DPS ASKS MOTORISTS TO DRIVE SAFELY...

County Has No Serious Traffic Accidents

Automobile traffic through Tyler County was heavy during the Christmas holiday period but no serious accidents occurred, according to Highway Patrolman Joe Willmon.

Highway patrolmen again pulled a number of motorists off the highway and lodged charges of driving while intoxicated against them. This continuing effort to rid the highways of drivers who are drinking has been one reason the county has been free of serious accidents, highway patrolmen believe.

The Department of Public Safety has predicted that 46 persons will be killed in traffic accidents over the coming New Year's holidays period beginning at 6 p.m. Friday. The DPS had predicted 32 deaths during the Christmas holiday period and latest count showed 48 persons lost their lives during this period.

The highway patrol, sheriff's deputies and city police will again be on extended duty during the New Year's holidays in an effort to control traffic offenders and stop drinking drivers.

City To Close

Garbage Dump

The garbage dump owned by the City of Woodville off Chester highway (US 287) will be closed down and fenced off effective January 15, according to City Secretary Walton Davis. Davis said that two representatives of the Texas State Health Department inspected the site on December 14 after receiving complaints of the drainage causing pollution of a stream on private property and the dumping of dead animals. Following the inspection Mayor Jimmy Freeman and Davis were advised that the city would be notified by the State Health Department to close this dump or go to the sanitary landfill method of disposal.

The City Council at its last regular meeting took up the problem and decided that at this time it is not feasible at this time to attempt the practice of the landfill method due to the lack of adequate land and machinery required to accomplish it.

Frank Grimes Runs For Commissioner

I want to take this opportunity to announce that I will be a candidate for commissioner of precinct three, Tyler County, in the May 6 primary election.

Widest Rack Entered So Far

Raymond Closser, new of Trinity, killed this big buck near Little Mountain in the area behind the Old Country Store east of Hillsier. The antlers measured 21-1/4 inches and takes points.

Stores To Close For New Year's

Stores in Woodville for the most part will be closed Saturday in observance of the New Year's holiday, according to Fred Sullivan, chairman of the retail-merchants committee.

Open will be the drive-in and neighborhood groceries, service stations and several restaurants.

The county's three banks will close Friday for the holiday. Bob Bell, vice president of Citizens State Bank, pointed out that bank holidays were set by the legislature and the last session amended the bank closing statute to include nine holidays.

The statute set out that when Christmas and New Year's fall on a Saturday the banks shall take Friday as the holiday.

Other holidays banks are required to observe are George Washington's birthday to be observed on the third Monday in February, Memorial Day to be observed the last Monday in May, Independence Day on July 4, which will fall on Tuesday in 1972, Labor Day on the first Monday in September, Columbus Day on the second Monday in October, Veterans Day on the fourth Monday in October, Thanksgiving on the fourth Thursday, in November, Christmas Day in 1972 will fall on a Monday and banks will close that day.

The courthouse will be closed Friday also as will the city hall. Both are normally closed on Saturdays and will give employees Friday off for the holiday.

The post office will close its window service at noon Friday and reopen at the usual time on Monday, according to Postmaster H. M. Durham.

Lighting Contest Winners Named

The Lighting Contest, sponsored by the Women's Study Club of Woodville, was held Monday, December 20. As previously stated, all members of the Study Club, with the exception of the committee, involved in the judging were eligible.

Winners of this year's contests are, for yard decoration: Alva Cook, Sr., first; David Pate, second; and Charles Baird, third.

Honorable mention: Amon Tono, Malcolm Collier and J. D. Vinson.

For house decorations: Maris Clemmons, Jr., first; Claude Hicks, second; James Best, third.

Honorable mention: Billy Barnstead, Ruby Smith and J. T. Trull.

Politics To Take Spotlight In 1972

While it is five weeks away from the February 5 filing deadline for the May 6 first primary election, interest is beginning to stir in political circles both statewide and local.

Frank Grimes, who lives in the Dam B area, this week became the first local candidate to announce he will be a candidate for office. He will seek the county commissioner's post in precinct three.

E. T. Stanford of Rockland was a close second, announcing Tuesday for the same office.

Don Adams of Jasper has announced for State Senator to succeed Charles Wilson in this district. Wilson is expected to run for Congress in the second district.

Two candidates are already in this race. They are Norman Birdwell of Hemphill, a retired Air Force major, and J. C. Stallings, a Nacogdoches radio station owner. They hope to succeed the veteran John Dowdy, whose trial on bribery charges was expected to be concluded in Baltimore Wednesday. If acquitted, Dowdy is expected to again seek the seat by moving into the new district from which his home county was removed in redistricting.

Black-eyed Peas, Hog Jowls Is Meal For Luck In '72

If you like to hedge your bets, good luck for 1972 can be assured by the black-eyed peas and hog jowl which will be served at Heritage Garden Village's Black-eyed Peas and Hog Jowls Sunday.

The custom of eating black-eyed peas and jowl is a long established one in East Texas and is supposed to assure the eater a year of good luck and success. The practice extends as well through Arkansas, Tennessee, Alabama and other southern states.

Along with the peas, home-grown mustard greens and poke salad, cooked together, will be served, as will backbone and pork ribs.

Poke salad, Clyde Gray, owner of Heritage Village, said, grows wild in the south and is the very first green to come up in the spring. Pioneers looked for and welcome this first fresh green after long winter months of dried and preserved food.

If you are planning to gather and prepare your own poke salad, Gray said, parboil it first before the final cooking and pick only the young, tender leaves.

Serving will be from 11:30 a.m. until 6 p.m. The complete menu will include fried chicken, chicken and dumplings, backbone and ribs, black-eyed peas and hog jowl, mustard greens and pork salad, candied sweet potatoes, cabbage slaw, biscuits and cornbread, tea, coffee and country buttermilk, cherry cobbler, served family style.

LD Phone Rates Adjusted

An adjustment in long distance telephone rates in Texas went into effect Wednesday after being approved by the Price Commission. Southwestern Bell Telephone Company announced Monday. The adjusted rates were first announced July 31 and then deferred because of the wage-price freeze.

The new rates include reduced charges for most direct distance dialing and increased rates for operator-assisted calls within Texas.

According to Southwestern Bell vice president for Texas operations, H. D. Schodde the adjustment is expected to increase the company's intrastate revenue in Texas by about two percent.

Also being introduced along with the new rate for direct distance dialing area:

A new one-minute initial period of "night" (11 p.m. to 8 a.m.) direct distance dialed calls which do not require the services of an operator.

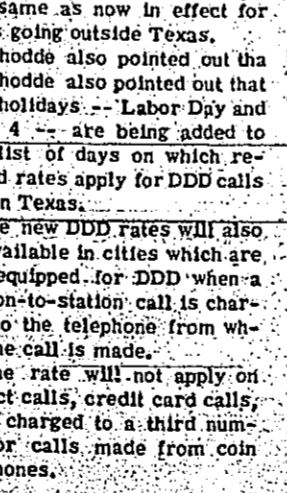

New rates for all operator-assisted calls during all calling periods:

New rate periods (day, evening, night and weekend) on direct distance dialed (DDD) calls. These time periods are the same as now in effect for calls going outside Texas.

Schodde also pointed out that the list of days on which reduced rates apply for DDD calls within Texas:

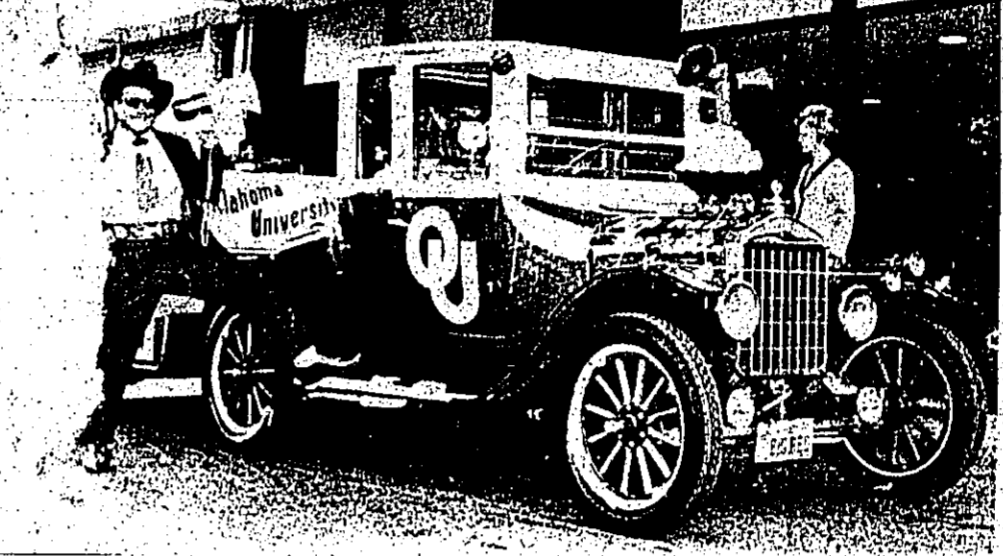

The new DDD rates will also be available in cities which are not equipped for DDD when a station-to-station call is charged to the telephone from which the call is made.

The rates will not apply on collect calls, credit card calls, calls charged to a third number or calls made from coin telephones.

Singing Convention Slated Jan. 14-15-16

Now—How's This For A Dedicated Football Fan?

Cecil "Big Red" Samara, Oklahoma's Number One football fan, paused in Woodville Tuesday in his 1923 Model T Ford pulling a miniature trailer on his way from Oklahoma to New Orleans and the 1972 Sugar Bowl where the Sooners will play Auburn in the New Year's day classic.

The fantastically restored Ford is painted as colorful as the old Model T. Dressed in red and white from his hat suit and cowboy boots, he has logged some 300,000 miles since 1950 at Norman, home of the Oklahoma Sooners.

He has made every Oklahoma-Texas football game since 1952, five Orange Bowl games, two Bluebonnet Bowls, one Gator Bowl, and appeared at Chicago, Notre Dame, Pittsburgh and all over the Big Eight Conference in which the Sooners play.

Samara says that over the

day he drove the 200 miles to Houston in time for...

From Houston he drove out of his way in order to spend Tuesday night in Jasper, Tex. Joe Tomahill, who claims to be Texas' Number One fan, he got to Woodville before noon and left for Jasper about 2:00 p.m. after lunching at Woodville Inn and visiting Jack Lane Ford, Inc.

The day night Tomahill was to have a barbecue in Samara's honor following a parade in Jasper scheduled for 3 p.m. Wednesday. Samara was to drive from Jasper to Baton Rouge and on Thursday he will drive on to New Orleans.

If everything goes just right, Samara will have driven the Model T a total distance of 931 miles in 35-1/2 hours of driving time. And when he left Woodville Tuesday he fully expected to make it on time. After all, the 1923 Model T has yet to let him down.

Tex-La Meches Valley Singing Convention to be held in the Woodville School auditorium January 14-15-16 shapes up to be one of the best held so far in Woodville, according to Bob Bell, chairman of the arrangements committee for the Tyler County Chamber of Commerce.

Jess Harper of Jasper, president of the convention, said that many new singing groups as well as those who have appeared in previous conventions have indicated they will be here.

The convention will begin Friday, January 14, with the popular concert presented by quartets, trios and other groups. Mr. Harper said that among those who will take part are the Fabbys and Antones of Oklahoma, the Hagans from Louisiana, the Conns from Dallas, the Harris Family from Kalamazoo and the Glad Tidings Trio from Jasper. This assures some of the finest non-professional gospel singing groups in the Friday night concert.

The youth session will begin at 8:30 p.m. on Saturday, January 15, under the direction of Gary Davis, convention vice president from Louisiana. The first session of the regular sessions, at which quartets, trios, and congregational and class singing will be featured, begins at 6:30 p.m. Saturday, January 15, and the second session will start Sunday at 9 a.m.

Besides Mr. Bell, others on the arrangements committee are Wynn Bell, in charge of sound; Dave Woodruff, bulleting; S. L. Collier and Robbie Comer, advertising; Mrs. Sam Rollins and the Band Boosters, concessioners; Noellene Rawles, Bill Grimes, T. T. Thornton, D. A. Sparlock, Walter Fox, Jimmy Brown, E. E. Havard, D. M. Phelps and Clarence Woodruff, members at large.

City To Get \$12,292 Sales Tax Check

The City of Woodville has received a \$12,292 check from the state comptroller's office representing its share of the third quarter sales tax collections. This is a slight increase over collections during any quarter since the city began to collect the one percent sales tax, according to City Secretary Walton Davis.

The comptroller's office reported that collections in Southeast Texas cities and towns for the third quarter ending

September 30 ranged from a whopping \$8.2 million in Houston to \$2,793 in Grapeland. Beaumont's third quarter share was \$581,860.

Other towns in this area and their share include Groveton \$2,895; Hemphill \$5,148; Jasper \$36,696; Kirbyville \$7,213; Kountze \$5,293; Newton \$4,117; Rusk \$11,926; San Augustine \$12,476; Silsbee \$32,653; Sour Lake \$3,145; Cleveland \$35,522; and Trinity \$7,039.

Family Quarrel Ends With Shooting

A family quarrel in Fred Monday resulted in the death of Ronald Elmer Keefe of Amber, in He had been living in the working with a construction firm on the new Fred elementary school building.

The shooting was investigated by deputy Sheriff Adnell Odum. No charges had been filed in the case Tuesday as investigation continued.

The man's wife, who recently had undergone open heart surgery, was admitted to Tyler County hospital in shock following the shooting.

Pine Hills Plans Western Dance

Pine Hills Country Club members and guests will bring in the New Year with a western dance with music provided by the Country Music Establishment featuring recording artist Clydene Primrose, Jerry Fontaine and Elmer Hall and their guitarists will be part of the group.

The dance will begin at 8 p.m. Friday, December 31, and all members and their guests are invited.

Randy Gibson holds the antlers of a 9 point buck his dad...

Harold Tawn of Warren, hunting west of that town on the Dallardsville road, came in with this eight point buck. The antlers measured 18-1/2 inches. Also there were two small ones which most hunters would have claimed.

America Still Is...

ONE WOMAN'S OPINION BY MRS. ETHEL OSBORN HILL

AMERICA IS NOW BUSILY thinking up new resolutions for the coming year, 1972. And some are thinking up new ways some are thinking up new ways to carry on successful election campaigns. And I see by the headlines (people who can't get people headlines.) Some are so glorious brazen, so terrible that they are seen and read the world over, especially the heart-breaking war news. And I saw that agricultural leaders and planners are now planning new measures of crop controls, especially of the wheat crop. I was born and reared among farmers and I know the importance of the annual agricultural books of today. That was before there was a commissioner of agriculture, but the first full time person in that position, Hon. James Wilson, was a family friend, and I still remember many country stories he told me, as well as a member Dr. Seaman A. Knapp, head and founder of all extension work in the United States. The two old books I mention were given me by another family member, and I can't remember his name. With two or three other high-ranking agricultural leaders from Washington D. C. he was a guest of A & M College Annual Short Course, in 1920. At that time this annual meeting composed of a student out-number of students of 4-11 club girls and boys, men's and women's farm and home demonstration clubs, rural pastors, teachers, rural superintendents, and editors and writers from countless rural and many city publications, besides a few senators, congressmen and usually a governor, I can't remember the name of Gov. Pat Neff who was a gentleman, a scholar and a very efficient farmer. In knowledge and helpfulness.

Young Couples Preparation

By Ralph W. Gess, M.D., Senior Medical Consultant, The National Foundation for Fetal Development. It used to be that having a baby was a function reserved for women only. Nowadays, however, the father of the yet-to-be born baby is being invited to participate if not in the actual pregnancy, at least in the emotional atmosphere that surrounds it. One might say that the father-to-be is let in on many of the pregnant woman is going through, the more the father-to-be is let in on what the pregnant woman is going through, the more the father-to-be is let in on what the pregnant woman is going through.

Doctor in the Kitchen

By Laurence M. Hurst, M.D., Consultant, National Dairy Council. The future father isn't getting the high physical grade, but his wife's pregnancy certainly is an emotional time for him. It is also nine months of grunting together. (How do you know each other? It is a trial run.)

WE ALL NEED CALCIUM

Readers of this column will recognize the following quotation: 'I've used it before but it bears repeating because of its importance: "A body well nourished with calcium and other nutrients can be expected to have good bone growth and development; a well functioning nervous system, a high level of vigor and positive health at every stage of life."'

Mrs. Ethel Q. Young Dies in El Paso

Friends here have learned of the death in El Paso last week of Mrs. Ethel Q. Young, 88, wife of Jack R. Young, El Paso banker and a member of a pioneer Woodville family. Mrs. Young was the chairman of the board and president of the Northgate National Bank in El Paso. She is the youngest brother of Sam D. Young, chairman of the board of El Paso National Bank. Mrs. Young had been a resident of El Paso for five years. She was a member of the Trinity Methodist Church here. Daughters of the American Revolution, Providence Memorial Hospital Auxiliary and El Paso Women's Club.

Ramona Graham, Tommy Conner Wed

United in marriage Thursday, Dec. 23, 1971, at 11:30 a.m., December 23, wedding ceremony at the home of Ramona Gayle Graham and Tommy Conner Wed. The couple exchanged vows in the First Baptist Church of Port Arthur with the Rev. James K. Edwards officiating.

Parents of the bride are Mr. and Mrs. Morris T. Graham of Jena, Louisiana, and the bride's grandparents, the late Mrs. H. C. Graham and Mrs. J. C. Graham of Jena, Louisiana.

Parents of the groom are Mr. and Mrs. W. H. Wed of Port Arthur. The couple will reside in Port Arthur.

The bride is the daughter of Mr. and Mrs. Morris T. Graham of Jena, Louisiana, and the bride's grandparents, the late Mrs. H. C. Graham and Mrs. J. C. Graham of Jena, Louisiana.

The groom is the son of Mr. and Mrs. W. H. Wed of Port Arthur. The couple will reside in Port Arthur.

YVETTE DURHAM, CHAPEL CHOIR OF HOLY LAND

Yvette Durham, the daughter of Mr. and Mrs. Henry M. Durham of Woodville, is among 48 members of the Baylor University Chapel Choir on tour in Israel for the third annual Christmas Choir Festival.

Miss Durham, a freshman at Baylor, is a 1971 graduate of Kirby High School in Woodville.

Dr. Euell Porter, professor of music and director of choir at Baylor, directed the singers in several concerts during the 10-day festival tour. The Baylor choir participated in the festival along with 250 singers composing three choiral groups.

The other choirs are the Nolan High School Choir of Worthy, the Birmingham College Choir from Birmingham, Ala., and the Ocala choir from Ocala, Fla.

The choir performed at the Kahm Theatre in Jerusalem on December 22.

A Christmas concert in the city's Manger Square, V.I. from throughout the world, tended to be held at the American Embassy and American radio and television.

The choir performed in Nazareth on Christmas Day, December 25.

The choir was accompanied by the Mount of Beatitudes and the Sea of Galilee.

The choir performed in Nazareth on Christmas Day, December 25.

Hard-Earned Home Merits Easy Care Beech Creek HD Club Meet Held

The Beech Creek Home Demonstration Club held its December 15 meeting in the home of Mrs. R. L. Crompler with twenty-five members and three visitors present.

The meeting was called to order by club president, Mrs. W. Wilson. She then read the poem, "A Little Bit of Christmas."

An roll was called each member told of their plans for Christmas.

All business was postponed until the January meeting.

Mrs. T. E. Lenamon, recreation chairman, led the group in games appropriate to the Christmas season.

Lunch was served and covered each member.

After lunch everyone gathered around the Christmas tree which was surrounded with many presents. As the gifts were handed out each member learned who had been their secret pal for the past year.

Mrs. Wilson, president, adjourned the meeting by wishing everyone a Merry Christmas and a Happy New Year.

Mrs. Jack Sheffield will be hostess to the January 19 meeting with Mrs. Oona McClain, co-hostess.

Alpha Delta Kappa Group Has Christmas Party At Wildwood

The December meeting of the Alpha Delta Kappa sorority was a gala occasion for sorority members and their guests.

The party was held at the Wildwood field at the activities building in Wildwood.

The short business meeting preceded the presentation of the Christmas story by guest speaker, Mrs. Jack Cooksey.

A gift exchange and social hour followed.

Guests in addition to Mrs. Cooksey were Misses J. H. Keneson Jr., Bill Barton, Roberta Pitts and Georgia Conley.

Hostesses were sorority members living in the Wildwood community: Misses L. C. Kirk, Max Langston, Frank Baker, W. T. Dismukes, and T. C. Morrison.

PERSONAL

Mr. and Mrs. O. E. Bodine spent the Christmas holidays in Waco, Saline, and San Angelo.

LIBRARY NOTES

By Eloise Maynard

The Christmas spirit lingers on at the Allan Silvers Library this week. We delay taking down the beautiful art and story displays brought to us by the classes of Mrs. Shirley Spurlock, Mrs. Ethel Jackson and Mrs. J. L. Allison. Those displays, unusual drawings, stories and Christmas cards will be on showing until New Year's Day, so come to see them.

The library finally got the book for which many of you have been calling "Barry My Heart at Wounded Knee" by Dr. Francis X. Barry. This is another moving Indian story of the West, and this one is written from the Indian's point of view. This is a thought-provoking book and probably one all Americans should read.

Through the services of our literary loan staff, Tyrrell of Beaumont, the library received a great Christmas present of 15 fine reference books, unusual being, a 12 vol. of "The Interpreter" which consists of the scriptures in the King James Revised standard version, general articles and notes. We also have The American Negro Reference Book, Famous First Facts, and The Standard Handbook for Secretaries.

Memorials have been given for Mrs. Ben White and Mrs. Jessie Terry by Ruth and Jack White. A children's book was given in memory of James Shields by Mr. and Mrs. Monroe Prescott. Christmas gifts to the library for the purchase of books were given on behalf of Mr. and Mrs. Allan Silvers by the Shary Employees, Mr. and Mrs. A. J. Shary of Mission, Texas, and by Mr. and Mrs. Leon Moxley, Jr. of Austin.

The staff wants to thank all the many friends of the library who brought candy, fruit and all the goodies that go along with the Christmas season. Let us say thanks by picking you out a good book to read.

Pre-Built Structures In Use Now

Many of the people to whom the idea of systems building offers are volume production seems new, may already have been in systems-built structures without realizing it.

For instance, the industrialized building method has been used here to construct churches, medical buildings, schools, apartment buildings, hotels, and single-story houses. It is used instead of the building method in building all allied fields—real estate, transportation to the building site, where they are quickly assembled into a completed building.

The applications of systems building and its potential for meeting the nation's housing needs will be the theme of the second Industrialized Building Exposition and Congress, Oct. 31 to Nov. 4, at the Kentucky Exposition Center in Louisville.

Sponsored by the Building Industry magazines of the Chamber Publishing Company in cooperation with the National Association of Building Manufacturers, INBEX'71 is expected to draw more than 15,000 professionals from building and allied fields—real estate, government, labor, city planning, manufacturing, and investment. The center for exhibit information is Cahners headquarters, 5 South Wabash Ave., Chicago, Ill. 60603.

Q. Since my father died, I've gotten monthly social security survivors benefit. I will turn 18 next year and will be graduating from high school. Can I continue to receive my checks if I go to college after graduation?

A. Yes. You may continue to receive survivors benefits until 22 as long as you are a full-time student and unmarried. You should receive a notice sometime before your 18th birthday telling you to get in touch with the social security office if you plan to continue in school.

Q. When I turn 65 next year, I will apply for monthly social security retirement benefits. If I don't have a birth certificate, what else can I use to prove my age?

A. Check with your social security office. The people there may be able to help you get a copy of your birth certificate—or some other document to establish your age. A baptismal certificate, school record, old insurance policy, or other records may prove your age. Generally, the older the document, the better.

STRENGTH For These Days

"Forbearing one another, and forgiving one another, if any man have a quarrel against you: even as Christ forgave you, so also do ye." Colossians 3:13

Christ set a wonderful example for us. If we all did as he did, the world would be a better place to live. As the new year comes in let us seek Him for a clean heart forgiving all others as He forgives us.

ECHOES FROM EBENEZER

The last two weeks we certainly should have been looking and looking for the last part of the Ebenezer news. The Ebenezer news was very beautiful. They were reading the Echoes could tell that there was more. There was a nice crowd at church Sunday. The Ebenezer news was very beautiful. They were reading the Echoes could tell that there was more. There was a nice crowd at church Sunday. The Ebenezer news was very beautiful. They were reading the Echoes could tell that there was more. There was a nice crowd at church Sunday.

DOUCETTE NEWS

In Stride
Each parent and also the grandparents were just that beautiful. The Ebenezer news was very beautiful. They were reading the Echoes could tell that there was more. There was a nice crowd at church Sunday. The Ebenezer news was very beautiful. They were reading the Echoes could tell that there was more. There was a nice crowd at church Sunday.

FIGHT CANCER
American Cancer Society
We do want to mention this. She was one time one of us. We still hold some claim on Mrs. Linn Galt Shepherd. Her husband, Mr. and Mrs. Arthur, had a very beautiful wedding last Friday night. The decoration of the chapel was very beautiful. Linn was such a beautiful girl. Her wedding was a handsome groom. We do know that this couple is very happy. If you, they possibly could have been so lovely.

Welcome to the New Year

Afraid of replacing your furnace in the winter? Don't be!
We can do it quickly before your thermostat knows it, it will be "steering" a new heating system, giving you new, reliable quiet comfort with top economy. We'll pre-arrange needed new duct connections in our own sheet metal shop. We'll insert the new furnace in a matter of minutes. It will be a Carrier Weathermaker Furnace with a simple airpower to push warmth to the farthest corner of your home.
* a Stratolast heat exchanger coated with ceramic and aluminum alloy for corrosion resistance
* quiet, efficient burners
WE SERVICE WHAT WE SELL!

My Neighbors
Mrs. Jennie Stewart is still on the sick list in the Tyler County Hospital. Let us remember her in our prayers.
"He's working for a little loose change for camp."

Consumers Want to Know
by MARGARET SPADER
Director of Consumer Affairs
National Association of Manufacturers
Why do bread wrappers list calcium propionate and omit all other ingredients?
Since the composition of bread is defined in FDA regulations, only preservatives must be listed as required by law. Calcium propionate is added to bread to retard spoilage. It is the calcium salt of propionic acid, a compound found widely in natural and processed foods.
Why are so many different food additives used in bread?
Some additives in bread are yeast, preservatives, bread from be. in the home, S make it possible to keep bread before food at used they must. Then they may be useful. Pi only be used mitted—that intended
Who checks bread to make conform to laws?
The Food and Drug Administration has inspectors visiting factories, warehouses and stores to collect samples in a continuous watch for products that are below standard. Court action may be taken if manufacturers do not comply with standards.
What's the difference between process cheese food and process cheese spread?
Process cheese food is a blend of fresh and aged natural cheeses that have been melted, pasteurized and mixed with an emulsifier. Process cheese spread is soft and spreadable room temperature. It contains less fat than process cheese food, but has added milk or whey solids. It may also include other ingredients such as vegetables, meats, fruits or spices.
