KEEP AMERICA BEAUTIFUL. LITTER BUG. FELLOW TRAVELER.

Here's a question for the  
lady of the house. Gals, how  
many of you ruined the cotton  
garments in your last load of  
home laundered clothes?  
Don't laugh. You may be  
guilty. Experts in the Insti-  
tute Textile Analysis Labo-  
ratory report that bleach mis-  
use by housewives is one of  
the most frequent causes of  
damage they come across.

All bottles of bleach contain  
a warning to pour into the wash-  
er, never from clothes, as it mixes  
with the water. When this  
warning isn't heeded, bleach  
may contact the clothes before  
it has been diluted with the  
water. In cotton or linen or  
rayon, this forms oxalates, which  
is a weakening of the fibers.  
In addition, the so-called "soft-  
eners" break into holes.

Note underarm and side grom-  
mets in lace clothing. Are they  
ample in width and well-fin-  
ished? Shallow seams pull out  
with strain in wear.  
Observe buttonholes. Unfin-  
ished or machine-stitched but-  
tonholes fray readily.  
Wash your lace for special  
luxury. Remember to entrust  
it to a professional drycleaner  
for special handling.

**The Secret Is Out**

The secret is out - Woodville Independent School District has a new Tax Assessor/Collector.  
Of course, most of you probably learned this post factum, when the announcement was made of Mr. David's resignation to join Southeast Savings & Loan - but my before your contemptuous school superintendent had selected a replacement.  
This is a public office, paid for by the residents of the district, and the public has a right to know who was selected to make the job. I am sure that the people who have been qualified far more qualified than the job was known to be what the majority of the people would have chosen if they had been given the opportunity to vote on the matter.

My name is David L. Waldrop, and I am the new Tax Assessor/Collector for the Woodville Independent School District. I am a graduate of the University of Texas at Austin, and I have been in the business of public administration for over 10 years. I am pleased to be serving the community of Woodville, Texas.

Consultation in Church  
I have been in the same church as my neighbors for many years. I have seen many marriages fail, and I have seen many families broken apart. I have seen many people who are unhappy and who are looking for help. I have seen many people who are looking for a lawyer. I have seen many people who are looking for a family lawyer.
