he served as secretary and treasurer of the Angelina County Bar Association. He moved to Jasper in 1965 and opened a law office there. In 1966 and 1967 he served as secretary-treasurer of the First Judicial District Bar Association. He also is a member of the Texas Bar Association.

Mr. Adams is treasurer of the Deep East Texas Economic Development District. He is a member of the Jasper Kiwanis Club, and was vice president in 1967. He is a member of the Jasper Chamber of Commerce and was first vice president in 1967. He is a member of the official board of the First United Methodist Church of Jasper.

Commissioners In Policy Session

Tyler County commissioners court was in its annual session the first three days of the week during which it set salaries, adopted courthouse policies, and other pertinent decisions required in the first meeting of the year.

The Booster deadline passed before the commissioners adjourned. Details of the meetings Monday, Tuesday and Wednesday will be published next week as the information becomes available.

Suit Continues In District Court

The suit brought by Atlantic Refining-Sinclair against the Warren Independent School District and its taxing officials is continuing in 88th district court.

New Kiwanis Officers And Banquet Speaker

Harold Freeman, far right, was installed as the new president of the Woodville Kiwanis Club Tuesday night of last week at Dogwood Motor Hotel. B. B. Barkley, second from right, lieutenant governor of district 10 of Kiwanis International, was installing officer and principal speaker. At left is George Reynolds, secretary, and Wiley Poston, vice president.

Local People Asked To Park On Back Streets At Singing

Local people have been requested to park at the back side of the school auditorium during the Tex-La Neches Valley Singing Convention Saturday night and Sunday.

Woodville Kiwanis Club Installs New Slate Of Officers

Kiwanis officers for 1969 were installed last Tuesday night at a Ladies night luncheon in the Heritage Room of the Dogwood Motor Hotel, with B. B. Barkley, Lieutenant Governor, District 10, serving as installation officer and also bringing the principal address. Bobby Kinnon, outgoing president, was complimented on the fine work he had done as Kiwanis president. Mr. Barkley is head of the Beaumont office of the Internal Revenue Service. Officers installed were: Harold Freeman, president; Wiley Poston, vice president; George Reynolds, secretary-treasurer. Directors for the ensuing term are Jim Dillion, Bobby Kinnon, Grover Nixon and David Mann.

After introduction of wives and guests, which included visits and guests, which included visitors from Mid-County Kiwanis Club and the Cleveland Kiwanis Club, entertainment was furnished by Orvis Woods, popular KVLL D. J., singer and songwriter, plus some piano selections by Ken Poston, manager of KSPJ Radio in Diboll.

Two Weekends Set For Dogwood Festival Activities

The 1969 Tyler County Dogwood Festival will be from March 29 to April 5, with the queen's coronation on April 5. This date is a week later than has been customary for the past several years, according to Josiah Wheat, executive director. More dogwood blossoms and generally warmer weather for the entire festival will be major benefits from the change of date, festival directors believe.

Trail rides, a parade with hundreds of horses and horse-drawn vehicles, races, a western dance, and other similar festivities are planned for the first weekend, March 29.

Tax Assessor To Be In County Towns On January 18 & 25

County Tax Assessor-Collector Tom Sawyer said that he will be in the various towns January 18 and January 25 for the purpose of assessing and collecting taxes.

Tax Asked On Cans By DETDA

The Deep East Texas Development Association has passed a resolution urging that a one cent tax be placed on cans and bottles (or other containers) used in the retail sale of any beverage except milk products. Copies of the resolution have been sent to the governor, lieutenant governor, speaker of the house, and used to regularly gather and pick up all trash and litter on public roads and public parks.

The association noted that one cent per container should not add materially to the cost of the products which causes the greater part of the litter along roads and in parks. Although many of the counties around the lakes in East Texas are dry, beer cans along with soft drink containers continue to litter the highways.

The tax would apply only to containers that hold beverages not essential as a food and would thus have a built-in fairness since only those who cause the litter will be paying for the clean up program.

DETDA noted that the clean up of litter on the highways and in parks is a constant expense to the counties, the state, the Corps of Engineers and U. S. Forest Service.

The Sons of Calvary. Among Groups At Singing Convention Saturday and Sunday

Contract Let For New Hillister Post Office

A contract has been awarded to W. L. Norton for the construction of a new post office building in Hillister, according to a recent announcement by Postmaster General Marvin Watson.

Under terms of the contract, Mr. Norton will build the new post office building and rent it to the post office department for a term of five years with options to renew the rental agreement for an additional 15 years at an annual rental of \$1080 for the basic term.

Mr. Norton's bid represented the lowest of the three received by the department on a competitive basis, Watson said, and reflects what department studies have determined to be a reasonable and economical rental for space in this area. The announcement of the award

Contract Let For New Hillister Post Office

The new Hillister post office building is expected to be completed and ready for occupancy by June 1, 1969.

Mr. Watson explained that the department's capital investment is limited substantially to postal equipment. The building will remain under private ownership, with the owner paying local real estate taxes.

McKee Caught It, You Name It

George McKee, stock deputy with the Tyler County sheriff's department, has been called on to pen many domestic animals found roaming at large but last week he got an unusual one—a goat that so far has been unclaimed and unclassified. The animal was caught in a yard at Spurger. Some persons think it is a mountain goat, or at least part mountain goat. One man thought it looked like a goat found in northern Mexico which he had seen imported into the Albuquerque area. One thought it had wandered in from western Louisiana. McKee has it, and has found that it takes a mighty tall pen to keep it from jumping out.

Woodville and Tyler County is waiting with open arms for the invasion of 5,000 or more persons who will be here Saturday and Sunday for the winter session of the Tex-La Neches Valley Singing Convention.

Burl Carter, president of the association, says that he has received acceptances from quartets, trios and other singing groups from throughout Texas and Louisiana, Kansas, Missouri and other states.

This year's session is expected to be attended by several thousand more than the first winter session in January 1968 when an estimated 3,000 persons were here. The inclement weather and a bad outbreak of flu cut down on the attendance that time.

Officers of the association and the local sponsors, the chamber of commerce, are hoping for pretty weather Saturday and Sunday.

"With good weather, there is no telling how many will attend," they declare. It might come closer to the record 15,000 who attended a session in Lufkin several years ago.

The singing convention will begin Saturday night at 6 p.m. in the school auditorium. However, several quartets and trios will be here Friday night for a concert at the Dogwood Motor Hotel.

There is no charge for either the singing convention or the concert although free will offering will be taken. The Friday night concert will begin at 8 p.m.

Radio Station KVLL will have live broadcasts from the hotel Friday at 5 p.m. during which quartets have been invited to sing. The station will also broadcast live from the hotel lobby again Saturday morning beginning at 11 a.m.

The Sunday session of the singing convention will begin at 9 a.m. in the school auditorium with a 30-minute devotional period opening the program. Singing will continue through the day until late afternoon.

KVLL will broadcast live from the auditorium Sunday from 9 to 11 a.m. and from 2:15 to 3:15 p.m. Both broadcasts will also be carried on KSPJ, AM and FM, Diboll, according to Wiley Poston, manager of KVLL and Ken Poston, manager of KSPJ.

Such noted groups as The Stutes Family of Wichita, Kansas; the Waymaker Trio of Lufkin; the Sons of Calvary of Dallas; the Taylor Family of Gulfport, Mississippi; the Sentinels of Arkansas; the Tinsley Trio of Beaumont; the Holley Family of Houston; the Jones Family of Lebanon, Missouri; and several others will sing during the two-day session.

The convention has designated Woodville as its permanent home and one of its semi-annual sessions will be held in Woodville each year. The summer session was held in Port Arthur last July.

The convention here is sponsored by the Tyler County Chamber of Commerce. Bob Bell is chairman of the chamber of commerce arrangements committee for the affair. Other members are Robble Conner, Walter Fox, Wyatt Bell, S. C. Collier, Genade Walker, Jimmy Brown, Dave Wotome, Archie Spurlock, D. V. Phelps, Charles Dickens, John Grimes, Dick Davis and Wiley Poston.

Besides Mr. Carter, other officers of the Tex-La Neches Valley Singing Convention are J. Y. Sexton of Bunkle, La., first vice president; Tom Pate of Nacogdoches, second vice president; J. J. Rush of Pineville, La., third vice president; R. R. Ricks of Lufkin, fourth vice president; Mrs. Jackie Harper of Jasper, treasurer; Miss Irma Duncan of Monroe, La., Louisiana secretary, and Miss Carla Stewart of Rockland, Texas secretary.

Homemaking Hints

By Miss Maurine J. Moore, HD Agent

New flowering annuals and perennials for 1969. To the alert gardener's delight, each year produces an array of new and exciting flowering annuals and perennials.

The all-American selections, the top of the crop for the new year are chosen each year from the many new flowering seasonal plants introduced by plant breeders.

The colorful annuals and perennials currently grace seed order catalogues so as to allow the winter gardener the opportunity to dream and plan for spring and summer. Not to be too soon to begin for the colorful, inexpensive and easy to grow annuals and perennials.

1969 all American selections are rich and unique in color and are as exciting as the names which they bear.

Three new "Zinnias" top the charts this year. "Cherry Buttons", a bright pink semi-dwarf, will highlight any garden bed, and will really show off if combined with the bright rose pink blossoms of "Rosy Fancies". Another 1969 all American Zinnia selection, "Loretta", a cactus type Zinnia, and all American selection, "Loretta", a cactus type Zinnia, produces large, rich, burn-orange blooms to blend with the popular "Tropicana" rose, yellow-green cones, and cool shades of summer Petunias.

The common summer Vinca or periwinkle introduces an unusual and old-fashioned all American selection for 1969. "Polka Dot" Vinca will be a must for the summer garden this year. This annual produces an outstanding spreading habit, adaptability and prolific blooms of white with bright red centers. The plants are low and dwarf and spreads to two feet, making a perfect summer groundcover. "Polka Dot" would be most rewarding in rock gardens, window boxes or hanging baskets.

Easy to grow, early summer bloomer's status, or colorful flower tops the chart this year with "Showgirl", which grows to 16 inches high and checks itself with white blooms on silvery-green foliage. This one should win the hearts of many gardeners in 1969 and will be handsome with larkspur and annual phlox.

Other low annuals for all year include an array of bright, colorful petunias: "Starburst", "Misty", "Tangerine", "Scarlet Mosaic", "Lollipop", "Pink Bell", and many others. The popular "Car-trees" are a new addition of this year, and include "Car-trees" in its list for 1969.

Outstanding new selections for the year are "Fannie", a bright orange-red, yellow, orange and gold, and "Goldie", a hardy, bright gold toadskin sun lover.

The perennial gloriosa lily has its new "Flash Eyes" for the new gardening year. This summer perennial has golden-yellow blooms with an interior center.

It is safe to predict that every summer garden will be rich with

Mrs. Schoviller with junior high school winners shown left to right, Darrell James, Stella Scott, and Wanda Payne.

AWARDS PRESENTED TO WINNERS OF ANTI-LITTER ESSAY CONTEST

Mrs. E. N. Schoviller, president of the Garden Club, presented the awards to the winners of the anti-litter essay contest and a recent marker study of iron main courses shows that women of all ages seem concerned about the environment.

The winners of the Junior High essay, which was held in October 1968, were: First place, Darrell James; second place, Stella Scott; and third place, Wanda Payne.

The winner of the elementary poster contest held in November were: First place, Cindy Russell; second, Elliott Scott;

third place, Kim Fortenberry. Each winner was presented a corsage with ribbons and mementos to represent the award placed.

The first places were presented copies of "Fishes and Treasures" by Ethel Hill, donated by Dug Collins, when she saw all the effort and interest the elementary student had shown in the contest.

Second and third place winners were presented pot plants donated by the Woodville Garden Club and Thomas Nursery.

A speech was given by Audrey Snider, daughter of Mr. and Mrs. Gene Snider.

Mrs. Schoviller thanks the faculty and students for their interest and time taken in the contest.

Woodville TOPS Chapter To Host Recognition Day

The local chapter, Stimming Woodville, of TOPS, Inc. will be hostess for Area Recognition Day activities in the Kirby High School auditorium, Friday, January 17, at 6:30 p.m.

Mrs. Billie Jo Quinton of Beaumont, area captain, will be the principal speaker. About 200 members are expected to attend from 26 area chapters.

In addition to the main address by Mrs. Quinton, interest will be focused on the winners of each of the eight divisions in weight loss for the past three months.

Each of the 26 area chapters will present an entertainment slide, according to Mrs. Maible Utley, leader of the local chapter.

J. B. Coffman, Guest Speaker B&PW Club

J. B. Coffman was guest speaker at the meeting of the Woodville Business and Professional Women's Club held in the Heritage Room, Dogwood Motel Hotel, Thursday evening, Mr. Coffman's topic was "Historic Tyler County". In which he showed slides of places of historic interest, which he had made, and gave the historical background of the county which he had prepared from the records of Tyler County and from interviews with various people.

The program represented a small part of the work which Mr. Coffman has done for the Tyler County Historical Association. The speaker was introduced by Ruth Gillette, chairman of the public relations committee, who had charge of the program. Other members of the committee who assisted with the program and served as hostesses were: Carolyn Hickman presided at the business meeting, Lorena Johnson led the collection, introduced and welcomed were Mary Ogwell, a guest, and Ina Lester, a new member.

The next meeting will be February 15, with the world affairs committee, Beverly Riley, chairman, Ruby Riley and Mildred Rotan in charge of the program.

Mann Furniture Co.

BU 3-3740 206 W. Bluff Woodville, Texas

Four generations in the family of Mrs. Ruth Hine of Woodville are pictured here. At left are Mrs. Hine's children, Stephen, Suzette and Gerald; Mrs. Hine and her father, W. W. Melvin, and seated in front of Mrs. Hine is Mr. Melvin's son, Mrs. Fannie, wife of James County, who is 90 years young. Mrs. Primrose is the last living member of her generation.

Mrs. Mary Collier, Hostess To Hillister HD Club January 9

The Hillister Home Demonstration Club met in the home of Mrs. Mary Collier January 9 with five members present. Plans for the new year were to be made and discussed but due to so much illness of our members most all business was postponed until a later date. Rushing of washes was

welcomed as a new member. The garbage dump on Beaumont Hill is most improved and we beg everyone in this area to use the dump and to throw garbage where commensurate with the nature of the dump. Also please do not throw garbage over fence, keep roads open and improve our country roads.

Next regular meeting will be postponed until a later date. February 15.

John Dowdy Reports

By U. S. REP. JOHN DOWDY

ROCHESTER, N.Y. (UPI)—The first federal spending, rapid inflation, a "growing" public debt, and constantly increasing taxes, it seems inopportune, and will be used as a precedent for multiplying all other federal spending, which will not be a small matter. Furthermore, it would seem to conflict with the campaign promises of the president-elect to control expenditures, -- and the debate on the salary increase indicated that the president-elect takes a "dim view" of this 10% salary increase.

NORTH CAROLINA ELECTIONS--The electors of the State of North Carolina cast their votes for Richard M. Nixon and Spiro T. Agnew, and this vote was duly authenticated by the proper officials of that State. A motion was made in the joint session that the vote for Richard M. Nixon and Spiro T. Agnew be appropriately proclaimed. Under the Constitution, and laws of the United States, the legislative body in each of the States has no right to go behind the certificate of the State government, duly authenticating the vote cast in that State. If the Congress were to relegate to itself that authority to cast out one man from one State, this would include the authority to cast out all of the voters of that State and other States as well, and negate the will of the people in the selection of their president. In effect, this happened at one time in our history. In 1876, in the Hayes-Tilden election, although Tilden received a majority of the votes, and carried states with a majority of the electoral votes, the Congress manipulated to give the presidency to Hayes, by setting up a special electoral commission that gave Hayes 185 electoral votes to 184 for Tilden.

PRESIDENT'S SALARY--The House has voted to increase the presidential salary from \$100,000 to \$200,000. As federal spending goes, this is a small matter, but with run-away federal spending, rapid inflation, a "growing" public debt, and constantly increasing taxes, it seems inopportune, and will be used as a precedent for multiplying all other federal spending, which will not be a small matter. Furthermore, it would seem to conflict with the campaign promises of the president-elect to control expenditures, -- and the debate on the salary increase indicated that the president-elect takes a "dim view" of this 10% salary increase.

JOINT SESSION HEARS APOLLO 8 ASTRONAUTS--On January 9, a joint session of the House and Senate, attended by the ambassadors and ministers of foreign governments, the Supreme Court Justices, and Members of the President's Cabinet, heard inspiring addresses from the astronauts, Col. Frank Borman, Capt. James Lovell and Lt. Col. William Anders. Col. Borman, among other remarks, said, "There was one significant accomplishment that has gone rather unnoticed. I think that one of the things that was truly historic was that we were able to get good Roman Catholic Bill Anders to read the first four verses of the King James Bible. But now that I see the gentleman in the front row (the Justice of the Supreme Court), I am not sure we should have read the Bible at all." This remark indicative to me of the general disagreement with the Court's band on reading the Bible and prayer.

INAUGURATION--Governor Smith expects more than 4,200 persons in about 100 marching and performing groups to participate in the inauguration parade down Congress Avenue at 3 p.m. Tuesday (January 21). At least three times that many will be dancing in six inauguration balls for Smith and Barnes that night. But the inauguration won't be all frolic. At 7:30 a.m. prayer breakfast at the Terrace Motor Hotel

STATE CAPITOL HIGHLIGHTS & SIDELIGHTS

By Vern Sanford

Now that the Legislature is back in session, Austin is back to normal. At least it seems normal for Austinites and veteran lawmakers. But 30 of the 34 new members of the 181-member Legislature still are about as confused as a lost child at the state fair.

Two "new" House members know their way around very well indeed -- Doyle Willis of Fort Worth formerly served in both House and Senate, and Glenn Kottmann of San Antonio also is making a comeback. Sen. W. E. (Pete) Spelton of Midland served in the Senate in 1955-56, then was redistricted out of business and defeated by former Sen. Dorsey B. Hardeman of San Angelo. Last year, however, Spelton turned the table for a return match in the upper house. Sen. Ronald Bridges of Corpus Christi was a long-time House member before he defeated the late Sen. Bruce Reagan.

For the other 30 newly-elected legislators it's a brand new ball game. They began work in the usual madstrom of activity, trying to learn the names and faces, all at once, of 151 other lawmakers. Also, about the same number of full-time lobbyists, some 300 secretaries and committee clerks, and more than 100 state officials who work with the Legislature. Texas' state capitol finally has been renovated to provide offices for all members. But hoping these offices and committee rooms, scattered all over four stories and basement of a block-long building, is not easy on any newcomer.

For the first couple of weeks, most new members walk everywhere with a diagram of the Capitol in one hand and a list of members' desk numbers in the other. Activity at the session really won't be heavy until Speaker Gus Mutscher and Lt. Gov. Ben Barnes appoint their committees. -- And Mutscher has said he won't get to that until about the last week of January. So this first week the big excitement is the upcoming inauguration of Gov. Preston Smith and Barnes.

INAUGURATION--Governor Smith expects more than 4,200 persons in about 100 marching and performing groups to participate in the inauguration parade down Congress Avenue at 3 p.m. Tuesday (January 21). At least three times that many will be dancing in six inauguration balls for Smith and Barnes that night. But the inauguration won't be all frolic. At 7:30 a.m. prayer breakfast at the Terrace Motor Hotel

starts the big day. Inaugural ceremonies then take place at noon. GAS STORAGE SAFETY--Rep. Charles Jungmichel of La Grange says his House State Affairs subcommittee will ask the Legislature to pass a bill requiring that all service station gasoline storage tanks be located underground. Recommendation resulted from several subcommittee hearings around the state on recent explosions and fires caused by storage tanks. As the proposal now stands, service stations with above-ground tanks would be given six months to comply with new safety regulations.

MIGRANT SCHOOL PROGRAM--Eight summer weeks of all-day school would be offered the children of migrant workers under a federally-funded migrant school program approved by the State Board of Education. High school-age students would attend regular summer schools, with the federal government paying tuition fees for families who cannot afford them. An estimated 11,600 children of migrants would participate in the \$1.6 million summer school program.

APPOINTMENTS--Ber R. Howell of El Paso was named chairman of the state board of education, Paul R. Haas, Corpus Christi, vice-chairman and Paul G. Greenwood, Harlingen, secretary. Dr. J. W. Edgar was named to a new four-year term as commissioner of education. Dan S. Petty is Governor-elect Smith's director of planning coordination. Outgoing Gov. John Connally, racing to clear his desk, turned loose another flood of appointments. Among them were Dr. J. Kelly, Fort Worth, Jerome Johnson, Amarillo, and Bernard G. Johnson, Houston, to the board of regents, state senior colleges. Randall C. Jackson, Abilene, re-appointed to the State Securities Board. Carl C. Anderson, Waco, judge of the 54th district. Mrs. Jack T. Bowman, San Antonio, Mrs. E. L. Green Jr., Pampa, and Frank B. Appleman, Fort Worth, re-appointed to the Board of Regents, Texas Woman's University. Sylvan Lang, San Antonio, Mrs. Edwin Singer, Corpus Christi, Mrs. W. R. Hawn, Dallas, and Mrs. Fayer, Saratoga, Houston, to the Texas Fine Arts Commission; Dr. Thomas R. Williams, Galveston, to the State Board of Podiatry Examiners; Dr. Jack Winston, Houston, re-appointed to the Dental Board; and Dr. J. C. Litrell, Waco, re-appointed to the Podiatry Board.

Joe R. Darnall of Austin was appointed to the legal staff of the Texas Liquor Control Board and Claude L. Webster, formerly of Fort Worth, will handle insurance programs for the Texas Hospital Association. James F. Ray of San Antonio is the new assistant director of the University of Texas Institute of Urban Studies at Arlington. BOYS' SCHOOL PROBED--A House investigating committee marched up the hill and back down again in exploring charges of brutality by guards at Gatesville Mountain View School for Boys. Juvenile Delinquency panel headed by Rep. Vernon Stewart of Wichita Falls aired allegations in a public hearing. House Speaker Ben Barnes ordered an on-the-spot midnight check, but detector tests were ordered for complaining inmates. Stewart acknowledged two days later that polygraph tests showed the boys were not telling the truth. Guards said they used only what force was necessary to disarm youths of homemade knives after they tried to escape. Texas Youth Council said the ill-timed probe was damaging to its efforts. Barnes agreed TYC has been unfairly tried in the press. He recommended better pay for school guards, more counseling services for inmates, and more inmates.

COURTS SPEAK--State Supreme Court refused to alter an intermediate court order directing re-trial of a suit brought by the widow of Pasadena doctor against his onetime hospital partners alleging malicious prosecution. High court upheld Henderson County real estate man's claim of a \$6,574 commission on the sale of property on which he had exclusive listing. Decision concluded unenforceability of contract is no defense in action for tortious interference with its performance. Court of Criminal Appeals reversed four-year sentence given a Beaumont woman for assault to murder because the jury doubled punishment under state law authorizing extra sentence where a knife is used in attack. Gulf and Western Industries, Inc. lost its bid to buy controlling interest in Sinclair Oil Corporation when stockholders of Atlantic Richfield and Sinclair agreed to a merger.

LETTERS TO THE EDITOR

By Mrs. W. A. Drake

The rights of one, the rights of all. The law backs up both man and woman who steals the goose from off the common. But let the greater fowl loose who steals the common from the goose? Medieval English quip.

We must remember that these rights have not disappeared. Sometimes we might doubt and wonder what has happened to the rights of each of us. Our local and national governments are supposed to protect us from over concentration of power from whatever direction it threatens us. This protection must apply to all kinds of power or it is not true protection. The most tragic thing in life is when people live all their lives and never realize or use their full potentialities. They settle for the image they like best and the theory that they have done as much as they can or want to.

There are many things learned in adversity that the complacent, prosperous and indifferent think of care not of. To shoulder some of the responsibilities of a citizen takes courage as the reasons present and inspirations are ever present and sometimes seem futile. The Greek philosophers said long ago "self knowledge is the beginning of wisdom." Self knowledge reflects our true personality. So you and I had better get acquainted with ourselves as we are. We may have evil in us but we also have goodness and goodness in us because God made us. The world sees only the mask we wear, it hears the words we speak, it looks at our attire, it observes our actions but it is never quite sure what we really are. Our friends know us for what we seem to be or what some one tells us but only God gives us credit for what we really are and what we do.

You can walk every lovely street, enter every beautiful neighborhood and not see a speck of evil. You won't find it visible in any place but it is there in the heart of man. Today we gloss it over perhaps, because a man goes to church or belongs to some worthy organization. For whatever you really are is your own personal contribution to heaven and earth. The reality of selfhood is an everlasting thing but what we really are changes only when we try to improve our selves or let ourselves deteriorate. Until we really know and see ourselves we have no hope of attaining any useful fulfillment of our lives or for the world. It is hard to understand the

classification of a "nobody" or a "somebody" by the standards of some persons. The "nobodies" are not weaklings. They are sturdy hard working, honest people who do not get soft jobs or coffee breaks every hour which are generally paid for by the "nobodies" consumers or taxpayers. The nobodies obey God's divine commandment that we work for our daily bread. The "nobodies" give stability and permanency to citizenship they love nature and revere God. Sometimes we "nobodies" become quite disillusioned and disappointed in the "somebodies" we made, trusted and believed in. The blessings of the "nobodies" are too numerous to mention. They live their own life, free from the enslavement of an establishment. They never sell their birthright. They take their own place in their community by their own merits, and honesty. When day is done they find rest, peace and feel so close to their creator. We sometimes wonder what qualifications a citizen has, to be honorable. The most important is that he must come out in the open with his actions and convictions in his dealings with his fellowman. An honorable citizen pays all his obligations promptly, material and moral. He is never involved in the exploitation of his fellowman. He has the right to retaliate with righteous anger as no person wishes to be made a pushover for the devious methods of greedy schemers. He never condones or subscribes to the code, rule and motto of the establishment of several generations which is "rule or ruin." He does not submit to any pressure or promise of personal reward to harm someone or does he ever send an emissary to do his underhanded missions. It is so sad when persons reach that stage in life when they do not believe such persons who value integrity and honor above all else exist in this world. Within the past half century world conditions have changed. Things economically, political, socially and religiously in respect to sentiment and standards are vastly different from what they use to be. No doubt, some have been for the better but to be sure many of these changes have been to the contrary. Where basic principles of right and justice are concerned these should be unchanged and unchanging no matter what changes the philosophies of our politicians and civic bosses may bring about. We know only in heaven is justice perfect but we are born here on earth to struggle for it together so we may have a better tomorrow.

VENDING MACHINES--Final open meeting of the State Public Affairs Subcommittee studying state amusement vending machines closed with the beginning of contempt proceedings against a Dallas vending machine owner, C. E. Bradshaw. Rep. Richard Cory of Victoria said that Bradshaw, owner of the National Amusement Company, refused to answer any questioned directed to him at a meeting of the subcommittee in Dallas last November. Bradshaw said that the subcommittee was illegally formed. COLLEGE GROWTH TOLD--Top officials and legislators were told by the Coordinating Board of the Texas College and University System that higher education will double in size and cost by 1980. Board laid its "blueprint for progress in higher education" before executives and lawmakers. Details include proposals for six new state colleges, 23 community junior college districts and additional medical-dental education facilities.

HOUSTON HAS FIRE, SAFETY AND POLICE POWER--Over the Harris County-Houston Ship Channel Navigation District within corporate limits, Harris County may enforce all state laws in the district, and either the city or the county may bring suit under Texas' clean air or water quality (anti-pollution) acts. District can also sue under the water quality act and has jurisdiction over fire, safety and police powers to the extent that it owns or operates terminal facilities outside city limits.

ATTORNEY GENERAL RULES--Texas laws which permit officials other than the governor to call out state military forces, including the National Guard, without the chief executive's prior approval are unconstitutional, says Atty. Gen. Crawford C. Martin. In other recent opinions, Martin concluded that independent school district may borrow money from its school depository if a member of the school board is an officer in the bank, providing the board adopts appropriate statute and the officer-member does not vote on the contract. Houston has fire, safety and police power over the Harris County-Houston Ship Channel Navigation District within corporate limits. Harris County may enforce all state laws in the district, and either the city or the county may bring suit under Texas' clean air or water quality (anti-pollution) acts. District can also sue under the water quality act and has jurisdiction over fire, safety and police powers to the extent that it owns or operates terminal facilities outside city limits.

Hot time in the old tub tonight and for only \$2.50 a month!

Advertisement for Gulf States Utilities Company featuring an illustration of a child and a hot water heater. Text: A General Electric/Hotpoint water heater will make all of your kids come cleaner... no matter how many you have. Because it's electric, it has quick recovery. That means you'll never run out of hot water. Never. Now you can buy one directly from Gulf States for only \$00.00 installed. And that's all you'll ever pay. It's fully guaranteed. Reddy Credit lets you pay it out on your electric bill for as little as \$2.50 a month. Call or come by Gulf States' office today. We make getting into hot water a pleasure.

New Citizens Must Report Addresses By January 3
The United States Immigration and Naturalization Service reminded all aliens in this area today that only two weeks remain in which non-citizens must file their annual address reports as required by law. Joe F. Staley, district director of the Immigration and Naturalization Service pointed out that address report forms are available at the nearest Immigration and Naturalization Service office and at all post offices for the convenience of non-citizens required to report their addresses to the government each January under a provision of the Immigration and Nationality Act of 1952. Mr. Staley said the only non-citizens not required to report their addresses are persons in diplomatic status and foreign representatives of certain international organizations. Mr. Staley stated that it is hoped that all persons subject to this law will go to the nearest Immigration and Naturalization Service office or Post Office and fill out an address report form before the January 31st deadline to avoid possible serious penalties.

W. (Bill) Taylor of Rockland holds one of the rutabaga turnips which he brought in to Farmers Feed and Supply last week to weigh—and those topped the scales at 10 3/4 pounds. Mr. Taylor says he has 10 rows on which he has grown about a ton of the large rooted plants. He is chopping them up to feed to his cattle since rutabaga makes an excellent stock feed this time of year. He plants his turnips in a field following early corn.

Visitors in the home of Mr. and Mrs. Mark Fortenberry last Thursday were Nane Fortenberry, Mrs. Dallas Young, Mrs. O. B. Fortenberry, Saturday, Mr. and Mrs. Kenneth Hamilton, Sunday afternoon, Mrs. Carl Shepherd.

Mrs. W. H. has gotten all her things moved from Dötterle to her apartment by Mr. and Mrs. Carl Andrews at Campground.

Revival Slated At Beech Creek Baptist January 19 - 26

A revival will be held at Beech Creek Baptist Church January 19 through 26. Rev. Raymond J. Sjolander from Dalletta will be bringing the messages.

For the first time Beech Creek Baptist Church is honored to have an evangelistic song leader directing the song service. He is Barton Barrett from Galena Park. Pete Holland will play the piano. Song service starts at 7:30 p.m. each night.

Everyone is invited to attend. "You will be the loser if you don't come," according to Rev. E. C. Holland, pastor.

Ernest Dennis Assigned To Duty In New Mexico

Staff Sergeant Ernest Dennis, son of Mrs. Robert A. Sanders of Woodville, has arrived for duty at Kirtland AFB, N. M. Sergeant Dennis, a flight equipment technician, is assigned to a unit of the Air Weather Service. He previously served at Clark AB, Philippines.

The sergeant is a graduate of Henry T. Scott High School. He has served in Vietnam.

His wife, Elizabeth, is the daughter of Mrs. Pearl Lyons of 624 Pickett St., Abilene.

Visitors in the home of Mr. and Mrs. O. B. Fortenberry Sunday were their children.

Visitors in the home of Mr. and Mrs. Cecil Fortenberry were her parents, Mr. and Mrs. H. E. Caraway.

Area Nursing Home Executives Form East Texas Chapter

Nursing home owners and administrators from a thirteen county area met in Lufkin last week and formed the Deep East Texas Chapter of the Texas Nursing Home Association.

Elected officers of the new organization were: W. S. "Bill" White, Jr., Whitehall Nursing and Geriatrics Center, Crockett, president; John Karcher, Jasper Nursing Center, Jasper, vice president; Mrs. Marcell Hawthorne, Pine Haven Nursing Home, Lufkin, secretary; and Charles Williams, Pine Crest Nursing Home, Nacogdoches, membership chairman.

The area chapter of the statewide Texas Nursing Home Association will serve the twenty-three nursing homes in the Angelina, Houston, Jasper, Madison, Nacogdoches, Newton, Polk, Sabine, San Augustine, San Jacinto, Shelby, Trinity and Tyler county area.

The 675 member TNHA is the professional association of licensed nursing and custodial homes in Texas. Its members represent both nonprofit and privately owned facilities.

LIVESTOCK REPORT

Sales at the Woodville Livestock Comm. Co. Tuesday January 7 totaled 235 head of livestock: Cattle 106 head, hogs 129 head.

Baby calves—\$10.00 to \$25.00 per head; fat calves—\$26.00 to \$30.00 cwt.; light calves—\$28.00 to \$35.00 cwt.; stocker calves—\$25.00 to \$32.00 cwt.; cows and calves—\$160

DETDC Membership Committee Appointed

Mayor G. G. Gibson of Trinity has been named chairman of the membership committee of the Deep East Texas Development Council, according to an announcement made by Charles Wilson, president.

C. R. Fletcher of Brookeland was named vice chairman and other members named were: Mayor Boley Thomas, Huntington; Mayor Clyde Thompson, Diboll; Howard T. Barrington, Kountze; Judge Loyd Lovell, Crockett; and Judge T. Gilbert Adams, Jasper.

Also A. L. Mangham, Nacogdoches; Judge W. G. Adams, Newton; Barney Wiggins, Livingston; C. Thomas Aden, Corsicana; Bob Pinkston, Center; and Mayor Jimmy Freeman, Woodville.

Senator Wilson explained that as chairman, Mayor Gibson would be recommending additional appointments to the committee from time to time. In addition, he pointed out, it is very likely that various sub-committees will be formed in the future.

The membership committee will be responsible for informing local governmental units of the advantages of DETDC membership. The committee will also be in charge of the council's sustaining membership program.

The DETDC professional staff, to \$200.00 per pair; stocker cows—\$10.00 to \$17.00 per head; butcher cows—\$17.00 to \$19.50 cwt.; camera and cutters—\$130.50 to \$17.00 cwt.; hogs—\$18.00 to \$22.00 cwt.; for hogs—\$22.00 cwt.; butcher hogs—\$17.00 to \$22.00 cwt.; common hogs—\$8.00 to \$12.50 cwt.; pigs—\$15.00 to \$20.00 cwt.

Lion's Club Program Presented By Dr. Burton January 9

Dr. Gayle Burton brought the program at the Lion's Club Thursday, January 9, a film entitled "Pulse of Life".

Program chairman, Lida Walters announced there would be a pancake supper at the Lion's Club January 23 starting at 6 p.m. Tickets for adults are \$1.00, children under twelve, 50 cents for all you want to eat. Tickets can be purchased from any member of the Lion's Club. The proceeds from this supper will be used for sponsoring local projects.

The program for January 16 will be sponsored by Mayor Jimmie Freeman.

Contracts-Let For Construction At Sam Houston State

Construction contracts totaling \$1.2 million for Sam Houston State College at Huntsville were let in the State Senior College Regents an Austin meeting Friday.

A \$813,500 contract calls for construction of a 10-unit agriculture complex on the college farm east of U.S. Interstate 47. The complex will include instructional buildings for animal husbandry, beef cattle, swine, poultry, farm equipment, horse management, feed formulation, and an abattoir. Low bidder on the complex was B.A.R.

Texas In Second Place In Defense Contract Work

Senator John Tower, a member of the Senate Armed Services Committee, said today that Texas remained in second place among the states in amount of defense contract work during the 1st quarter of fiscal year 1969 (July-September 1968).

Newly released figures for defense contract work during the 1st quarter period which ended September 30, show that Texans contributed 10.3 percent of the nation's defense contract work during that year at a total of \$1,062,974,000. That kept Texas ahead of New York which did 9.3% of the work and second only to California, which did 22.2%.

Senator Tower said the FY-69 1st quarter figure for Texas represents an increase over that period in fiscal year 1968 of \$204,344,000. The FY-69 1st quarter figure was broken down this way: Army—\$304,238,000; Navy—\$169,931,000; Air Force—\$444,766,000; Defense Supply Agency—\$239,039,000.

Course On Credit Management Slated January 20-23

Theron Lee

A course for local credit and collection management and personnel will be held at Community Room of Citizens State Bank, beginning Monday, January 20, George Reynolds of the Credit Bureau of Woodville announced. He said that classes would be conducted at night to permit maximum attendance. This course in Consumer Credit Management will be of great importance to all personnel dealing with credit and collections, whether they are owners, managers, or employees of department stores, banks, furniture stores, grocery stores, automobile dealerships, drug stores, or other types of retail, wholesale, service, and professional organizations.

Classes will be conducted by Theron Lee, retail credit training specialist from the University of Texas. This training is made available by the Distributive Education Program of the University of Texas and the Texas Education Agency.

Classes will run for approximately two hours each night, beginning at 7 p.m., January 20 through 23.

Principles of credit and collection procedures and problems will be explained and discussed during the four sessions. The course was designed primarily for experienced personnel, and emphasis is on advanced training and refresher work in modern credit and collection techniques and procedures. However, new workers in the credit and collection field will find the course just as valuable as the "old hands," pointed out Mr. Reynolds.

While the course is primarily for credit and collection personnel, any person employed in retailing, wholesaling, or professional offices is eligible to attend and will find much of the information given helpful.

A small registration fee of \$6.00 is the only expense involved for those attending. Further information about the classes can be obtained by contacting your local Credit Bureau at BU 9-2150.

HEARING TESTS ARE SET FOR WOODVILLE

Free electronic hearing tests will be given in Woodville on Friday, January 17, 1969. Anyone who has trouble hearing or understanding is welcome to come for a free test using the latest electronic equipment to determine his or her particular degree of hearing loss.

Diagrams showing how the ear works and some of the causes of hearing loss will be available. Visitors can also see how a simple operation on the ear has helped thousands of people to hear again and how the latest electronic developments are helping thousands more.

Everyone should have a hearing test at least once a year if they have any trouble at all hearing clearly. Even people now wearing hearing aid should have a hearing test and find out about the latest methods of hearing correction.

The free hearing tests in Woodville will be held at the Willis Motel, January 17, 1969 from 1 p.m. to 4 p.m.

Mr. Joseph A. Geraci will conduct the tests through the courtesy of Belton Hearing Aid Center at 105 S. Second Street, Lufkin, Texas.

If you cannot get to Woodville for your free test you may come direct to the Lufkin Office Monday through Friday, from 8:30 a.m. to 5 p.m. and 8:30 a.m. to noon Saturdays.

You asked for the moon...and RCA gave it to you

It was RCA who built the 4 1/2 pound TV camera that gave the world live TV pictures of the moon from one-quarter of a million miles in space.

And it was RCA who gave the world Spectrum 100, color television of the 21st century. Color television with far more scientific and engineering advancements than any other television.

RCA Spectrum 100

...Color Television almost beyond imagination.

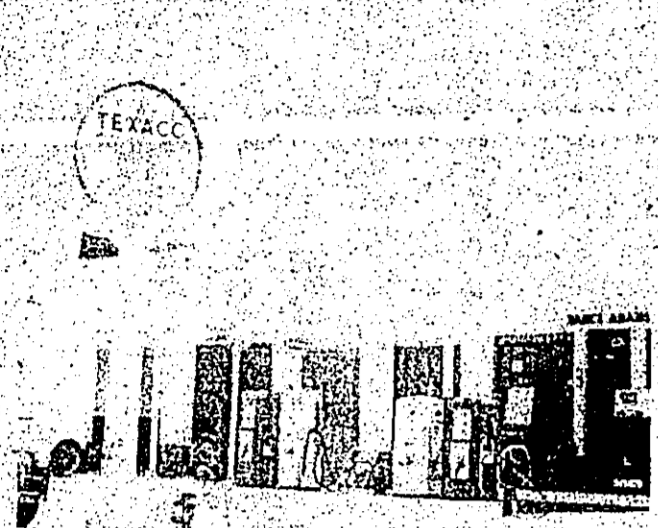

Celebrate RCA's 50th Birthday and turn this Golden Anniversary into a Golden Opportunity for You!
