Citizens State Enjoys Four Win Streak

Citizens State Bank opened their regular softball season last week with four games and won all four of them. Last Wednesday night, the local team slugging shortstop pounded out behind the bats of Jigs Evans, Larry Odum, Tommy Hensarling and Bill Tolar. They took the first game by the score of 11-10 and took the second 11-4. The banking boys jumped out in front in the first part of the game and had to hold what they had as the Indians came storming back. The second game was pretty much the same and fielding played a vital role in the winning of the game. The winning pitcher for Citizens was George Boulware as he ran his record to 2-0. The stars then ventured to Jasper on Monday night where they played in the actual league of which they are entered. They took two games from the Engineers by the scores of 11-0 and 8-7. Gary Hennigan was the big gun for the Bankers as the slugging shortstop pounded out four doubles. Hennigan went 6 for 7 in the hitting department for the night. Other bats that were hitting came from Jigs Evans, Richard Evans, Junior Lewis, Bill Tolar, Joe Willmon, Tommy Hensarling, Larry Odum and Phillip Boyd. Hensarling's singles in the bottom of the eighth saved the night with three games slotted, following an intentional walk to Hennigan and a double by Jigs Evans, plus another pass. Then Hensarling collected his blow over the right fielder's head. Sonny Evans was the winning pitcher in both contests as he started the opener and came in relief in the second. His record is 2-0 for the year.

THESE BOYS AND MANY OTHERS WILL PARTICIPATE

IN THE OPENING OF LITTLE LEAGUE NEXT MONDAY.

LL Opens Monday

Little League here in Woodville will kick off next Monday night with three games slotted. One farm team and two regular Little League games will be featured.

Travels have already been held and everything is in order for the year. Selections for the newcomers were held last Saturday and the finalizing was taken care of and officials are looking forward to a good year. Preparations are in progress for a league for the older boys of Woodville and those games are being slated for Friday nights. The Little League will play on Monday, Tuesday and Thursday with the bigger boys playing on Friday night. There are a total of seven teams at present with four being from Woodville and one each from Chester, Warren and Colmesneil.

YOU Be The UMPIRE!!!

Every time you disagree with an umpire no matter what he calls on a particular play, why we here in this sports department are going to let you be the umpire and let you make the decision. Starting this week we are going to run actual situations and let you decide on their outcome. Then the following week we will run the answer and let you see what that was? Behind the plate goes through Situation Number One: Let's assume you are umpiring behind the plate, and this situation arises: It's the ninth inning of the Cub-Pirate game in Pittsburgh, with the score tied. The Pirates come to bat. Stuart and Burgess are quietly out on the count balls, but Hoak singles. Mazeroski's humpbacked, in into right field falls safely and blocks moves to third. Vidro is purposely passed, leading the bases.

Ricky Nelson, batting for Pitcher Roy Face, runs up a two and two count. The next pitch is a fast ball. Nelson swings and misses, but the ball glances the Cub's catcher. It bounces hard against your umpire's chest protector and rebounds well out into the field. Pitcher Bob Anderson pounces on it and makes a leisurely throw to first.

Nelson Steben slams the Yankee pitcher's next offering high and far into right field. The ball bounces the foul line, fair by inches, as Ken Hadley dashes to his left to catch it. It is still in fair territory when Hadley stabs at up at it. His glove deflects the ball into foul territory, but it lands in the stands. If you were umpire, how would you call the play?

ANNUAL VICA CLUB REPORT STATES 1968-69 SUCCESSFUL

The Kirby High 101 Chapter 450 of Woodville would like to announce that another great year has passed by. We are proud of each and every one of our 32 members in our club during the past year. Including our advisor, Jack Risinger for his assistance and guidance.

The VICA club held fund raising projects so that the money could be used toward expenses to the district and state meets. The boys everyone saw at the football games here in Woodville, who were parking the cars were earning money for the club, while the girls sold a variety of candy through out town. Finally the boys and girls had a contest among each other to see who could sell the most tickets to our annual turkey shoot. On Dogwood weekend at the parade and also at the pig-eat-a-coke stand was set up and ran by VICA students.

On November 9, 1968, eight members of the chapter, T. J. Rialinger, and O. L. Marsh, drove to Conroe for the fall district leadership meet. Here Sandra Allen, entered the job application contest. Wayne Cartwright, Jandrea Galbreth, including our advisor, Jack Risinger, and Mrs. R. C. Galbreth, parents of two of the students.

2,000 VICA students attended from all over Texas. We were chartered by our advisor, Jack Risinger, and Mr. and Mrs. R. C. Galbreth, parents of two of the students.

Wayne Cartwright received a third on his lab technician notebook, and Jody Galbreth received a first on her nurse aide notebook. Ronnie Grimes was elected reporter of District VII.

April 28 through the 29th, we traveled to the state convention in Irving. Here our team entered the ceremonies contest. Sandra Allen received a third on her notebook and a second on her exhibit, and Jody Galbreth received a second on her notebook. We are proud to say that our chapter received a Superior Chapter Award. All of these awards were handed out at a banquet in which about 100 chapters were present.

The students of the Kirby High 101 Chapter feel that this has been a great year, and hope that next year will be even better. We would all like to express our appreciation to the support that our employers have been most helpful for they have provided us a training station, which gives us experience in the field that we feel we are interested in.

THE FAMILY LAWYER

Whose Voice on the Telephone?

Rare is the person who has never gotten a playful telephone call asking him to "guess who this is." But all too often, identifying the caller on the other end of the line is no joking matter.

Generally speaking, the law puts considerable faith in a listener's ability to recognize the voice he hears on the telephone. The modern instrument works well enough to reveal distinctive vocal characteristics.

the telephone. As one judge commented: "The recognition of persons by their voices is a common occurrence, and is often the only means of identification."

Suppose you don't recognize the voice at the time of the call. May you still identify it later on? Consider this situation: The father of a kidnapped child received several ransom calls from someone whose voice was not familiar. Later, when a suspect was arrested, the father talked with him face to face and decided the man had the same voice he had heard on the telephone. Here, too, the court held the identification was sufficiently reliable to be accepted into evidence.

What if you don't remember what the voice sounded like? The judge felt that, with no voice recorder to help, when a lumber dealer tried to collect for merchandise, a check that was not his own could be cashed.

Generally speaking, the law puts considerable faith in a listener's ability to recognize the voice he hears on the telephone.

December Term Grand Jury Makes Report Monday

The final report of the outgoing December term Grand Jury was made Monday to Judge H. A. Coe, 88th District Court. It reads as follows: "Comes now, your Grand Jury for the December Term, A. D. 1968, and wish to make the Court the following report of our activities for the term: We have diligently inquired into and investigated all law violations that have been brought to our attention. We have in session 7 days and have returned 14 no-bills, 29 true bills and passed 9 cases to the District Court for trial.

We commend Judge H. A. Coe and District Attorney R. S. Coe, County Attorney Reis Brockman, our Sheriff, Department, our State Highway Patrolmen and our Woodville Police Department and all of the peace officers for their assistance and cooperation during this term of the Grand Jury.

We have inspected the jail and find it satisfactory condition. We recommend the Rest Room signs in the Grand Jury Room be designated "Restroom" or "Gentlemen" with reference to race.

Having completed our labors for the term we respectfully ask to be discharged by the Court. This report, made this 26th day of May, A. D. 1968, at Woodville, Texas, in open court before me, J. A. Owens, Foreman of the Grand Jury.

Last Rites Held For Mrs. Mattie Williams

Funeral services for Mrs. Mattie Williams, 83, of Durawalla were held at 11 a.m. Thursday last week in Edwards Funeral Home chapel with the Rev. Charles Hayes, Baptist minister, officiating. Burial was in the Mt. Pleasant cemetery.

Mrs. Williams died early Tuesday of last week at her home following a long illness. She was born and reared in Paola, Okla. She lived in a number of East Texas towns before moving to Durawalla 24 years ago. She was a Baptist.

She is survived by her husband, D. E. Williams of Durawalla; two daughters, Mrs. Ruby Hammock and Mrs. Louise Hildner, both of Durawalla; three grandchildren and three great-grandchildren.

To brighten basement stairs, carpet them with black fabric available at awning shops or marine supply houses. It comes in 31 to 33-inch widths. Glass can be put down with fabric cement. To give the natural-colored fabric a bright look as well as more durability, paint each step a different eye-catching color.
