ROCKLAND REPORT

We at the Rockland Baptist Church praise and give thanks to God, our Father, the Lord Jesus Christ, and the Holy Spirit for the wonderful revival we experienced last week and we look forward to its continuing in the days to come. Bro. Bruce Williams really preached the Word and inspired our hearts. As for the friends, Bro. Noble Jones and Mrs. Williams were really helpful in the revival. The revival has been a blessing to the church and the community. We are grateful to God for the revival and the friends who have helped us in this time of need.

IN CONGRESSIONAL RACE 'Strong-Arm' Threat Will Not Slow Birdwell Down

On March 27th there was an attempt made to "STRONG ARM" AND/OR CORRUPT me by members of a most powerful organization in order to "HIT ME UP" as you, the people, would know the true story of my opponent - Timber Charlie's Sharpshoot, Hank Bill DOW Charge, Texas Sales tax bill, the largest expense account in the State Legislature, etc.

This is my answer - To those gentlemen, Mr. Wilson and to you, the voters of the 2nd Congressional District of TEXAS, NORMAN BIRDWELL WILL NOT BE "STRONG ARMED, BOUGHT, BRIBE, BULLY, BUILT OUT TO THE PRESSURE OF ANY POWERFUL ORGANIZATION THAT THINKS I AM BEING TOO "ROUGH" ON TIMBER CHARLIE. If someone in Mr. Wilson's camp has a damaging letter of a personal nature of mine which they are threatening to print and mail out, they are free to do so. THIS WILL NOT STOP ME FROM BEING THE BEST QUALIFIED TO BECOME CONGRESSMAN. Here is the sequence of events which led to this article: 1. After being informed by Mr. Wilson, personally, on March 27th in Orange that he wanted to speak to me on the following night March 28th, I received a phone call from a Mr. M. M. Moore of Houston. He identified himself as a member of a powerful organization and informed me that he represented them that I WOULD BE IN THE "HUNTO" FOR CONGRESS and requested a meeting with me as soon as possible. 2. I met Mr. L. H. Moore and another man at The Casino Motel Restaurant on March 27th. My wife and daughter listened in on the conversation, so I have witnessed in this meeting and its aftermath. 3. I was told in a very nice and in no uncertain terms that I WOULD BE "STRONG ARMED" back into telling all the facts as they really are and that a member of Mr. Wilson's Organization was going to mail out an "official" letter of mine of a damaging nature to everyone in my home county. 4. During the time of this interview with these gentlemen, four more were in an East Texas Courthouse watching the scene, unsuccessfully, for this purpose, but, as anything else they could use to make me, NORMAN BIRDWELL, slow down on Timber Charlie.

The voters of this district are not as naive and/or stupid as people may think. If my opposition is running on a record that he would stoop to such high pressure tactics as this - THEN JUST WHAT WOULD HE BE EXPECTED TO DO IN THE OFFICE OF CONGRESSMAN???

You, the voters, can now determine for yourselves and compare - one who would stoop to using this type of tactics or ONE WHO REFUSES TO BUCKLE OR KNEEL IN to this type of high pressure.

THANKS,
Norman T. Birdwell
