Fishing Tournery Slated At Dam B

The annual Southeast Texas Bass Fishing Tournament at Dam B Lake will be held March 19, 20 and 21, according to C. A. Williams Sporting Goods, sponsors.

The tournament offers outstanding trophies for all winners with prizes given for most bass caught by an individual, largest bass caught, most bass caught by any two men team (trophy to each team member), and most bass caught by a husband and wife team.

According to the rules, each team may fish only one of the three qualifying days, March 19, 20, and 21. Top 50 percent of the anglers on these three

days will advance to the finals on Sunday, March 22.

Winners, except for largest bass, will be determined on the basis of their catch made on final day. Entries for largest bass may be entered on either a qualifying day or the final day.

All state fishing laws, including limit rules, must be observed by the contestants. Only artificial lures and casting, spinning or fly equipment must be used.

Contestants must register on the day they wish to qualify at the official weigh-in station, C. A. Williams Sporting Goods. Fishing will begin at daylight and all catches must

Steve Jones Is Junior Rotarian

Steve Jones, son of Mr. and Mrs. Frank M. Jones of Woodville is the Junior Rotarian of the month and will attend the club's Thursday night meetings. He and his family moved to Woodville from Camden last summer.

Steve is a senior in Kirby High School and a member of the National Honor Society. His classes this term are in English, health, chemistry, art, and algebra. He is the second baseman on the Eagles baseball team.

Steve plans to attend Baylor University in Waco this fall and will study engineering.

Last week's Rotary program was brought by Ray Gibson, the regional forester for Boise Southern Co. A film was shown on his company's new plant located at DeRidder, La.

This weeks program will be brought by Wayne Plummer, conservation forester for the western region of International Paper Company of Camden, Arkansas.

Bond Election Set By Council

The Woodville City Council at its meeting Monday night passed an order for the \$500,000 revenue bond election to be held April 4, the day the regular city election will be held.

Two propositions will appear on the ballot, the first for the issuance of \$210,000 in water revenue bonds and the second for the issuance of \$290,000 in revenue bonds for the sewer system extension and expansion.

The order sets the election at the city hall and appoints J. Wood Fahn as presiding judge and Mrs. Nell Fuller as alternate presiding judge. The presiding judge is authorized to appoint three clerks to assist in holding the election.

Two boxes will be maintained at the election with ballots of qualified taxpaying voters who have duly rendered property

for taxation being placed in one, and the other used for non-taxpaying voters.

The council passed the order for the election following several weeks of discussion on utility rates for a proposed chicken processing plant for Angelina Poultry Company, now located in Lufkin. The company's Lufkin plant is antiquated and they will have to build a modern plant somewhere under an August 1 deadline set by the U. S. Department of Agriculture. Over \$300,000 of the bond issue is to finance facilities to serve the poultry plant.

The council's order for the election is printed as a legal notice in another part of this issue of the Booster and interested citizens may refer to it. (See page five and six.)

Councilmen also set a meeting for next Monday night at which time the method of retirement, the full cost to the city and other pertinent details of the issuance of the bonds will be set forth in an organized manner for publication in the Booster. All members of the council and Mayor Jimmy Freeman said they wanted to give the city's voters the full story so that they could have the facts before them when voting on the issuance of the bonds.

This action followed a statement by Councilmen T. L. Guley and Clay Miller that stories in the Booster during the past three weeks might mislead the voters.

In other business, the council again discussed the request of Southwestern Bell Telephone Co. for a rate increase here. After hearing Bell District Manager Jack Martin answer questions by councilmen and City Attorney Joe Wheat, the decision on the rate increase was again put off until a later meeting.

The council voted to buy a new radar unit to replace a worn-out one in the city patrol car.

White Receives Driving Award

Jack C. White, forester, Soil Conservation Service, Woodville, received a 25 year safe driving award last Thursday from Gerald P. Maynard, district conservationist, Woodville Work Unit.

"This kind of outstanding safe driving award doesn't just happen," Maynard said in presenting the award to White. "It's the result of careful, attentive driving. You have set a day-to-day driving example that all of us should try to follow."

The award was approved by Kenneth E. Grant, Administrator of the Service. The Soil Conservation Service is cooperating in the U. S. Mission Safety 70 program whereby Federal agencies are trying to reduce employee injuries and costs 30% by 1970.

Four Dogwood Princesses Chosen Tuesday

Kay Owens, at left, reigning queen of the Tyler County Dogwood Festival, poses with the four princesses (one of whom will be queen) following their selection by the Kings Men Tuesday at Woodville Inn. Princesses, from left, are Alice Dell Odom, Spurrer; Kathy Williams, Warren; Kay Williams, Woodville; and Jill Ogden, Colmesneil. The queen will be chosen in the final judging March 24 but her identity will be kept secret until the coronation on April 4.

Udler Man Named Utility Foreman Here By Gulf States

Edwin C. Wilson, formerly district serviceman at Woodville, has been transferred to Woodville and promoted to utility foreman for Gulf States Utilities Company.

Wilson joined Gulf States in 1950 and has progressed through various posts in the company's transmission and distribution departments.

A native of Huntington, he was graduated from high school there. He served in the Army during 1946 and 1947. Married to the former Theresa Hamm of Vidon, they couple has four children: they are Carol, 13; Jerry, 10; Laurie Ann, 6; and Charles Allen, 2. The family attends the Baptist Church.

Join Pollution Fight

Tyler County commissioners water and air pollution and pledged support at all governmental levels to help make the nation and Tyler County in particular as free of pollution and as free of pollution as possible; to provide adequate sanitary landfill, garbage disposal areas on county wide basis; to promote county wide planning for water and sewage disposal; and to make an all out effort to remove and keep trash off roads and highways.

Farm, Ranch Tax Booklet Available

Recent changes in the income tax laws will affect all tax payers this year, and will be especially important for tax management by farmers and ranchers according to county agent Clinton Currie. A copy of the changes affecting the 1969 income tax report, but most of the changes become effective in 1970 and later.

Mr. Currie says tax free exchanges of livestock, holding period for livestock, sale of farm land, recapture of depreciation on livestock and new rules for installment sales are among the many important changes.

Most of the changes affecting all tax payers are included in a new publication entitled "Highlights of 1969 Changes in the Tax Law." For your free copy come by the county agent's office at Tyler County Courthouse or call 283-2482.

Spaghetti Dinner Set At Warren

A spaghetti dinner will be served at the Warren Methodist Church Friday, March 20. Adult tickets are \$1.25 and children .75. You may eat at the church or take it home. Homemade cakes and pies will also be available.

Sears Catalog Store To Open

A new business will be open in Woodville next week when the newest Sears, Roebuck and Co. Catalog Merchandise Store will have its grand opening Friday, March 20 at 512 South Magnolia.

The opening has been set for 9:00 a.m. Mrs. Dorothy Rawls, the owner-manager of the store said, "Woodville's new store is the result of a combined effort between Sears and myself to offer better and more complete service to our catalog customers in the area. We hope the people of Woodville will consider us a part of the community and will avail themselves of our new facilities."

Besides souvenirs for all attending the grand opening, visitors may register for free door prizes. Register for free door prizes will be given away.

DOROTHY RAWLS

They will find on display many of the more than 140,000 items available through the Sears catalogs. These items include appliances, tires, and batteries, plus many shopping aids. Additional particulars concerning the grand opening may be found in a full page advertisement appearing in next week's issue of the Tyler County Booster.

Mrs. Rawls, who has been resident of Woodville for 11 years, said that orders for any merchandise listed in the current Sears catalogs may be placed in person or by phone from home. The orders are then relayed to the Catalog Order Plant in Dallas for filling and the merchandise sent to the store here or directly to the customer if desired. Orders will be received in consolidated shipments thereby saving the customer part of the shipping charges.

The steady growth of Woodville and surrounding area prompted Mrs. Rawls to open the new store. She pointed out that this is a locally owned and operated business.

Womans Study Club To Hear Judge Keith

Judge Quentin Keith, Associate Justice, Court of Civil Appeals, Ninth Supreme Judicial District, Beaumont, will speak to the Women's Study Club, Tuesday, March 17 in the home of Mrs. W. H. Ringler with Mrs. M. A. Fahn as co-hostess.

The subject of his talk will be "Fair Trial and Free Press," and will cover in a very general way the application of the First and Sixth Amendments to the Constitution of the United States in the sensitive area of trials of persons accused of crime with the attendant publicity which we now encounter. This will be following through the president's theme "Individual Citizenship Responsibility."

SORRY...
Due to several legal notices which had to appear in this issue, some news had to be omitted. We will print omitted stories next week.

10 resounding reasons why you should buy a new Chevrolet instead of a new something else:

- Higher resale value.** Year after year, no other car in Chevrolet's field gives you as much back on your initial investment.
- Deep down value.** Includes shock absorbers, fresh anti-dry, rubber panels and an extra set of fenders keep Chevrolet looking good longer.
- Smooth, smooth ride.** Because of Chevrolet's computer selected springs, full coil suspension and advanced body mounting systems.
- Impressive styling.** The impression is that it's an expensive car, if you want to make an impression.
- Massive interiors.** Room to stretch out or to sit tall. Chevrolet has more front seat room than any other car in its field.
- Side-guard beams.** Chevrolet puts more between you and the outside. Steel beams built into every door.
- A finish that lasts.** It's unfortunate other cars in Chevy's field don't have a Magic-Mirror finish because it sure keeps its shine.
- Exceptional engines.** Chevrolet's standard 350-cubic-inch V8 runs on regular fuel. Plus there are five more engines available.
- Tremendous selection.** Of colors. Of accessories. Of engines. Of transmissions. Of fabrics. And of models. There are nine big Chevrolets alone.
- America's favorite.** Something new, something else, can't claim. If actions speak louder than words, doesn't this say something to you?

Putting you first, keeps us first.

Notice Of Election (Cont. from Page 5) PROPOSITION NO. 1 FOR THE ISSUANCE OF \$200,000 REVENUE BONDS FOR THE PURPOSE OF CONSTRUCTING EXTENSIONS AND IMPROVEMENTS TO THE CITY'S WATERWORKS SYSTEM.

PROPOSITION NO. 2 FOR THE ISSUANCE OF \$200,000 REVENUE BONDS AGAINST THE ISSUANCE OF \$200,000 REVENUE BONDS FOR THE PURPOSE OF CONSTRUCTING EXTENSIONS AND IMPROVEMENTS TO THE CITY'S WATERWORKS SYSTEM.

Each voter shall place an "X" or other clear mark in the square beside the proposition, indicating the way the voter wishes to vote on each proposition.

That said election shall be held and conducted in reference to two separate but simultaneous elections to wit: One election at which only the qualified electors of the City and who have filed their names for taxation shall be entitled to vote.

Where the term "election" is used in this resolution and order for election it shall mean separate but simultaneous elections. In further explanation, if need be, the taxpaying voters vote in one box and the non-taxpaying voters vote in the other box.

That a substantial copy of this resolution and order for election shall serve as proper notice of said election and said notice shall be posted at the City Hall and at two (2) other public places within the City not less than (14) full days prior to the date on which said election is to be held.

ADOPTED AND APPROVED at a meeting open to the public after public notice of the time, place and purpose of said meeting was given and posted as required by law.

Attest: WALTER DAVIS, CITY SECRETARY.

TYLER COUNTY BOOSTER Yellow Jackets To Austin: Seek State Crown

Chester's Yellow Jackets are off to Austin this weekend to try for the state crown of basketball in Class B. The Yellow Jackets won the two games played in the regional this past weekend and now must travel to Austin to play Saturday morning at 10:00 a.m. against the La Pryor Flyers.

Chester advanced to the state finals by defeating the Mauriceville Panthers in a district and advancing to the regional playoffs which were held last weekend. They took wins over Anderson and Alton to advance. Chester didn't have much trouble with Anderson with the help of some real strong defense.

The manner of holding said election shall be governed, insofar as may be, by the Texas Election Code, as amended, except as modified by applicable law.

Particular people are our favorite paint customers. Whether they do their own painting or have it done, they're the ones who know that by far the major cost of painting is in the labor. They also know there's a whole of a difference in paint—the way they hold and cover, and whether or not they deliver satisfaction and service.

Paint performance is what counts most with our paint-wise buyers. They're not easily impressed by a low price per gallon. They want their money's worth in a high-value house paint that will deliver the lowest cost per square foot for years of good service. Napko's Dover White House Paint has been doing just this—for years—beautifully!

It's Spring joint-up time—and our Dover White performance is sale-priced for savings that make sense.

Come in, visit us, and let us help you measure your house for a new coat of beauty, Dover White.

You can make those winter nights at home seem fresh as springtime by giving your walls a new-magnolia beauty with Napko Interior Paints. And this is an especially good time to repaint your interior, because this big Napko Sale will save you up to 20%... that's color! We have 1001 colors all waiting to perfectly match or contrast your personal choice of decor. And your Napko dealer can give you good painting tips, or can recommend a professional paint contractor.
